**Certified Cashier's Receipt:**

**6. INFORMATION CONCERNING ALL REQUESTS FOR LAND USE AND/OR ZONING CHANGES** (NOTE: *All development associated with rezonings and/or land use changes must meet adopted level of service standards and is subject to applicable concurrency requirements.*)

A. What are the existing surrounding land uses?

Direction	Future Land Use	Zoning	Current Use
North	Mixed Use Low	MU-1	Commercial, Restaurants
South	Mixed Use Low	MU-1	Commercial, Offices
East	Mixed Use Low, Conservation, Single Family, Residential Medium	MU-1, CON, RMF-6, RSF-1	Vacant property, Hidden Lake Apartments and associated conservation area, single family homes
West	Mixed Use Medium, Education	MU-2, ED	Office building, Vacant restaurant, Gainesville High School

B. Are there other properties or vacant buildings within ½ mile of the site that have the proper land use and/or zoning for your intended use of this site?

NO \_\_\_ YES x If yes, please explain why the other properties cannot accommodate the proposed use?

*See attached Comprehensive Plan Amendment and Rezoning Report for additional information.*

C. If the request involves nonresidential development adjacent to existing or future residential, what are the impacts of the proposed use of the property on the following:

Residential streets - *See attached Comprehensive Plan Amendment and Rezoning Report.*  
Noise and lighting - *See attached Comprehensive Plan Amendment and Rezoning Report.*

D. Will the proposed use of the property be impacted by any creeks, lakes, wetlands, native vegetation, greenways, floodplains, or other environmental factors or by property adjacent to the subject property?

NO x YES \_\_\_ (If yes, please explain below)

E. Does this request involve either or both of the following?

a. Property in a historic district or property containing historic structures?  
NO x YES \_\_\_

b. Property with archaeological resources deemed significant by the State?  
NO x YES \_\_\_

F. Which of the following best describes the type of development pattern your development will promote? (please explain the impact of the proposed change on the community):

Redevelopment x Urban Infill \_\_\_

Activity Center \_\_\_\_\_ Urban Fringe \_\_\_\_\_  
Strip Commercial \_\_\_\_\_ Traditional Neighborhood \_\_\_\_\_

Explanation of how the proposed development will contribute to the community.

*See attached Comprehensive Plan Amendment and Rezoning Report*

- G. What are the potential long-term economic benefits (wages, jobs & tax base)?

*See attached Comprehensive Plan Amendment and Rezoning Report*

- H. What impact will the proposed change have on level of service standards?
1. Roadways
  2. Recreation
  3. Water and Wastewater
  4. Solid Waste
  5. Mass Transit

*See attached Comprehensive Plan Amendment and Rezoning Report*

- I. Is the location of the proposed site accessible by transit, bikeways or pedestrian facilities?  
NO \_\_\_\_\_ YES x (please explain)

*See attached Comprehensive Plan Amendment and Rezoning Report*

CERTIFICATION

The undersigned has read the above application and is familiar with the information submitted. It is agreed and understood that the undersigned will be held responsible for its accuracy. The undersigned hereby attests to the fact that the parcel number(s) and legal description(s) shown in questions 3 and 5 is/are the true and proper identification of the area for which the petition is being submitted. Signatures of all owners or their agent are required on this form. Signatures by other than the owner(s) will be accepted only with notarized proof of authorization by the owner(s).

THIS DATE (TUESDAY) 27, 2012 THE GAINESVILLE SUN IS

# Mother goes missing; Children worry, police are searching

By Ann Korman  
and writer

A Gainesville woman who says she last saw her 12-year-old son and his two children last week before she disappeared, police and family say.

Rhonda Smith-Swift, also known as Rhonda Jean Swift, 45, was last seen at 10 a.m. Tuesday by her daughter Courtney Swift and her son, Wednesday. Gainesville police advised a flyer on Wednesday afternoon for officers to look for Rhonda Swift and her car, a 2010 blue Hyundai Elantra with the

tag number ADG-455. Family say she left from her address at 5124 Road 121 and U.S. 441.

Rhonda Swift has blue eyes and brown hair. She wears an orange shirt and jeans shorts when she left, family said, and sometimes she wears glasses.

