PREAMBLE

THIS AGREEMENT, entered into this ~~67th~~-~~Xth~~ day of ~~February~~January,
~~2019~~2022, between the City of Gainesville, hereinafter referred to as the "Public
Employer" or "City," and the Communications Workers of America, AFL-CIO,
hereinafter referred to as the "Union."

WITNESSETH:

WHEREAS, the City is engaged in furnishing essential public service which vitally
affects the health, safety, comfort and general well-being of the public; and

WHEREAS, all parties hereto recognize the need for continuous and reliable
service to the public; it is mutually agreed the City's obligation to provide efficient
responsive service to the citizens of the City of Gainesville should not be
obstructed by disputes between it and its employees; and

WHEREAS, all parties hereto agree that the basic intent of this Agreement is to
provide a fair day's work in return for a fair day's pay,

NOW, THEREFORE, for and in consideration of the premises herein contained, it
is mutually agreed that:

1 **ARTICLE 1**

2 **PURPOSE AND INTENT**

3 1.1 The following Agreement between the City and the Union is recorded in
4 written form to meet the requirements set forth in Chapter 447 of the State
5 Statutes, specifically Section 447.203(14), which requires the execution of a
6 written contract with respect to agreements reached.

7 1.2 This Agreement is designed to provide for a fair and equitable procedure for
8 the resolution of contractual differences in accordance with the grievance
9 procedure specified herein.

10 1.3 It is the intent and purpose of this Agreement to set forth herein basic and
11 full agreement between the parties concerning specified terms and
12 conditions of employment consistent with the availability of public funds.

13 **ARTICLE 2**

14 **UNION RECOGNITION**

15
16 2.1 The City recognizes the Union as the collective bargaining agent of all
17 probationary, regular full-time, and regular part-time, non-supervisory
18 employees of the City in General Government and Gainesville Regional
19 Utilities as defined by P.E.R.C.

20 2.2 The Union recognizes the City Manager and the General Manager for
21 Utilities or their designated representatives as the sole representatives of
22 the General Government and the Utilities System of the City of Gainesville,
23 respectively, for the purpose of collective bargaining. There shall be no
24 individual arrangements or agreements made covering any part or all of this
25 Agreement contrary to the terms herein provided.

26 2.3 It is further understood and agreed that the President of Local No. 3170 or
27 his/her designated representative will be the official spokesperson for said
28 local union in any matter between the Local Union and the Public Employer.
29

1 **ARTICLE 3**

2 **UNION SECURITY AND CHECK OFF**

3 3.1 Any and all employees who are eligible for inclusion in the bargaining unit
4 shall have the right to join or not to join the Union as they individually prefer.
5 It is agreed that there shall be no discrimination for or against any employee
6 because of his/her membership in said organization and, likewise, no
7 employee shall be discriminated against for non-membership in the Union
8 and neither the Union nor any employee shall attempt to coerce an
9 employee into joining or continuing in said organization.

10 3.2 Within thirty (30) days from the effective date of this Agreement and upon
11 receipt of a stipulated, lawfully executed, written authorization from an
12 employee covered by this Agreement, the City agrees to deduct on a bi-
13 weekly basis dues as certified to the Public Employer by the Secretary-
14 Treasurer of the Communications Workers of America and to remit the
15 aggregate deductions so authorized together with an itemized statement to
16 the Secretary-Treasurer. Dues deduction authorization submitted after the
17 above date will be remitted within thirty (30) days from the date of the
18 deduction on a monthly basis. Changes in Union membership dues will be
19 similarly certified to the City in writing and shall be done at least thirty (30)
20 days prior to the effective date of such change. This dues authorization
21 may be revoked by the employee upon thirty (30) days written notice to the
22 City and to the Union.

23 3.3 No deduction shall be made from the pay of any employee for any payroll
24 period in which the employee's net earnings for that payroll period, after
25 other deductions, are less than the amount of dues to be checked off.

26 3.4 The Union agrees to indemnify, defend and hold the City harmless against
27 any and all claims, suits, orders, or judgments brought or issued against the
28 City as a result of any action taken or not taken by the City under the
29 provisions of this Article.

30 3.5 It is understood and agreed that the City will furnish the Union a list of
31 employees who are eligible for membership in the Union. This list will be

1 furnished on or about October 1st of each year.

2 3.6 In the event that dues check off for an employee is stopped, the City will
3 provide the Union with a thirty (30) day notice or a copy of an appropriate
4 form which has caused check off to cease.

5 3.7 The City shall provide a monthly update on employees' status due to
6 promotion, retirement, termination, and transfer. Such monthly status shall
7 be provided to the Union President.

8
9 **ARTICLE 4**

10 **MANAGEMENT SECURITY**

11 4.1 The Union and its members agree they shall have no right to strike. Strike
12 means the concerted stoppage of work, the concerted absence of
13 employees from their positions, the concerted failure to report for duty, the
14 concerted submission of resignation, the concerted abstinence in whole or
15 in part of any group of employees from the full and faithful performance of
16 their duties of employment with the City of Gainesville, the Public Employer,
17 for the purpose of inducing, influencing, condoning or coercing a change in
18 the obligations, terms or conditions of their employment. The Union and its
19 members further agree they shall have no right to participate in a deliberate
20 and concerted course of conduct which adversely affects the services of the
21 employer, including the failure to work overtime, the concerted failure to
22 report to work after the expiration of a collective bargaining agreement and
23 picketing in furtherance of a work stoppage or refusing to cross a picket
24 line. Any violation of this Section shall subject the violator(s) to the
25 penalties as provided by law and to the rules and regulations of the Public
26 Employer.

27 4.2 Any employee covered by this Agreement who participates in, is a party
28 thereto or promotes any of the above actions as outlined in Section 4.1 or
29 other similar forms of interference with the operations or functions of the
30 City shall be subject to disciplinary action up to and including discharge.
31 The only question that shall be raised in any proceedings, judicial or

1 otherwise, contesting such action, is whether any provision as outlined in
2 Section 4.1 was violated by the employee to be disciplined or discharged.
3 Employees shall not be entitled to any benefits or wages whatsoever while
4 they are engaged in strike activities, or other interruptions of work. Any
5 employee discharged in accordance with this Article or applicable provisions
6 of the State of Florida Employees Collective Bargaining Statute shall, if
7 appointed, reappointed, employed or re-employed by the City, serve a six
8 (6) month probationary period following the reappointment or re-
9 employment, and the compensation may in no event exceed that received
10 immediately prior to the time of the violation and the compensation may not
11 be increased for one (1) year.

12 4.3 In the event of a strike as defined in Section 4.1 the Local President of the
13 CWA, after determining such individuals are CWA members, shall
14 immediately, within twenty-four (24) hours, verbally where possible, and in
15 writing, order such employees to return to work. Copy of such order to be
16 provided to the City within twenty-four (24) hours. This Article is not subject
17 to the arbitration provisions of the Agreement, but shall be enforced by the
18 ordinary processes of law.

19 **ARTICLE 5**

20 **MANAGEMENT RIGHTS**

21
22 5.1 It is the right of the Public Employer to unilaterally determine the purpose
23 of each of its constituent agencies, set standards of services to be offered
24 to the public and exercise control and discretion over its organization and
25 operations.

26 5.2 Except as otherwise provided herein, the Union recognizes the sole and
27 exclusive rights, powers and authority of the Public Employer further
28 include, but are not limited to, the following: to direct and manage
29 employees of the City; to hire, promote, transfer, schedule, assign and
30 retain employees; to suspend, demote, discharge or take other disciplinary
31 action against employees for just cause; to relieve employees from duty

1 because of lack of work, funds or other legitimate reasons to maintain the
2 efficiency of its operations, including the right to contract and subcontract
3 existing and future work; to determine the duties to be included in job
4 classifications and the numbers, types and grades of positions or
5 employees assigned to an organizational unit, department or project; to
6 assign overtime and to determine the amount of overtime required; to
7 control and regulate the use of all its equipment and property; to establish
8 and require employees to observe all its rules and regulations; to conduct
9 performance evaluations and to determine internal security practices. The
10 employer agrees that, prior to substantial permanent layoff of bargaining
11 unit members, it will discuss such with the Union.

12 5.3 If, in the sole discretion of the Public Employer, it is determined that civil
13 emergency conditions exist, or are imminent including, but not limited to,
14 riots, civil disorders, severe weather conditions (or similar catastrophes)
15 the scheduling (Article 14, Section 14.2) and time limit (Article 8) provisions
16 of this Agreement may be suspended in writing by the City Manager or the
17 General Manager for Utilities or those acting directly in their position
18 during the time of the declared emergency, provided that wage rates and
19 monetary fringe benefits shall not be suspended. Should an emergency
20 arise, the Union President shall be advised as soon as possible of the
21 nature of the emergency. **Both parties recognize that it is in their**
22 **mutual best interest to communicate prior to a suspension of the**
23 **Agreement.**

24 **ARTICLE 6**

25 **UNION STEWARDS & UNION ACTIVITY**

26
27 6.1 The Union shall have the right to select employees from those covered by
28 this Agreement to act as Union stewards. A written list of the Union
29 stewards and their jurisdictions shall be furnished to the Human Resources
30 Director when possible at least forty-eight (48) hours prior to the effective
31 date of their assuming office. The Union shall notify the Human Resources

1 Director promptly of any change(s) of such Union stewards. No Union
2 steward will perform any Union work unless the above has been complied
3 with.

4 6.2 The CWA representative (non-employee and employee) may, with proper
5 authorization, which will not be unduly withheld, be admitted to the property
6 of the Public Employer. The representative, as designated above, shall be
7 able to talk with employees before or after regular working hours or during
8 lunch hours of said employees on Public Employer property in areas
9 designated by the Public Employer.

10 6.3 Union stewards and officers (except for the Union President and Secretary-
11 Treasurer) must be employees in the bargaining unit who have satisfactorily
12 completed their probationary period.

13 6.4 Except as otherwise provided, the Union recognizes that Union stewards
14 and officers are not entitled to any special benefits or treatment because of
15 their roles as stewards or officers, nor shall stewards and officers be
16 discriminated against for proper and legitimate Union activity in which they
17 engage.

18 6.5 While on medical leave of absence without pay, sick leave, PCLB,
19 unscheduled PTO, or while receiving workers' compensation payments,
20 employees shall not function as Union officers or stewards.

21 6.6 The investigation, handling, or adjustment of grievances shall, insofar as is
22 practical, be conducted by employees and/or Union stewards or a Union
23 officer during non-working hours. Union officers and Union stewards shall
24 not exceed twenty-seven (27) in number to cover both the non-supervisory
25 and supervisory labor agreements. If grievance matters must be attended
26 to during regular working hours, it will be done so as to cause a minimum of
27 interference with production or services. Bargaining unit employees who
28 are stewards or Union officers will be paid for time spent on such
29 grievances up to a maximum of five (5) non-accumulative, non-transferable
30 hours per scheduled week per Union officer or steward. It is acknowledged
31 that the steward or Union officer must advise the appropriate management

1 representative of the requirement and secure permission before conducting
2 such investigation. Permission may be given verbally, provided that said
3 verbal authorization insures adequate control of time spent on grievance
4 handling; otherwise written permission shall be required. If written
5 permission becomes necessary, the City will provide a form which will be
6 used for this purpose. Upon returning to his/her work assignment, the
7 steward or Union officer shall report to the appropriate management
8 representative unless prior consent not to do so has been secured. Union
9 stewards or Union officers shall not investigate, present, or adjust
10 grievances on overtime. The President or his/her designee shall be granted
11 a union leave of absence to attend City Commission meetings which
12 directly affect the bargaining unit, subject to Article 26, paragraph 26.11.

13 6.7 Union stewards shall investigate and settle grievances only on the job site
14 or activity which is within their jurisdictions. The following protocol will be
15 adhered to in the investigating/settling of grievances.

16 A. Informal & 1st Step:

17 Employees must use the Union Steward that has jurisdiction over the
18 affected employee's area; if one is not available, see Section 6.8.

19 There shall only be one steward of the Union allowed to leave his/her
20 work station and/or work site to conduct Union business (e.g.,
21 grievances, discipline meetings, meeting with management, etc.)

22 B. 2nd Step and 3rd Step:

23 The steward who handled the informal and 1st Step response may
24 attend. In addition, the Union president or designee may be present.

25 6.8 If it becomes necessary for a Union steward to enter an area jurisdiction
26 other than his/her own for the purpose of conducting Union business
27 authorized by this Agreement, he/she shall notify the affected employee's
28 Manager or his/her designee of the general nature of the business, and
29 mutually agree upon a scheduled time to meet with the employee.

30 6.9 Solicitation of any and all kinds by the Union, including, but not limited to,
31 the solicitation of membership, grievances and the collection of Union

1 monies, shall not be engaged in during working hours. It is not the intent of
2 the above to restrict or preclude any steward from answering legitimate
3 questions from any members of the bargaining unit concerning Union
4 activity.

5 6.10 The Union shall not distribute literature during working hours in areas where
6 the actual work of public employees is performed, such as offices,
7 warehouses, schools, police stations, fire stations, and any similar public
8 installations. This section shall not be construed to prohibit the distribution
9 of literature during the employees' lunch in such areas not exclusively
10 devoted to the performance of the employees' official duties.

11 6.11 The Union shall not distribute on City property any materials that reflect on
12 the integrity or motives of any individual, agency, or activity of the City
13 government or other labor organizations. This shall not restrict the Union
14 from having the same privilege as any citizen, nor shall the City distribute
15 any material that reflects on the integrity or motive of any individual, agency
16 or activity of the Union.

17 6.12 The City will distribute to new employees, during new employee orientation,
18 information which has been agreed to by the Union and the City.

19 6.13 The Union President or his/her designee will be permitted to represent all
20 employees covered by this Agreement. The Vice President for General
21 Government and the Vice President for Gainesville Regional Utilities shall
22 be permitted to represent all employees covered by this Agreement, subject
23 to paragraph 7.7.

24 **ARTICLE 7**

25 **DISCHARGE AND DISCIPLINE**

26
27 7.1 A regular employee may be disciplined or discharged only for just cause
28 and in a fair, impartial and consistent manner as established by the City. It
29 is understood by the parties that employees are subject to all Rules and
30 Regulations of the City.

31 7.2 Any official written reprimand shall be furnished to the employee outlining

1 the reason for the reprimand. It is the City's intention to complete the
2 investigation in a timely fashion and notify the employee of the potential of
3 such disciplinary action within thirty (30) calendar days of the City becoming
4 aware of the event giving rise to the discipline. The employee will be
5 requested to sign the written reprimand; however, signature does not
6 necessarily imply agreement. If the employee refuses to sign, this refusal
7 shall be noted and placed in the employee's personnel file. The employee
8 shall have the opportunity to respond to the reprimand in writing. Whenever
9 possible, the City will make every effort to reprimand an employee (whether
10 verbal or written) in a private manner so as to avoid embarrassing the
11 employee.

12 7.3 Disciplinary actions involving discharge, demotion and suspension with loss
13 of pay are subject to the grievance provisions of this Agreement. Written
14 instructions and cautionings are subject to the grievance provisions of this
15 Agreement. Written or verbal warnings are not grievable. Such warnings
16 are not to be considered a "first offense" under City Personnel Policies and
17 Procedures, Policy # E-3; however, such warnings may be used as a basis
18 to substantiate future disciplinary action under Policy #E-3.

19 7.4 Any discharged employee who has completed his/her probationary period
20 shall have the right to appeal said discharge directly to the third step of the
21 grievance procedure provided such appeal is made within seven (7) days
22 from the effective date of such action, computed in accordance with Section
23 8.3 (D).

24 7.5 The discharge, discipline, demotion, layoff or suspension of probationary
25 employees on initial hire or rehire shall not be subject to the grievance
26 procedure of this Agreement.

27 7.6 Except as otherwise provided in this paragraph, in imposing disciplinary
28 measures by incremental steps based on successive deficiencies in
29 employee performance on a current charge, the Department Head will not
30 take into consideration prior infractions of the same rule which occurred
31 more than eighteen (18) months previously, or, in the case of safety

1 infractions, any prior safety infractions which occurred more than five (5)
 2 years previously. In discharge cases, the overall disciplinary record of the
 3 employee may be taken into consideration.

4 **7.7** An employee, upon request, shall be entitled to Union representation at
 5 disciplinary interviews or conferences in accordance with law. This shall not
 6 be construed as requiring the CWA to represent a non-member.

7 **ARTICLE 8**
 8 **GRIEVANCE PROCEDURE**

9 **8.1** The Union, or any employee whose classification is represented by CWA
 10 Local 3170, may file a grievance concerning the meaning, application,
 11 and/or interpretation of the specific Articles of this Agreement and any
 12 disciplinary action as defined in Article 7, Section 7.3 of the Agreement,
 13 when a question of "Just Cause" exists resulting from the application of City
 14 or departmental rules and regulations. Any grievance filed shall adequately
 15 set forth the facts pertaining to the alleged violation and shall be processed
 16 in accordance with the following rules:

17 **8.2** **Informal Step**

18 Prior to filing a written grievance, the affected employee, with or without
 19 union representation, shall, within seven (7) days [see 8.3 (D)], meet with
 20 the appropriate supervisor and manager to discuss his/her complaint or
 21 potential grievance in an effort to resolve the complaint. This informal step
 22 is for the affected employee to fully explain his/her complaint, present the
 23 facts, state his/her contentions and clear up any possible
 24 misunderstandings in an effort to informally resolve the complaint. The
 25 informal resolution may be bypassed, and the affected employee or the
 26 Union, at the affected employee's request, is allowed to file a Step 1
 27 grievance if discipline resulting in suspension without pay has already been
 28 imposed. If the appropriate supervisor or manager has not responded
 29 within seven (7) days from the date of this initial meeting or the decision
 30 reached is not acceptable, the affected employee has seven (7) days, from
 31 receipt of response, or due date of response if not received, to file a written

1 grievance in accordance with Step 1.

2 8.3 Rules for Grievance Processing:

3 It is agreed:

- 4 (A) A grievance must be brought forward to the informal step within
5 seven (7) days after the occurrence of the event giving rise to the
6 grievance or within seven (7) days after the employee, through use
7 of reasonable diligence, should have obtained knowledge of the
8 occurrence of the event giving rise to the grievance or within seven
9 (7) days after the manager's response.
- 10 (B) Time limits at any stage of the grievance procedure may be
11 extended by written mutual agreement of the parties involved at that
12 step.
- 13 (C) A grievance not advanced to the higher step within the time limit
14 provided shall be deemed permanently withdrawn and as having
15 been settled on the basis of the decision most recently given.
16 Failure on the part of the Public Employer's representative to answer
17 within the time limit set forth in any step will entitle the employee to
18 proceed to the next step.
- 19 (D) In computing time limits under this Article, City designated holidays
20 and weekends (Saturdays and Sundays) shall not be counted except
21 where it is specified by calendar days.
- 22 (E) In settlement of any grievance resulting in retroactive adjustment,
23 such adjustment shall be limited to seven (7) days prior to the date of
24 the informal meeting. Remedies or corrective actions shall not
25 require the employer to violate this Agreement.
- 26 (F) When a grievance is reduced to writing, there shall be set forth in the
27 space provided on the grievance form provided by the Public
28 Employer all of the following:
- 29 1. A complete statement of the grievance and facts upon which
30 it is based;
 - 31 2. The article, or articles, and the specific section, or sections, of

1 articles within this Agreement the employee claims to have
2 been violated and a statement which completely explains the
3 manner in which the section(s) and/or article(s) have been
4 violated;

5 3. A clear description of the remedy or corrective action
6 requested;

7 4. The signature of the grievant or grievants and the date
8 submitted; and

9 5. The date and time of the alleged events which gave rise to
10 the grievance.

11 (G) An employee, upon request, shall be entitled to Union representation
12 in accordance with the provisions of this Agreement at each and
13 every step of the grievance procedure set forth in this Agreement.

14 (H) Any grievance may be returned to the grievant for failure to meet the
15 technical requirements as outlined in section F of this article. The
16 grievant shall have seven (7) days to resubmit the grievance.

17 Step 1: An employee who has personally signed a grievance
18 may, with or without Union representation, submit it in
19 writing to the Division Head. The Division Head, or
20 his/her representative, shall hold a meeting within
21 seven (7) days after receipt of the written grievance. A
22 written response shall be given to the employee and
23 the union within seven (7) days of the meeting. The
24 aggrieved employee, upon his/her request, may be
25 accompanied at this meeting by the appropriate Union
26 representative.

27 Step 2: If the grievance is not settled at Step 1, the aggrieved
28 employee or the President of Local No. 3170 may
29 submit a written appeal to the Department Head within
30 seven (7) days after the Step 1 answer was due. This
31 written appeal shall be signed by the aggrieved

1 employee. The Department Head, or his/her
2 representative, shall, within seven (7) days after the
3 receipt of the written appeal, answer the appeal in
4 writing or request a meeting with the employee and/or
5 a Union representative. Such meeting shall be held if
6 requested by either party. If such a meeting is held, a
7 written response shall be given to the employee and
8 the Union within seven (7) days of the meeting.

9 Step 3: If the appeal is not settled at Step 2, the aggrieved
10 employee or the President of Local No. 3170 may
11 submit a written appeal to the ~~City Manager, General~~
12 ~~Manager for Utilities~~appropriate Charter Officer, or
13 his/her respective designees, within seven (7) days
14 after the Step 2 answer was due. This written appeal
15 shall be signed by the aggrieved employee and Union
16 President. Grievances originating in General
17 Government shall be submitted to the ~~City~~
18 ~~Manager~~appropriate Charter Officer. Grievances
19 originating in Utilities shall be submitted to the General
20 Manager for Utilities. The ~~City Manager, General~~
21 ~~Manager for Utilities~~ Charter Officer, or his/her
22 respective designees shall, within seven (7) days of
23 receipt of the written grievance, answer the grievance
24 in writing or request a meeting with the employee
25 and/or a Union representative. Such meeting shall be
26 held if requested by the Union President. If such a
27 meeting is held, a written response will be given to the
28 employee and the Union within seven (7) days of the
29 meeting.

30 8.4 If the grievance is not settled in accordance with the foregoing procedure,
31 the Union may request arbitration by serving written notice of intent to

1 appeal with the Human Resources Director or designee within thirty (30)
2 calendar days after receipt of the City's response in Step 3. The written
3 notice shall state the facts of the case and list the article(s) and the
4 section(s) of such article(s) of this contract alleged to have been violated. If
5 the grievance is not appealed to arbitration within said thirty (30) calendar
6 days, the City's Step 3 answer shall be final and binding.

7 8.5 Within fifteen (15) calendar days from receipt of the request for arbitration,
8 unless a time extension has been requested in writing and approved by the
9 Human Resources Director or designee, the Union shall complete a
10 "Request For Arbitration Panel Form" and submit it to the Human
11 Resources Director or designee who shall sign and submit to the Federal
12 Mediation and Conciliation Service. The panel shall be for seven (7)
13 arbitrators, unless the parties can mutually agree on an arbitrator to hear
14 the grievance. This panel shall consist of arbitrators residing in Florida
15 unless the parties agree otherwise. If the Union does not submit a
16 "Request For Arbitration Panel Form" to the Human Resources Director or
17 designee within said fifteen (15) calendar days, the answer at the previous
18 step shall be binding. Both the Human Resources Director or designee and
19 the Union shall have the right to strike two (2) names from the panel.
20 Within fifteen (15) calendar days after receipt of the list, the Union shall
21 notify the Human Resources Director or designee in writing requesting a
22 date and time to meet and alternately cross out names on the list. Failure
23 of the Union to notify the Human Resources Director or designee in writing
24 within the fifteen (15) days of receipt of the list shall result in the City's Step
25 3 answer being final and binding. In all cases the party requesting
26 arbitration shall cross out the first name. The remaining person shall be the
27 arbitrator. The arbitrator shall be notified of his/her selection within five (5)
28 days by a joint letter from the City and the Union requesting that he/she set
29 a time and place, subject to the availability of the City and Union
30 representatives. A copy of this article shall be included.

