Kurt  
The bids for the Northwest 17th Street streetscape project will be returned on April 23, 2002 and it appears that we will need a special meeting of the CRA and CC to approve the bid so that we can meet our aggressive construction time frame. Emery suggest a meeting on either, Friday, April 26, 2002; Tuesday, April 30, 2002 or Wednesday, May 1, 2002.  
Thanks  
Karen