She weighs 165 pounds and is 5-foot-3.

According to her family, Rhonda Swift works from Thursday to Sunday, and had

complained of pain from the disease recently. She moved to Gainesville from Iowa, family said.

"We don't have any friends as far as I know here besides us. Everyone's basically in Iowa," Courtney Swift said. "There's somewhere she would go to work from home."

Her daughter said Rhonda Swift was under a lot of pressure from her boss, and that the two recently had an argument. Her boss made her forgetful, her daughter said, which exacerbated the rift between her and

the employees.

"I think her boss really got to her. She doesn't want to lose her job — we can't afford it," Courtney Swift said. "I think the argument put her over the top. I don't know if the job had made her look silly."

Rhonda Swift recently sent a message on Facebook to a family member, her daughter said, expressing that she didn't think anyone would find if she disappeared, and she just wanted to "go away and go to sleep and never see the light."

Courtney Swift said the last time she saw her

mother, she gave her and Courtney a ride to her long hair salon and kissed them both. She told them she loved them, and she was crying. She said she was really sad and had to go to a doctor's appointment.

A few hours later, another daughter was leaving the house, and Rhonda Swift waved her down.

She looked in and said "I love you, please forget me."

When the daughter returned at 1 p.m., the mother's car was not off

and the phone sat in a charger. Both these things were new, family said, because Rhonda Swift works from home every day.

Courtney Swift said family spent the day searching, and her mother's whereabouts could be.

"Honestly don't know," she said. "I thought she was leaving one of her days."

Jennifer Reed, left, reacts after losing to Miss Schelleyman, right, during the opening round of a rock, race or tennis tournament at the highlight on Wednesday. From left, center, with Yopp Inc. and the referee for the evening, kept the players in best during the tournament.

## TOURNAMENT: Yopp raises funds for arts

(Continued from B1)

variety of arts and skills, including painting, theater, sculpture, chess and step dancing.

"The goal of this event is to build excitement for the new community center and raise funds so we can offer really high-quality programming," Auber said.

The nonprofit organization, which derives its name from Dr. George B. Williams, a physician who established Yopp's agency by three Gainesville artists who wanted more arts programming for their children.

Yopp currently runs summer camps for children and the Williams Fine Arts Family Arts Festival in Thonotosassa Shopping Village each year. The George B. Williams Recreation Center is the organization's first permanent location.

Angela Hatcher, operations manager for Yopp, said the goal of the organization is to raise awareness about the arts in the Gainesville community, particularly among its junior residents.

"We feel that the arts are an important part of a child's growing experience," she said.

Auber said Yopp practices the "George B. Williams" educational approach, which was created by a group of parents in post-World War II.

"It's not about teaching a child to be a child. It's about facilitating a child's exploration of a personal interest or art," she said. "We treat all the children like cognitive individuals."

Yopp's next event is an open house for the George B. Williams Recreation Center on Oct. 6 from 10 a.m. to 4 p.m. The center is located at 324 N.W. Turn St. and the event will feature food, live music and a bounce house.

## COLD CASE: Rowles serving a life sentence

(Continued from B1)

the "perfidy from the victim."

The case has been turned over to the State Attorney's Office for further review on whether Rowles should be charged.

The body of Foster, a 21-year-old Santa Fe student, was found last

year on March 21, 1993, in a shallow grave in woods near the former Brown Drive residence — now an industrial zone — off U.S. 441.

Auber said he had initially charged a man who was already serving a 63-year sentence for the October 1999 kidnapping, sexual assault and battery of a

Wisconsin college student.

However, a judge said the evidence was not sufficient to move forward with the case.

State attorney spokeswoman Suzanne Mann said a decision on whether to charge Rowles will not be made quickly because additional DNA analysis will need to be done.

Rowles is a registered sex offender and serving a life sentence in the Florida Department of Corrections for first-degree murder. He also has several battery convictions. Kelly said that Rowles did not admit to the Foster death but did not deny it when he was questioned.

## DONATIONS: Some may turn down the raise

(Continued from B1)

school parents and The Sun in Children, a statewide nonprofit run locally by the foundation that focuses on meeting low-income students from seventh grade through high school graduation.

