Workshop 1: Citizen Committee for Implementing the Strategic Framework (B)

This item requests the Committee participate in a workshop to begin assessing and prioritizing the community's big ideas to support implementing the Strategic Plan Framework.

Explanation: On December 15th, 2016, the City Commission adopted the strategic plan framework, a lasting blueprint to guide us towards our best Gainesville, a New American City. Vital to a successful implementation of the strategic plan framework is the continued involvement of citizens and community stakeholders.

On February 16th, 2017, the Commission adopted a Resolution establishing a 14-member citizen advisory committee to assess and prioritize the community's big ideas to support implementing the Strategic Plan Framework. Per the Commission's direction, the Committee will participate in 3-5 staff-facilitated workshops during March and April with a goal to provide 12-15 recommendations of big ideas for the Commission's consideration during spring budget workshops in May.

Fiscal Note: None

RECOMMENDATION