31 8.6 The arbitration shall be conducted under the rules set forth in this

1 Agreement and not under the Rules of the FMCS. The arbitrator shall have
2 no authority to modify, amend, ignore, add to, subtract from or otherwise
3 alter or supplement this Agreement or any part thereof or any amendment
4 thereto. The arbitrator shall consider and decide only the specific issue(s)
5 submitted to him/her in writing by the City and the Union and shall have no
6 authority to consider or rule upon any matter which is stated in this
7 Agreement not to be subject to the arbitration, which is not a grievance as
8 defined in Section 8.1, or which is not specifically covered by this
9 Agreement. The arbitrator may not issue declaratory or advisory opinions
10 and shall be confined exclusively to the question which is presented to
11 him/her, which question must be actual and existing. The arbitrator shall
12 submit in writing his/her decision within thirty (30) days following the close of
13 the hearing or the submission of briefs by the parties, whichever is later,
14 provided that the parties may mutually agree in writing to extend said
15 limitation. Consistent with this section, the decision of the arbitrator shall be
16 final and binding.

17 8.7 The expense of arbitration, including the compensation expenses of the
18 arbitrator, shall be shared equally by the City and the Union.

19 8.8 Each party shall be responsible for the expense or expenses of any witness
20 or witnesses it calls.

21 8.9 The cost of any transcript shall be borne solely by the party requesting it;
22 except when the other party requests a copy, in which case the cost will be
23 split.

24 8.10 The City shall notify the Union President of all grievances filed by bargaining
25 unit employees, and shall be advised as to disposition of the grievances in
26 writing. The Union President, or his/her designee, shall be notified as to the
27 time and place of grievance meetings.

28 8.11 If grievance material is contained in an employee's file, it shall be complete
29 and fairly reflect the entire record on the matter or grievance at issue.

1 **ARTICLE 9**

2 **NON-DISCRIMINATION**

3 9.1 Employees of the City shall have the right to form, join, and participate in, or
4 to refrain from forming, joining or participating in any employee organization
5 of their own choosing. No employee shall be intimidated, restrained,
6 coerced or discriminated against by either the City or the Union because of
7 the exercise of these rights.

8 9.2 The City and the Union shall apply the provisions of this Agreement equally
9 to all employees without discrimination because of age, sex, race, color,
10 religion, national origin, political affiliation, disability, marital status, gender
11 identity, sexual orientation or membership or non-membership in the Union
12 as required by applicable federal or state law, including any obligations to
13 reasonably accommodate a disability under the ADA. Any grievances
14 concerning this paragraph shall be handled in the grievance procedure only
15 through the third step and shall not be processed through arbitration.

16 **ARTICLE 10**

17 **DRUG-FREE WORKPLACE**

18
19 10.1 The City and the Union recognize that substance abuse in the workplace
20 exacts staggering costs in both human and economic terms. Substance
21 abuse can be reasonably expected to produce impaired job performance,
22 lost productivity, absenteeism, accidents, wasted materials, lowered
23 morale, rising health care costs, and diminished interpersonal relationship
24 skills. The City and the Union share a commitment to solve this problem
25 and to create and maintain a drug-free work place. The parties have
26 agreed that the procedures outlined in the Federal Department of
27 Transportation Drug Testing Programs for Pipeline Facilities in
28 accordance with Pipeline and Hazardous Material Safety Administration
29 (PHMSA) and employees with Commercial Drivers Licenses (CDL), both
30 of which include random testing, must be followed. In addition, the CWA
31 3170 Drug-Free Workplace Program, which does not include random

1 testing, must also be followed. (See Addendum A)

4 **DESIGNATED LEAVE SYSTEM (Old System)**

5 VACATIONS

6 11.1 Regular and probationary full-time employees hired prior to 10/01/00, who
7 are covered by this Agreement and have not elected the Paid Time Off
8 (PTO) option, shall accrue vacation (annual leave) based on their leave
9 progression date and shall be limited to the following schedule:

10	Years Of	Rate of Accrual
11	<u>Continuous Service</u>	<u>Per Pay Period</u>
12		
13		
14	1 to 5 years	3 Hrs. 42 Mins.
15	(1 mo. thru 59 mos.)	
16		
17	5 to 10 years	4 Hrs. 19 Mins.
18	(60 mos. thru 119 mos.)	
19		
20	10 to 15 years	5 Hrs. 14 Mins.
21	(120 mos. thru 179 mos.)	
22		
23	15 to 20 years	5 Hrs. 51 Mins.
24	(180 mos. thru 239 mos.)	
25		
26	20 years to 25 years	7 Hrs. 5 Mins.
27	(240 mos. thru 299 mos.)	
28		
29	25 years or more	7 Hrs. 24 Mins.
30	(300 mos. or more)	
31		

32 Regular part-time employees shall earn annual leave in the proportion that
33 their workweek bears to a full-time workweek. A part-time employee whose
34 average workweek over a four (4) week period is greater or less than their
35 normal scheduled workweek shall have their accrual rate changed to reflect
36 the higher or lower average workweek until it returns to normal.

37
38 11.2 The maximum number of vacation (annual leave) hours that employees

covered by this Agreement are allowed to have, as of the anniversary of their adjusted service date (leave progression date or date of regular employment with the City, whichever is later), are as follows:

<u>Years of Continuous Service</u>	<u>Maximum Hours</u>
1 to 5 years (1 mo. thru 59 mos.)	160
5 to 10 years (60 mos. thru 119 mos.)	192
10 to 20 years (120 mos. thru 239 mos.)	240
20 or more years (240 mos. or more)	240

Employees with vacation (annual leave) balances above the maximum allowed as of the anniversary of their adjusted service date (leave progression date or date of regular employment with the City, whichever is later) shall have their balances reduced to the maximum allowed during the pay period in which the anniversary of their adjusted service date (leave progression date or date of regular employment, whichever is later) occurs.

Any sick leave incentive time awarded will be added to the vacation (annual leave) balance after the maximum hours have been adjusted.

11.3 Vacation (annual leave) shall continue to accrue during periods of absence in which the employee is in pay status, except when the absence is covered by donated leave (Leave Bank).

11.4 A. In general, the City policy for use of vacation (annual leave) will be in quantities of not less than one hour, except as otherwise provided in the Family and Medical Leave Act (FMLA). Vacation (annual leave) must begin or end at the start or close of the shift or work schedule unless an emergency arises. Department approval of scheduled leave will not be unreasonably withheld provided operational needs can be met, as determined by the City.

- 1 B. Each Department may establish written guidelines, based on job
2 function, for the minimum increment of leave and the time of leave
3 use during the shift which are more flexible than those stated in
4 Section 11.4(A) if operational needs so permit. The Department may
5 amend these written guidelines at any time if operational needs so
6 require, as long as they do not exceed the requirements in Section
7 11.4(A).
8
- 9 11.5 Should a holiday occur during an employee's vacation, that day shall be
10 charged as a holiday.
- 11 11.6 Except for payment for vacation that is sold back at the time of conversion
12 to the PTO system, or upon termination or entry into the DROP, employees
13 shall not be paid for vacation (annual leave) accrued in lieu of taking a
14 vacation.
- 15 11.7 Vacation (annual leave) shall not be granted in advance of being earned. If
16 an employee has insufficient vacation (annual leave) credit to cover
17 vacation (annual leave), the employee shall be in a no pay status.
- 18 11.8 Employees who are transferred from one department to another shall have
19 their vacation (annual leave) credits transferred with them.
- 20 11.9 Upon termination of employment, the employee shall be entitled to
21 compensation for any earned but unused vacation (annual leave) to his/her
22 credit at the time of termination at the employee's current straight time rate
23 of pay, except as provided below. Whenever an employee serves in a
24 Special Assignment, Out of Class, or Acting Assignment for less than one
25 year, premium(s) paid for such assignment shall not be included in the rate
26 of pay. The employee's official termination date shall be the last day of
27 active employment, and shall not be extended due to payment for unused
28 vacation (annual leave) time.
- 29 11.10 If an employee is called back to work during his/her vacation (annual leave)
30 period, the employee shall be allowed to reschedule with special
31 consideration any vacation (annual leave) time lost as a result of the call

1 back.

2

3 11.11 In the event of the death of an employee, all compensation due to the
4 employee as of the effective date of death shall be paid to the beneficiary,
5 surviving spouse, or to the estate of the employee as determined by law or
6 by executed forms in his/her personnel folder.

7 SICK LEAVE

8 11.12 Regular and probationary full-time employees hired prior to 10/1/00 who are
9 covered by this Agreement and have not elected the Paid Time Off (PTO)
10 option shall accrue sick leave based on their leave progression date and
11 shall be limited to the following schedule:

12 A. Employees earn sick leave at the rate of 1 Hr. 51 Mins. per pay
13 period until their second anniversary. After two (2) years of service,
14 employees will earn sick leave at the rate of 2 Hrs. 47 Mins. per
15 pay period and after four (4) years of service at the rate of 3 Hrs.
16 42 Mins. per pay period.

17 B. Regular part-time employees shall earn sick leave in the proportion
18 that their workweek bears to a full-time workweek. A part-time
19 employee whose average workweek over a four (4) week period is
20 greater or less than their normal scheduled workweek shall have
21 their accrual rate changed to reflect either their higher or lower
22 average workweek until it returns to normal.

23 11.13 Sick leave will be granted upon approval of the Department Head, or
24 his/her designee, for the following reasons:

25 A. For absence due to personal illness, injury or temporary disability.
26 (Doctor's statement is required for temporary disability indicating
27 approximate length of absence due to disability.)

28 B. For personal medical and dental appointments.

29 C. For absence due to a compensable injury arising out of the course
30 of City employment (employee may request the Department Head,
31 or his/her designee, to allow him/her to remain on full pay for the

1 period which can be covered by sick leave balance when prorated
2 with the amount being paid by Workers' Compensation).

- 3 D. An employee may use up to a maximum of 480 hours of the
4 employee's accrued sick leave when an employee is needed to
5 care for a member of the employee's immediate family (defined as
6 spouse, certified or registered domestic partner, dependent
7 child[ren], mother or father) living in the same domicile, who is ill or
8 injured, in the year between their leave progression dates. For the
9 purpose of this article, dependent children are defined as the
10 employee's unmarried, natural, adopted, or step-child[ren], or a
11 child for whom the employee has been appointed legal guardian or
12 legal custodian, or the natural or adopted child[ren] of the
13 employee's current certified or registered domestic partner, who
14 are under the age of 19 or who are handicapped children as
15 defined in the City's health insurance policy. Management may
16 require confirmation of the relationship or of the illness or injury
17 from the employee by furnishing a doctor's certificate or birth
18 certificate, or any other means deemed appropriate.

19 11.14 All employees are required to notify the designated supervisor on duty as
20 early as possible; in the case of non-shift employees, no later than the
21 starting of his/her scheduled workday, and in the case of shift employees,
22 no later than sixty (60) minutes prior to the starting of his/her scheduled
23 workday, when he/she is unable to report for work because of illness or
24 injury, giving the reason for absence. Employees failing to comply with
25 this provision shall not be allowed to charge their absence to sick leave
26 unless waived by the Department Head. All shift employees will notify the
27 designated supervisor at least nine (9) hours in advance of their intent to
28 return to work following absence due to illness or injury of more than two
29 (2) days. Sick leave will not be granted for any sickness, injury or
30 disability arising from a felonious act on the part of the employee. Sick
31 leave will be charged only against the employee's regular workday and

1 shall not be charged for absences on overtime or stand-by time. It shall
2 be the mutual obligation of the City and the Union to cooperate with each
3 other to prevent abuse of sick leave.

4 11.15

5 A. An employee absent for three (3) or more consecutive workdays
6 shall be required to report to Employee Health Services prior to
7 returning to work to verify that the employee is fit to work. An
8 employee shall remain in sick leave status until he/she is released
9 by Employee Health Services and reports to his/her work site. This
10 provision may be waived temporarily by Management for
11 employees returning to work anytime that Employee Health
12 Services is not open, **except in cases of injury in which this**
13 **provision shall apply.** Such absence shall require a doctor's
14 written statement of diagnosis verifying the employee's illness or
15 injury, which will be turned in to Employee Health Services, or a
16 similar statement from the City's Employee Health Services which
17 will be turned in to the appropriate supervisor, or sick leave will not
18 be allowed.

19 B. A doctor's written statement of diagnosis verifying illness or injury
20 of less than three (3) consecutive day(s) shall be required by the
21 City in cases of frequent use of sick leave or when the pattern of
22 sick leave usage indicates potential abuse of sick leave privileges.
23 If this doctor's statement is to be required on a continual basis, the
24 employee shall be so notified, in writing, prior to the imposition of
25 such requirement. The duration of each such requirement shall not
26 exceed one (1) year. A copy of such notice shall be placed in the
27 employee's master personnel file.

28 C. The employee may be required by the appropriate Department
29 Head, or his/her designee, to obtain a written statement of
30 diagnosis verifying illness or injury from the City's doctor prior to
31 returning to work. Expenses of obtaining a statement from the
City's doctor shall be borne by the City. Expenses of a doctor other

1 than the City's doctor, if any, resulting from verification of illness or
2 injury, shall be the responsibility of the employee.

3 D. When a diagnosis and verification of illness or injury is required, the
4 following shall apply: The doctor's written statement will be turned
5 in to Employee Health Services before the employee returns to
6 work, which statement shall detail the employee's illness, the
7 treatment made and any restrictions on the employee's ability to
8 perform all the duties normally assigned to the employee's
9 classification. Failure to provide such a statement shall preclude
10 the use of sick leave and the employee returning to work.
11 Excessive absenteeism due to illness and injury may result in
12 discipline being imposed.

13 E If the appropriate supervisor determines from personal observation
14 that an employee reporting to duty may be too sick to work, he/she
15 may be required to report to the City's doctor or nurse to determine
16 whether the employee is fit to work.

17 F. In all cases where an employee is required to report to the City's
18 doctor to obtain a written statement of diagnosis verifying illness or
19 injury, the failure by the doctor to substantiate the employee's claim
20 of illness or injury will preclude use of sick leave. In all cases
21 where the employee is required to report to Employee Health
22 Services, failure to do so will preclude the use of sick leave.

23 11.16 Sick leave may not be charged in increments of less than one (1) hour
24 without prior approval by the Department Head, or his/her designee,
25 unless the absence is due to an FMLA qualifying event. Sick leave shall
26 not be granted in advance of being earned. Vacation (annual leave) may
27 be used in lieu of sick leave; however, the employee shall be considered
28 sick and not on vacation and the time used shall be treated as sick leave
29 for all purposes. When an employee has insufficient sick leave credit to
30 cover a period of absence, vacation (annual leave) will be used and, if
31 none is available, the employee shall be in a "no pay" status.

1 This paragraph pertains to unscheduled absences and is not intended to
2 prevent advance scheduling of vacation (annual leave) as outlined in
3 Article 11, paragraph 11.4.

4 11.17 Should a holiday occur during the employee's sickness, the day shall be
5 charged as a holiday.

6 11.18 Sick leave shall continue to accrue during the periods of absence in which
7 the employee is in pay status, except when the absence is covered by
8 donated leave (Leave Bank).

9 11.19 Employees who are transferred from one department to another shall
10 have their sick leave credits transferred with them.

11 11.20 For employees not vested in the General Employees' Pension Plan, all
12 unused sick leave is forfeited upon termination from the City's service.

13 11.21 For employees vested in the General Employees' Pension Plan:

14 A. Any sick leave accrued and unused prior to October 1, 2012 shall
15 be converted to additional service credit for determining pension benefits.

16 B. Any sick leave accrued and unused on or after October 1, 2012
17 shall not be converted to additional service credit for determining pension
18 benefits. Only the lesser of the sick leave accrued prior to October 1,
19 2012, as described above, or at the time of termination or entry into the
20 DROP may be converted to pension service credit.

21 11.22 Employees taking sick leave shall be compensated at their straight time
22 hourly rate of pay for the time off work.

23 11.23 The sick leave incentive award will be given by the City to employees who
24 use little or no sick leave, or vacation (annual leave) in lieu of sick leave,
25 during the period of one (1) year. Eligibility for the incentive award shall
26 be based on:

27 1. Date of hire or adjusted service date (leave progression date).
28 2. The amount of sick leave, or vacation (annual leave) in lieu of sick
29 leave, used in the previous year of service that was not directly tied
30 to a job related injury, unless said injury is due to an employee's
31 failure to comply with established departmental safety standards

1 that results in disciplinary action including but not limited to verbal
2 or written warnings.

3 11.24 The incentive award will be credited to an employee's accrued vacation
4 (annual leave) and may be used as set forth in Article 11. The incentive
5 award is computed on the following basis for each year of eligibility:
6

7	Sick Leave, or Vacation in	Work Hours
8	<u>Lieu of Sick Leave, Used</u>	<u>Awarded</u>
9	2 hrs or less	32
10	More than 2 thru 10	24
11	More than 10 thru 20	16
12	More than 20	None

15 **ARTICLE 12**

16 **PAID TIME OFF LEAVE (PTO) SYSTEM**

17 12.1 All regular and probationary full-time or part-time employees covered by this
18 Agreement hired on or after 10/1/2000 or who enter the Deferred
19 Retirement Option Program (DROP) on or after 1/1/2007, are automatically
20 covered by this Article. In addition, any regular or probationary full-time and
21 part-time employee hired prior to 10/1/2000 and any employee currently in
22 the DROP who make a one-time irrevocable election to select this leave
23 system is also covered by this Article rather than Article 11.

24 12.2 Paid Time Off (PTO) is a single leave bank system that combines earned
25 vacation time (annual leave) and earned sick time. This system does not
26 include City-designated holidays; nor does it include any event-based leave
27 which may be additionally authorized based on the occurrence of specific
28 events.

29 12.3 Transition Plan for Employees who elect to move to the PTO System and
30 for any employee who enters the DROP:

31 A. An employee hired prior to October 1, 2000, may elect at any time to
32 move to the PTO System at the beginning of any pay period.

- 1 B. Any employee who enters the DROP is automatically moved to the
 2 PTO System if he/she is not already enrolled in the PTO System.
- 3 C. If an employee elects to move to the PTO System or enters the
 4 DROP on or after the date of ratification, the following conditions will
 5 apply:
- 6 1. No transfer back to the "old plan" (Sick/Vacation) will be
 7 permitted.
 - 8 2. No loss of accrued leave will occur, meaning that all unused
 9 accrued sick leave will be transferred to the employee's
 10 Personal Critical Leave Bank (PCLB) account; and all unused
 11 accrued vacation (annual leave) will be transferred to the
 12 employee's Paid Time Off (PTO) account.
 - 13 3. At the employee's first anniversary date (leave progression
 14 date) after election/transfer, he/she will be eligible to select
 15 any options available under the PTO System provided the
 16 PCLB requirements are met.
 - 17 4. The PCLB requirements of the PTO system will prevail
 18 beginning the date of election/transfer.

19 **12.4 Annual Accrual Rates:**

- 20 A. All employees hired on or after January 1, 2007, shall be granted 24
 21 hours of PTO for personal leave on the first pay period following their
 22 employment with the City. This is the only accrual for the first six
 23 months of employment.
- 24 B. All employees hired on or after January 1, 2007, shall be granted 58
 25 hours of PTO on the first pay period following completion of their first six
 26 months of employment. Thereafter the following rates shall apply:

Years of Continuous Service	Rate of Accrual Per Pay Period
0 to 5 years	6 Hours 10 Minutes

(1 mo. thru 59 mos.)	
5 to 10 years (60 mos. thru 119 mos.)	7 Hours 42 Minutes
10 to 15 years (120 mos. thru 179 mos.)	8 Hours 37 Minutes
15 to 20 years (180 mos. thru 239 mos.)	9 Hours 14 Minutes
20 to 25 years (240 mos. thru 299 mos.)	10 Hours 28 Minutes
25 years or more (300 mos. or more)	10 Hours 47 Minutes

Regular part-time employees shall earn annual leave in the proportion that their workweek bears to a full-time workweek. A part-time employee whose average workweek over a four (4) week period is greater or less than their normal scheduled workweek shall have their accrual rate changed to reflect the higher or lower average workweek until it returns to normal.

12.5 Scheduled Paid Time Off (PTO) may be used for any purpose an eligible employee deems necessary. PTO shall be taken in increments of not less than one (1) hour, except as otherwise provided in the Family and Medical Leave Act (FMLA). Accrued time can be used as soon as it is accrued, but in no event can it be taken prior to actual accrual.

12.6 A. Each Department shall establish and may amend reasonable written guidelines defining scheduled and unscheduled leave, based on job function and according to operational needs. In general, the City policy for use of PTO will be in quantities of not less than one hour, except as otherwise provided in the Family and Medical Leave Act (FMLA). PTO must begin or end at the start or close of the shift or

1 work schedule unless an emergency arises. Department approval of
2 scheduled leave will not be unreasonably withheld provided
3 operational needs can be met, as determined by the City.

- 4 B. Each Department may establish written guidelines for the minimum
5 increment of leave and the time of leave use during the shift which
6 are more flexible than those stated in Section 12.6(A) if operational
7 needs so permit. The Department may amend these written
8 guidelines at any time if operational needs so require, as long as
9 they do not exceed the requirements in Section 12.6(A).

10 12.7 The first sixteen (16) hours of any absence will be deducted from the
11 employee's PTO leave account except as otherwise provided in Article 19
12 (Bereavement Leave), Article 25 (Workers' Compensation), [Article 26](#)
13 [\(Leave of Absence With or Without Pay\)](#), Article 27, Military Leave, or in
14 cases of suspension without pay. Absences that do not meet the advance
15 notice requirements of the department will be considered unscheduled
16 leave. If an employee does not have sufficient accrued unused PTO to
17 cover the period of absence, the employee will be put on leave without pay
18 for the first sixteen (16) hours or that portion thereof.

19 12.8 A. Whenever unscheduled leave is taken, employees will be required to
20 notify their supervisor in accordance with departmental written
21 guidelines. Generally, an employee will be allowed to take up to five
22 (5) occurrences of unscheduled leave in a one-year period. After
23 five (5) occurrences, the department head may require certification of
24 absence for unexpected illness from a doctor or certified health
25 professional.

- 26 B. In the interest of keeping a healthy workforce, the employee's
27 supervisor has the right to send an employee, who appears to be ill
28 or who may be a health risk to co-workers, to Employee Health
29 Services (EHS). If EHS determines that the employee should be
30 sent home due to the illness, the time will be considered scheduled
31 PTO leave for the first sixteen (16) hours. For after-hours and

1 weekend shifts, the supervisor shall have the right to send the
2 employee home due to illness as scheduled leave.

3 12.9 For purposes of overtime, scheduled PTO leave will be counted as hours
4 worked and PCLB or unscheduled PTO leave will not be counted as hours
5 worked.

6 12.10 MAXIMUM ACCRUAL (CARRYOVER CAP):
7 Carryover of accrued PTO is permitted as follows:
8

Years of Continuous Service	Carryover Permitted
0 to 5 years (1 mo. thru 59 mos.)	160 Hours
5 to 10 years (60 mos. thru 119 mos.)	200 Hours
10 to 15 years (120 mos. thru 179 mos.)	224 Hours
15 to 20 years (180 mos. thru 239 mos.)	240 Hours
20 to 25 years (240 mos. thru 299 mos.)	272 Hours
25 years or more (300 mos. or more)	280 Hours

9
10 The maximum accrual shall be calculated as of the employee's anniversary
11 date (leave progression date). All hours over the PTO accrual cap must be
12 either used or allocated to the options outlined below at the employee's
13 anniversary date (leave progression date) each year.

14 12.11 Upon separation from the City, an employee shall be paid for accrued

1 unused PTO leave credits up to the maximum carryover cap as listed
2 above. Unused PTO leave credits paid at termination shall not be included
3 in the calculation of final average earnings for pension purposes.