According to the foundation's website, students can earn a two-year college scholarship if they maintain average and high grades through graduation and meet regularly with their mentors.

Judy Baker, executive director of the foundation, said she would not be involved in the raise.

Board member Barbara Skarps recommended making the donation at the end of her week's board meeting. "It's a very worthy cause," she later said.

Follow-up board member Carol Oprea also supports the move, calling it a chance to do something good for the district. "I thought it was a brilliant idea," she said.

Board member Eileen Ray did not agree.

"It's just not a well thought out idea," she said.

Ray said she is not accepting the raise for students because it would be subject to taxes, saying she will

reduce the raise so the money can stay in district's general fund.

"Why take more money out of the general fund when the school district needs every dime?" she said.

Board member Suzanne Paulson has decided to forgo the raise altogether, arguing that leaving the money to district leaders allows it to reach all students.

"The reason is that it leaves the money in the school district," he said. "They do what they want."

## GROWL: Morgan has agreed to be family-friendly

(Continued from B1)

as a joke, and he's made controversial comments about gay people and former vice presidential candidate Sarah Palin in the past.

Craig said that Morgan has agreed to be family-friendly as part of the Gator Growl concert, noting that he never clear of any material on "30 Rock." There have been

complaints about comedian selling adult material at Gator Growl during his Radio Williams in 1992, an endorsement for the challenge of entertaining students as well as adults in the show.

Craig said that Morgan and Turner might generally appeal to different audiences, but there are concerns that he is not family-friendly as an example, saying that he's a fan of

both country music and "Saturday Night Live."

"It's really good that we're able to produce with a diverse show for people this year," he said.

**NOTICE OF PUBLIC HEARING BEFORE THE PLANNING AND ZONING BOARD OF THE CITY OF ALACHUA, FLORIDA**

Notice is hereby given that the Planning and Zoning Board of the City of Alachua will hold a public hearing on October 9, 2012 at 6:30 p.m. The hearing will be held in the James A. Lewis Commission Chambers in City Hall, located at 18100 N.W. 14th Lane, Alachua, Florida, to consider a request by the City of Alachua to amend the Comprehensive Plan Goals, Objectives, and Policies in order to comply with state law, address changes in local conditions, correct schematic errors, correct citations and provide clarification of the following portions of the Comprehensive Plan: the Action, Strategy and Implementation Element, the Monitoring and Evaluation Element, the Future Land Use Element, the State Calculation Element, the Housing Element, the Community Facilities and General Groundwater Aquifer Recharge Element, the Conservation and Open Space Element, the Recreation Element, the Intergovernmental Coordination Element, the Capital Improvements Element and the Public Capital Facilities Element.

At the public hearing, all interested parties may appear and be heard with respect to the proposed amendment. Copies of the proposed amendment, the Staff Report, and related materials are available for public inspection at the Planning and Community Development Department, 18100 NW 14th Lane, Alachua, Florida, on any regular business day between the hours of 7:30 a.m. to 4:30 p.m. Written comments on the proposed amendment may be sent to the following address: City of Alachua, Planning and Community Development, P.O. Box 9, Alachua, FL 32314. Notice is given pursuant to section 220.0105, Florida Statute, that in order to appeal any decision made at the public hearing, you will need a record of the proceedings, and fees, for such purposes, you may need to ensure that a verbatim record of the proceedings is made, which includes the testimony and evidence upon which the appeal is based. In accordance with the Americans with Disabilities Act, any persons with a disability requiring reasonable accommodation in order to participate in the meeting should contact the City Clerk at (352) 418-0100, 101 at least 48 hours prior to the public hearing.

## Neighborhood Workshop Summary For Hidden Lake Comprehensive Plan Amendment and Rezoning

October 11, 2012

The neighborhood workshop for the Hidden Lake Comprehensive Plan Amendment and Rezoning was held Thursday, October 11, 2012 at 6:30 pm at the former Brasington Cadillac Oldsmobile site at 2029 NW 13<sup>th</sup> Street. Stuart Cullen of Brown & Cullen, Inc. (BCI), Art Stockwell and Andy Hogshead of Collier Companies were in attendance to present the project.

