Re: Submission of records to be included in public record pertaining to April 18, 2019, City Commission meeting.

Dear City Commissioners:

Please find enclosed the Response and accompanying documents that I submitted in response and objection to the City of Gainesville Auditor, Carlos Holt's, Draft Report. I am re-submitting these in Response and Objection to the accompanying Final Report. When I reviewed the published Agenda for the upcoming meeting, as well as, the documents selected for public review it became apparent to me that certain items were selected for inclusion, while others were left out-specifically, the enclosed Response and Objection and accompanying documents. I did not make any revisions to the enclosed documents due to the content of the Final Report being substantially the same as the Draft Report.

I respectfully request that these items, along with this cover letter, be added to the public record accompanying the City Commissioner meeting scheduled to take place on April 18, 2019, commencing at 1:00 p.m. Thank you for your time and consideration regarding this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bobi J. Frank", enclosed within a large, loopy blue oval scribble.
