Dear Mr. Gable-

I hope this letter finds you doing well. As outlined in the July 19, 2016 agreement between the City of Gainesville and the Institute for Workforce Innovation (IWI), IWI has pledged to contribute up to \$120,000 for the cost of construction/renovation work on the Dr. Banks & Dr. Cosby Youth Empowerment Center. The \$120,000 pledge will be comprised of labor provided by Project YouthBuild students, donated materials and in-kind services provided by trades professionals, along with cash payments.

We look forward to beginning work on this important project.

Thank you,

Jonathan Leslie
Executive Director