There were four (4) attendees, of which three (3) were neighbors and one was an interested citizen. Stuart Cullen presented the nature of the land use changes and rezoning and their relationship to other parcels in the areas. He identified that the longer term plan encompasses expansion of the Hidden lake Apartment complex by the addition of a new entrance on NW 13<sup>th</sup> Street. There was good discussion regarding bicycle and pedestrian corridors and the restricted 13<sup>th</sup> Street R/W for appropriate bicycle paths. There was also further discussion on the need for more apartments and the redevelopment of the NW 13<sup>th</sup> street corridor. In general, it appeared that the land use and rezoning change for the 13<sup>th</sup> Street parcel was appropriate and the mixed use zoning would be appropriate. There were mixed feelings and discussion regarding the land use and rezoning of the conservation zoned area. At the end of the meeting Stuart explained the schedule for the land use and zoning changes.

The meeting was adjourned at approximately 7:30 PM.

## 1.0 Statement of Proposed Change

This Small-Scale Comprehensive Plan Amendment (CPA) and Rezoning proposes a change of the future land use designations and zoning categories for portions of Tax Parcel No. 09970-000-000 and Parcel No. 09970-002-000. The total property proposed for change is approximately 0.46 acres with approximately 0.31 acres located partially within the existing Hidden Lake apartment complex and approximately 0.15 acres located partially on the adjacent property owned by entities associated with the Hidden Lake apartment complex. Hidden Lake is located at 1015 NW 21<sup>st</sup> Avenue. For the 0.31 acre portion of the property located on Tax Parcel 09970-000-000 the existing Future Land Use and Zoning designations are Conservation. The proposed Future Land Use is Residential Medium Density (10-30 units per acre) and the proposed zoning is RMF-6 to correspond to the remainder of the parcel. For the 0.15 acre portion of the property located on Tax Parcel 09970-002-000 the existing Future Land Use designation is Mixed Use Low Intensity (MUL) and the Zoning designation is Conservation. The Future Land Use is consistent with the proposed zoning of MU-1. The small strip (0.31 ac) of property is currently utilized as open areas of the Hidden Lake complex, stormwater retention and an access road. The small area (0.15 ac) located on the adjacent property is currently utilized as stormwater retention and access areas.

The area surrounding the property is currently characterized by a mix of uses including small offices, residential areas, apartment complexes, larger office complexes, restaurants, retail, and educational facilities associated with Gainesville High School. Table 1 shows the adjacent and surrounding future land use, zoning and current use of the properties.

**Table 1: Surrounding Property Designations and Use**

Direction	Future Land Use	Zoning	Current Use
North	Mixed Use Low, Office	MU-1, OF	Commercial, Offices
South	Mixed Use Low, Single Family Residential	MU-1, RSF-1	Commercial, single family residential homes
East	Residential Medium	RMF-6	Hidden Lake Apartments
West	Mixed Use Medium	MU-2	Restaurant, Office, Retail

## 1.1 Existing Future Land Use and Zoning Designations

As shown on Figures 2 and 3, the property has split designations with Conservation on a portion of each parcel. The Conservation District was established for the purpose of:

“conserving, restoring and protecting environmentally significant lands within the city and for establishing natural buffers between incompatible uses. It is intended that this district shall protect, restore and preserve natural features and open space so that the present and future residents of the city shall be able to enjoy the benefits of the natural environment of the city.”

This property is not currently serving these purposes as it is not a natural area as it has been disturbed by development in the preceding decade. Additionally, it may once have served as a buffer, but is no longer relevant as the high intensity of the Hidden Lake complex does not require a buffer between the mixed use property along NW 13<sup>th</sup> Street which is proposed for development as a future phase.