4 12.12 PERSONAL CRITICAL LEAVE BANK (PCLB)

5 It is recommended that the employee establish a PCLB, on his/her leave
6 progression date, by depositing some number of hours of his/her PTO into
7 the PCLB. The PCLB is used for the seventeenth (17) consecutive hour
8 and beyond of absence due to any injury/illness of the employee or when
9 an employee is needed to care for a member of the employee's immediate
10 family (defined as spouse, dependent child[ren], mother, father, or certified
11 or registered domestic partner) who is ill or injured or for the birth,
12 placement, adoption of a child, or bonding/well newborn care after such,
13 in the year between their leave progression dates. Documentation by a
14 certified physician, hospital or Employee Health Services may be required
15 as determined by his/her Manager/designee. For the purpose of this
16 Article, dependent children are defined as the employee's unmarried,
17 natural, adopted, or step-child[ren], or a child for whom the employee has
18 been appointed legal guardian, or the natural or adopted child[ren] of the
19 employee's current certified or registered domestic partner who are under
20 the age of nineteen (19) or who are handicapped children as defined in the
21 City's health insurance policy.

22 12.13 Employees may use a maximum of 464 hours of PCLB for family-related
23 illness in the year between their leave progression dates. If an employee
24 does not have sufficient PCLB to cover the absences, the employee's time
25 will be charged to PTO prior to entering a "no pay" status.

- 26 12.14 A. Any PCLB that is accrued and unused prior to October 1, 2012 shall
27 be converted to additional service credit for determining pension
28 benefits. No cash payment for unused PCLB hours will be allowed
29 at retirement, resignation or termination.
- 30 B. Any PCLB accrued and unused on or after October 1, 2012 shall not
31 be converted to additional service credit for determining pension

1 benefits. Only the lesser of the PCLB accrued prior to October 1,
2 2012, as described above, or at the time of termination or entry into
3 the DROP may be converted to pension service credit.
4

5 12.15 There is unlimited accumulation of time in the PCLB.

6 12.16 An employee may transfer any number of PTO leave hours (in one hour
7 increments) to a PCLB account at any time and may enroll in recurring
8 contributions (on a bi-weekly basis) during the initial benefit enrollment,
9 within thirty (30) days of completing the initial probationary period, and
10 during Open Enrollment each year.

11 12.17 A. Provided the employee has accumulated a minimum of 40 hours of
12 PTO and at least 220 hours in PTO and/or a PCLB at ~~their leave~~
13 ~~progression date~~ the time of election and the beginning of the pay
14 period when payment is to be made, the employee will be permitted
15 to convert up to forty (40) hours of PTO to cash ~~on his/her~~
16 ~~anniversary date (leave progression date)~~ at any one time during the
17 fiscal year, to be paid via payroll ~~check~~. Hours converted to cash will
18 not be included in the pension base nor used for final average
19 earnings calculations.

20 B. In order to use the conversion to cash option, the employee must
21 submit a written request to the timekeeper on the form provided at
22 least fourteen (14) calendar days in advance of the beginning of the
23 pay period when payment is to be made ~~his/her leave progression~~
24 ~~date. Failure to do so will result in the revocation of the conversion~~
25 ~~to cash option for that leave progression year.~~

26 12.18 Should an employee have more than the allowable carryover cap on his/her
27 anniversary date (leave progression date) and fail to choose one of the
28 above options, the number of hours over the allowable carryover cap will
29 automatically default into the employee's PCLB.

2. The option to donate accrued PTO leave to another qualified employee does not necessarily have to occur at the employee's anniversary date (leave progression date), but rather whenever an eligible leave account is established.
3. No minimum PTO/PCLB balance is required for donations of PTO to a leave donation bank.

**ARTICLE 13
HOLIDAYS**

13.1 The City observes the following paid holidays, but reserves the right to schedule work on these days. Regular and probationary full-time employees covered by this Agreement are entitled to ~~ten~~eleven (~~40~~41) paid holidays, ~~eighty-eight~~ (~~80~~88) hours, listed below. Regular part-time employees shall earn holiday leave in the proportion that their workweek bears to a full-time workweek. A part-time employee whose average workweek over a four (4) week period exceeds their normal scheduled workweek shall have their accrual rate changed to reflect the higher or lower average workweek until it returns to normal.

One Additional Holiday	See Section 13.2

Holidays shall be observed on the observance date as established by the City, except for those employees scheduled to work on a Saturday or Sunday on which the actual holiday falls. They shall observe the actual date. In no event shall an employee be paid for the same holiday more than once.

In the event the City Commission declares a holiday not expressly listed in this paragraph, the parties agree to reopen this paragraph to negotiate implementation of that holiday.

13.2 During budget preparations, the Human Resources Director and the Local President shall confer in an attempt to determine the one (1) additional holiday for the next fiscal year. In the event the two parties cannot reach agreement, final determination shall be made by the City Manager on or before September 1st.

13.3 To be eligible for a paid holiday, an employee must be in pay status for a full day on his/her assigned workdays immediately before and after the day

1 on which the holiday is observed.

2 13.4 Whenever an observed holiday occurs, the employee shall receive up to
3 eight (8) hours of pay at his/her straight time hourly rate of pay for the
4 holiday. Part time employees shall receive four (4) or six (6) hours Holiday
5 Pay, depending on the budgeted status of the position ($\frac{1}{2}$ or $\frac{3}{4}$ time).

6 13.5 In addition, whenever an employee works on a City designated (i.e.,
7 observed) holiday, the following shall apply:

- 8 1. All hours worked shall count towards the computation of overtime.
- 9 2. For each hour worked, up to a maximum of eight hours worked, the
10 employee shall receive 0.5 hours of additional compensation at the
11 straight time rate of pay.
- 12 3. The 0.5 hours of additional compensation as defined above shall not
13 be paid in addition to the time and one-half already paid to the
14 employee for unscheduled (Call Out or Remote Assist) work on a
15 holiday.

16 13.6 Failure to report for work on a holiday after having been scheduled to work
17 on such holiday shall be just cause for denial of holiday pay.

18 13.7 Should a holiday occur during an employee's sickness, the day shall be
19 charged as a holiday.

20
21
22 **ARTICLE 14**
23 **HOURS OF WORK**

24 14.1 The provisions of this Article are intended to provide a basis for
25 determining the basic workweek and shall not be construed as a
26 guarantee to such employee of any specified number of hours of work
27 either per day or per week or as limiting the right of the City to fix the
28 number of hours of work (including overtime) either per day or per week
29 for such employee. Departmental management will establish and change
30 the basic workweek and hours of work best suited to meet the needs of
31 the department, provided that any change shall be in compliance with
32 other provisions of this Agreement and shall not be arbitrary and

1 capricious.

2 **14.2 BASIC WORKWEEK**

3 A. The workweek shall consist of a period of seven (7) consecutive
4 days. The normal workweek may consist of forty (40) hours per
5 week. The normal workday may consist of eight (8) or ten (10) or
6 twelve (12) hours of work, exclusive of the lunch period, in a twenty-
7 four (24) hour period, unless otherwise specified herein. The City
8 and the Union recognize that certain types of activities require
9 different treatment as to hours worked, and agree that in those
10 instances, a different shift, including the lunch period, may be
11 allowed.

12 B. If there is any change in the scheduled workweek of an employee,
13 such change shall be posted one (1) week in advance. If a new
14 schedule is not posted, the current schedule shall remain in effect for
15 an additional week. However, the posted workweek schedule may
16 be changed without notice when in response to: an unscheduled
17 event, circumstances described within Article 17, Non-Standard
18 Operating Procedures, mutual agreement between the employee
19 and his/her manager, or the absence of an employee. In such
20 cases, the posted schedule will be reinstated at the start of the
21 workweek following the end of the event or circumstance that caused
22 the schedule disruption.

23 **14.3 EXCHANGE OF HOURS OF WORK**

24 Upon prior approval of the Department Head or his/her designee,
25 employees within the same job classification working regularly scheduled
26 hours may exchange hours of work (shift for shift) within the same
27 workweek with one another, provided no overtime expense or
28 inconvenience is caused to the City.

29 **14.4 BREAKS**

30 If operations allow, all employees in the bargaining unit shall be entitled to
31 a ten (10) minute break during the first four (4), five (5) or six (6) hours of

1 their normal workday and a ten (10) minute break during the second four
2 (4), five (5) or six (6) hours of their normal workday (depending upon
3 whether they work an eight (8), ten (10) or twelve (12) hour workday shift).
4 The daily scheduling of such breaks shall be at management's discretion.
5

6 **14.5 HOLIDAY WORKWEEK**

7
8 Schedules may be modified at the sole discretion of Management based
9 on job function and according to operational needs to retain normal daily
10 work hours but reduce the days worked during the normal holiday
11 workweek. In the event schedules are modified, Management shall
12 develop holiday workweek schedules. Holiday workweek schedules, if
13 modified, shall be posted in the Department/Division and filed with Human
14 Resources.
15

16 **ARTICLE 15**
17 **PREMIUM PAY**

18 **15.1** The provisions of this Article are intended to provide a basis for
19 determining the number of hours of work for which an employee shall be
20 entitled to be paid at premium rates. Any employee covered under this
21 Agreement shall be required to work overtime, perform Remote Assist or
22 Call-Out if required by management. Management, at its discretion, may
23 excuse an employee from overtime. All authorized and approved work
24 performed by an employee in a classification eligible for overtime, in
25 excess of forty (40) hours in any one workweek, shall be paid at the
26 premium rate of one and one-half (1½) times the employee's straight time
27 hourly rate of pay except as defined below.
28

29 There shall be no duplication or pyramiding in the computation of
30 overtime, call-out, stand-by pay, or double-time as provided in the "REST
31 TIME/DOUBLE TIME" section and nothing in this Agreement shall be
32 construed to require the payment of premium pay more than once for the

1 same hours worked.

2
3 Hours compensated at two (2) times the regular straight time rate shall not
4 count as hours worked for the purpose of computing overtime.
5

6
7 15.2 A. The following overtime guidelines shall apply:

8 1. Only Vacations, scheduled Paid Time Off (PTO), all hours
9 worked or up to 8 hours not worked on a holiday (depending
10 upon whether the employee is full-time or part-time), rest
11 time and other actual time worked shall count as hours
12 worked for the purpose of computing overtime.

13 2. However, vacations and scheduled PTO shall not count as
14 hours worked for the purpose of computing overtime when
15 the entire regularly scheduled workweek is charged as
16 Vacation (annual leave) or scheduled Paid Time Off (PTO).

17 B. Whenever an employee works on a holiday as defined in Article 13
18 - Holidays, the following shall apply:

19 1. For each hour worked, up to a maximum of eight (8) hours
20 worked, the employee shall receive 0.5 hours of additional
21 compensation at the straight time rate of pay. For example,
22 except as provided below in 15.2.B.2., if a regular full time
23 employee works six (6) hours on a holiday, the employee
24 would be paid eight (8) hours of Holiday Pay, six (6) hours of
25 pay at the straight time rate of pay, and three (3) hours of
26 Holiday Bonus (6 x 0.5).

27 2. The 0.5 hours of additional compensation as defined above
28 shall not be paid in addition to the time and one-half already
29 paid to employees for unscheduled (Call Out or Remote
30 Assist) work on a holiday.

31 15.3 Where **scheduled** overtime (notification at least eight hours prior to the

1 beginning of overtime) work is frequent, opportunity to work scheduled
2 overtime will be offered as equally as is practicable among employees in
3 the same job classification in the same work section and area, provided
4 the employees are qualified to perform the specific overtime work
5 required. The affected divisions are:

6 Kelly Power Plant
7 Deerhaven Power Plant
8 Electric Transmission and Distribution
9 Gas and Electric Measurement
10 Electric Substations and Relaying
11 Systems Control Center
12 Murphree Water Treatment Plant

18 Public Works
19 Traffic Operations
20 Field Services
21 Stores
22 GG Fleet
23 GG Facilities
24 GRUCom
25 Parks, Recreation & Cultural Affairs

- 26
- Scheduled overtime hours offered shall be accumulated on records
27 available to the Union and employees unless mutually agreed upon by
28 the Union and Department Management.
 - Scheduled overtime offered, but not worked, will be considered as
29 overtime worked in maintaining these records.
 - Managerial employees, other than in emergencies, shall not be called
30
31

1 in on overtime to perform non-managerial functions.

2 15.4 STAND-BY DUTY

3 Employees on stand-by are required to be in a state of readiness at all
4 times while assigned the stand-by duty. The employee must also be
5 readily reachable by direct communication (e.g., pager, cell phone, regular
6 telephone, etc.) at all times while assigned the stand-by duty.

7
8 STAND-BY PAY

DAY	HOURS	RATE OF PAY
Monday thru Friday	1 per day	Straight time rate of pay
Saturday and Sunday	2½ per day	Straight time rate of pay
City-observed Holidays	2½ per day	Straight time rate of pay

9 Hours compensated for as standby pay shown above shall not count as
10 hours worked for the purpose of computing overtime.

11 15.5 REMOTE ASSIST

12 Remote Assist is defined as a situation where the employee is not
13 required to leave his/her residence to perform work duties. Remote Assist
14 work duties are defined as calls from the employee's home to other
15 employees to respond to work, calls from outside agencies & businesses
16 related to emergency work, calls from an authorized Manager/designee
17 about operational needs to solve an operational problem that would
18 otherwise require the employee to come into work, and/or perform
19 computer work from home to solve operational problems that would
20 otherwise require the employee to come in to work. Remote Assist is not
21 telecommunications for clarifications such as, but not limited to: locating
22 an item or clarifying what was written in a log, etc. All requests for
23 Remote Assist pay shall be submitted on a Remote Assist form and must
24 be approved by the employee's Manager/designee.

- 1 1. Remote Assist pay shall begin when the employee commences the
2 first documented work (e.g., computer sign-on, telecommunications
3 work, etc.) and Remote Assist shall continue until the employee
4 terminates work (e.g., computer signoff, telecommunications
5 disconnect, etc.).
- 6 2. Such employee shall receive one and one-half (1½) times his/her
7 straight time rate of pay for all such unscheduled hours that he/she
8 actually works, or the employee shall receive a minimum
9 guarantee, whichever is greater. (See "Minimum Guarantees"
10 Section.)
- 11 3. Hours compensated for as Remote Assist shall not count as hours
12 worked for the purpose of computing overtime.

13 15.6 REMOTE ASSIST BECOMES CALL-OUT

14 In cases where the employee is not successful in correcting a problem on
15 a Remote Assist and he/she is required to report to a work site, his/her
16 status will change to "Call Out." Call-Out pay shall begin when the
17 employee commenced the first documented work for the Remote Assist
18 (e.g., computer sign-on, telecommunications work, etc.) and shall
19 continue until the employee terminates work. Travel time to home shall
20 not be included when the employee is not in a communications-equipped
21 City vehicle.

22 15.7 CALL-OUT

23 Call Out is defined as a situation where an employee is ordered to, and
24 does report to work with less than eight (8) hours notice.

- 25 1. Call-Out pay shall begin whenever the first of the following occurs:
 - 26 a. The employee gets into a communications-equipped City
27 vehicle and notifies dispatch he/she is in service; OR
 - 28 b. The employee reaches the work site and reports as
29 authorized; OR
 - 30 c. In the event a Remote Assist becomes a Call-Out (see
31 "Remote Assist Becomes Call-Out" above).

2. If an employee is called out, and does report to work, such employee shall receive one and one-half (1½) times his/her straight time rate of pay for all unscheduled hours that he/she actually works; or, the employee shall receive a minimum guarantee, whichever is greater. (See "Minimum Guarantees" below.)
3. Hours compensated for as Call-Out shall not count as hours worked for the purpose of computing overtime.

15.8

MINIMUM GUARANTEES

REMOTE ASSIST

- a. The minimum guarantee for a Remote Assist SHALL APPLY to any authorized Remote Assist received within the eight-hour period prior to the start of the normal scheduled work hours regardless of whether or not the employee is scheduled to work the following day and regardless of the duration of the call.
- b. The minimum guarantee SHALL APPLY to Remote Assist calls (authorized or not) received greater than eight hours prior to the start of the normal scheduled work hours provided the call exceeds seven (7) minutes.
- c. The minimum guarantee for Remote Assist SHALL NOT apply to any call (authorized or not) received greater than eight hours prior to the start of the normal scheduled work hours provided the call is of seven (7) minutes or less duration.
- d. Once the minimum guarantee applies, employees may be called (by telephone or computer) more than one time and all work performed within the duration of this minimum guarantee shall still be considered one (1) Remote Assist.

- A. Whenever an employee is required to work without having had eight (8) consecutive hours off, such hours worked shall be cumulative, and when the total number of hours worked reaches sixteen (16) hours, any additional hours worked shall be compensated at two (2) times the employee's straight time rate of pay until the employee shall have had eight (8) consecutive hours off.
- B. Remote Assist work of two (2) instances or less in number and seven (7) minutes or less duration shall not be considered an interruption of consecutive hours off duty.
- C. Prior to or after an employee has worked sixteen (16) hours as specified above, the City may, at its option, grant the employee eight (8) consecutive hours off duty.
- D. If any of the off-duty hours fall within or overlap into the employee's next regularly scheduled straight time work period, he/she shall be paid for all such hours off-duty within his/her regular straight time work period at his/her regular straight time rate.

1 E. Hours compensated at two (2) times the regular straight time rate
2 shall not count as hours worked for the purpose of computing
3 overtime.

4 F. Nothing under this section shall be construed as requiring the City
5 to work an employee at two (2) times his/her straight time rate of
6 pay.

7 15.10 OUT OF CLASS*

8 Employees assigned by their Department Head or his/her designee to
9 work out-of-class in a higher paid bargaining unit or non-bargaining unit
10 classification for at least fortyeighty (4080) or more consecutive hours
11 ~~within a pay period, and for any consecutive hours in excess of forty (40),~~
12 including holidays, shall be paid for such ~~time~~hours retroactive to the first
13 hour so assigned at five percent (5%) above their straight time rate of pay
14 or base of the higher classification whichever is higher, but not to exceed
15 the maximum rate of pay assigned to the higher classification. In the
16 event the qualifying Out of Class assignment continues ~~into the next pay~~
17 ~~period,~~ all ~~consecutive~~ hours worked in a pay status on the Out of Class
18 assignment shall be paid in accordance with this provision, with the
19 exception of time on an approved leave of absence (e.g. Paid Parental
20 Leave, Military Leave of Absence, etc.). ~~Once a break occurs, the forty (40)~~
21 ~~hour requirement must again be met.~~

22
23 * Working Out-Of-Class – Performing all the functions of a higher
24 classification.

25 15.11 SPECIAL ASSIGNMENT**

26 Employees assigned by their Department Head or his/her designee to
27 work on a special assignment for at least fortyeighty (4080) or more
28 consecutive hours ~~within a pay period, and for any consecutive hours in~~
29 ~~excess of forty (40),~~ including holidays, shall be paid for such ~~time~~hours
30 retroactive to the first hour so assigned at five percent (5%) above their
31 straight time rate of pay. In the event the qualifying special assignment

1 continues ~~into the next pay period~~, all ~~consecutive~~ hours ~~worked in a pay~~
2 ~~status~~ on the special assignment shall be paid in accordance with this
3 provision, with the exception of time on an approved leave of absence (e.g.
4 Paid Parental Leave, Military Leave of Absence, etc.). ~~Once a break~~
5 ~~occurs, the forty (40) hour requirement must again be met.~~

6
7 ** Special Assignment – Performing some, but not all the duties of
8 another classification or performing duties substantially above those of
9 the employee's regular classification.

10 15.12 Acting Assignment to a Non-Bargaining Unit Position

11 It is understood by the parties and agreed that Acting Assignments are
12 salaried positions that are exempt from overtime requirements. The parties
13 agree that such assignments are governed by City policy, procedure, and
14 practice, except where policy conflicts with terms herein, in which case the
15 terms of the contract shall prevail.

16 Employees appointed to act in a non-bargaining unit position shall, with two
17 weeks' notice, be permitted to return to their bargaining unit position.

18 **ARTICLE 16**

19 **RESIDENTIAL BOUNDARY**

20
21 16.1 Where appropriate, a department shall establish a call-in and standby
22 procedure and designate those classifications within the department in
23 which a timely response to certain conditions may be required in order to
24 protect the lives, safety, or property of citizens, customers, fellow
25 employees, or the City; to restore utility services or to minimize
26 environmental impacts. Employees in these classifications are subject to
27 call-in, may be required to serve standby and must live and maintain a
28 residence within the residential boundary allowing for drive time to the
29 intersection of NW 34 Street and NW 39 Avenue in Gainesville as set by
30 the individual department. This drive time cannot be set less than forty
31 (40) minutes, but may be more depending upon the needs of the

1 department. A copy of the designated classifications and the call-in and
2 standby procedure with the required residential boundary shall be
3 submitted to the Human Resources Department. When new classifications
4 are designated, employees in the classification at the time of designation
5 shall not be required to meet this residential boundary requirement, except
6 as provided in 16.7B. **In no event shall the minimum drive time from

12 **LONGEVITY PAY**
13

14 21.1 Rates.

15 All employees of the City covered by this Agreement and hired prior to
16 March 02, 1992 shall receive longevity pay in addition to their regular base
17 pay in accordance with the following schedule:

18 All such employees who have been in the regular part-time or regular full-
19 time employ of the City for:

- 20 (1) Five years and not more than ten years - 2% of base pay;
21 (2) Ten years and not more than fifteen years - 3% of base pay;
22 (3) Fifteen years and not more than twenty years - 4% of base pay;
23 (4) Twenty years and not more than twenty-five years - 5% of base pay;
24 and,
25 (5) In excess of twenty-five years - 6% of base pay.

26 21.2 Base Pay - Defined.

27 The base pay of each eligible employee shall be the amount of regular bi-
28 weekly base pay as indicated on the applicable salary schedule effective as
29 of the first full pay period in January and July of each year which such
30 employee is entitled to draw from the City on the first day of January or July
31 of each year, immediately preceding the January or July in which longevity

1 payment is actually made, exclusive of any overtime, longevity, incentive or
2 other type pay.

3 21.3 Establishment of Eligibility.

4 Regular part-time and regular full-time employment of employees shall be
5 determined as of the January 1 or July 1 immediately preceding the
6 January or July in which longevity payment is to be made. In order for the
7 employee's time employed to be counted for purpose of calculating his/her
8 years of service for longevity purposes, the employee must have been in
9 the continuous regular full-time or regular part-time employ of the City for
10 the entire period. Employees incurring hours of leave without pay of one (1)
11 normal workday or less within any month shall be considered to be in a
12 continuous regular full-time or regular part-time employ of the City for that
13 month. Employees incurring a leave without pay of greater than one (1)
14 normal workday within any month shall not be considered to be in
15 continuous regular full-time or regular part-time employ of the City for that
16 month. In order to receive payment hereunder, the employee must still be
17 in a regular status with the City the month in which the payment is actually
18 made.

19 21.4 Continuity of Service; Exceptions.

20 (A) Continuity of service in the City's employ shall not be interrupted
21 because of absence due to compulsory military service or due to
22 voluntary military service in the armed forces of the United States of
23 America in accordance with appropriate contract provisions, and all
24 such time spent in the armed forces of the United States of America
25 shall apply toward accrued service for longevity pay.

26 (B) Continuity of service in the City's employ shall not be interrupted
27 because of absence when such absence shall have been granted in
28 accordance with the appropriate contract provisions as approved by
29 the City Commission.

30 None of such time on an approved leave without pay shall apply
31 toward the employee's service credit for determining longevity pay

1 unless the absence was for military leave as provided in subsection
2 (A) above.

3 **21.5 Separation from Service.**

4 In the event any eligible employee dies, retires or is separated from the
5 service of the City for any reason, he/she shall be paid his/her longevity pay
6 from the date of the last payment of longevity pay to him/her, to the end of
7 the month preceding the month in which such person dies, retires or is
8 separated from the service of the City.

9 **21.6 Calculation of Payment.**

10 **A. Normal Payments - In General.**

11 1. Such longevity pay shall be paid to each eligible employee in
12 January and July of each year and shall normally cover the
13 six (6) months preceding the month in which payment is
14 made.

