ADVISORY BOARDS AND COMMITTEES FY 2008-2009 SPECIAL PROJECT/ACTIVITY BUDGET REQUEST

Project Priority Funding Request No 1 _ of _ 2 FY 2008- 2009_Proposed Project Project Title Appeal Process Summary Description of Project The existence of the Fire Safety Board of Adjustment is mandated through State Statute. Appeals to the Board me be legally noticed in the Gainesville Sun. The role of the Board is to provide technical mechanisms for the Fire Official and the Building Official to resolve conflicts of the building and fire codes, and to provide citizens with a opportunity for review of alternative approaches to code compliance for both existing and new construction. Whe the Legislature has directed the Florida Building Commission and the Florida Fire Code Advisory Council to eliminate conflicts in the code, the possibility exists that some still remain. None, however, were discovered local nor brought before the Fire Safety Board of Adjustment in 2006-2007		NAME: Fire Safety Board of	of Adjustment