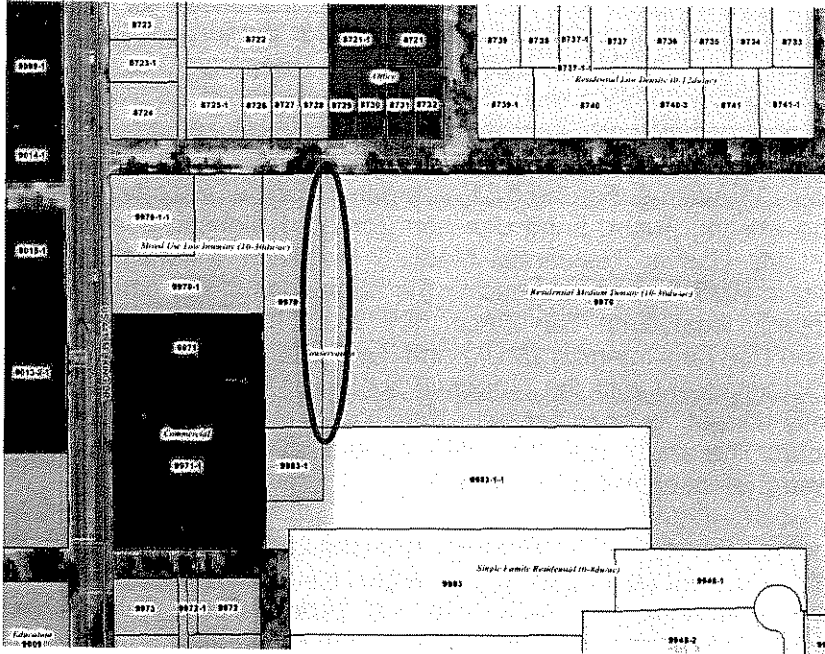

Figure 2: Existing Future Land Use

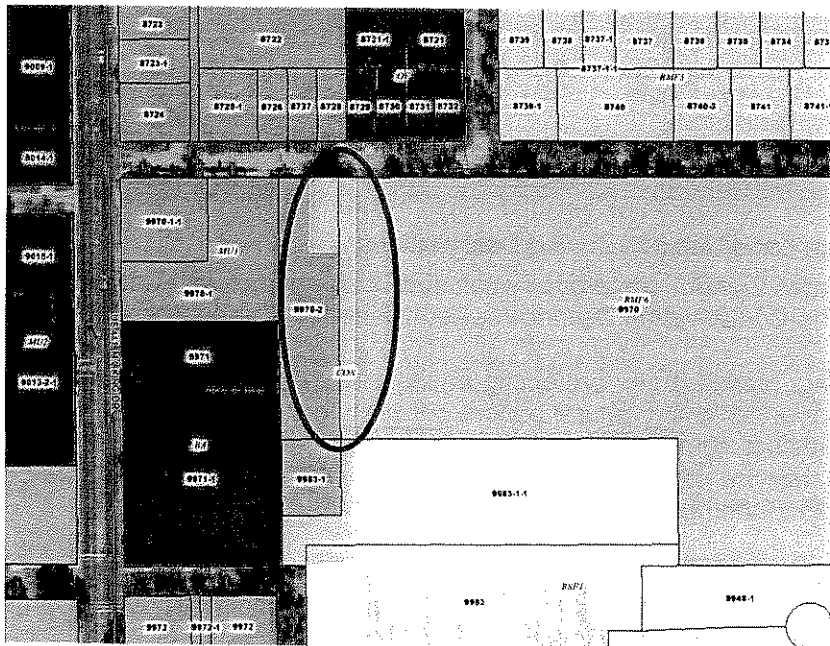

Figure 3: Existing Zoning

## 1.2 Proposed Future Land Use and Zoning Designations

The proposed Zoning designation is MU-1 on Parcel No. 09970-002-000 (0.15 ac) and the proposed Future Land Use and zoning designations of Residential Medium and RMF-6 on Parcel No. 09970-000-000 (0.31 ac). This amendment will remove the antiquated conservation designation on the property and bring the area into conformity with the surrounding area and remainder of the parcels.

## 1.3 Justification

Future Land Use Element Policy 4.1.3 in the City of Gainesville Comprehensive Plan states that the City reviews proposed amendments to the Future Land Use map by considering the following factors:

1. Overall compatibility of the proposal;
2. Surrounding land uses;
3. Environmental impacts and constraints;
4. Whether the change promotes urban infill; and
5. Whether the best interests, community values, or neighborhood support is achieved.

