The following are answers/clarifications to questions received after at the non-mandatory pre-proposal conference:

1. Question: With the release of Addendum 2 and the clarified addition of the SF330 form, is it required that all pages of the addenda be included behind Tab 10 Attachments/Supplements? If this is required, do the addenda count towards the 50 page limit? This would add 13 additional pages to our proposal, greatly reducing proposal content.

Answer: Only the signed signature page with Certification by Proposer of the addenda is required to be included in proposals. The single signature page with Certification by Proposer will count towards the 50 page limit.

ACKNOWLEDGMENT: Each Proposer shall acknowledge receipt of this Addendum No. 3 by his or her signature below, **and a copy of this Addendum to be returned with proposal.**
