Hi Jason,

Regretfully, I'm going to have to resign from my position as I'm no longer a city resident. As luck would have it, I was offered a deal that was too good to be true (but it was), for a house on 12 acres just outside of Alachua. I took possession of the property and have already started the moving process. If I recall, one of the requirements for this position was to be a Gainesville city resident.

Good Morning:

Just a note to remind you of the HPB meeting tomorrow at 5:30 PM in the City Commission Auditorium. You should have your packets with the agenda. There are a couple of additions to the agenda including a request to address the board with an informal presentation about the proposed renovation and alteration of a contributing structure at 1125 SW 4th Avenue and an informational item concerning the proposed windows for the new construction of a house at 423 NW 4th Avenue. The board had a condition in the approval of the COA (HP-16-50) that the proposed windows be brought back to you for review.

Thank you very much for your service on the Historic Preservation Board.