The proposed amendments comply with each of the factors. Specifically:

1. The proposed FLU and zoning designations are compatible with the existing conditions as they propose to remove a zoning anomaly. The proposed FLU and zoning designations will match the existing designations and require development in accordance with the Land Development Regulations ensuing complete overall compatibility.
2. The surrounding land uses are consistent with the FLU and zoning of those properties. The proposed FLU and zoning will match the FLU and zoning of the surrounding properties ensuring that the proposed changes will only allow land use in conformance with the surrounding land uses.
3. The sites do not have any immediate environmental impacts or constraints as they are currently disturbed by development. The proposed changes will serve to strengthen the environmental protections of nearby properties by allowing a separation of future development.
4. The change promotes urban infill and redevelopment by allowing additional uses on the property that are not currently allowed the Conservation zoning. The properties are located in an urban environment, but due to the size are not providing the stated intent. The changes to these properties will also promote urban infill by creating more consistent compatibility with the adjacent uses.
5. It is in the community's best interest to remove FLU and zoning anomalies to allow compatible development. This change will increase the community value by providing additional property for urban infill and redevelopment. The Land Development Regulations provide for the appropriate buffering between uses, demonstrating that the removal of these designations will be in the community's best interest while increasing the community's value.

Additionally, the property is located adjacent to NW 13th Street in the City's Central Corridor District. The Central Corridors District was created to promote a "vibrant mix of commercial, office, retail and residential uses in close proximity" along major corridors in the city. Amending the FLUM and zoning map will further the goals of the Central Corridor District by increasing the residential areas along this important mixed use corridor.

## 2.0 Application Questions

### 2.1 Vacant Property Analysis

*Are there other properties or vacant buildings within ½ mile of the site that have the proper land use and/or zoning for your intended use of this site?*

There are properties or vacant buildings within ½ mile of the site that have the same land use and zoning, but these sites are not relevant to the proposed amendment as this amendment will bring the site into conformance with the existing future land use and zoning designations on the adjacent property.

### 2.2 Nonresidential Impacts

*If the request involves non-residential development adjacent to existing or future residential, what are the impacts of the proposed use of the property on the following: Residential Streets and Noise and Lighting?*

#### 2.2.1 Impact on Residential Streets

The property is currently accessed via NW 21<sup>st</sup> Avenue, a primarily residential street. As this site develops into the next Phase of the Hidden Lake complex, future access will be via NW 13<sup>th</sup> Street. Providing an additional connection for the Hidden Lake complex will reduce the traffic on the residential street. Future development plans will be reviewed by the Public Works Department to ensure all regulations are met or exceeded with regards to access.

#### 2.2.2 Impact on Noise and Lighting

This request will not create an additional noise or lighting impact to adjacent development and when the site is developed in the future, it will be in conformance with lighting standards set forth by the City of Gainesville to ensure no impact to nearby residential properties.

### 2.3 Community Contributions

*Explanation of how the proposed development will contribute to the community. What are the potential long-term economic benefits (wages, jobs & tax base)?*

The amendment will allow for additional residential housing within the corridor and provide continuity of allowable uses.

### 2.4 Level of Service Impacts

The property will be developed as an additional phase of the Hidden Lake apartment complex and although there is not currently a plan for additional commercial or office on these parcels, the maximum development density and intensity is shown below.

**Table 2: Maximum Density and Intensity - Existing and Proposed**

Zoning Designation	Maximum Density/Intensity	Max Stories	Acres	Max Residential	Max Non-Residential
Proposed - RMF-6	30 upa	N/A	0.31	9 units	N/A
Proposed - MU-1	50%, 30 upa	5	0.15	5 units	16,335 sf

#### 2.4.1 Roadways

The property is located in Transportation Concurrency Exception Area (TCEA) Zone B and must meet the standards in Concurrency Management Element Policies 1.1.5 and 1.1.6 when

development occurs. The site design has not been finalized and a formal traffic study will be completed at the time of development plan approval for any future development.

#### 2.4.2 Recreation

According to the October 2010 City of Gainesville Evaluation and Appraisal Report, Recreation Level of Service was met or exceeded on all applicable recreation elements including active recreation and passive recreation facilities. The addition of a potential 14 units will have a negligible effect on the Recreation Level of Service.

