TELEWORK CONSORTIUM

“Designing Work for the 21st Century”

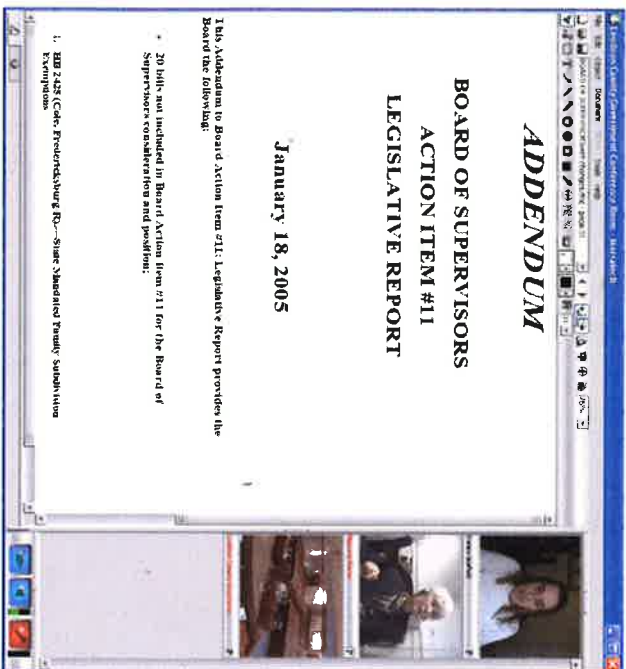

Loudoun County

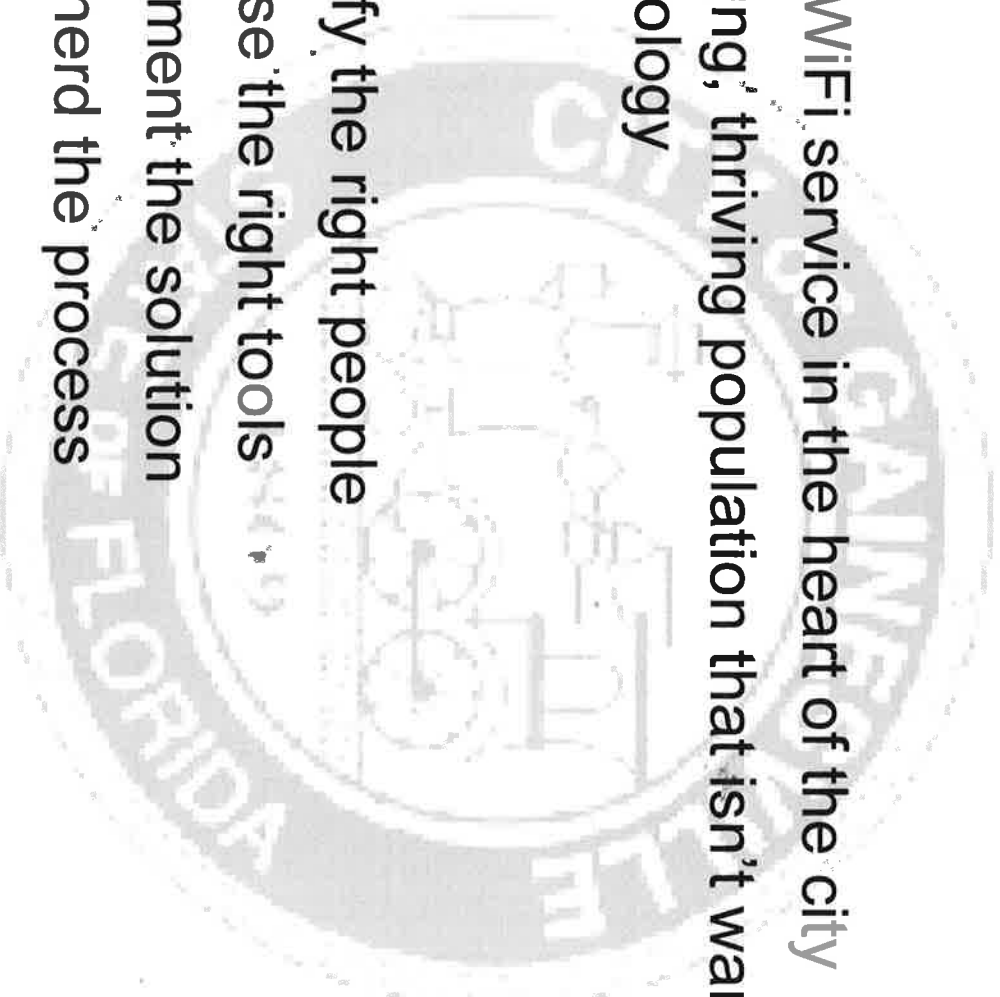

- 519 square miles
- 170,000 residents
- 62,000 homes
- Located about 27 miles northwest of Washington D.C.
- Allow more county employees to telework
- Enhance how departments work together
- Maximize the usefulness of state capitol liaison

- Board of supervisors
- Budget process
- Legislative liaison
- Exploring options with NOVA Medical Group

Gainesville is ahead of the game

- Fiber
- Free WiFi service in the heart of the city
- A young, thriving population that isn't wary of new technology
- Identify the right people
- Choose the right tools
- Implement the solution
- Shepherd the process

TELEWORK

CONSORTIUM

"We will either find a way, or make one."

--Hannibal Barca (247 B.C.-182 B.C.)