15 2. Longevity pay for each eligible employee shall be calculated
16 by multiplying the base pay of such employee for the month of
17 January or July next preceding the month in which such
18 longevity pay is to be paid by the number of months
19 intervening from the month preceding the month in which
20 longevity pay was last made to and including the month
21 preceding the month in which payment of longevity pay is to
22 be made. The results thus obtained shall then be multiplied
23 by the applicable percentage rate as shown in the schedule in
24 Section 21.1 and the result shall be the amount of longevity
25 pay to be paid.

26 **B. Proration For Discontinuous Service.**

27 In the event an employee's anniversary of his/her adjusted service
28 date (leave progression date) for longevity purposes falls within any
29 six (6) months period for which the employee is being paid under the
30 provisions hereof, then the number of full months service in such
31 period after the said employee's anniversary of his/her adjusted

1 service date (leave progression date) shall be computed at the
2 higher rate indicated above and the remainder of the months shall be
3 calculated at the lower rate indicated above. (Example: If an
4 employee hired out as a regular part-time or regular full-time
5 employee with the City on January 13, 1981, the employee's 20 year
6 anniversary of his/her adjusted service date (leave progression date)
7 would be on January 13, 2001. For the payment in July 2001, the
8 employee would receive payment for January 2001, calculated at the
9 4% rate, and for February, March, April, May and June 2001,
10 calculated at the 5% rate.) Except as otherwise provided by FMLA;
11 and Section 21.4.

18 percent (20%) of the total premium for Employee only coverage. Part-
19 time employees shall pay bi-weekly for Health Insurance on a three-
20 quarter (3/4) or one-half (1/2) time based upon the budgeted level of their
21 part-time position. In the event all other City bargaining units agree that
22 employees will pay semi-monthly for Health Insurance, the same shall
23 become effective for all members covered by this Agreement, beginning
24 with the next full plan year.

25 22.2 The City, during the term of this Agreement, will pay one hundred percent
26 (100%) of the premium cost for life insurance.

27 22.3 Employees covered by this Agreement who retire during the term of this
28 Agreement, shall receive the Retiree Insurance Benefit as described
29 below, ending the month of December, ~~2024~~2024, unless changes to said
30 Benefit described below are negotiated in accordance with Chapter 447,
31 Florida Statutes. After the month of December, ~~2024~~2024, unless

1 changes to said Benefit described below are negotiated in accordance
2 with Chapter 447, Florida Statutes, the City shall have no obligation
3 whatsoever to make any payment for any retiree insurance benefits,
4 described below, or as provided by any ordinance of the City of
5 Gainesville or otherwise provided for any Employee covered by this
6 Agreement.

7 The City's contribution towards a monthly premium shall be determined as
8 follows:

9
10 (a) Normal or early retirement - Ten dollars x number of years of
11 credited service and portion thereof:

12
13 Plus \$5.00 x number of years of age and portion thereof over 65, on the
14 date the retiree first accesses (enters) the retiree health insurance
15 program

16 Minus \$5.00 x the number of years of age and portion thereof under 65,
17 on the date the retiree first accesses (enters) the retiree health insurance
18 program

19 Such Retiree who entered a regular DROP before September 1, 2008,
20 shall have the period of employment while in the regular DROP added to
21 the years of credited service for the purposes of calculation described in
22 this subsection (a).

23 (b) Disability retirement. The amount that the City will contribute
24 towards the required premium, for covered employees who became
25 retirees based upon an application for disability retirement submitted
26 after the effective date of this Section 22.3 will be:

27 (1) For approved "in-line-of-duty" disabilities under the City of
28 Gainesville Employee's Pension Plan, the City will contribute
29 towards an individual premium an amount equal to 80 percent of
30 the individual premium of the least costly (lowest premium) City
31 group health insurance plan option being offered at the time the
32 disability retirement is approved.

1 (2) For approved "in-line-of-duty" disabilities under the City of
2 Gainesville Employee's Pension Plan, the City will contribute
3 towards any other (than described in subsection 1 above) tier of
4 coverage an amount equal to 150 percent of the individual
5 premium of the least costly (lowest premium) City group health
6 insurance plan option being offered at the time the disability
7 retirement is approved.

8 (3) For approved disabilities other than "in-line-of-duty", the City will
9 contribute 50 percent of the amount described in subsections 1.
10 and 2. above.

11
12 The City's amount of contribution toward the monthly premium, calculated
13 under (a) or (b) above, will be adjusted annually at a rate of 50% of the
14 annual percentage change in the individual premium of the least costly
15 option offered the prior plan year. The adjustment will occur at the
16 beginning of the first Plan Year after the initial City contribution has been
17 determined. The amount of City contribution the retiree would initially be
18 eligible for, calculated as of the date of retirement, will be adjusted
19 annually, whether or not the retiree has chosen to enter the retiree health
20 insurance program immediately upon retirement.

21 (c) City's Contribution

22 (1) In no event shall the City's contribution toward a premium as
23 described above, exceed the amount of the premium the City
24 contributes for active covered employees for the least costly
25 (lowest premium) City group health plan option being offered at that
26 time, for the applicable tier of coverage involved. In the event that
27 the eligible retiree has elected to participate in the City sponsored,
28 if any, Medicare supplement plan in lieu of participating in the City
29 group health plan(s), the City's contribution shall not exceed the
30 amount of the premium for the Medicare supplement plan.

1 (2) Retiree and dependents participating in the City group health plan
2 or Medicare supplement plan will be required to authorize payment
3 of premiums from RHS accounts or pension annuities, where
4 sufficient funds are reasonably available such purposes in order to
5 remain eligible to receive contributions from the City.

6 Either party may reopen this Section 22.3 for negotiation with a thirty-(30-)
7 day written notice.

7 25.1 Payment of workers' compensation benefits to all employees who are
8 disabled because of an injury arising out of and in the course of performing
9 their duties with the City will be governed as follows: full workers'
10 compensation benefits as provided in accordance with the Workers'
11 Compensation Law, Chapter 440, Florida Statutes.

12 25.2 Whenever an employee is absent due to a compensable injury, he/she shall
13 receive his/her regular pay for the first fifteen (15) calendar days of such
14 absence. But such payment shall not, when added to workers'
15 compensation benefits, total more than the normal take-home pay (gross

17 absence.

18 25.3 An employee sustaining a lost-time injury in excess of the time in Section
19 25.2 may use available sick leave or PCLB. If sick leave and PCLB are
20 exhausted, the employee may use PTO or vacation (annual leave). The
21 request must be made to the Department Head to allow the employee to
22 remain on full pay for the period which can be covered by the sick leave,
23 PCLB, PTO or vacation (annual leave) balance when prorated with the
24 amount being paid by workers' compensation as set forth in paragraph 1.
25 An employee who has elected the PTO program will not be required to use
26 the first sixteen (16) hours of supplement as PTO, but instead may access
27 the PCLB hours directly. If the employee has no PCLB hours, he/she may

1 **ARTICLE 26**

2 **LEAVE OF ABSENCE WITH OR WITHOUT PAY**

3 **GENERAL INFORMATION**

4 26.1 Leaves of absence may be paid or unpaid, depending upon the
5 circumstances of the leave and whether the employee has accrued
6 applicable paid leave available. Four categories of leaves of absence are
7 described herein.

8 A. Leaves of absence will be granted for Family and Medical Leave
9 (FMLA) -see Section 26.6.

10 B. Leave of absences may be granted under conditions similar to FMLA
11 for employees to care for Certified or Registered Domestic Partners
12 see- 26.9

13 C. Leaves of absence may be granted for Personal Leave – see Section
14 26.10

15 D. Union Leave may be granted for authorized union activities – see
16 Section 26.11

17 26.2 Leave Request Procedure:

18 Employees are expected to be familiar with and are required to follow the
19 leave procedures as outlined in this Article. Leave requests for less than
20 one (1) full pay period should be requested with a Leave Request Form
21 (LRF). Employees may be required to daily or otherwise report on his/her
22 status and intention to return to work and may be subject to loss of
23 benefits and/or discipline for failure to do so.

24 26.3 Continuity of Service:

25 Any leave without pay which is approved in accordance with these
26 procedures shall not constitute a break in service, but may result in an
27 adjustment to the employee's leave progression date and the employee's
28 performance review and merit increase (if eligible) date. If the leave is for
29 ninety (90) days or longer, the employee's pension service date will also
30 be affected.

31 26.4 Expiration of Leave and Reinstatement:

1 Reinstatement is dependent upon the type of unpaid leave. Refer to the
2 appropriate section for more information.

3 26.5 Extension of Leave

4 If an extension of the leave is required, a request for the extension must
5 be submitted in writing at least five (5) days in advance of the leave
6 expiration or as soon as practical. Consideration of an extension will be
7 based on the same criteria as the original request. Failure to return to
8 work at the expiration of the leave may result in termination.

9 26.6 FAMILY AND MEDICAL LEAVE:

10 A. Eligible employees may take a maximum of twelve (12) weeks of
11 family and medical leave in their FMLA leave year. This leave may
12 be paid if applicable leave is available or the leave may be unpaid.
13 The FMLA Leave Year is defined as the twelve- (12-) month period
14 measured forward from January 1 of the current calendar year.

15 FMLA will be granted for:

- 16 1. The birth of a child and care for a child within twelve (12)
17 months following a birth.
- 18 2. The placement of a child with the employee. Leave must be
19 taken within twelve months following placement.
- 20 3. To care for the spouse, child, or parent of the employee who
21 has a "serious health condition".
- 22 4. If the employee is unable to perform his or her own job
23 because of the employee's own serious health condition.
- 24 5. Because of "any qualifying exigency" arising out of the fact that
25 the spouse, son, daughter, or parent of the employee is on
26 "covered active duty" or has been notified of an impending call
27 or order to "covered active duty" in the Armed Forces.

28 B. An eligible employee who is the spouse, son, daughter, parent or
29 next of kin of a covered servicemember, as defined by the FMLA,
30 who is recovering from a serious illness or injury sustained in the
31 line of duty on active is entitled to up to twenty-six (26) weeks of

1 leave in a single 12-month period to care for the servicemember.
2 This military caregiver leave is available during “a single 12-month
3 period” during which an employee is entitled to a combined total of
4 twenty-six (26) weeks of all types of FMLA leave.

5 If both the husband and wife are employed by the City, then the
6 aggregate number of workweeks of leave to which both husband
7 and wife may be entitled under this subsection may be limited to
8 twenty-six (26) weeks during the single 12-month period described
9 in this subsection B if the leave is

- 10 (i) leave under subsection B; or
- 11 (ii) a combination of leave under subsection A and leave
12 described in B

13 C. Eligibility Requirements

14 Employees are generally eligible if they have worked for the City for
15 at least one year and for 1,250 hours over the twelve (12) months
16 previous to the leave.

17 D. Definition of Serious Health Condition

18 A serious health condition is an illness, injury, impairment, or
19 physical or mental condition that involves either an overnight stay in
20 a medical care facility, or continuing treatment by a health care
21 provider for a condition that either prevents the employee from
22 performing the functions of the employee’s job, or prevents the
23 qualified family member from participating in school or other daily
24 activities. Slightly different requirements apply in the case of
25 covered servicemembers.

26 Subject to certain conditions, the continuing treatment requirement
27 may be met by a period of incapacity of more than three (3)
28 consecutive calendar days combined with at least two (2) visits to a
29 health care provider or one visit and a regiment of continuing
30 treatment, or incapacity due to pregnancy, or incapacity due to a

1 chronic condition. For further information contact Employee Health
2 Services or the Human Resources Department.

3 E. Use of Leave

4 An employee does not need to use this leave entitlement in one
5 block. Leave can be taken intermittently or on a reduced leave
6 schedule when certified as medically necessary. Employees must
7 make a reasonable effort to schedule leave for planned medical
8 treatment so as not to unduly disrupt operations. Leave due to
9 qualifying exigencies may also be taken on an intermittent basis.

10 F. Substitution of Paid Leave for Unpaid Leave

11 The City generally requires use of accrued paid leave while taking
12 FMLA leave (see Section 26.8). In order to use paid leave for
13 FMLA leave, employees must comply with the City's normal paid
14 policies.

15 G. Employee Responsibilities

16 Employees must provide thirty (30) days advance notice of the
17 need to take FMLA leave when the need is foreseeable. When
18 thirty (30) days notice is not possible, the employee must provide
19 notice as soon as practicable and comply with call-in procedures
20 applicable to employee.

21 Employees must provide sufficient information for the City to
22 determine if the leave may qualify for FMLA protection and the
23 anticipated timing and duration of the leave. Sufficient information
24 may include that the employee is unable to perform job functions,
25 the family member is unable to perform daily activities, the need for
26 hospitalization or continuing treatment by a health care provider
27 and information on symptoms, diagnosis, hospitalization, doctor
28 results, whether medication has been prescribed, any referrals for
29 treatment (physical therapy, for example) any other regimen of
30 continuing treatments, or circumstances supporting the need for
31 military family leave. Employees also must inform the City if the

1 requested leave is for a reason for which FMLA leave was
2 previously taken or certified. Employees also may be required to
3 provide a certification and periodic recertification supporting the
4 need for leave. Documentation must be provided in a timely
5 manner, utilizing the forms provided by the City, or FMLA leave
6 may be denied, use of paid leave may be denied, employees will
7 lose job benefits and protections, and may be subject to
8 disciplinary action.

9 Employees with questions about what illnesses/conditions are
10 covered by this section of the policy or under the City's leave
11 policies are encouraged to consult with Employee Health Services
12 (EHS).

13 H. Reserved:

14 I. Conditions:

- 15 1. Leave without pay for one (1) full pay period or more will not be
16 considered time worked for purposes of accruing seniority,
17 longevity, vacation, sick or other employee benefits, including PTO
18 for employees in the new leave system.
- 19 2. Employees may take Family and Medical Leave in twelve (12)
20 consecutive weeks, may use the leave intermittently, or under
21 certain circumstances may use the leave to reduce the workweek
22 or workday, resulting in a reduced hour schedule. Except for care
23 for a covered servicemember, the FMLA-covered leave may not
24 exceed a total of twelve (12) weeks in each twelve- (12) month
25 FMLA leave year. However, for the birth, placement, adoption of a
26 child, or bonding/well newborn care after such the City and the
27 employee must mutually agree to the schedule before the
28 employee may take leave intermittently or work a reduced hour
29 schedule.
30
31

- 1 3. The City may temporarily transfer an employee to an available
2 alternative position with equivalent pay and benefits if the
3 employee is qualified for the position and if the alternative position
4 would better accommodate the intermittent or reduced schedule.
- 5 4. If an employee out on regular paid leave seeks to extend that leave
6 under the provisions of the Family Medical Leave Act, the City may
7 classify and apply leave already taken towards the employee's
8 twelve- (12-) week total upon appropriate information from the
9 employee.
- 10 5. The employee's position may be filled by a temporary appointment
11 or assignment of another employee. At the expiration of the leave,
12 the employee shall be reinstated in the position vacated, if the
13 position exists and the employee would have otherwise been
14 employed.
- 15 6. Except as provided herein, the employee, upon returning to work
16 from a medical leave, must report to Employee Health Services.
17 The employee may be required to submit a written approval from
18 his/her health care provider stating the employee is approved to
19 return to work. The employee may be required to complete a
20 fitness for duty examination related to the serious health condition
21 for which the employee was absent on FMLA leave.
- 22 7. While the employee is on medical leave, the City will continue the
23 employee's health benefits during the leave period at the same
24 level of benefits and under the same conditions as if the employee
25 had continued to work. An employee on paid medical leave
26 continues to pay the contribution rate via payroll deduction as when
27 an active employee. An employee on unpaid medical leave
28 continues to pay the contribution as when an active employee. In
29 this case, the employee must continue to make this payment either
30 in person or by mail to the City's Risk Management Department.
31 Payment must be received by the last day of the month prior to

1 each month of coverage. If the payment is more than thirty (30)
2 days late, the employee's health care coverage may be dropped.
3 The City will notify the employee in writing at least fifteen (15) days
4 before the date the health coverage retroactively is cancelled, or at
5 the City's option, it may pay the employee's share of the premiums
6 during the unpaid medical leave and recover those payments from
7 employee upon employee's return to work.

8 If the employee chooses not to return to work for reasons other
9 than a continuation, recurrence, or onset of a FMLA qualifying
10 serious health condition or for other circumstances beyond the
11 control of the employee, the City will require the employee to
12 reimburse the City the amount it paid for the employee's health
13 insurance premium during the leave period through deducting from
14 any sums due employee arising out of the employment
15 relationship, or by initiating legal actions against the employee to
16 recover such costs.

17 26.7 How available paid leave is applied to an FMLA qualifying absence:

18 A. PTO– for employees hired on or after October 1, 2000, or for
19 employees hired prior to October 1, 2000 who elect the Paid Time
20 Off (PTO) leave plan, as provided in Article 12 of this contract

21 1. For Employee's Own Illness: The first sixteen (16) hours of
22 each FMLA qualifying absence for the employee's own
23 serious health condition will be charged against the
24 employee's Paid Time Off (PTO) bank. If an employee has
25 more than one qualifying FMLA absence, or is using FMLA
26 leave on an intermittent basis, the maximum number of
27 hours charged to PTO will be 96 hours during that leave
28 year. Any subsequent FMLA qualifying time off during that
29 leave year will be charged against the employee's Personal
30 Critical Leave Bank (PCLB), then leave without pay. In the
31 case of an FMLA qualifying absence as a result of a

1 compensable injury, the first 16 hours may be taken as
2 PCLB. If an absence will extend beyond 480 hours in the
3 leave year, the employee must apply for a Personal Leave
4 (Section 26.11).

5 2. For FMLA qualified absence for the serious health
6 condition(s) of the employee's qualifying family member:
7 The first sixteen (16) hours of each qualifying absence(s) will
8 be charged to PTO. If an employee has more than one
9 qualifying FMLA absence, or is using FMLA leave on an
10 intermittent basis, the maximum number of hours charged to
11 PTO will be 96 hours during that leave year. Should the
12 employee have an insufficient PTO balance to cover the first
13 sixteen (16) hours of absence(s), the remainder such sixteen
14 (16) hours will be leave without pay; any subsequent hours
15 of absence shall be charged to the employee's PCLB
16 account, then leave without pay. The maximum hours of
17 paid leave shall be 480 hours in the leave year except as
18 may be allowed pursuant to Section 26.11. If an absence
19 will extend beyond 480 hours in the leave year, the
20 employee must apply for a Personal Leave (Section 26.11).

21 3. For the birth, placement, adoption of a child, or bonding/well
22 newborn care after such: The first sixteen (16) hours of
23 each qualifying absence will be charged to PTO. If an
24 employee has more than one qualifying FMLA absence, or is
25 using FMLA leave on an approved intermittent basis or
26 reduced schedule basis, the maximum number of hours
27 charged to PTO will be ninety-six (96) during that leave year.
28 Should the employee have an insufficient PTO balance to
29 cover the first sixteen (16) hours of absence(s), such
30 absence will be leave without pay; any subsequent hours of
31 absence shall be charged to the employee's PCLB account

1 then PTO, then leave without pay. The maximum hours of
2 paid leave shall be 480 and any approved absence beyond
3 480 hours in the leave year shall be leave without pay.
4

5 B. Old Leave System (Designated Leave System):

6 Except as provided below, all applicable accrued vacation and sick
7 leave must be exhausted before going into unpaid leave status.

8 An employee may use up to a maximum of 480 hours of the
9 employee's accrued sick leave in the leave year, for illness of a
10 member of the employee's immediate family (defined as spouse,
11 certified or registered domestic partner, dependent child(ren),
12 mother or father) living in the same domicile in the employee's
13 leave year, as defined in the Designated Leave System (Old

16 are required to use sick leave, and in the absence of sick leave,
17 vacation leave for absences due to their own or family member's

19 compensable accident, after wage loss payments start, employees

25 such paid leave. Upon exhaustion of sick leave prior to utilizing

27 in lieu of sick for up to the remainder of that period, after which time
28 unpaid leave, or vacation in accordance with departmental notice
29 procedures could be taken for the remainder of the FMLA
30 entitlement period. Alternatively, the employee may take only
31 unpaid leave for all absences due to adoption, placement, birth, or

1 bonding/well newborn care after such, or take vacation leave in
2 accordance with departmental notice procedures.

3 paid time off (PTO).

4 During an employee's approved Personal Leave, his/her position may be
5 filled by a temporary appointment, or permanent assignment of another
6 employee. At the expiration of the leave, the employee shall be reinstated
7 to the employee's regular position vacated if it has not been filled
8 permanently during the leave. If the position has been filled, then the
9 employee will be reinstated to another position which is vacant and for
10 which the employee is qualified. The replacement position shall not be at a
11 higher wage rate than the position from which the leave was granted.
12 Refusal of a vacant position offered by the City shall result in the
13 termination of the employee.

10 Employees designated by the Union may be granted a leave of absence
11 for Union business upon request of the Union President or his/her
12 designee, as communicated to the Human Resources Director by the
13 Union President. Such leave will be treated as personal leave (PTO,
14 vacation or leave without pay) and permission for such leave may be
15 withheld if operational considerations so require. Such leave shall be
16 considered as time worked for the purpose of seniority accrual and other
17 fringe benefits, provided that such leave does not exceed ten (10)
18 consecutive work days.

20 A. Eligibility:

25 is available to an employee to engage in activities needed because of the

17 Employees in need of Domestic or Sexual Violence Leave may use
18 available PTO or vacation leave. Available sick leave or PTO may be
19 used in circumstances where medical attention is needed. If the
20 employee has no available paid leave, leave without pay will be granted.

21
22 C. Notice:

23 Except in cases of imminent danger to the health or safety of the
24 employee, or to the health or safety of a family or household member, an
25 employee seeking leave under this section must provide his/her
26 Department notice of the leave in accordance with the Department's
27 guidelines for leave requests.

28
29 D. Confidentiality:

1 The City must keep information relating to an employee's leave under this
2 section confidential and exempt from disclosure to the extent authorized
3 by Florida law.

4 26.13 Paid Parental Leave

5 A. Purpose:

6 The purpose of this section is to provide eligible employees with
7 certain amounts of paid leave to be used by the employee to care for
8 and bond with the newborn child, foster child or adopted child of that
9 employee immediately after the birth or placement of the child. A
10 covered event is defined as the birth of a child of the eligible
11 employee, the placement of a child for adoption with the eligible
12 employee, or the placement of a child for foster care with the eligible
13 employee.

14 B. Eligibility:

15 All regular employees who have been employed by the City for at

21 weeks of paid leave taken by the eligible employee immediately after
22 a covered event.

23 D. Available Paid Leave:

24 Whenever an eligible employee takes paid parental leave, he/she is
25 eligible to receive his/her regular base rate of pay for up to twelve
26 (12) weeks for a covered event, subject to the following limitations:
27 paid parental leave shall be limited to no more than twelve (12)
28 weeks per calendar year, regardless of the number of covered
29 events within that calendar year, and shall be limited to thirty-six (36)

1 weeks during the entire time a eligible employee is employed by the
2 City.

3 Paid parental leave must be taken immediately after the covered
4 event and, if applicable, must be used concurrently with FMLA.

5 E. Notice:

6 Employees must provide at least thirty (30) days advance notice of
7 the intent to take paid parental leave when the need is foreseeable.

8 When thirty (30) days notice is not foreseeable, the employee
9 must provide notice as soon as practicable.

10 When requesting paid parental leave, employees may be required
11 to furnish to the employer documentation sufficient to verify the
12 covered event. This may include a birth certificate, a court order
13 finalizing adoption or placement of a foster child, and/or FMLA
14 paperwork. In all cases, an employee is required to submit FMLA
15 paperwork to the Risk Management Department.

16 **ARTICLE 27**
17 **MILITARY LEAVE**

18
19 **27.1 Active Duty**

20 The City Manager or the General Manager for Utilities shall grant a regular
21 employee under his/her authority leave for active military service and state
22 active duty in accordance with applicable law.