#### 2.4.3 Water and Wastewater

The property is currently served both water and wastewater by Gainesville Regional Utilities. As no development plan has been created and the existing facilities are vacant and do not have a current impact on the water and wastewater system, the maximum generation rates are provided. Development of the site is not expected to adversely impact the level of service.

**Table 3: Potable Water**

Use	Size	Rate	Total
Residential	14 units*	200 gpd per capita	2,800 gpd
Commercial/Office	16,335 sf	0.15 gpd per sf	2,450 gpd
<b>Potential usage</b>			<b>5,250 gpd</b>

\*Assumes 2 people per household.

**Table 4: Wastewater Flow**

Use	Size	Rate	Total
Residential	14 units*	113 gpd per capita	1,582 gpd
Commercial/Office	16,335 sf	0.15 gpd per sf	2,450 gpd
<b>Potential usage</b>			<b>4,032 gpd</b>

\*Assumes 2 people per household.

#### 2.4.4 Solid Waste

Solid waste generation will not exceed the City's established level of service of 0.655 tons of solid waste per capita per Objective 1.4 of the Solid Waste Element. The Alachua County Solid Waste Facility currently has capacity and is projected to have capacity for greater than 10 years.

#### 2.4.5 Public Schools

The maximum residential potential of the site is 30 units per acre, which would yield 14 multi-family dwelling units. As illustrated in Tables 6 and 7, if the site were developed to the full potential, only two students would be generated. The property lies in several Concurrency Service Areas (CSA) based on school grade. All CSA's available capacity for new students and this amendment will have a negligible effect.

**Table 5: Public School Impact**

Type of Unit	Units	Elementary (0.042/unit)	Middle (0.016/unit)	High (0.019/unit)	Total
Multi-family	14	1	0.25	0.25	2

\*Maximum units, no final development plans have been established.

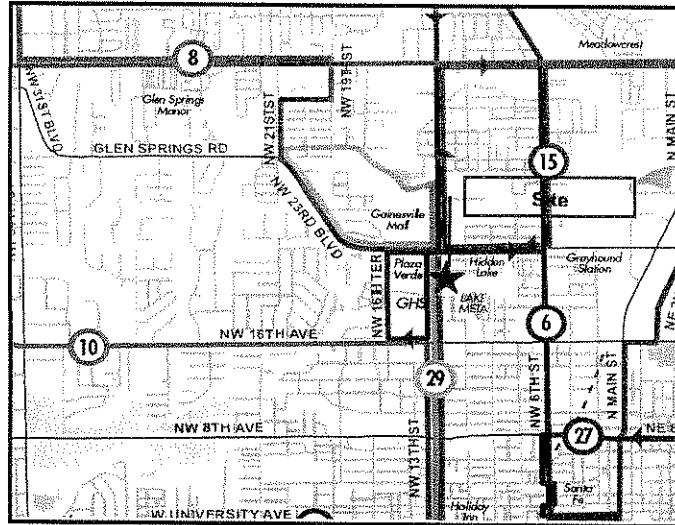

**Table 5: Public School Capacities**

Concurrency Service Area	2012-2013 LOS Standard	2012-2013 Available Capacity
Northwest Gainesville CSA	86.5%	348
Westwood CSA	86.1%	168
Gainesville CSA	83.6%	359

Source: [http://www.sbac.edu/~facility/pdf/6-27-11\\_Capacity\\_vs\\_Enrollment.pdf](http://www.sbac.edu/~facility/pdf/6-27-11_Capacity_vs_Enrollment.pdf)

**2.5 Transit, Bikeways, Pedestrian Amenities**

The site is located proximate to NW 13th Street which is accessible by both transit and pedestrian facilities. Sidewalks are present on both the east and west side of NW 13th Street and connect the site to various commercial, educational and office facilities. Two transit routes directly serve the site including Routes 8 and 29 while three additional routes have stops within approximately ¼ mile including Routes 6, 10 and 15. Table 6 shows each route, headways and operation times and Figure 4 shows the route locations.

