We Come Bearing:

- A complete facility with no serious costs for the City.
- A \$5 million Liability Insurance Policy that covers the City (to-be-lessee), our volunteers, and participants that will be in affect 24 hours a day 365 days per year.
- \$4 Million of estimated local revenue in the first four years of operation.
- Trained volunteers to Operate and Maintain the BMX Track.
- Free Open House Days for the "Kids in Parks Program" offered three times per year.

Slide 5

Considerations:

- We are self-sufficient and do not draw on the City's monetary reserves.
- Expected Visitors:
 - 150-200 people per week
 - State Race: (Every 2-3 years)
 - 1200-1500 Entries w/ 5,000 Spectators
 - National Race: (Every 1-3 Years)
 - 1000-1200 Entries w/ 4000 Spectators

Slide 6

Other Considerations:

- Restriction on Green-Way paving ordinance avoided.
- Facility is very environmentally friendly.
- Also somewhat temporary and movable if needed.
- Proposed Hours of Operation:
 - Tuesday and Thursday Evenings for Practice 6:00-8:30pm
 - Saturday Day or Evening Racing
- We will need approval for lights and a P/A system.

Slide 7

We need from you:

- Land Lease for 10 years at the typical \$1 per year on 3 acres.
- Access to City water and electric.
- Free-Standing Bathrooms for park users.
- Signage - Min. 32sq Ft.
- Three acres for the facility itself, and an additional 5-7 acres for large event overflow parking.
- Any clean fill dirt the City or GRU has to offer, as 4000 cubic yards are needed for construction.

Slide 8

Our Plan:

- Secure lease and any necessary Special-Use permits.
- Engineer and build the facility.
- Maintain facility appearance and cleanliness for aesthetic and low environmental impact.
- Provide local kids a safe place to use their bicycles.
- Promote Bicycle Safety in area schools.