23 **27.2 Reserve or Guard Annual Training**

24 The City shall grant a military leave of absence with pay to any employee
25 called to temporary active or inactive duty for training purposes with the
26 National Guard, or a reserve unit of the United States, or for attending
27 evening or weekend military training which conflicts with his/her work
28 schedule. Time off shall be granted for the purpose of attending the military
29 training for a period not to exceed two hundred forty (240) working hours in
30 any one calendar year.

1 27.3 Reserve or Guard Active Military Service (not annual training)
2 The City shall grant a military leave of absence to any employee called to
3 active military service (not annual training) or state active duty with the
4 National Guard, or a military reserve unit of the United States. For the
5 purpose of active military service (not annual training) or state active duty
6 the first thirty (30) calendar days of any such leave of absence shall be with
7 full pay from the City.

8 27.4 Requests for Military Leave
9 The employee is required to submit a copy of orders or statement from
10 the appropriate military commander as evidence of such duty to his/her
11 Department Head. The orders or statement must be attached to a
12 Personnel Authorization Form requesting military leave. The request must
13 be sent to the Human Resources Department for processing.

14 27.5 Military Leave Without Pay
15 In the event military leave is required in excess of the time allowed in
16 paragraphs 27.2 and 27.3, the employee may be granted additional leave

20
21
22 **ARTICLE 28**

23 **JOB VACANCY AND PROBATION**

24 28.1 A. When vacancies occur they will be posted for City employees
25 internally on City bulletin boards for a minimum of seven (7)
26 consecutive days. They may also be advertised to the public.

27
28 B. Employees in initial probationary status may apply for promotion
29 only when the position is being advertised to the public.

30 28.2 The following factors may be considered in selecting persons to fill vacant
31 positions.

- 1 A. Ability and qualifications to perform their work.
2 In the review of qualifications, City employees will be reviewed first.
3 If tests are given, they may be given to all qualified applicants and
4 selection methods will be explained to the candidates at the time of
5 the test. If an eligibility list is established, it will be valid for a
6 period of time determined by the department at the time the list is
7 established, not to exceed two years. This shall not be construed
8 as a guarantee that an employee on an eligibility list will be hired in
9 a position for which the list was established or that selections will
10 be made in any particular order.
- 11 B. Prior work record and any other pertinent job related information.
12 C. Polygraph of applicants for positions in the Gainesville Police
13 Department.

14 28.3

Probation:

- 15 A. All appointments to a Regular position:
16 Whenever an employee accepts a new position (whether as a new
17 hire, through voluntary demotion, as a lateral appointment,
18 promotion, etc.), he/she shall be subject to a six-month probationary
19 period. The City may, at its discretion, extend any probationary
20 period up to an additional three (3) months. An employee may be
21 discharged without cause at any time during any portion of his/her
22 six-month or extended probationary period.
- 23 B. Promotional:
24 Upon promotion, an employee shall be subject to a probation as
25 described in 28.3.A. above. In the sole discretion of management, if
26 an employee is removed during the probationary period for failure to
27 perform satisfactorily the duties of the position, then the employee
28 may be returned to the classification held prior to the promotion or to
29 a similar classification unless otherwise provided in their Progression
30 through Training Program (PTTP). In such cases, the department
31 shall have the discretion to have that employee serve a new

1 probationary period.

2 28.4 Interim Appointments/Assignments:

3 Vacancies sometimes require the appointment of employees to positions on
4 an interim basis. When such bargaining unit vacancies are likely to extend
5 beyond thirty days, hiring managers and supervisors are strongly
6 encouraged to solicit interest from all parties in the department who may
7 possibly have the basic skills necessary to perform the interim assignment.
8 This solicitation is meant to be an informal and quick process with the
9 objective of helping the manager or supervisor become aware of all those
10 employees who may have interest in the interim assignment and would
11 benefit from the skills and knowledge afforded by the interim position. This
12 provision is not covered by Article 8 of the current Labor Agreement.

13
14 **ARTICLE 29**

15 **LAYOFF AND RECALL**

16 29.1 Layoffs:

- 17 A. Layoffs shall be accomplished in an orderly, systematic and uniform
18 manner in accordance with established procedures. Charter Officers
19 or those acting directly in their positions may authorize layoff of an
20 employee or employees when he/she deems it necessary for
21 reasons of, but not limited to, the following: shortage of funds or
22 work, or other material changes in the duties or organization, or for
23 related reasons. Every effort will be made to provide employees with
24 a minimum of ten (10) working days notification prior to layoff.
- 25 B. The duties performed by an employee who is laid off may be
26 reassigned to other employees already working who hold positions in
27 appropriate classes.
- 28 C. The affected Charter Officer or his/her designee shall determine the
29 extent of layoffs necessary and identify:
- 30 1. The class or classes of positions from which layoffs are to be
31 made.

- 1 2. The number of positions in each class to be abolished
2 resulting in layoffs.
- 3 D. Should it become necessary to reduce the number of employees
4 within a division in a department, or if there are no divisions in the
5 department, then within the department, among employees of the
6 same classification, the order of layoff shall be as follows:
7 Appointment Status
- 8 1. Temporary employees.
9 2. Initial probationary employees.
10 3. Promotional probationary employees. (Reverts to prior
11 classification without loss of seniority accrued while in such
12 promotional probationary status)
13 4. Regular employees.
- 14 E. When the need arises for laying off an employee serving a
15 promotional probationary period, such employee shall be returned to
16 a position of the classification from which he/she was promoted or
17 advanced.
- 18 F. Layoffs:
19 If it is necessary to effect a layoff, employees will be laid off in
20 accordance with Paragraph D of this Section. Among employees of
21 the same appointment status in a classification, the order of layoffs
22 shall be based on seniority with the least senior employees in the
23 classification in the division being laid off first provided that:
24 1. the employees are of equal ability and qualifications to
25 perform the work, and
26 2. the employees have comparable work records inclusive of
27 all other pertinent job related documentation.
- 28 However, for employees within specific "job families" (as listed in
29 Exhibit 2) the order of layoff will be further defined by Paragraph G
30 below.
- 31 G. If it is necessary to effect a layoff of employees within a job family,

1 the layoff provisions in Paragraphs D, E, and F above will be in force
2 and to the extent possible, employees at the entry level of a job
3 family (typically a trainee or apprentice) will be first subject to layoff in
4 favor of employees at the advanced level of the job family (typically a
5 lead worker or journey level worker). The retained employees may
6 be reassigned downward within that job family as required (for
7 example: lead worker to journey level worker).

8 H. Employees on layoff shall not accrue any employee benefits
9 whatsoever.

10 I. Provided, however, and in any event, any action taken under this
11 entire article shall not detract from the City's Affirmative Action Plan.

12 29.2

Recall:

13 A. Employees laid off under the provisions of either paragraph D or E in
14 Section 29.1 shall be recalled in the reverse order in which they were
15 laid off.

16 B. Regular employees laid off shall have precedence for recall to their
17 former classification and department over other applicants for a
18 period of three hundred ninety-five (395) days.

19 C. Laid off employees recalled within one hundred eighty (180) days
20 shall have their tenure of service restored. If re-employed after three
21 hundred ninety-five (395) days, the employee shall be treated as a
22 new employee.

23 D. The City will offer recall to laid-off employees by certified mail to the
24 last known address on file with the Human Resources Department.
25 If the laid off employee fails to report to the Human Resources
26 Department his/her intentions of returning to work within fourteen
27 (14) calendar days after mailing of said certified notice, tenure of
28 service shall be broken. Any extenuating circumstances may receive
29 consideration by Management and the Human Resources Director.

30 E. A laid off employee, when offered recall, who is temporarily unable to
31 accept due to documented medical reasons may request a leave of

1 absence without pay not to exceed thirty (30) calendar days.

- 2 F. Laid-off employees may apply for any equivalent or lower or higher
3 classification with the City and, if selected within the three hundred
4 ninety-five (395) day recall period, shall have their tenure of service
5 restored.

6
7
8 **ARTICLE 30**
9 **LENGTH OF SERVICE**

10 30.1 Length of Service:

12 employment with the City and shall be considered terminated for all
13 purposes if:

- 14 A. The employee quits.
15 B. The employee is discharged.
16 C. The employee who has been laid off fails to report to work within
17 fourteen (14) calendar days after being recalled by certified letter

3
4 **ARTICLE 31**
5 **LIABILITY**

6 31.1 The City will defend any actions in tort brought against any employee(s)
7 covered by this Agreement as a result of any alleged negligence of said
8 employee(s) arising out of and in the scope of their employment with the
9 City unless such employee(s) acted in bad faith with malicious purpose or in
10 a manner exhibiting wanton and willful disregard of human rights, safety or
11 property.

12 31.2 Whenever a City employee is sued for actions taken in the course of duty,
13 the City will provide legal defense through the lawyer supplied by the City or
14 its insurance carrier.

15 In exceptional cases when a claim for punitive damages has been made,
16 the City will pay reasonable fees for additional counsel selected by the
17 employee and the City when the City Commission has approved the hiring
18 of additional counsel before the contract for hire is made. In no case will
19 the cost of additional legal counsel be paid by the City unless prior approval
20 is given as stated above, and in no case will the City pay punitive damages,
21 if levied.

22

27 amendment in January 2023 and January 2024, the pay range maximums

3 ~~A. Employees covered by this Agreement, employed on or before October 1, 2019,~~
4 ~~who are not in a Progression Through Training Program (PTTP), shall have their years~~
5 ~~in position (YIP) computed to the second decimal place as of October 1, 2019. This~~
6 ~~value shall serve as the basis for determining an employee's Market Threshold and the~~
7 ~~total value of his/her Transitional Wage Increase. Market Threshold shall be computed~~
8 ~~as follows:~~

9 ~~• (New pay grade midpoint - new pay grade minimum) ÷ 7 = value of one full year~~
10 ~~in position (YIP).~~

11 ~~• Employee's YIP x value of one full year in position + new pay grade minimum =~~
12 ~~Market Threshold, limited by the new pay grade market.~~

13 ~~B. Employees hired after October 1, 2019; those who are in a PTTP; and those who~~
14 ~~are in jobs for which a PTTP exists, but who did not opt in; shall not be eligible for~~
15 ~~Transitional Wage Increases described in this paragraph.~~

16 ~~C. An eligible employee's Transitional Wage Increase shall be equal to the~~

21 ~~in the table below.~~

22 ~~E. Employees participating in the DROP may receive Transitional Wage Increases~~
23 ~~up to the maximum of the pay range as it existed the day they entered the DROP.~~

24 ~~F. There shall be no Transitional Wage Increases after October 2021, and no~~
25 ~~Transitional Wage Increases beyond the term of this Agreement, unless and until there~~

Third Installment	October 4, 2021	Transitional Wage Increase/3

~~G. Employees who are eligible for a Transitional Wage Increase, and who promote after October 1, 2019 shall remain eligible for and shall continue to receive Transitional Wage Increases on the same dates and in the same amounts they would receive such increases had they not promoted, limited as provided in this section (34.2.G.), so long as the promotion is to another bargaining unit classification. In the event the adjustment of an employee's salary to the new minimum is greater than the Transitional Wage Increase due, the employee shall only receive the adjustment to the new minimum.~~

~~H.A. Employees who are eligible to receive a Transitional Wage Increase shall receive, in addition to the First Installment base rate increase, a pensionable, one-time payment for all pay periods from October 7, 2019 forward to the end of the first full pay period after final ratification occurs. This prorated payment shall be arrived at by dividing the annualized First Installment by 26, and multiplying that number for each pay period between October 7, 2019 and the end of the first full pay period after final ratification occurs.~~

34.334.2 ~~General Increases and Lump Sum Payments~~

A. Effective the beginning of the ~~second full pay period following ratification~~first full pay period in January of each year of this Agreement, employees covered by this Agreement, ~~who were employed as a bargaining unit employee as of October 1, 2019~~, except those who have not completed a Progression Through Training Program, shall have their individual base rate of pay increased by two and one half percent (2½%), except for any portion that would conflict with an employee's Deferred Retirement Option Program (DROP) agreement, and limited by the pay range maximum. In the event an employee's rate of pay after applying the 2½% is less than the Living

1 Wage, the employee's rate of pay shall be set at the Living Wage rate.

2 There shall be no General Increases after the expiration of this
3 Agreement, unless and until there is a new Agreement in effect providing
4 for such increases. In addition, employees eligible for this general
5 increase shall receive a pensionable, one-time payment for all pay periods
6 from January 13, 2020 forward to the end of the pay period during which
7 final ratification occurs. This prorated payment shall be arrived at by
8 dividing the annualized value of the 2% of base pay by 26, and multiplying
9 that number for each pay period between January 13, 2020 and the end
10 of the first full pay period after final ratification occurs.

11 ~~B. Effective January 11, 2021, employees covered by this Agreement, except~~
12 ~~those who have not completed a Progression Through Training Program, shall~~
13 ~~have their individual base rate of pay increased by two and one-half percent~~
14 ~~(2½%), except for any portion that would conflict with an employee's DROP~~
15 ~~agreement. Employees hired on January 11, 2021 shall not be eligible for the~~
16 ~~general increase described in this section (34.3.B.). There shall be no general~~
17 ~~increases or one-time payments after January 2021, unless and until there is a~~
18 ~~new Agreement in effect providing for such increases.~~

19 34.43 Retiree Health Savings Plan

20 Employees covered by this Agreement shall have their base pay rate
21 reduced by 1.5% and the employer shall contribute such amount to
22 the Retiree Health Savings (RHS) plan adopted by the City
23 Commission.

25 34.54 Merit or Performance Increases

26 A. There shall be no Merit or Performance Increases during the term of
27 this Agreement, and no Merit or Performance Increases after the
28 expiration of this Agreement, unless and until there is a new
29 agreement in effect providing for such increases.

30 B. For regular (non-probationary) employees, the review period is a
31 one-year period from October 1 through the next September 30.

1 Employees will continue to be reviewed, but there will be no Merit or
2 Performance Increases associated with these reviews.

- 3 C. Unless otherwise provided, DROP employees' rate of pay
4 shall be subject to the limitations provided for in each
5 individual's DROP agreement.

6 34.65 Classification Changes

7 A. Promotion

8 When an employee is promoted, his/her salary shall be advanced to
9 a rate in the new pay range which would provide at least a five
10 percent (5%) increase, except as provided in paragraph 34.7.

11 B. Transfer

12 There shall be no immediate change in the salary rate of an
13 employee who is transferred. A transfer shall be defined as a move
14 from one position to another with no change in classification. If an
15 employee competes for and is hired into a position in a class having
16 the same or a lower salary range, the rate of pay shall be set in
17 accordance with HR Policy C-3: Changes in Employee Status
18 Affecting Compensation (Revised 8/7/2014).

19 C. Temporary Assignments

20 When an employee is assigned to perform work for a position in a
21 job classification with a lower pay grade on a temporary basis, the
22 employee shall not suffer a decrease in pay.

23 D. Demotion

24 When an employee is demoted to a position in a job classification
25 with a lower pay grade, the employee shall be paid within the
26 approved range for the lower paid job classification. The rate of pay
27 shall be set by the Human Resources Director.

28 E. Audits and Re-allocations

29 When a position(s) is reallocated to a lower paid classification as a
30 result of a job audit or re-organization, and the affected employee's
31 rate of pay is above the lower classification's range maximum, the

1 affected employee's rate of pay shall be frozen. The employee's pay
2 shall continue at the present rate during the period of incumbency
3 (except in event of general service wide reductions). The employee
4 shall not be entitled to a pay increase until such time as the
5 employee's pay is within the appropriate pay grade for the lower pay
6 classification.

7 F. Lump Sum Payments for "Hot" Market Jobs

8 Under certain conditions some skill sets become "hot" in the
9 marketplace. This becomes an issue of concern for the City when
10 either turnover increases in these position classes, or the City has a
11 difficult time recruiting. The several years leading up to Y2K for
12 COBOL programmers are a good example. Under these
13 circumstances, CWA and the City have an interest in maintaining
14 compensation at market levels without permanently changing the
15 pay structure and distorting internal hierarchy relationships.
16 Therefore, discretionary one-time lump sums may be made at
17 different intervals depending on market conditions. Each payment of
18 a lump sum will be approved by the IBBT. The review will include,
19 but not be limited to the following:

- 20 • There are demonstrated recruitment or retention problems in a
21 position class or potential recruitment or retention problems due
22 to projected retirements or turnover and there is actual evidence
23 that the City of Gainesville compensation is materially below
24 market, based on bona fide data for the appropriate recruitment
25 market, taking into account the total compensation for the
26 position class. The lump sum for "hot" market jobs will be applied
27 to each individual in the class who has the requisite skills.

- 28 • The IBBT will approve any market adjustments, but the final
29 decision as to the initiation and withdrawal of the adjustment will
30 rest solely with management, to include the Human Resources

1 Department.

- 2 • These “hot” market job lump sum payments will not be included
- 3 in determining final average earnings (FAE) for the calculation
- 4 of pension benefits.

5 34.76 Progression through Training

- 6 A. The parties agree to new Progression through Training Programs
- 7 (PTTP) and the appropriate terms and conditions associated with
- 8 such programs provided that said programs are reviewed and
- 9 approved through the Interest Based Bargaining (IBB) process as
- 10 described in Article 34 and codified by agreement between the City
- 11 and the Union. Employees in the progression through training
- 12 programs shall receive progression through training increases, in
- 13 accordance with the terms as outlined in each progression through
- 14 training program, and shall not be eligible for ~~Transitional~~General
- 15 Wage Increases in paragraph 34.2.

16

17 All PTTP will be reviewed and approved by the IBBT. General

18 Increases shall only be given in accordance with the terms outlined

19 in each individual PTTP, ~~and as provided in paragraph 34.3 above.~~

20

21 IBB-approved Progression Through Training Programs will be

22 structured to provide a pay progression from one classification to

23 another classification through a wide PTTP pay range.

- 24 B. Employees participating in a Progression Through Training Program
- 25 will be given information regarding how the progression works and
- 26 the penalty, if any, for not progressing in the program. In addition,
- 27 the employee will be required to sign a statement of receipt and
- 28 understanding which states he/she has been given this information
- 29 prior to participating in the program that has penalties for failure to
- 30 progress.

1 ~~C.~~ Transitional Pay Ranges

- 2 ~~• Each individual Progression Through Training Program has a~~
3 ~~pay chart indicating the wage assigned to each level in the~~
4 ~~program. All PTTP will have new pay charts produced for the~~
5 ~~initial year of the transition.~~
- 6 ~~• Each year of the transitional period, each program will have a~~
7 ~~revised pay chart produced indicating whether that program has~~
8 ~~an increase in either the base or endpoint of the program.~~
- 9 ~~• Any PTTP employee whose base pay increases will have~~
10 ~~their base rate adjusted on the same schedule as noted in Table~~
11 ~~4 in paragraph 34.2.~~
- 12 ~~• PTTP employees whose progression level has a base pay~~
13 ~~increase shall receive, in addition to the base rate increase, a~~
14 ~~pensionable, one-time payment for all pay periods from October~~
15 ~~7, 2019 forward to the end of the pay period during which final~~
16 ~~ratification occurs. This prorated payment shall be arrived at by~~
17 ~~dividing the annualized difference in their PTTP base pay as of~~
18 ~~October 7, 2019 by 26, and multiplying that number for each~~
19 ~~pay period between October 7, 2019 and the end of the first full~~
20 ~~pay period after final ratification occurs.~~

21

22 ~~DC.~~ Employees entering a Progression Through Training Program shall
23 not be subject to promotional increases as noted in paragraph
24 34.6.A. above. The employee's rate of pay shall be determined by
25 the terms outlined in each PTTP.

26 34.87 If the City proposes removal of a classification(s) from the bargaining unit,
27 and where the union disagrees, PERC will decide the issue.

28 34.98 Direct Deposit

29 All employees covered by this Agreement will be required to have and
30 maintain a direct deposit account for the purpose of receiving their
31 employment compensation.

1 34.409

Living Wage

- 2 A. Effective the beginning of the ~~second full pay period following~~
3 ~~ratification~~first full pay period in January 2022, employees whose
4 base hourly rate is, after any adjustments provided in 34.2 ~~and/or~~
5 ~~34.3~~ above, less than ~~\$13.75~~\$15.00, shall have their base hourly
6 rate increased to ~~\$13.75~~\$15.00 per hour. ~~In addition, employees~~
7 ~~receiving an increase under this section shall receive a~~
8 ~~pensionable, one-time payment for all pay periods from January~~
9 ~~13, 2020 forward to the end of the first full pay period after final~~
10 ~~ratification occurs, subject to limits provided herein. This prorated~~
11 ~~payment shall be arrived at by dividing the annualized value of the~~
12 ~~increase by 26, and multiplying that number for each pay period~~
13 ~~between January 13, 2020 and the end of the first full pay period~~
14 ~~after final ratification occurs, subject to limits provided herein. In no~~
15 ~~case shall the number of pay periods used in this computation~~
16 ~~exceed the number of pay periods the employee would have been~~
17 ~~impacted by such adjustment.~~
- 18 B. Effective ~~upon ratification~~the beginning of the first full pay period in
19 January 2022, no employee shall be hired at a base hourly rate of
20 pay that is less than ~~\$13.75~~\$15.00 per hour.
- 21 C. ~~Effective January 11, 2021, employees whose base hourly rate is,~~
22 ~~after any adjustments provided in 34.2 and/or 34.3 above, less than~~
23 ~~\$14.25, shall have their base hourly rate increased to \$14.25 per~~
24 ~~hour. In addition, effective January 11, 2021, no employee shall be~~
25 ~~hired at a base hourly rate of pay that is less than \$14.25 per hour.~~
- 26 ~~D.~~—There shall be no increase to the Living Wage after the
27 adjustments provided herein, unless and until there is a new
28 Agreement in effect providing for such increases.

29 34.4410 In the event an employee is subject to an income deduction order, the City
30 shall charge the employee an administrative fee, or fees, in accordance with
31 limits established by law.

SEVERABILITY

35.1 Should any provision of this Agreement be found to be inoperative, void or invalid by a court of competent jurisdiction, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement, it being the intention of the parties that no portion of this Agreement or provision herein shall become inoperative or fail by reason of the invalidity of any other portion or provision.

ARTICLE 36
PENSIONS

36.1 Employees covered by this Agreement shall be covered by the City's General Pension Plan and Disability Plan as set forth by the City of Gainesville's Code of Ordinances, as amended. Minor changes may be made by the City. Minor changes are defined as changes the net effect of which would not require a current or potential increase in the contribution rate or a benefit decrease.

36.2 The City will give the Union a copy of such minor change(s) at least thirty (30) days prior to the adoption of such change(s).

36.3 A change, or changes, in the Plan, the net effect of which would require a current or potential increase in the contribution rate or a benefit decrease, may be made by the City subject to the Union's right to demand impact bargaining prior to the effective date of such change.

ARTICLE 37
ENTIRE AGREEMENT

37.1 The parties acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make proposals with respect to subjects or matters not removed by law from the area of collective bargaining. The understandings and agreements arrived at by

1 the parties after the exercise of such right and opportunity are set forth in
2 this Agreement.

3 37.2 The City and the Union, for the duration of this Agreement, agree that the
4 other shall not be obligated to bargain collectively with respect to any
5 subject or matter referred to or covered in this Agreement, but may, upon
6 mutual agreement of both, bargain collectively on any subject or matter not
7 known or contemplated by either or both parties at the time that they
8 negotiated this Agreement.

9
10 37.3 This Agreement shall be effective on January 1, ~~2019~~2022, after ratification
11 by the bargaining unit members of Local No. 3170 and the City Commission
12 and shall remain in full force and effect up to and including December 31,
13 2024~~2024~~.