**Figure 4: RTS Transit Routes**

**Table 7: Transit Routes**

Route No.	Route Name	Operation Hours	Headways
Route 6	Downtown Station - Plaza Verde	6:00 am - 7:40 pm	60 mins
Route 8	Shands - Senior Rec. Center	5:50 am - 10:20 pm	30 mins daytime 45-60 mins evenings
Route 10	Downtown Station - Santa Fe	7:00 am - 7:00 pm	35 mins daytime 35-50 mins evening
Route 15	Downtown Station - 13 <sup>th</sup> Street Walmart	6:00 am - 10:30 pm	30 mins daytime 60 mins evenings
Route 29	Beaty Towers - Eagle Trace Apartments	7:30 am - 5:00 pm	40 mins

PROJECT INFORMATION	
Project name:	Land Use & Rezoning Applications for a portion of Tax Parcel 09970 and 09970-002
Project location:	1015 NW 21st Avenue
Tax parcel #(s):	Portions of 09970-000-000 and 09970-002-000
Type of development application to which exemption will apply:	Land Use & Rezoning

**EXEMPTIONS: REGULATED SURFACE WATERS & WETLANDS (LDC 30-300)**

Please check the box next to the reason(s) why you claim exemption. (Conditions apply. See full text of City Land Development Code 30-304 before checking exemption.)

1.  No regulated surface water or wetland on or adjacent to the development parcel.
2.  The proposed construction, development, or use is authorized by a valid building permit or approved development plan issued or approved before April 12, 2004. (Please attach a copy of the permit or approved plan.)
3.  Public works or utilities project.
4.  Repair or replacement of an existing site structure(s) that does not increase site impervious surface.
5.  Addition or accessory structure(s) which does not add more than 100 square feet of impervious area, and meets the minimum setbacks from surface waters and wetlands.
6.  The proposed construction or development was approved under a planned development prior to April 12, 2004.
7.  Construction of public or private nature trails.
8.  Reestablishment of native vegetation on single-family residential property.
9.  The proposed activity is located in or adjacent to a human-built surface water or wetland which was not created as a mitigation project, and which was originally constructed in uplands.
10.  Construction of a stormwater management facility within a wetland buffer.

**EXEMPTIONS: REGULATED NATURAL & ARCHAEOLOGICAL RESOURCES (LDC 30-310)**

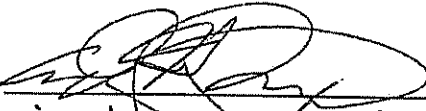

Please check the box next to the reason(s) why you claim exemption. [Conditions apply. See full text of City Land Development Code 30-310(d) before checking exemption.]

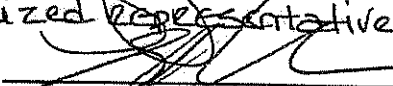

1.  Any parcel of record as of November 13, 1991, that is less than or equal to five (5) acres in size and does not contain listed species or an archaeological site identified by Florida Master Site file number.
2.  Bona-fide agricultural/silvicultural activities.
3.  Removal of invasive non-native vegetation on conservation lands.
4.  Alteration of vegetation pursuant to an adopted management or restoration plan on government-maintained land.

- 5.  Activities authorized by City-approved management plan.
- 6.  Alteration of vegetation within existing utility, drainage or stormwater easements, and road right-of-ways.
- 7.  Clearing and vegetation removal to construct a fence or wall, or establish a firebreak.
- 8.  Vegetation alteration to conduct a survey or other required test.
- 9.  Text Amendments to Planned Development zoning or Planned Use District land use ordinances that are unrelated to development activity.
- 10.  Activities determined by the city manager or designee as having *de minimis* impact.
- 11.  The County land use and zoning remains in effect and the development application will be reviewed under County regulations.
- 12.  The property has a final master plan approved by the City prior to August 2, 2012; or has a valid Planned Development zoning ordinance approved by the City prior to August 2, 2012 that includes protection of natural and archaeological resources.
- 13.  Sinkholes which pose threat of property loss or structural or functional damage to an existing building or facility.

I certify that I am the owner of the subject property and authorize the agent listed above to initiate this application for environmental exemption. (Signature by the owner on this application or in a letter is necessary.) I further certify that all of the information contained in this application is accurate and up-to-date.
