Good afternoon, Megan & Andrew,

This is a request to pull Petition PB-17-113 ZON from the January 25, 2018 City Plan Board agenda. As we discussed on Tuesday, January 9, 2018, Dave Duncan would like to change the rezoning request to RMF-5.

As we agreed, the land use petition, PB-17-112 LUC can go forward on January 25 to the Plan Board because the RMF-5 zoning is compatible with that land use category.

We understand that there will be re-advertising and mailing fees associated with the new proposal. Those fees can be billed to eda.

It is eda's intent to submit a revised justification report for RMF-5 zoning by the January 25, 2018 date that Andrew gave us at our January 9 meeting. We will also submit a revised application form. Since this is still an annexation rezoning, the applicant will be City of Gainesville.

Please let us know if you need a more formal letter to pull Petition PB-17-113 ZON or if there is anything else that needs to be done.

Thank you,  
Onelia
