Experience/Training Information

Related to Board/Committee:
I have lived in Gainesville >20 yrs. and own and personally manage multiple rentals, in rsf 1 and other zones, within and outside the University Context area. I have 200 tenants and am very familiar with student issues(not limited to rentals). I have a view from multiple perspectives, as I have been a student, a tenant and a homeowner, as well as a landlord. During my 25 yr career in Healthcare, I participated on innumerable committees, at the Departmental/Institutional level as well as Nationally. In Law School I took all courses and completed all work necessary to become a Mediator(note: I did not apply to the State for cert). Both Management and Mediation require problem solving skills. Thus, my experience in Management\Administration and Mediation along with my hands-on experience with students qualify me to serve on the Student Community Advisory Board. I believe I can make a positive contribution and I hope the City Commissioners will give me the opportunity to serve.

Related to Board/Committee:

I have lived in Gainesville for over 12 years. Over that time I have always known students, what effects them, and how they effect us. I would really like to see the students of Gainesville more involved in their community. I would like them to consider Gainesville their home. We could get them more involved in community organizations, city activities, but most importantly I think we could focus on getting students out to vote. UF does little or no advertising for elections. I think that a non-partisan campaign to get students to vote would be very effective in getting students involved in the community. If you appoint me to this board I will do my best to make the students of UF, citizens of Gainesville.

I am the Director for Off-Campus Life at the University of Florida which is part of the Dean of Students Office. It is my responsibility to educate and advocate for our over 40,000 students that live off campus and within the Gainesville community. I work very closely with not just UF students and Student Government members but also Law Enforcement, City Codes, local city officials and community members to address concerns and provide support. I also attend the Public Safety and Community Development Committee meetings monthly. I feel this board would be an excellent outlet for discussion and the creation of new initiatives to work with Town Gown concerns.

ORDINANCE NO. 060431
0-06-96

An ordinance of the City of Gainesville, Florida, creating in Chapter 2, Article V a new Division 15 entitled Student Community Relations Advisory Board; providing for membership, officers, attendance requirements, legal counsel, rules of procedure, functions, powers and duties; providing a severability clause; providing a repealing clause; and providing an immediate effective date.

WHEREAS, at least 10 days notice has been given once by publication in a newspaper of general circulation notifying the public of this proposed ordinance and of a Public Hearing in the City Commission Auditorium in City Hall, City of Gainesville; and

WHEREAS, a Public Hearing was held pursuant to the published notice described at which hearing the parties in interest and all others had an opportunity to be and were, in fact, heard;

NOW THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF GAINESVILLE, FLORIDA;

Section 1. That Chapter 2 Article V of the Code of Ordinances of Gainesville, Florida, is amended by creating and adding a new Division 15 to the Code, which shall read as follows:

Division 15. Student Community Relations Advisory Board

Sec. 2-430.51. Membership.

(1) The Student Community Relations Advisory Board shall consist of seven voting members who serve on the board and are appointed by the City Commission.

1 (2) When possible the Student Community Relations Advisory Board will include the
2 following:

3 a. Three students. Students are defined as persons attending a
4 postsecondary educational institution.

5 b. Three non-students. A non-student is defined as a person who is
6 not a student, as defined above.

7 c. One administrator from a postsecondary educational institution.

8 The City Commission may appoint two additional administrators
9 from postsecondary educational institutions to be nonvoting
10 members of the board.

11 (3) If no applicants meet the above criteria any resident of the City of Gainesville
12 may be appointed to the board.

13 (4) Student and non-student members of the Student Community Relations Advisory
14 Board shall be and remain bona fide residents of the City. If at any time any
15 student or non-student member of the Student Community Relations Advisory
16 Board fails to be and remain a resident of the City the person shall be
17 automatically disqualified and removed from the board.

18 (5) Student members shall be appointed for a term of one year. Administrator and
19 non-student members shall be appointed for a term of two years. Members may
20 be reappointed for consecutive terms, but no member shall serve more than four
21 successive years. Reappointment may then occur after at least one year of

2 occurs, a new appointment shall be made by the City Commission for the
3 unexpired term.

4 **Sec. 2-430.52. Officers.**

6 elect a chair and vice-chair from among the members and may create and fill

17 and ending June 30 and December 31, respectively, shall be automatically
18 removed from the board upon filing the attendance record with the clerk of the
19 commission. This requirement supersedes Sec. 2-247 of this Code where there is
20 a conflict.

1 (2) Non-student and administrative members shall be subject to the rules of
2 attendance as provided in Sec. 2-247 of this Code.

3 (3) The city attorney shall provide legal counsel to advise and represent the board as
4 necessary.

6 shall adopt rules of procedure to carry out its purposes. All rules must conform to this
7 article, the Code of Ordinances, and State law.

8 (1) The board shall meet at least once each month, unless cancelled by the board or
9 its chair, and more often at the call of the chair or the City Commission.

10 (2) The Student Community Relations Advisory Board shall keep minutes of its
11 proceedings, indicating the attendance of each member and the decision on every
12 question.

13 (3) The board shall adopt rules setting the number of members needed to establish a
14 quorum.

15 (4) Each decision of the board must be approved by a majority vote of the regular

- 5 (4) To establish and implement a new member orientation.
- 6 (5) To assess and address needs of non-students as they pertain to student issues.
- 7 (6) To provide outlets for action by students and non-students.
- 8 (7) To be a knowledgeable liaison between the City Commission and the students and

- 10 (8) To encourage involvement by non-students and students in planning and
11 implementation of improvements.
- 12 (9) To ensure that student issues are addressed by providing a link between the students,
