3. **Terms of Security.** The Developer shall construct and complete all Eligible Sidewalks, as evidenced by the inspection and written approval of the City's Public Works Director or designee, within 12 months from the date building permits are issued for 60 percent of the Subdivision lots or within five years from the date of final plat approval, whichever is soonest. In the event the Developer has not completed construction of the Eligible Sidewalks and received approval of the City for same within the timeframe described herein, the Developer shall be deemed in default and the City shall have the right without prior notice to Developer to draw on the Security in such amount as the City deems necessary to complete construction of that portion of the Eligible Sidewalks that have not been completed.

Upon the Developer's completion of any portion of the Eligible Sidewalks, as evidenced by the inspection and written approval of the City's Public Works Director or designee, and the Developer providing the City with the appropriate maintenance security required by Section 30-3.39 C. of the Land Development Code, a portion of the Security may be released in an amount equal to the City-approved costs of such completed Eligible Sidewalks. However, at no time before all Eligible Sidewalks have been completed and so certified by the City shall the balance of the Security be reduced to less than 30 percent of the estimated total cost to construct and complete all Eligible Sidewalks as written above. If the Developer completes the construction of all Eligible Sidewalks, with inspection and written approval by the City, and provides the appropriate maintenance security required by Section 30-3.39 C. of the Land Development Code, then the Security shall be released.

4. **Developer's Responsibilities.** The Developer shall construct and complete the Eligible Sidewalks, as evidenced by the inspection and written approval of the City's Public Works Director or designee, within the timeframe and in accordance with the terms described in this Agreement. In accordance with Section 30-6.6 K. of the Land Development Code, the Developer warrants any completed Eligible Sidewalks against all defects in materials and construction workmanship and also against design defects, and shall provide maintenance security for same.
5. **City's Responsibilities.** The City agrees to fulfill its responsibilities as required by the provisions of the City's Land Development Code, as may be amended from time to time.
6. **Issuer's Responsibilities.** This section is applicable only if the Developer provided Security to the City in the form of a surety bond, an irrevocable and unconditional letter of credit, or a construction loan agreement. The Issuer agrees that the Security shall remain valid for the term of this Agreement and shall be maintained and administered in accordance with this Agreement, and that any disbursement or release of the Security during the term of this Agreement shall not be made without the express written approval and certification of the City. In the event the Security can only be issued for a limited term, the Security shall provide for automatic extensions, without requiring written amendment, for successive periods as necessary to include the full term of this Agreement. In addition, the Issuer shall provide written notice to the City at least 60 calendar days in advance of any expiration date, in the event the term of the Security will not be extended beyond the then current expiration date.

7. **Inspection.** During the term of this Agreement, the City may inspect the Subdivision at any time during reasonable business hours to determine if Developer has complied with this Agreement.
8. **Relationship.** This Agreement does not evidence the creation of, nor shall it be construed as creating, a partnership or joint venture between the City and the Developer or the Issuer. The Developer or the Issuer cannot create any obligation or responsibility on behalf of the City or bind the City in any manner. Each party is acting for its own account, and it has made its own independent decisions to enter into this Agreement and as to whether the same is appropriate or proper for it based upon its own judgment and upon advice from such advisers as it has deemed necessary. Each party acknowledges that none of the other parties hereto is acting as a fiduciary for or an adviser to it in respect of this Agreement or any responsibility or obligation contemplated herein.
9. **Bankruptcy.** The filing by the Developer or the Issuer of a petition for relief under federal bankruptcy laws or any other similar law or statute of the United States, or the entry of an order or decree appointing a receiver of the Developer or the Issuer or their respective assets, shall not affect the Security or the City's rights under this Agreement.
10. **Modification and Waiver.** This Agreement may only be modified or waived in writing signed by all the parties. No course of dealing shall be deemed a waiver of rights or a modification of this Agreement. The failure of any party to exercise any right in this Agreement shall not be considered a waiver of such right. No waiver of a provision of this Agreement shall apply to any other portion of this Agreement. A waiver on one occasion shall not be deemed to be a waiver on other occasions.
11. **Applicable Law and Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, notwithstanding any Florida conflict of law provision to the contrary. Any legal action, in equity or law, with respect to this Agreement shall be brought and heard in Alachua County, Florida.
12. **Sovereign Immunity.** Nothing in this Agreement shall be interpreted as a waiver of the City's sovereign immunity as granted under Section 768.28, Florida Statutes.
13. **Severability.** Any provision of this Agreement held by a court of competent jurisdiction to be invalid, illegal or unenforceable shall be severable and shall not be construed to render the remainder to be invalid, illegal or unenforceable.
14. **Captions.** The captions and headings of sections or paragraphs used in this Agreement are for convenient reference only and shall not limit, define or otherwise affect the substance or construction of provisions of this Agreement.
15. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof. Any representations or statements heretofore made with respect to such subject matter, whether verbal or written, are merged herein.
16. **Successors and Assigns.** No parties to this Agreement shall assign or transfer any interest in this Agreement without the prior written consent of the other parties. The parties each bind the others and their respective successors and assigns in all respects to all the terms, conditions, covenants, and provisions of this Agreement.

17. **Time.** Time is of the essence in this Agreement. Whenever a notice or performance is to be done on a Saturday or Sunday or on a legal holiday observed by the City, it shall be postponed to the next business day.