14 37.4 A. The parties recognize that it may be in their mutual interest to
15 negotiate modifications to the Agreement during the life of said
16 Agreement. Accordingly, the parties concur that, should the City and
17 the Union agree to negotiate changes to existing Articles, or to
18 include the addition of new Articles(s), the Interest Based Bargaining
19 (IBB) process will continue to be utilized to the extent practicable.
20 When the IBB process is utilized, the intent of the parties shall be to
21 negotiate modifications, (e.g., additions and/or deletions) to the
22 Agreement which achieve mutual gains for the City and the Union.
23 The IBB Team will consist of 5 Union representatives and 5
24 management representatives, to be trained in the IBB process.
25 Union IBB Team designees who are city employees, shall suffer no
26 lost wages for time to attend IBB meetings. Agreements reached
27 under the IBB process must be reduced to writing and signed off by
28 the IBB Team members and shall be ratified by both parties, except
29 as authorized elsewhere in the Agreement.

30 B Should either party determine the IBB process would not be
31 practicable, Article 37, Entire Agreement, Section 37.2 shall then be

1 the process utilized. Any modifications resulting from utilizing
2 Section 37.2 shall be ratified by both parties.

3 37.5 Should either party desire to terminate, change or modify this Agreement or
4 any portion thereof, they shall notify the other party in writing prior to June
5 30, ~~2024~~2024. Such notification shall include the titles and sections of the
6 articles the party wishes to renegotiate and all other articles will remain in
7 full force and effect from year to year thereafter.

8 37.6 Following the sending and receipt of the notice described above, the parties

DRUG-FREE WORKPLACE PROGRAM

I. PURPOSE

As a part of its commitment to safeguard the health of its employees, to provide a safe place for its employees to work, and to promote a drug-free working environment, the City of Gainesville, Florida (City) has established this program relating to the use or abuse of alcohol and drugs by its employees. Supplemental programs required by federal regulations will be described in addenda hereto. Substance abuse, while at work or otherwise, seriously endangers the safety of employees, as well as the general public, and creates a variety of workplace problems including increased injuries on the job, increased absenteeism, increased health care and benefit costs, increased theft, decreased morale, decreased productivity, and a decline in the quality of products and services provided. This program is established in part to detect users and remove abusers of drugs and alcohol from the workplace, to prevent the use and/or presence of these substances in the workplace, and to assist employees in overcoming any dependence on drugs and/or alcohol in accordance with the following guidelines.

An employee who is injured in the course and scope of his/her employment and tests positive on a drug or alcohol test may be terminated. Refusal to take a drug (urine) or alcohol (breath) test will result in the employee being subject to dismissal.

Certain components of this program involve utilization of additional techniques and procedures. These additional techniques and procedures, are both justified by, and based upon, federal and state statutes, case law, and regulatory findings. At such time as the regulations implemented pursuant to the Omnibus Transportation Employee Testing Act of 1991 or other regulatory requirements become applicable to City employees, this program will be altered as and if necessary to conform to the specific requirements of the final regulations. Until such time, any additional techniques and procedures shall utilize mechanisms already in use and/or proposed for use by state or federal law and regulation. Prior to making any amendments to this Program, the City shall engage in collective bargaining to the extent required by law.

To the extent that Section 440.101-.102, or the implementing rules issued by the Department of Labor and Employment Security or those issued by the Agency for Health Care Administration are amended, or other statutes and rules requiring drug testing determined to be applicable to City employees are adopted or amended, this Program will be modified without the necessity of further general notice as required by §440.102 (3).

The City's Drug-Free Workplace Program has been prepared so as not to conflict with public policy and, further, not to be discriminatory or abusive. A drug-free workplace should be the goal of every employer in America. Drug and alcohol

testing is only one of the several steps that must be taken to achieve this objective. When incorporated into a comprehensive anti-drug effort, testing can go a long way in combating drug and alcohol abuse in the workplace.

II. SCOPE

All employees covered by this program and, as a condition of employment, are required to abide by the terms of this program and, as applicable, supplemental programs described in addenda to the City of Gainesville's Drug-Free Workplace Program. Any employee in doubt as to the requirements or procedures applicable to their situations may contact the City's Risk Management Department for information. Consistent with policy determinations and legal requirements, the City shall limit testing to that which is considered necessary to meet the Purpose of this Program.

III. DRUG-FREE WORKPLACE PROGRAM DISSEMINATION

- A. The City has given a general one-time notice to all employees that the City prohibits its employees from illegally or improperly using, possessing, selling, manufacturing, or distributing drugs on its property, or while its employees are at work; that it is against City policy to report to work or to work under the influence of drugs; and that it is a condition of employment to refrain from using illegal drugs or alcohol on the job, or abusing legal drugs on or off the job such that it affects their job, and that a drug testing program is being implemented.
- B. Prior to testing, all employees or applicants for employment will have been given a summary of the Drug-Free Workplace Program, a summary of the drugs which may alter or affect a drug test, a list of local employee assistance programs and a list of local alcohol and drug rehabilitation programs.
- C. A notice of drug testing will be included with all job vacancy announcements for which drug testing is required. A notice of the City's drug testing program will also be posted in appropriate and conspicuous locations on the City's premises and copies of the program will be made available for inspection during regular business hours in the Human Resources Department.

IV. DEFINITIONS

The definitions of words and terms as set forth in § 440.02(1) and § 440.102(1), Fla. Stat., the Florida Workers' Compensation Drug Testing Rules and the Agency for Health Care Administration, Drug-Free Workplace Standards (Fla. Admin. Code R. 59-A24) as may be amended shall apply to the words and phrases used in this program unless the context clearly indicates otherwise. When the phrase "drug and alcohol" testing, use, etc., is used in connection with different testing mechanisms, prohibitions or causes for testing "drug" includes all of the below

listed substances except alcohol. "Drug" otherwise has the same meaning as in §440.102(1)(a), Fla. Stat., which defines "drug" as follows:

(a) "Drug" means alcohol, including distilled spirits, wine, malt beverages, and intoxicating liquors; amphetamines; cannabinoids; cocaine; phencyclidine (PCP); hallucinogens; methaqualone; opiates; barbiturates; benzodiazepines; synthetic narcotics; designer drugs; or a metabolite of any of the substances listed herein.

(b) The words fail, failed or failure when used in this policy are based upon a confirmed positive test result reported by the Medical Review Officer (MRO).

V. ALCOHOL USE PROHIBITIONS

- A. The consumption of alcohol on City property or while on duty (during working hours, while at work, etc.) is prohibited and will result in disciplinary action, up to and including dismissal.
- B. Off-duty use of alcohol may adversely affect an employee's job performance or adversely affect or threaten to adversely affect other interests of the City, including but not limited to the employee's relationship to his/her job, fellow workers' reputations, or goodwill in the community. Disciplinary action up to and including dismissal may be imposed on this basis.
- C. Except as provided herein, the personal possession (i.e., on the person, or in a desk, locker) of alcohol on City property or during working hours will result in disciplinary action, up to and including dismissal.
- D. It is against the City's program and a violation of City policy to report to work or to work under the influence of alcohol.
- E. For purposes of implementing § 440.101-.102, Fla. Stat., an employee is presumed to be under the influence of alcohol if a breath test shows alcohol usage as set forth in Section VIII(L) or as otherwise provided by law (see Section I - Purpose).
- F. An employee whom Management has reason to suspect is under the influence of alcohol will be removed immediately from the workplace and will be tested and evaluated by authorized personnel selected in accordance with this program. The City will take further action (i.e., further testing, referral to counseling, and/or disciplinary action) based on medical information, work history, and other relevant factors. The determination of appropriate action in each case rests solely with the City.

- G. Failure to pass an alcohol test will result in further testing or disciplinary action, up to and including dismissal.
- H. Efforts to tamper with, or refusal to submit to an alcohol test will subject the employee to dismissal.

Refusal is defined as follows:

Refuse to submit (to an alcohol or controlled substances test) means that an employee

- (a) fails to provide adequate breath for testing without a valid medical explanation after he or she has received notice of the requirement for alcohol testing;
 - (b) fails to provide adequate urine for controlled substances testing without a valid medical explanation after he or she has received notice of the requirement for urine testing;
 - (c) engages in conduct that clearly obstructs the testing process; or
- I. Employees arrested for an alcohol-related incident, as indicated on the arrest report, shall notify, as soon as feasible, but in any event no later than 24 hours after the arrest, the City management representative having direct administrative responsibility for the arrested employee of the arrest if the incident occurs:
 - 1. During working hours, or
 - 2. While operating a City vehicle, or
 - 3. While operating a personal vehicle on City business.

Failure to comply with this subsection will result in disciplinary action up to and including dismissal.

- J. Violations of alcohol use prohibitions can subject an employee to disciplinary action up to and including dismissal. Dismissal for a first offense will be considered an appropriate penalty absent mitigating circumstances.

VI. DRUG USE PROHIBITIONS

- A. The use, sale, purchase, possession, manufacture, distribution, or dispensation of drugs or their metabolites on City property or while at work

(while on duty, during working hours, etc.) is a violation of the City's Program and is Just Cause for immediate dismissal.

- B. Reporting to work, or working, under the influence of illegal drugs is a violation of the City's Program and is Just Cause for immediate dismissal.
- C. For purposes of this program, an employee is presumed to be under the influence of drugs if a urine test or other authorized testing procedure shows drug usage as set forth in Section VIII (L) or as otherwise provided by law (see Article I - Purpose).
- D. Participation in a treatment program, will not excuse violations of this policy, work rule violations, improper conduct, or poor performance and an employee may be disciplined or dismissed for such offenses or failure to perform.
- E. Legal medications (over-the-counter) or prescription drugs may also affect the safety of the employee, fellow employees or members of the public. Therefore, any employee who is taking any over-the-counter medications or prescription drugs which might impair safety, performance, or any motor functions shall advise his/her direct management representative of the possible impairment before reporting to work under the influence of such medication or drug. A failure to do so may result in disciplinary action. If Management determines that the impairment does not pose a safety risk, the employee will be permitted to work. Otherwise, management may offer a change in work schedule, temporarily reassign the employee or place the employee in an appropriate leave status during the period of impairment. Improper use of "prescription drugs" is prohibited and may result in disciplinary action. Improper use of prescription drugs includes, but is not limited to, use of multiple prescriptions of identical or interchangeable drugs, and/or consumption of excessive quantities of and individual or therapeutically interchangeable drugs, and/or inappropriately prolonged duration of consumption of drugs, and/or consumption of prohibited drugs for other than valid medical purposes. For the purpose of this Program, consumption of any drug by the employee of more than the manufacturer's maximum recommended daily dosage, or for a longer period of time than recommended (unless otherwise prescribed by employee's physician), or of any prohibited drug prescribed for or intended for another individual, or for other than a valid medical purpose shall be construed to constitute improper use. Prescription medication shall be kept in its original container (unless approved in advance by management) if such medication is taken during working hours or on City property.
- F. Refusal to submit to, or efforts to tamper with, a drug test will subject the employee to dismissal.

Refusal is defined as follows:

Refuse to submit (to an alcohol or controlled substances test) means that an employee

- (a) fails to provide adequate breath for testing without a valid medical explanation after he or she has received notice of the requirement for alcohol testing;
- (b) fails to provide adequate urine for controlled substances testing without a valid medical explanation after he or she has received notice of the requirement for urine testing;
- (c) engages in conduct that clearly obstructs the testing process; or

G. Violations of drug prohibitions can subject an employee to disciplinary action up to and including dismissal. Dismissal for a first offense will be considered an appropriate penalty absent mitigating circumstances. Employees whose positive result was related to the random drug testing program described in Section VII subsection C below may be given the opportunity for a "last chance agreement" subject to the procedures outlined in Section X paragraph D of this program. Any such "last chance agreement" shall be developed by and is subject to modification at management's sole discretion.

VII. TESTING

A. *Testing of Applicants*

- 1. Prior to employment, applicants for designated positions, whether for temporary or permanent positions, will be tested for the presence of drugs.
- 2. Any job applicant who refuses to submit to drug testing, fails to appear for testing, tampers with the test, or fails to pass the pre-employment confirmatory drug test will not be hired and, unless otherwise required by law, will be ineligible for hire for a period of at least two (2) years.

B. *Reasonable Suspicion Testing*

- 1. "Reasonable suspicion testing" means drug testing based on a belief that an employee is using, or has used drugs in violation of the City's program, on the basis of specific, contemporaneous, physical, behavioral or performance indicators of probable drug use. It is a

belief based on objective facts which could reasonably lead an observer to further investigation.

Two management representatives shall substantiate and concur in the decision to test said employee, if feasible. Only one management representative need personally investigate or witness the conduct. The management representative(s) and witness(es) shall have received training in the identification of actions, appearance, conduct or odors which are indicative of the use of drugs or alcohol. If a management representative believes reasonable suspicion exists, the management representative shall report his or her findings and observations to the next higher management representative having administrative responsibility for the affected employee. Upon approval by the next higher management representative, the employee will be asked to immediately submit to a drug test(s) and sign a form acknowledging his or her consent. When chemical breath testing for alcohol testing is used, the test may be conducted immediately at the work site or later at the collection site. Factors which substantiate cause to test for drugs shall be documented by the management representative on the Substance Abuse Investigation Report Form which must be completed as soon as practicable, but no later than four (4) days after the employee has been tested for drugs. A copy of this report will be given to the employee upon request.

2. Each supervisor shall be responsible to determine if reasonable suspicion exists to warrant drug testing and required to document in writing the specific facts, symptoms, or observations which form the basis for such reasonable suspicion. The documentation shall be forwarded to the Department Head or designee to authorize the drug test of an employee.

The Department Head or designee shall require an employee to undergo drug testing if there is reasonable suspicion that the employee is in violation of the City of Gainesville Drug-Free Workplace Program. Circumstances which constitute a basis for determining "reasonable suspicion", individually (except as provided in g. below) or in combination, may include but are not limited to:

- a. A Pattern of Abnormal or Erratic Behavior - This includes but is not limited to a single, unexplainable incident of serious abnormal behavior or a pattern of behavior which is radically different from what is normally displayed by the employee or grossly differing from acceptable behavior in the workplace.

- b. Information Provided by a Reliable and Credible Source - The first line supervisor or another supervisor/manager receives information from a reliable and credible source as determined by the Department Head that an employee is violating the City's Drug-Free Workplace Program.
- c. Direct Observation of Drug Use - The first line or another supervisor/manager directly observes an employee using drugs while the employee is on duty. Under these circumstances, a request for drug testing is MANDATORY.
- d. Presence of the Physical Symptoms of Drug Use - The supervisor observes physical symptoms that could include but are not limited to glassy or bloodshot eyes, slurred speech, poor motor coordination, or slow or poor reflex responses different from what is usually displayed by the employee or what is generally associated with common ailments such as colds, sinus, hay fever, diabetes, etc.

The following will be deemed reasonable suspicion and may provide a sufficient basis for requesting a drug test at the direction of the Department Head or designee:

- e. Violent or Threatening Behavior - First Incident: If an employee engages in unprovoked, unexplained, aggressive, violent and/or threatening behavior against a fellow employee or a citizen, the Department may request that the employee submit to drug testing;
- f. Violent or Threatening Behavior - Subsequent Incident: Whether or not an employee has previously received formal counseling or disciplinary action for unprovoked, unexplained, aggressive, violent and or threatening behavior against a fellow employee or a citizen, upon a second or subsequent episode of similar behavior/conduct (within eighteen months), the Department shall request that the employee undergo drug testing.
- g. Absenteeism and/or Tardiness: If an employee has previously received a suspension action for absenteeism and/or tardiness, a continued poor record (within eighteen months) that warrants a second or subsequent suspension action may result in a request for a drug test. This factor alone will not be cause for testing.
- h. Odor: Odor of cannabis or alcohol upon the person.

- i. Performance Related Accidents: Each employee whose performance either contributed to the accident or whose performance cannot be discounted as a contributing factor to the accident shall be drug tested. The management representative having administrative responsibility for the employee involved in the accident shall ensure that a drug test is performed as soon as possible after the accident. Any necessary emergency medical care should be provided prior to initiating testing. No drug test should be administered after 32 hours.

Should evidence of alcohol be present, i.e., an odor of alcohol, open containers, or a statement from witness confirming alcohol consumption, the management representative must ensure alcohol testing is done immediately after the accident unless emergency medical care is required. An employee should be tested within 2 hours after the accident if at all possible. No alcohol testing will be conducted after eight (8) hours have passed from the time of the accident. If alcohol testing is not initiated within eight (8) hours, the management representative shall document the reason testing was not completed within eight (8) hours and submit it to Employee Health Services.

The following are examples of conditions that require accident related testing:

- (1) City employee operating a City vehicle at any time, or a non-City vehicle on City business, and involved in an accident resulting in a citation for a moving violation, or in any of the consequences described in 2(a) - (d) below.
- (2) Non-vehicular work related accident resulting in:
 - (a) death or injury to another person; or
 - (b) death of an employee; or
 - (c) injury to the employee requiring medical treatment at an off-site (away from the scene of the accident) medical facility other than Employee Health Services, unless the employee can be absolved of all fault in the accident. If the injury is of such character as would have been treated at Employee Health Services, but for the unavailability of Employee Health Services, management may waive this requirement.

"Unavailability" means occurring at a time other than the hours of operation of Employee Health Service or at such distance from Employee Health Services as to render their use impractical; or

- (d) property damage estimated to be greater than \$2500, unless the employee can be absolved of all blame in the accident.

C. Random Testing

- 1. (a) A random testing program shall be established for the following covered positions:

- Police Property Specialist
- Police Property/Evidence Specialist
- Storekeeper I assigned to GPD Property and Evidence
- Program Assistant assigned to GPD Property and Evidence

- (b) The minimum annual percentage rate for random controlled substances testing shall be 50 percent of the average number of individuals holding the above positions.

- 2. Any new minimum annual percentage rate for random alcohol testing will be applicable starting January 1 of the calendar year following a new agreement.

- 3. The selection of individuals for random controlled substances testing shall be made by a scientifically valid method, such as random number table of computer-based random number generator that is matched with drivers' Social Security numbers, payroll identification numbers, or other comparable identifying numbers. Under the selection process used, each individual shall have an equal chance of being tested each time selections are made.

- 4. Random controlled substances tests conducted under this Addendum shall be unannounced and that the dates for administering random alcohol and controlled substances tests are spread reasonably throughout the calendar year.

- 5. Each individual who is notified of selection for random controlled substances testing shall make himself available at the test site immediately.

- 6. An individual shall only be randomly while the employee is holding the positions identified in paragraph 1 (a) of this section.

D. Open Section

E. Follow-up Testing

If an employee in the course of employment enters an employee assistance program for drug related problems or a drug rehabilitation program, the employee must submit to a drug test as a follow-up to such program unless such requirement is waived by the City. Follow-up testing shall be prescribed by the Substance Abuse Professional (SAP) and be conducted at least once a year for at least a two-year period after completion of the program. Advance notice of such follow-up testing must not be given to the employee to be tested. In the case of drivers subject to the commercial motor vehicle addendum, follow-up alcohol testing shall be conducted only when the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver ceased performing safety-sensitive functions.

F. Routine Fitness for Duty

An employee shall submit to a drug test if the test is conducted as part of a routinely scheduled employee fitness-for-duty medical examination that is required for all members of an employment classification or group. When a routinely scheduled employee fitness-for-duty medical exam is to be included, it shall be subject to collective bargaining, unless such is determined to be applicable to city employees by virtue of statutory or regulatory requirements.

G. Additional Testing

Additional testing may also be conducted as required by applicable state or federal laws, rules, or regulations, subject to Section I (Purpose).

H. Refusal to Test

Employees who refuse to submit to a breath alcohol or urine drug test administered in accordance with this program will be subject to dismissal.

VIII. TESTING PROCEDURE

A. Tested Substances

The City may test for any or all of the following drugs:

- Alcohol
- Amphetamines (Binhetamine, Desoxyn, Dexedrine)
- Cannabinoids (i.e., marijuana, hashish)
- Cocaine
- Phencyclidine (PCP)
- Methaqualone (Quaalude, Parest, Sopor)
- Opiates

Barbiturates (Phenobarbital, Tuinal, Amytal)
Benzodiazophines (Ativan, Azene, Clonopin, Dalmane, Diazepam, Halcion, Librium, Poxipam, Restoril, Serax, Tranxene, Valium, Vertron, Xanax)
Methadone (Dolophine, Methadose)
Propoxyphene (Darvocet, Darvon N, Dolene)

B. *Designated Laboratory*

Because of the potential adverse consequences of test results on employees, the City will employ a very accurate testing program. Specimen samples will be analyzed by a highly qualified, independent laboratory which has been selected by the City and certified by the appropriate regulatory agency. The name and address of the certified laboratory currently used by the City is on file with Employee Health Services.

C. *Notification of Prescription Drug Use*

Applicants and employees will be given an opportunity after testing to, on a confidential basis, provide any information they consider relevant to the test including listing all drugs they have taken within the immediately preceding 30-day period, including prescribed drugs and to explain the circumstances of the use of those drugs or other relevant medical information to the Medical Review Officer (MRO) in the event of a positive confirmed result.

D. *Testing of Injured Employees*

An employee injured at work and required to be tested will be taken to a medical facility for immediate treatment of injury if treatment is required. If the injured employee is not at a designated collection site, the employee will be transported to one as soon as it is medically feasible and specimens will be obtained. If it is not medically feasible to move the injured employee, specimens will be obtained at the treating facility under the procedures set forth in this program and transported to an approved testing laboratory. No specimen will be taken prior to the administration of emergency medical care. An injured employee must authorize release to the City the result of any tests conducted for the purpose of showing the presence of alcohol or drugs.

E. *Body Specimens*

Urine will be used for the initial test for all drugs except alcohol and for the confirmation of all drugs except alcohol. Breath will be used for the initial and confirmation tests for alcohol. Sufficient volume of specimens shall be obtained so as to provide for the necessary number of samples as may be required, depending upon the number of required procedures. Chemical breath testing methods may be utilized in connection with justifying further alcohol breath tests in instances involving reasonable suspicion testing under this program. Under these circumstances discipline for violation of

the Program may be taken based upon observable conduct or conditions and/or the result of other tests, if any.

F. Cost of Testing

The City will pay the cost of initial and confirmation drug tests, which it requires of employees and job applicants. An employee or job applicant will pay the cost of any additional drug tests not required by the City. In the event that the City requires the employee's presence at the collection site outside normal working hours as part of the testing process and the employee passes the drug/alcohol test, such required time outside after normal working hours shall be considered actual time worked for the purpose of the CWA labor agreement (Premium Pay), if applicable.

G. Collection Site, Work Site

1. The City will utilize a collection site designated by an approved laboratory which has all necessary personnel, materials, equipment, facilities, and supervision to provide for the collections, security, chain of custody procedures, temporary storage and shipping or transportation of urine specimens to an approved drug testing laboratory. The City may also utilize a medical facility (designated by the contract laboratory) as a collection site which meets the applicable requirements.
2. The City may require that an employee take a chemical breath test at the Work Site or other City facility.
3. Security of the collection site, chain of custody procedures, privacy of the individual, collection control, integrity and identity of the specimen and transportation of the specimen to the laboratory as applicable will meet state or federal rules and guidelines as amended from time to time, and will be used for each employee or job applicant whose urine is tested.

H. Collection Site, Work Site, Personnel

A specimen for a drug test will be taken or collected by:

1. A physician, a physician's assistant, a registered professional nurse, a licensed practical nurse, a nurse practitioner, or a certified paramedic who is present at the scene of the accident for the purpose of rendering emergency service or treatment and/or qualified breath alcohol technician as defined in CFR Part 40; or
2. A qualified person employed by a licensed laboratory who has the necessary training and skills for the assigned tasks.

In the case of a chemical breath test, utilizing evidential breath test devices, a technician licensed pursuant to Fla. Admin. Code R. 11D-8, and/or qualified breath alcohol technician as defined in 49 CFR Part 40.

