Devonia,

Will this e-mail suffice as a letter of resignation from the Cultural Affairs Board for Lauren Nagel Richardson?

Dear Ellen: I trust that Sandra has received my notes from the November board meeting. I will again be out of town this Saturday, taking my stepson up to military school, and I apologize for not being able to sit as secretary for the retreat.

At this time, with regret, I think it best for the board that I resign as secretary and as a board member. I have enjoyed my time on the board immensely and will try to find time to do it again. I am just swamped with work and family projects. Please send Coni my regrets. Thanks, Lauren Richardson
