Honorable Mayor and Commissioners:

The undersigned, J.P. Morgan Securities LLC (the “Underwriter”), offers to enter into this Contract of Purchase (the “Purchase Contract”) with you (the “City”) which, upon acceptance, will be binding upon the City and upon the Underwriter. This offer is made subject to the City's acceptance on or before 6:00 p.m., New York City time, on the date hereof or on such other date as shall be agreed to by the City and the Underwriter, and if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the City at any time prior to the acceptance hereof by the City.

The Representative is not acting as a Municipal Advisor (as defined in Section 15B of the Securities Exchange Act of 1934, as amended), and shall not have a fiduciary duty, to the City in connection with the matters contemplated by this Purchase Contract. The City has consulted its own financial advisors to the extent it deems appropriate.

(a) Subject to the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the City, and the City hereby agrees to sell to the Underwriter, all (but not less than all) of its \$[SERIES 2012B PAR] aggregate principal amount of City of Gainesville, Florida, Variable Rate Utilities System Revenue Bonds, 2012 Series B (the “2012 Series B Bonds”). The 2012 Series B Bonds will be dated, and mature on the date and in the amount, and bear interest as described in the Official Statement (hereinafter defined). The purchase price for

the 2012 Series B Bonds shall be \$[\_\_\_\_\_], representing a par amount of 2012 Series B Bonds of \$[SERIES 2012B PAR], less the Underwriter's discount of \$[\_\_\_\_\_].

(b) The Underwriter shall make a bona fide public offering of the 2012 Series B Bonds at a price not in excess of the initial offering price set forth on the cover of the Official Statement. The Underwriter represents that, based on prevailing market conditions, it has no reason to believe that any of the 2012 Series B Bonds will be initially sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at a price greater than par. The Underwriter shall sell at least 10% of the 2012 Series B Bonds to the public (excluding such bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at an initial offering price not greater than par. The Underwriter reserves the right to change such public offering price as the Underwriter deems necessary in connection with the marketing of the 2012 Series B Bonds.

(c) The 2012 Series B Bonds shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable as provided in, the Utilities System Revenue Bond Resolution adopted by the City on June 6, 1983 (the "Original Resolution"), as heretofore amended, supplemented and restated, including as supplemented by a resolution duly adopted by the City on June 21, 2012 incorporating a resolution entitled "Twenty-Fifth Supplemental Utilities System Revenue Bond Resolution" authorizing the 2012 Series B Bonds (the "Twenty-Fifth Supplemental Resolution"; the Original Resolution as so supplemented, amended and restated through and including the Twenty-Fifth Supplemental Resolution being herein called the "Resolution"). (d) The proceeds of the 2012 Series B Bonds will be used to provide a portion of the funds (i) to refund certain outstanding Utilities System Revenue Bonds of the City listed in Exhibit A attached hereto, and (ii) to pay costs of issuance of the 2012 Series B Bonds.

(e) The City has heretofore delivered to the Underwriter such number of copies of the Official Statement of the City dated July \_\_, 2012, including all appendices thereto, relating to the 2012 Series B Bonds (the "Official Statement") as the Underwriter has requested, for use in connection with the public offering of the 2012 Series B Bonds. The source of repayment or security for this debt is the net revenues of the System. Authorizing this debt or obligation will result in an average of approximately \$[ ] per year of the revenues of the System not being available to finance the other services of the System each year for approximately [ ] years.

Very truly yours,