I. Testing Laboratory

1. The laboratory used to analyze initial or confirmation drug specimens will be licensed or certified by the appropriate regulatory agencies to perform such tests. The Agency for Health Care Administration has published Drug-Free Workplace Standards (Florida Administrative Code, R 59A-24) which shall be followed by laboratories and employers for testing procedures required under §440.101-.102, Fla. Stat.
2. All laboratory security, chain of custody, transporting and receiving of specimens, specimen processing, retesting, storage of specimens, instrument calibration and reporting of results will be in accordance with applicable state or federal laws and rules established by HCA or the U.S. Department of Transportation; to the extent the above information is readily reproducible by the lab and not confidential, such will be forwarded to the appropriate certified bargaining unit representative upon their request and their payment for reproduction cost.
3. The Medical Review Officer will provide assistance to the employee or job applicant for the purpose of interpreting any positive confirmed test results.

J. Initial Tests Used for Implementing § 440.101-.102, Fla. Stat.*

Initial tests will use an immunoassay except that the test for alcohol will be an enzyme oxidation methodology. The following cutoff levels will be used when screening specimens to determine whether they are positive or negative for these drugs or metabolites. All levels equal to or exceeding the following will be reported as positive:

Alcohol	0.04% concentration
Amphetamines	1000 ng/ml
Cannabinoids	50 ng/ml
Cocaine	300 ng/ml
Phencyclidine	25 ng/ml
Methaqualone	300 ng/ml
Opiates	300 ng/ml
Barbiturates	300 ng/ml
Benzodiazepines	300 ng/ml
Synthetic Narcotics:	
Methadone	300 ng/ml
Propoxyphene	300 ng/ml

* Chemical breath testing procedures as described in Fla. Admin. Code R. 11D-8 or U.S. Department of Transportation rules, will be used for all alcohol testing.

**D.O.T. cutoff per 49 CFR, 40.29(e).

K. Confirmation Tests Used

All urine specimens identified as positive on the initial test will be confirmed using gas chromatography/mass spectrometry (GC/MS) or an equivalent or more accurate scientifically accepted method approved by the HCA. Alcohol will be confirmed using gas chromatography. All confirmation will be done by quantitative analysis. Concentrations which exceed the linear region of the standard curve will be documented in the laboratory and recorded as "greater than highest standard curve value." The following confirmation cutoff levels will be used when analyzing specimens to determine whether they are positive or negative for these drug metabolites. All levels equal to or exceeding the following will be reported as positive:

Alcohol	0.04% concentration
Amphetamines	500 ng/ml
Cannabinoids	15 ng/ml
Cocaine	150 ng/ml
Phencyclidine	25 ng/ml
Methaqualone	150 ng/ml
Opiates	300 ng/ml
Barbiturates	150 ng/ml
Benzodiazepines	150 ng/ml
Synthetic Narcotics:	
Methadone	150 ng/ml
Propoxyphene	150 ng/ml

L. Comparable Procedures

To the extent allowed by law and regulation, the City shall utilize 49 CFR, Part 40 procedures for workplace drug testing programs in lieu of the comparable procedures described herein, or incorporated by reference, when such comparable procedures are based upon the requirements of Fla. Admin. Code R. 59A-24.

IX. TEST RESULTS

A. Reporting Results

1. The laboratory shall disclose to the Medical Review Officer (MRO) a written positive confirmed test result report within seven (7) working days after receipt of the sample. The laboratory should report all test results (both positive and negative) to the MRO within seven (7)

working days after receipt of the specimen at the laboratory. The name and address of the current MRO is on file with Employee Health Services. The MRO is employed by the City and is not an employee of the drug testing laboratory.

2. The laboratory will report as negative all specimens which are negative on the initial test or negative on the confirmation test. Only specimens confirmed positive on the confirmation test will be reported positive for a specific drug.
3. The laboratory will transmit results in a manner designed to ensure confidentiality of the information. The laboratory and MRO will ensure the security of the data transmission and restrict access to any data transmission, storage and retrieval system.
4. As provided in Fla. Admin. Code R. 59A-24, the MRO will verify that positive and negative test results were properly analyzed and handled according to HCA rules. The MRO may require a re-test. The MRO will have knowledge of substance abuse disorders and shall also be knowledgeable in the medical use of prescription drugs and in the pharmacology and toxicology of illicit drugs. The MRO shall evaluate the drug test result(s) reported by the lab, verify by checking the chain of custody form that the specimen was collected, transported and analyzed under proper procedures and, determine if any alternative medical explanations caused a positive test result. This determination by the MRO may include conducting a medical interview with the tested individual, review of the individual(s) medical history or the review of any other relevant bio-medical factors. The MRO shall also review all medical records made available by the tested individual. The MRO may request the laboratory to provide quantification of test results.
5. The MRO will (1) notify the Designated Employer Representative (DER) or his/her designee of negative results, or (2) contact the employee or job applicant regarding a confirmed positive test result and make such inquiry as to enable the MRO to determine whether prescription or over-the-counter medication could have caused the positive test results. In this latter case, the MRO will follow the applicable procedure set forth in either the HCA or D.O.T. rules for providing the employee or job applicant the opportunity to present relevant information regarding the test results. After following the appropriate procedures, the MRO will notify the City in writing of any verified test results. If the MRO, after making and documenting all reasonable efforts, is unable to contact the employee or job applicant to discuss positive test results, the MRO will contact a DER management official to arrange for the employee or applicant to

contact the MRO. The MRO may verify a positive test without having communicated to the employee or applicant about the results of the test, if (1) the employee or applicant declines the opportunity, or (2) within two (2) days after contacting the designated management official the employee or applicant has not contacted the MRO. Further, employees or applicants must cooperate fully with the MRO.

Failure to meet with the MRO upon his or her request or failure to promptly provide requested information will result in an applicant not being hired and an employee immediately being placed upon suspension without pay and may result in discharge.

6. Within five (5) calendar days after the City receives a positive, confirmed verified test result from the MRO, the City will notify the employee or job applicant in writing of such test results, the consequences of such results, and the options available to the employee or job applicant, including the right to file an administrative or legal challenge. Notification shall be mailed certified or hand delivered. Hand delivery is the preferred method of providing notice to employees. Mailed notification shall be deemed received by the employee or applicant when signed for, or seven (7) calendar days after mailing, whichever occurs first.
7. The City will upon request provide to the employee or job applicant a copy of the test results.
8. Unless otherwise instructed by the City in writing, all written records pertaining to a given specimen will be retained by the drug testing laboratory for a minimum of five (5) years. The drug testing laboratory shall retain (in properly secured refrigerated or frozen storage) for a minimum period of 1 year, all confirmed positive specimens. Within this one (1) year period the City, employee, job applicant, MRO or HCA may request in writing that the laboratory retain the specimen for an additional period of time. If no such request or notice of challenge (See B.3.) is received, the laboratory may discard the specimen after one (1) year of storage.

B. Challenges to Test Results

1. Within five (5) working days (Monday thru Friday, 0800 - 1700, except observed/designated holidays) after receiving notice of a positive, confirmed and verified test result from the City, the employee or job applicant may submit information to the City explaining or contesting the test results and why the results do not constitute a violation of this program. The employee or job applicant will be notified in writing if the explanation or challenge is unsatisfactory to the City. This written explanation will be given to the employee or job applicant within 15 days of receipt of the

explanation or challenge, and will include why the employee's or job applicant's explanation is unsatisfactory, along with the report of positive results. All such documentation will be kept confidential and will be retained for at least one (1) year.

2. Employees may challenge employment decisions made pursuant to this program as may be authorized by the City personnel policy or collective bargaining agreements.
3. When an employee or job applicant undertakes an administrative or legal challenge to the test results, it shall be the employee's or job applicant's responsibility to notify the City through its Human Resources Director and the laboratory, in writing, of such challenge and such notice shall include reference to the chain of custody specimen identification number. After such notification, the sample shall be retained by the laboratory until final disposition of the case or administrative appeal.
4. Agency for Health Care Administration, employer or MRO detecting a false positive error shall immediately notify the laboratory and the employee's management representative to whom the false positive test result was reported.

C. *Employee/Applicant Protection*

1. During the 180-day period after the employee's or applicant's receipt of the City's written notification of a positive test result, the employee or applicant may request that the City have a portion of the specimen retested, at the employee's or applicant's expense. The re-testing must be done at another HCA licensed laboratory. The second laboratory must test at equal or greater sensitivity for the drug in question as the first laboratory. The first laboratory which performed the test for the City will be responsible for the transfer of the portion of the specimen to be re-tested, and for the integrity of the chain of custody for such transfer.
2. The drug testing laboratory will not disclose any information concerning the health or mental condition of the tested employee or job applicant.
3. The City will not request or receive from the testing facility any information concerning the personal health, habit or condition of the employee or job applicant including, but not limited to, the presence or absence of HIV antibodies in a worker's body fluids.
4. The City will not dismiss, discipline, refuse to hire, discriminate against, or request or require rehabilitation of an employee or job

applicant on the sole basis of a positive test result that has not been verified by a confirmation test and by a MRO.

5. The City will not dismiss, discipline or discriminate against an employee solely upon the employee's voluntarily seeking treatment, while in the employ of the City, for a drug-related problem, if the employee has not previously tested positive for drug use, entered an employee assistance program for drug-related problems, or entered an alcohol or drug rehabilitation program. This shall not prevent follow-up testing as required by this program (Section VII (E)).

D. Comparable Procedure

To the extent allowed by law and regulation, the City shall utilize 49 CFR, Part 40 procedures for workplace drug testing programs in lieu of the comparable procedures described herein, or incorporated by reference, when such comparable procedures are based upon the requirements of Fla. Admin. Code R. 59A-24.

X. EMPLOYEE ASSISTANCE PROGRAM (EAP)

- A. The City regards its employees as its most important asset. Accordingly, the City maintains an EAP which provides help to employees who suffer from alcohol or drug abuse and other personal or emotional problems. Employees with such problems should seek confidential assistance from the EAP or other community resources before drug or alcohol problems lead to disciplinary action. Employees may contact Employee Health Services for the name of the City's EAP.
- B. Information about a self-referred employee's contact with the EAP is confidential and will not be disseminated without the employee's permission. Further, an employee is not subject to discipline solely as a result of a self referral for treatment.
- C. However, use of the EAP or other community resources will not shield the employee from appropriate disciplinary action for violations of the City's Drug-Free Workplace Program if such violations come to the City's attention through other means, including, but not limited to, reports from employees or outsiders, direct observation, or drug testing.
- D. Follow-up testing shall be monitored by the Substance Abuse Professional (SAP) and shall provide that the employee:
 1. Contact the SAP and strictly adhere to all the terms of treatment and counseling;
 2. Immediately cease any and all abuse/use of alcohol/drugs; and

3. Consent in writing to periodic unannounced testing for a period of up to 60 months after returning to work or completion of any rehabilitation program, whichever is later.
 4. Pass all drug test(s) administered under this program.
 5. The employee and the certified bargaining representative, if any, executes and abides by an agreement, if appropriate, describing the required conditions.
- E. Participation in an employee assistance program or a drug rehabilitation program shall be paid for to the extent authorized under the City's Health insurance plan, whether the particular program is selected by the employee or the City.

XI. INVESTIGATION

- A. To ensure that illegal drugs and alcohol do not enter or affect the workplace, the City reserves the right to undertake reasonable searches of all vehicles, containers, lockers, or other items on City property in furtherance of this program. Individuals may be requested to display personal property for visual inspection.
- B. Searches for the purpose described herein will be conducted only where the City has reasonable suspicion that the employee has violated the City's Drug-Free Workplace Program, and that evidence of such misconduct may be found during the search. A substance abuse investigation report shall be completed within twenty-four (24) hours after any search conducted pursuant to this sub-section.
- C. Preventing a premises/vehicle search or refusing to display personal property for visual inspection pursuant to this section will be grounds for disciplinary action up to and including dismissal and/or denial of access to City premises.
- D. Searches of an employee's personal property will take place only in the employee's presence. All searches under this program will occur with the utmost discretion and consideration for the employee involved.
- E. Individuals may be required to empty their pockets, but under no circumstances will an employee be required to remove articles of clothing or be physically searched except by law enforcement personnel having lawful authority to do so.
- F. Because the City's primary concern is for the safety of its employees, the public and their working environment, the City will not normally seek prosecution in matters involving mere possession of illegal substances

discovered solely as a result of a reasonable search under this section. However, the City will turn over all confiscated drugs and drug paraphernalia to the proper law enforcement authorities. Further, the City reserves the right to cooperate with or enlist the services of proper law enforcement authorities in the course of any investigation.

XII. ARREST FOR DRUG-RELATED CRIME

A. As a condition of employment, each employee obligates himself or herself to notify his or her appropriate management representative of the arrest for any alleged violation of or conviction under any criminal drug statute, including but not limited to, offenses described in Section 316.193, Chapter 859 and Chapter 893, Fla. Stat. (1991). Except for the more immediate notice required under Article V(I) of this program, the employee shall give the required notice within 48 working hours of such event. Failure to notify will result in dismissal.

B. Arrests:

If an employee is arrested on a charge of commission of a drug-related crime, the City will perform a preliminary investigation of all of the facts and circumstances surrounding the alleged offense, and City officials may utilize the drug-testing procedures in accordance with this program. In most cases, the arrest for a drug-related crime, except off-duty alcohol use, will constitute reasonable suspicion of drug use under this program. However, information on drug test results shall not be released or used in any criminal proceeding against the employee. Information released contrary to this section shall be inadmissible as evidence in any such criminal proceeding. In conducting its own investigation the City shall use the following procedures:

During the preliminary investigation, an employee may be placed on leave with pay, if applicable. After the preliminary investigation is completed, but in no event later than 15 days after the employee's department head learns of the arrest, normal personnel procedures shall be implemented.

XIII. CONFIDENTIALITY

All information, interviews, reports, statements, memoranda and drug test results, written or otherwise, received by the City as a part of this drug testing program are confidential communications. Unless required by state or federal laws, rules or regulations, the City will not release such information without a written consent form signed voluntarily by the person tested, except when consulting with legal counsel in connection with action brought under or related to § 440.101-102, Fla. Stat., or when the information is relevant to the City's defense in a civil or administrative matter.

The provisions of §119.07 to the contrary notwithstanding:

- A. All information, interview, reports, statement, memoranda, and drug test results, written or otherwise, received or produced as a result of a drug testing program are confidential communications and may not be used or received in evidence, obtained in discovery, or disclosed in any public or private proceedings, except in accordance with this section or in determining compensability under Chapter 440 Florida Statutes.
- B. Employers, laboratories, employee assistance programs, drug and alcohol rehabilitation programs, and their agents who receive or have access to information concerning drug test results shall keep all information confidential. Release of such information under any other circumstances shall be solely pursuant to written consent form signed voluntarily by the person tested, unless such release is compelled by a hearing officer or a court of competent jurisdiction pursuant to an appeal taken under this section, or unless deemed appropriate by a professional or occupational licensing board in a related disciplinary proceeding. The consent form must contain, at a minimum:
 - 1. The name of the person who is authorized to obtain the information.
 - 2. The purpose of the disclosure.
 - 3. The precise information to be disclosed.
 - 4. The duration of the consent.
 - 5. The signature of the person authorizing release of the information.
- C. Information on drug test results shall not be released or used in any criminal proceeding against the employee or job applicant. Information released contrary to this section shall be inadmissible as evidence in any such criminal proceedings.
- D. Nothing herein shall be construed to prohibit the employer, agent of the employer, or laboratory conducting a drug test from having access to employee drug test information when consulting with legal counsel in connection with actions brought under or related to this section or when the information is relevant to its defense in a civil or administrative matter.

XIV. RECORDS AND TRAINING

A. Resource File

The City will maintain a current resource file of providers of employee assistance including alcohol and drug abuse programs, mental health providers, and various other persons, entities or organizations designed to assist employees with personal or behavioral problems. The City will inform employees and new hires about various employee assistance programs that the employer may have available. The information shall be made available at a reasonable time convenient to the City in a manner that permits discreet review by the employee. The City will provide the names, addresses, and telephone numbers of employee assistance programs and local alcohol and drug rehabilitation programs to employees and applicants.

B. Individual Test Results

1. The MRO shall be the sole custodian of individual positive test results.
2. The MRO shall retain the reports of individual positive test results for a period of five years.
3. The City shall keep confidential and retain for at least one (1) year an employee's challenge or explanation of a positive test result, the City's response thereto, and the report of positive result.
4. The City shall keep all negative test results for five (5) years.

C. General Records of the City

1. Records which demonstrate that the collection process conforms to all appropriate state or federal regulations shall be kept for three (3) years.
2. A record of the number of employees tested by type of test shall be kept for five (5) years.
3. Records confirming that managers, supervisors and employees have been trained under this program shall be kept for three (3) years.

D. Drug Training Program

1. The City shall establish and maintain a Drug Training Program as required by Chapter 440 Florida Statutes. The Program shall, at a minimum, include the following:

- a. A written statement on file and available for inspection at its Human Resources Department outlining the Program;
 - b. An educational and training component for employees which addresses drugs; and
 - c. An educational and training component for all supervisory and managerial personnel which addresses drugs.

E. *Comparable Procedures.*

To the extent allowed by law and regulation, the City shall utilize 49 CFR, Part 40 procedures for workplace drug testing programs in lieu of the comparable procedures described herein, or incorporated by reference, when such comparable procedures are based upon the requirements of Fla. Admin. Code R. 59A-24.

II. **PROHIBITIONS AND CONSEQUENCES**

A. Drug Use Prohibitions

1. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if the driver:
 - a. Uses any controlled substances; or
 - b. Tests positive for use of a drug; or
 - c. Refuses to be tested for use of drugs.
2. No driver shall be on duty and possess, be under the influence of, or use, any of the following drugs or other substances:
 - a. Any Schedule 1 controlled substance;
 - b. An amphetamine or any formulation thereof (including, but not limited, to “pep pills”, and “bennies”;
 - c. A narcotic drug or any derivative thereof; or
 - d. Any other substance, to a degree which renders the driver incapable of safely operating a motor vehicle.
3. Paragraphs (1)(a)(b) and (2)(b)(c) and (d) above do not apply to the possession or use of a substance administered to a driver by or under the instructions of a physician who has advised the driver that the substance will not affect the driver’s ability to safely operate a motor vehicle.

B. Alcohol Prohibitions

- (a) No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater.
- (b) No driver shall be on duty or operate a commercial motor vehicle while the driver possesses alcohol.
- (c) No driver shall use alcohol while on duty.
- (d) No driver shall perform safety-sensitive functions within four hours after using alcohol.
- (e) No driver required to take a post-accident alcohol test shall use alcohol for eight hours following the accident, or until he/she undergoes a post-accident alcohol test, whichever occurs first.

C. Refuse to Submit

No driver shall refuse to submit to a post-accident alcohol or controlled substance test required under this Addendum, a random alcohol or controlled substances test required under this Addendum, a reasonable suspicion alcohol or controlled substances test required under this Addendum, or a follow-up alcohol or controlled substances test required under this Addendum.

D. Consequences

Any driver/employee or driver applicant who is presently employed by the City who violates any of the provisions of Subsections A through C of this Section or whose positive test for alcohol is at a result of 0.04 or greater or who otherwise violates the provisions of this Addendum will be removed immediately from safety sensitive functions and is subject to disciplinary action up to and including dismissal. Each driver and each driver applicant already employed by the City who engages in conduct prohibited by Section II A-C or who tests positive for alcohol at 0.04 or greater shall be evaluate by a substance abuse professional who shall determine what assistance, if any, the employee needs in resolving problems associated with alcohol misuse and controlled substances use. Except as provided below, dismissals for a first offense will be considered an appropriate penalty absent mitigating circumstances. Driver applicants who are not already employed by the City will not be hired if they test positive for controlled substances or have any measured alcohol concentration or any detected presence of alcohol. In the event a driver submits to a random alcohol or controlled substances test, which tests positive (in the case of alcohol a concentration greater than 0.04) the driver may be allowed a one-time

opportunity to participate in an alcohol/drug rehabilitation program in accordance with the procedures described in 49 CFR 382.605, copy attached (which may include the City's EAP) approved by the City in lieu of being immediately dismissed based upon such test result. However, allowing the driver to participate in such program in lieu of being dismissed is conditioned upon the driver meeting the requirements set forth in paragraph XD of the City's Drug Free Workplace Program. Furthermore, such an opportunity will not be available to an employee who has previously participated in an alcohol/drug rehabilitation program as an alternative to dismissal. Drivers allowed the rehabilitation opportunity described herein may still receive disciplinary action short of dismissal in addition to required participation in the rehabilitation program. Participation in the treatment program, be it entirely voluntary, or pursuant to this subsection will not excuse additional violations of this Addendum, the City's Drug Free Workplace Program, work rules violations, improper conduct, or poor performance and the driver employee may be disciplined or dismissed for such offenses or failure to perform. Drivers who test positive for alcohol with a concentration of 0.02 or greater but less than 0.04 shall be immediately removed from performance of safety sensitive functions for the remainder of their shift and that of the entire next scheduled shift if the next scheduled shift would begin in less than twenty four (24) hours after the test. If the driver is suspended, vacation or sick leave may be used in lieu of being in a no pay status. Use of vacation with respect to this section (D) will be granted on a one time basis; up to a maximum of two (2) shifts. The driver may be subject to additional disciplinary action. In the event that the City requires the employee's presence at the collection site outside normal working hours as part of the testing process and the employee passes the drug/alcohol test, such required time outside after normal working hours shall be considered actual time worked for the purpose of Section 13.4 of the CWA labor agreement, if applicable.

III. TESTS REQUIRED

A. Pre-employment Testing

All driver applicants the CITY intends to employ must be tested for the use of controlled substances.

B. Post-accident Testing

1. All drivers who were performing safety sensitive functions at the time of an accident involving loss of human life or who are involved in an accident as defined in 1.(c).(5) and who receive a citation for a moving traffic violation arising from the accident shall submit to breath alcohol test within (2) hours following the accident but no longer than eight (8) hours following the accident and shall provide a urine sample to be tested for the presence of controlled substances as soon as possible, but no later than 32 hours, after such accident.

2. All drivers involved in an accident shall inform their management representative or other appropriate CITY official as soon as possible following such accident unless medically unable to do so. A driver who is subject to post-accident testing shall remain readily available for such testing or may be deemed by the City to have refused to submit to testing. Nothing in this section shall be construed to require the delay of necessary medical attention of injured people following an accident or to prohibit a driver from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident, or to obtain necessary emergency medical care. Through this Addendum the CITY is providing drivers with necessary information and procedures regarding their obligation to provide specimens under this section.
3. The results of a breath or blood test for the use of alcohol or a urine test for the use of controlled substances, conducted by Federal, State, or local officials having independent authority for the test, shall be considered to meet the requirements of this section, provided such tests conform to applicable Federal, State, or local requirements, and that the result of the tests are obtained by the City.

C. Random Testing

1. (a) Except as provided in paragraph 2 of this section, the minimum annual percentage rate for random alcohol testing shall be 25 percent of the average number of driver positions.
(b) The minimum annual percentage rate for random controlled substances testing shall be 50 percent of the average number of driver positions.
2. Any new minimum annual percentage rate for random alcohol testing will be applicable starting January 1 of the calendar year following publication of such in the Federal Register by the FHWA.
3. The selection of drivers for random alcohol and controlled substances testing shall be made by a scientifically valid method, such as random number table or computer-based random number generator that is matched with drivers' Social Security numbers, payroll identification numbers, or other comparable identifying numbers. Under the selection process used, each driver shall have an equal chance of being tested each time selections are made.
4. Random alcohol and controlled substances tests conducted under this Addendum shall be unannounced and that the dates for administering

random alcohol and controlled substances tests are spread reasonably throughout the calendar year.

5. Each driver who is notified of selection for random alcohol and/or controlled substances testing shall make himself available at the test site immediately; provided, however, that if the driver is performing a safety-sensitive function at the time of notification, the driver shall cease to perform the safety-sensitive function and make himself available at the testing site as soon as possible.
6. A driver shall only be randomly tested for alcohol while the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing such functions.

