CITY OF GAINESVILLE  
CITY COMMISSION

Dear Mr. Mayor:

I write this letter in support of the re-appointment of two members of the Fire Safety Board of Adjustment, whose terms will come to a close on November 1, 2002.

Mr. Carl Osberg has been a member of the Board since 1988. He is a highly qualified Mechanical and Fire Protection Engineer with CH2M Hill, and his membership on the Board has been a great asset.

Mr. Fred Vyverberg has held a seat on the Fire Safety Board since 1998. He has been employed as an independent architect in Gainesville since 1976, and is particularly well-familiarized with many of the public and commercial structures here.

Both gentlemen have performed a great service to the City in past years as members of the Fire Safety Board of Adjustment. In light of the specialized nature of the Board, and the challenge that acquiring qualified members has presented in the past, I would ask that you advocate waiver of the term limitation for City Boards in this instance before the Commission, and reappoint both Mr. Osberg and Mr. Vyverberg to the Fire Safety Board of Adjustment for the upcoming term. Their continued participation will prove invaluable to the fire safety of City as a whole.

Sincerely,

Elmond D. Taylor  
Assistant Chief
