Mayor Braddy, Pam Davis and all of the Commissioners I have had the pleasure serving with over the past 14 months;

It has been such an honor to be appointed as a Commissioner of the GHA and I believe that I have received far more than I have been able to offer to the group. Watching front row as lives are literally being changed because of the team at the GHA led by Pam Davis' vision has been very inspiring to me. It is with great regret that I must formally announce my resignation from GHA as a commissioner. I have recently set out to launch a Keller Williams Real Estate office (back in Oct) and it has proven to be a much larger task than I could have ever known. Because of this I have had to make some very tough decisions regarding my time and commitments I have made with several different organizations around the state and the US on which I serve. My focus during this season of creating and build what will become the BEST Real Estate company in Gainesville is of the highest importance to me right now. Please accept my resignation at this time but please also know that my intention is to return one day! I LOVE what is being done at GHA and want to be a part of it. I hope you will still consider me to be a speaker, motivator or whatever I can do to assist you in some small part in the growth and fulfilling the vision that Ms. Pam has set forth.

Also, I wanted to introduce to you someone who I would STRONGLY recommend you consider to fill the void that I may leave. His name is Randy Hunziker and he also is a REALTOR and someone who is committed to seeing others improve their way of living. I spoke with him briefly about what you are doing with the GHA and he was very interested in meeting with Pam and getting more information to see if he would be a good fit for the GHA and if you thought he was a good fit as well. I have copied him on this email but he also can be reached on his cell phone at (407) 697-7877

Again, many thanks for allowing me to play a small part in what you are accomplishing and I look forward to seeing everyone in the future!

Dear Anita, Earline, and Becky,

I am sorry to inform you that I have decided to resign from the Board effective immediately. At this time, my schedule does not allow me to attend the meetings.

Also my focus has changed a bit and I am now involved in other Board activities.

I have enjoyed the opportunity of serving over the past years.

Thank you for the opportunity!

Sincerely,

Leslie Roseman