D. Reasonable Suspicion Testing

1. A driver is required to submit to an alcohol test when the City has reasonable suspicion to believe that the driver has violated the prohibitions of Section II concerning alcohol, except in the case of mere possession. The City's determination that reasonable suspicion exists to require the driver to undergo an alcohol test must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the driver.
2. A driver is required to submit to a controlled substances test when the City has reasonable suspicion to believe that the driver has violated the prohibitions of Section II concerning controlled substances. The City's determination that reasonable suspicion exists to require the driver to undergo a controlled substances test must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odor of the driver. The observations may include indications of the chronic and withdrawal effects of controlled substances. For a more detailed description of observations and indicators, see Section VII B2 of the City's Drug Free Workplace Program.
3. The required observations for alcohol and/or controlled substances reasonable suspicion testing shall be made by a supervisor or management official who is appropriately trained. The person who makes the determination that reasonable suspicion exists to conduct an alcohol test shall not conduct the alcohol test of the driver.
4. Alcohol testing is authorized by this section only if the observations required by paragraph 1 of this section are made during, just preceding, or just after the period of the work day that the driver is required to be in compliance with this Addendum. A driver may be directed by the City to only undergo reasonable suspicion alcohol testing while the driver is

performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing such functions.

5. Notwithstanding the absence of a reasonable suspicion alcohol test under this section, no driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol, as shown by the behavioral, speech, and performance indicators of alcohol misuse, not shall the driver perform or continue to perform safety-sensitive functions, until:
 - (a) An alcohol test is administered and the driver's alcohol concentration measures less than 0.02; or
 - (b) Twenty-four hours have elapsed following the determination under paragraph 1 of this section that there is reasonable suspicion to believe that the driver has violated the prohibitions of this Addendum concerning the use of alcohol.
6. A written record shall be made of the observations leading to a controlled substance reasonable suspicion test, and signed by the supervisory management official who made the observations, within 24 hours of the observed behavior or before the results of the controlled substances test are released, whichever is earlier.

E. Return to Duty and Follow-up Testing

1. Before a driver returns to duty requiring the performance of a safety-sensitive function after engaging in conduct prohibited by Section II of this Addendum concerning alcohol, the driver shall undergo a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02.
2. Before a driver returns to duty requiring the performance of a safety-sensitive function after engaging in conduct prohibited by subpart II of this Addendum concerning controlled substances, the driver shall undergo a return-to-duty controlled substances test with a result indicating a verified negative result for controlled substances.
3. PHMSA DRUG AND ALCOHOL TESTING PROGRAM

SUBPART A - ANTI-DRUG PROGRAM

POLICY STATEMENT

The purpose of this subpart is to establish procedures for the administration of the Department of Transportation (DOT) anti-drug program pursuant to the Pipeline Safety Regulations, Code of Federal Regulations, Title 49 (49 CFR), Part 199, as amended or superseded, which, in turn, incorporates DOT Procedures for Transportation Workplace Drug Testing Programs, 49 CFR Part 40. Part 199 requires operators of gas systems to have an anti-drug program for persons who perform on these facilities operating, maintenance, or emergency-response functions covered by the DOT Pipeline Safety Standards in 49 CFR Part 192.

Any job applicant applying for a position covered in this policy who refuses or fails a pre-employment drug test will not be hired for the covered position. Any employee covered by this policy who refuses or fails a drug test will immediately be removed from duty. Any employee covered by this policy who refuses or fails a drug test may receive disciplinary action, up to and including termination.

INTRODUCTION

Unless the context clearly indicates otherwise, words and phrases utilized in this policy shall be defined and utilized as similar phrases are used in 49 CFR Part 40 and 49 CFR Part 191 and 199, as may be amended from time to time. In particular, the anti-drug program described herein shall utilize the concepts set forth in 49 CFR 191.3, 199.3, dealing with "accident," "DOT procedures," "fail a drug test," and "prohibited drug."

PROCEDURE

1. Employee Categories

- (a) Testing Program--Covered employee means a person who performs on a pipeline or at an LNG facility an operation, maintenance, or emergency-response function regulated by 49 CFR Parts 192, 193 or 195.
- (b) Drug Free Workplace Training (DFWP) —Individuals supervising or managing covered employees as described above shall receive DFWP training for detecting symptoms of drug use.:

2. Types of Drug Testing

Employees/applicants subject to this drug testing program are required to be tested under the following circumstances:

(a) Pre-employment Testing

- (1) A pre-employment drug test will be conducted when an individual is offered employment in a position covered in this policy.
- (2) A pre-employment drug test will be conducted when a current employee transfers from a position not covered by this policy into a covered position.
- (3) Only applicants who are offered a position covered by this policy will be drug tested before being employed in a covered position. Pre-employment job applicants who test positive will not be hired. A valid negative test must be obtained. Employees transferring into a position requiring drug testing who test positive do have the right to have their split sample tested. Employees who fail a drug test will not be hired for the position requiring drug testing and are subject to disciplinary action up to and including dismissal.
- (4) An employee who transfers from one position covered by this policy to another covered by this policy does not require pre-employment drug testing.

(b) Random Testing

- (1) All employees working in a position covered by this policy are subject to unannounced drug testing based on random selection. This includes temporary employees performing work in a covered position.
- (2) The City will test at minimum the rate established by the Department of Transportation (DOT) or any other agency having jurisdiction over employees covered by this policy and the comparable CWA PHMSA Anti-Drug policy every twelve (12) months, divided on the basis set forth in paragraph six (6) below. All covered employees will be subject to be randomly picked for drug testing at each random testing date. A person may be randomly picked more than once or not picked at all during the annual period.
- (3) To assure that the selection process is random, all employees covered by this policy and the comparable CWA PHMSA Anti-Drug policy will be placed in a common pool. All permanent and temporary covered employees will be in this pool.
- (4) The random selection of employees will be determined using either a random number table or a computer-based number generator that is matched with the employee number.
- (5) The selection procedure will select sufficient additional numbers to be used to reach the appropriate testing level during the year.

- (6) Each month the department will drug test approximately 1/24 of the total number of employees in the pool at that time. The testing schedule will be determined each month by either Employee Health Services or the MRO.
 - (7) An employee who fails a random drug test will be allowed a one-time opportunity for rehabilitation using a Substance Abuse Professional.
- (c) Post-accident Testing
- (1) An "accident" on a gas pipeline or LNG facility is defined as an "incident" in 49 CFR, Section 191.3.
 - (2) Employees working in positions covered by this policy whose performance either contributed to an accident or cannot be completely discounted as a contributing factor to the accident will be drug tested.
 - (3) The employee will be tested as soon as possible, but no later than 32 hours after the accident. Because certain drugs or drug metabolites do not remain in the body for extended periods of time, testing should be as soon as possible.
 - (4) All reasonable steps will be taken to obtain a urine sample from an employee after an accident. In case of a conscious but hospitalized employee, the hospital or medical facility will be requested to obtain a sample and, if necessary, reference will be made to the DOT drug testing requirements.
 - (5) If an employee who is subject to post-accident testing is conscious, able to urinate normally (in the opinion of a medical professional) and refuses to be tested, that employee will be terminated.
- (d) Reasonable Cause Testing
- (1) When there is reasonable cause to believe that an employee covered by this policy is using a prohibited drug, the employee will be required to take a drug test.
 - (2) Two supervisors/managers from the department must agree to test an employee for reasonable cause. The supervisors/managers must be EAP trained in the symptoms of drug use.
 - (3) A decision to test must be based on specific contemporaneous physical, behavioral, or performance indicators of probable drug use. Examples of this are evidence of repeated errors on the job; regulatory, City, or department rule violations; or unsatisfactory time and attendance patterns; coupled with a specific contemporaneous event that indicates probable drug use.

- (4) Employees whose test results are negative will be allowed to return to work without loss of pay or benefits.
- (e) Return to Duty and Follow-up Testing
 - (1) Return to duty testing. An employee who refuses to take or does not pass a drug test may not return to duty until the employee has been referred to a Substance Abuse Professional who shall determine the necessary treatment program and the return to duty and follow up testing requirement. The requirement is for a negative test prior to returning to work and at least 6 follow up tests in the first 12 months following the employees return to duty. In addition, follow-up testing may include testing for up to 60 months as prescribed by the SAP.
 - (2) The time period for follow-up testing will not be more than 60 months. A reasonable minimum is 12 months. This period will be determined by the MRO/SAP.
 - (3) Follow-up testing will be conducted at daily, weekly, monthly or other basis at the discretion of the MRO/SAP.

3. Testing Procedures

- (a) Drug testing will be performed utilizing urine samples.
- (b) Tests for marijuana, cocaine, opiates, amphetamines, and phencyclidine will be performed.
- (c) An applicant who is offered a position covered by this policy will be required to report to the drug testing collection site specified in Section 6 of this policy within 24 hours of the job offer and provide a specimen of his/her urine.
- (d) Upon notification that a drug test is required, an employee will report within a reasonable amount of time after notification to the drug collection site and provide a specimen of his/her urine.
- (e) Refusal to take or submit to a DOT drug test means: As an employee/applicant, you have refused a drug test if you:

 - (2) Fail to remain at the testing site until testing process is completed; provided, that an applicant who leaves the testing site before testing commences for a pre-employment test is not deemed to have refused a test:

- (3) Fail to provide a urine specimen for any drug test required by this part of PHMSA regulations; provided that an applicant who does not provide a urine specimen because he or she left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;
- (4) In the case of a directly observed or monitored collection in a drug test, fail to permit the observation or monitoring of your provision of a specimen;
- (5) Fail to provide a sufficient amount of urine when directed, and has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure;
- (6) Fail or decline to take a second test the employer or collector has directed you to take;
- (7) Fail to undergo a medical examination or evaluation, as directed by the MRO as part of the verification process, or as directed by the DER under 40.1930(d). In the case of a pre-employment test, the applicant is deemed to have refused to test on the basis only if the pre-employment test is conducted following a contingent offer of employment; or
- (8) Fail to cooperate with any part of the testing process (e.g. refuse to empty pockets when so directed by the collector, behaves in a confrontational way that disrupts the collection process).
- (9) As an employee, if you refuse to take a drug test you incur the same consequences specified under PHMSA regulations for a violation of those regulations.
 - a. As an employee when you refuse to take a non-DOT test or sign a non-DOT form, you have not refused to take a DOT test there are no consequences under PHMSA regulations for refusing to take a non DOT test.
 - b. Refusal to take an alcohol test means: As an employee applicant you have refused to take a test if you:

who leaves the testing site before the pre-employment testing process commences for a pre-employment test is not deemed to have refused to test;

- iii.  - (3) The hot-line telephone number for employee assistance will be given to each employee and displayed in the work area.
- (b) Training--Every supervisor covered by this policy who will determine whether an employee must be drug tested based on reasonable cause, will receive the following drug use training:
 - (1) A 1-hour (minimum) training period on the specific, contemporaneous physical, behavioral, and performance indicators of probable drug use.
- (c) The City regards its employees as its most important asset. Accordingly, the City maintains an EAP which provides help to employees who suffer from alcohol or drug abuse and other personal or emotional problems. Employees with such problems should seek confidential assistance from the EAP or other community resources before drug or alcohol problems lead to disciplinary action. Employees may contact Employee Health Services for the name of the City's EAP. Information about a self-referred employee's contact with the EAP is confidential and will not be disseminated without the employee's permission. Further, an employee is not subject to discipline solely as a result of a self-referral for

treatment. However, use of the EAP or other community resources will not shield the employee from appropriate disciplinary action for violations of the City's Drug-Free Workplace Program if such violations come to the City's attention through other means, including but not limited to, reports from employees or outsiders, direct observation, or drug testing.

8. Discipline, Discharge, Return to Duty

- (a) Upon the City's receipt of a positive test result, an employee in a covered position shall be suspended with pay for five (5) working days or until the MRO determines whether or not a legitimate medical explanation exists for the confirmed positive test result. Employees must cooperate fully with the MRO. Failure to meet with the MRO upon his/her request, or to promptly provide requested information will result in the Employee immediately being placed upon suspension without pay, and may result in termination and discharge.
- (b) An employee who fails a random drug test will be allowed a one-time opportunity to participate in an Alcohol/Drug Rehabilitation Program or the City of Gainesville Employee Assistance Program (EAP) or other approved program as determined by the SAP, in lieu of being immediately discharged based upon such failure. Provided further, however, that allowing the Employee to participate in such program in lieu of being discharged is conditioned upon the Employee's execution of a written agreement describing his/her obligations under the program. Furthermore, such an opportunity will not be available to an employee who has previously participated in an Alcohol/Drug rehabilitation program, the City's EAP, or other approved similar program, as an alternative to discharge. Finally, employees allowed the rehabilitation opportunity described herein may still receive disciplinary action short of discharge in conjunction with the rehabilitation program.
- (c) Except as provided above, a covered employee's refusal to take or failure to pass a drug test is JUST CAUSE for dismissal.
- (d) Participation in a treatment program, be it entirely voluntary or pursuant to Section b, above, will not excuse work rule violations or poor performance and an employee may be disciplined or discharged for such offenses or failure to perform.

9. Record Keeping

- (a) The City will keep the following records for the period specified. The records described in subsections (1), (3), (4), and (5) below will be maintained in Employee Health Services. The records described in subsection (2) shall be maintained by the MRO.

PHMSA DRUG AND ALCOHOL TESTING PROGRAM
SUBPART B - ALCOHOL MISUSE PREVENTION PROGRAM

1. Purpose

The purpose of this subpart is to establish programs designed to help prevent accidents and injuries resulting from the misuse of alcohol by employees who perform covered functions for operators of certain pipeline facilities.

2. Definitions

As used in this subpart:

Accident means an incident reportable under 49 CFR Part 191, involving gas pipeline facilities or LNG facilities, or an accident reportable under 49 CFR Part 195, involving hazardous liquid or carbon dioxide pipeline facilities.

Alcohol means the intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohols including methyl or isopropyl alcohol.

Alcohol concentration (or content) means the alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath as indicated by an evidential breath test under this subpart.

Alcohol use means the consumption of any beverage, mixture, or preparation, including any medication, containing alcohol.

Confirmation test means a second test, following a screening test with a result 0.02 or greater, that provides quantitative data of alcohol concentration.

Covered employee means a person who performs on a pipeline or at an LNG facility an operation, maintenance, or emergency-response function regulated by 49 CFR Parts 192, 193, or 195. *Covered employee* and *individual or individual to be tested* have the same meaning for the purposes of this subpart. The term covered employee does not include clerical, truck driving, accounting, or other functions not subject to 49 CFR Parts 192, 193 or 195.

Covered function (safety-sensitive function) means an operation, maintenance, or emergency-response function that is performed on a pipeline or LNG facility and the function is regulated by 49 CFR Parts 192, 193, or 195, including, but not limited to, activities and operations described and dealt with in subparts F, H, L and M of 49 CFR Part 192.

On duty means all times from the time a covered employee begins to work or is required to be in readiness to work until the time he/she is relieved from work and all responsibility for performing work.

Performing (a covered function): An employee is considered to be performing a covered function (safety-sensitive function) during any period in which he or she is actually performing, reading to perform, or immediately available to perform such covered functions.

Refuse to submit (to an alcohol test) means that a covered employee fails to provide adequate breath for testing without a valid medical explanation after he or she has received notice of the requirement to be tested in accordance with the provisions of this subpart, or engages in conduct that clearly obstructs the testing process.

Screening test means an analytical procedure to determine whether a covered employee may have a prohibited concentration of alcohol in his or her system.

Substance abuse professional means a licensed physician (Medical Doctor or Doctor of Osteopathy), or a licensed or certified psychologist, social worker, employee assistance professional, or addiction counselor (certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission), with knowledge of an clinical experience in the diagnosis and treatment of alcohol-related disorders.

3. Alcohol Prohibitions

- (a) No covered employee shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater.
- (b) No covered employee shall be on duty or perform a covered function while the covered employee possesses alcohol.
- (c) No covered employee shall use alcohol while on duty.
- (d) No covered employee shall perform safety-sensitive functions within four hours after using alcohol, or if called out, within the time period after the covered employee has been ordered to report to work.
- (e) No covered employee who would be required to take a post-accident alcohol test shall use alcohol for eight hours following the accident, or until he/she undergoes a post-accident alcohol test, whichever occurs first.

4. Refuse to Submit

No covered employee shall refuse to submit to a post-accident alcohol test required under this subpart, a reasonable suspicion alcohol test required under

this subpart, a return to duty alcohol test, or a follow-up alcohol/drug test required under this subpart.

5. Consequences

Any covered employee who violates any of the provisions of Subsections 3 or 4 of this subpart or whose positive test for alcohol is at a result of 0.04 or greater or who otherwise violates the provisions of this subpart will be removed immediately from safety sensitive functions and is subject to disciplinary action up to and including dismissal. Each covered employee who engages in conduct prohibited by subsection 3 or 4 or who tests positive for alcohol at 0.04 or greater shall be evaluated by a substance abuse professional who shall determine what assistance, if any, the employee needs in resolving problems associated with alcohol misuse. Dismissals for a first offense will be considered an appropriate penalty absent mitigating circumstances. Covered employees who test positive for alcohol with a concentration of 0.02 or greater but less than 0.04 shall be immediately removed from performance of safety sensitive functions for the remainder of their shift and that of the entire next scheduled shift if the next scheduled shift would begin in less than twenty four (24) hours after the test.

If the covered employee is suspended, vacation or sick leave may be used in lieu of being in a no pay status. Use of vacation with respect to this section (5) will be granted on a one time basis; up to a maximum of two (2) shifts. The covered employee may be subject to additional disciplinary action.

In the event that the City requires the employee's presence at the collection site outside normal working hours as part of the testing process and the employee passes the drug/alcohol test, such required time outside normal working hours shall be considered actual time worked for the purpose of Section 13.4 of the CWA labor agreement, if applicable.

6. Alcohol Tests Required

(a) Post-accident

- (1) As soon as practicable following an accident, but no later than eight (8) hours following the accident, each surviving covered employee shall be tested for alcohol if that employee's performance of a covered function either contributed to the accident or cannot be completely discounted as a contributing factor to the accident.
- (2) A covered employee who is subject to post-accident testing who fails to remain readily available for such testing, including notifying management of his/her location if he/she leaves the scene of the accident prior to submission to such test, may be deemed to have refused to submit to testing. Nothing in this section shall be

construed to require the delay of necessary medical attention for injured people following an accident or to prohibit a covered employee from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident or to obtain necessary emergency medical care.

(b) Reasonable Suspicion Testing

- (1) A covered employee shall be required to immediately submit to an alcohol test when the City has reasonable suspicion to believe that the employee has violated the prohibitions in this subpart.
- (2) The City's determination that reasonable suspicion exists to require the covered employee to undergo an alcohol test shall be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the employee. The required observations shall be made by a supervisor/manager who is trained in detecting the symptoms of alcohol misuse. The supervisor/manager who makes the determination that reasonable suspicion exists shall not conduct the breath alcohol test on that employee.
- (3) Alcohol testing is authorized by this subsection only if the observations required by paragraph (b)(2) of this subsection are made during, just preceding, or just after the period of the work day that the employee is required to be in compliance with this subpart. A covered employee may be directed to undergo reasonable suspicion testing for alcohol only while the employee is performing covered functions; just before the employee is to perform covered functions; or just after the employee has ceased performing covered functions. Notwithstanding the absence of a reasonable suspicion alcohol test under this section, a covered employee shall not report for duty or remain on duty requiring the performance of covered functions while the employee is under the influence of or impaired by alcohol, as shown by the behavioral, speech, or performance indicators of alcohol misuse.

(c) Return-To-Duty Testing

Before a covered employee returns to duty requiring the performance of a covered function after engaging in conduct prohibited by this subpart (except section 3(b)), the employee shall undergo a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02.

(d) Follow-up Testing

- (1) Following a determination under this subpart that a covered employee is in need of assistance in resolving problems associated with alcohol misuse, the employee shall be subject to unannounced follow-up alcohol and drug testing as directed by a substance abuse professional in accordance with the provisions of this subpart.
- (2) Follow-up testing shall be conducted when the covered employee is performing covered functions; just before the employee is to perform covered functions; or just after the employee has ceased performing such functions.

7. Testing Procedures

Testing procedures for alcohol tests required by this subpart shall be in conformance with 49 CFR Part 40, Subparts C and D, a copy of which is attached hereto, except as modified by this subpart. A summary of Subparts C and D of 49 CFR Part 40, prepared by J.J. Keller and Associates is available for review (but not copying since this is copyrighted material) at the Human Resources Department. The list of the covered employees is attached hereto and on file at the Human Resources Department. The Human Resources Director is the City official designated to answer questions about the testing procedures as well as any other matter covered in this program.

- (a) Handling of test results and confidentiality shall be in accordance with 49 CFR Part 40, except as modified below.
 - (1) Except as required by law or expressly authorized or required in this section, the City shall not release covered employee information that is contained in records required to be maintained under 49 CFR §199.227.
 - (2) A covered employee is entitled, upon written request, to obtain copies of any records pertaining to the employee's use of alcohol, including any records pertaining to his or her alcohol tests. The City shall promptly provide the records requested by the covered employee. Access to a covered employee's records shall not be contingent upon payment for records other than those specifically requested.
 - (3) The City shall release information regarding a covered employee's records as directed by the specific, written consent of the covered employee authorizing release of the information to an identified

person. Release of such information is permitted only in accordance with the terms of the employee's consent.

- (4) Records shall be made available to a subsequent employer upon receipt of a written request from a covered employee.
- (5) The City may disclose information required to be maintained under 49 CFR 199, Subpart B, pertaining to a covered employee, to the decision-maker in a lawsuit, grievance, or other proceeding initiated by or on behalf of the individual, and arising from the results of an alcohol test administered under this subpart, or from the employers' determination that the covered employee engaged in conduct prohibited by Sections 3 or 4 (except 3(b) of this subpart (including but not limited to, a workers compensation, unemployment compensation, or other proceeding relating to a benefit sought by the covered employee)).
- (6) The City shall permit access to all facilities utilized in complying with the requirements of this part to the Secretary of Transportation, any DOT agency, or any state or local officials with regulatory authority over the employer or any of its covered employees.
- (7) The City shall make available copies of all results for City alcohol testing conducted under this subpart and any other information pertaining to this alcohol misuse prevention program, when requested by the Secretary of Transportation, any DOT agency, or any state or local officials with regulatory authority over the employer or any of its covered employees.
- (8) When requested by the National Transportation Safety Board as part of an accident investigation, the City shall disclose information related to its administration of a post-accident alcohol test administered following the accident under investigation.

9. Referral, Evaluation and Treatment

- (a) Each covered employee who has engaged in conduct prohibited by this subpart (except 3(b)) shall be advised of the resources available to the covered employee in evaluating and resolving problems associated with the misuse of alcohol, including the names, addresses, and telephone numbers of substance abuse professionals and counseling and treatment programs.
- (b) Each covered employee who engages in conduct prohibited under this subpart (except 3(b)) shall be evaluated by a substance abuse

professional designated by the City, who shall determine what assistance, if any, the employee needs in resolving problems associated with alcohol misuse.

- (c) In addition, each covered employee identified as needing assistance in resolving problems associated with alcohol misuse:
 - (1) Shall be evaluated by a substance abuse professional designated by the City, to determine that the employee has properly followed any rehabilitation program prescribed under paragraph (9)(b) of this subsection, and
 - (2) Shall be subject to unannounced follow-up alcohol tests administered by the City following the employee's return to duty. The number and frequency of such follow-up testing shall be determined by a substance abuse professional, but shall consist of at least six tests in the first 12 months following the employee's return to duty. In addition, follow-up testing may include testing for drugs, as directed by the substance abuse professional, to be performed in accordance with 49 CFR Part 40. Follow-up testing shall not exceed 60 months from the date of the employee's return to duty. The substance abuse professional may terminate the requirement for follow-up testing at any time after the first six tests have been administered, if the substance abuse professional determines that such testing is no longer necessary.

10. Notification of Alcohol Test Results

In accordance with the provisions of 49 CFR Part 40, the results of both the screening and confirmation of the breath alcohol test are displayed to the individual being tested immediately after the tests. The breath alcohol technician transmits the results to the City in a confidential manner, in writing, in person, or by telephone or electronic means.
