Re: Stormwater Utility Fees

Dear Mr. Radson:

I was able to meet with my clients last night, and all have agreed to a joint meeting to be held at 1:00 p.m. on Monday, February 8, 2010 in our Conference Room E at Kirby-Smith. We do have recording facilities in that room, which is significantly larger than Room 16 at City Hall.

I understand you will be handling the public notice for this meeting. If my understanding is incorrect, please advise at once.

Very truly yours,

Susan M. Seigle
