Experience/Training Information

Related to Board/Committee:

Landscape contractor in Gainesville and surrounding area for 5 years, 3 of which as company owner. Because my projects are primarily residential, I have developed an ability to listen well and gently steer customers away from making mistakes.

My projects are sometimes featured in magazines, so I'm probably an above-average designer. I also have experience with fundraising, and I like to write, so perhaps I'd be able to help with grant applications.

I can bring a healthy combination of experience and education, with a respect for what both avenues have to offer, to bear on any problems the board might face. I love Gainesville and Alachua County and want to contribute whatever I can to keeping this area such a beautiful place to live.

Educational Background:

BS Agriculture, UF 1980

I was also a Master Gardener for several years.

Miscellaneous Information:

Dr. Spring recommended I apply for a position on the CBB

Experience/Training Information

Related to Board/Committee:

I grew up in Lake City, Florida, so I have been visiting Gainesville my whole life. I have been a Gainesville resident since August of 2002. My background/interest is in construction, real estate development, and urban design. I keep up with all current Gainesville projects and I feel that I can offer a unique perspective to the CBB. I will be in Gainesville for at least another year-and-a-half attending graduate school. I truly believe Gainesville has limitless potential as a mid-sized city. I am a resident who truly does love this town and I want to help out. My resume is available upon request. Thank you.

Educational Background:

Starting June 2005, I will be attending the University of Florida's Master of Science in Real Estate program, Minor in Urban and Regional Planning - graduation April 2006.

Bachelor of Science in Building Construction Management, Minor in Business Administration - graduation April 2005

Associate in Arts - Lake City Community College - graduation May 2001

Professional Organizations:

The American Society of Safety Engineers, Associated Builders and Contractors, The International Code Council, and Habitat for Humanity volunteer
