RE: Alachua County Transportation Disadvantaged Coordinating Board

Dear Mayor Delaney:

This letter is regarding the Transportation Disadvantaged Program established by Chapter 427, Florida Statutes. The purpose of this program is to provide transportation to individuals who are unable to transport themselves because of age, disability or income status.

The Metropolitan Transportation Planning Organization for the Gainesville Urbanized Area (MTPO) is the planning agency for the Transportation Disadvantaged Program in Alachua County. As the planning agency, the MTPO appoints members to the Alachua County Transportation Disadvantaged Coordinating Board.

In February 1997, the MTPO appointed Mr. Perry Maull, Regional Transit System Director, to serve the remainder of a three year term of appointment as the voting Mass Transit representative. Mr. Maull's term of appointment will expire in August 1999. Please ask the Gainesville City Commission to recommend whether to reappoint Mr. Maull to the Board for an additional three-year term or appoint a new Mass Transit representative.

Thank you for your assistance. If you have any questions or need any additional information, please do not hesitate to contact Ms. Lynn Franson-Godfrey, Senior Planner, at extension 110.

Sincerely,

Marlie Sanderson  
Director of Transportation Planning
