

CITY OF GAINESVILLE,

RFP EVALUATION

RFP FOR FUEL MANAGEMENT SYSTEM, LOCAL FUELING
LOCATIONS, AND A BID FOR FUEL ONLY

RFP DUE DATE & TIME: August 8, 2001, 3:00pm

RFP #010507-FMDX-RW

<u>VENDOR</u>	<u>TOTAL POINTS</u>
Lewis Oil Company	96.0*
Onyx/Mansfield	93.4
Fuelman	**
Petroleum Traders Corp.	**

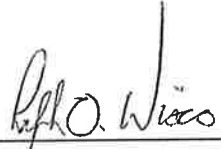

* - Recommended Award

** - Firms only bid prices for supply of fuel. Once it was determined that a Fuel Management System was the most cost advantageous to the City compared to just buying fuel, the further evaluation of these bids was not applicable.

EXPLANATION: Evaluation was done based upon the criteria set forth in the RFP:
a.) financial proposal – the lowest total cost for requested services, b.) operational proposal, c.) proposer’s qualifications, and d.) references.

A copy of the vendors solicited list, all proposals documents, all proposals received and a signed Bid Record are on file in General Government Purchasing and are available for inspection.
