Re: GRACE Marketplace  
Request for Extension

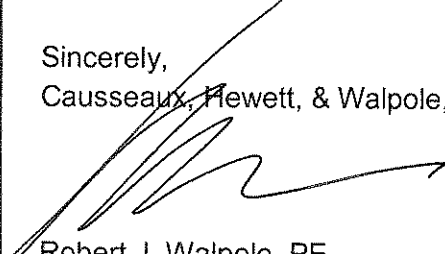

Dear Mr. Hilliard,

Causseaux, Hewett, & Walpole, Inc. (CHW) would like to request a 1 year extension of the Design Plat Petition DB-11-145 SUB for the GRACE Marketplace 3 Lot Industrial Subdivision approved by the City Commission January 12, 2012 with an expiration of January 12, 2013 in accordance with City of Gainesville Land Development Code Section 30-183(i)(1).

The request is made in order to allow more time to garnish the Army Corp of Engineers, GRU and Public Works Department permits beyond the 1 year currently afforded by the previous approval.

Please submit this request for City Commission review on the January 17th Commission Hearing.

Sincerely,  
Causseaux, Hewett, & Walpole, Inc.
