## Citizen Safety Class Curriculum

Day 1      Survival Mindset

Two hours lecture in a GPD Conference Room

Day 2-5      Self-Defense Training-- Practical Exercises in the GPD Defensive Tactics Room

GPD is currently planning to implement the RAD (Rape Aggression Defense) Program that consists of 12 hours of training broken up into 4-3 hour blocks

\*\* GPD is hosting RAD instructor classes in December 2014

Day 6      Firearms Safety, Handling Skills and Drills at the Gainesville Target Range

Two Hours of Classroom Instruction on Firearms Safety and Handling Skills

Two Hours of Practical Firearms Marksmanship Drills on the Range

The tentative cost involved for the firearms portion would be \$20 per day per student range fees and \$5 per student to rent a handgun.

There is no cost involved for the lecture and RAD components of the program.

*\*\*Note the firearms component of the curriculum is contingent upon an accepted liability waiver from City of Gainesville Risk Management. The attendance at the firearms component of the program would be optional.*
