

1 **Section 1.** The following proposed amendment to Chapter 90-394, Laws of Florida, 1990, as
 2 amended, otherwise known as the Charter Laws of the City of Gainesville, Florida, is approved for
 3 submission to the electors of the City of Gainesville, Florida, for approval or disapproval at the
 4 municipal election set for _____:

PROPOSED AMENDMENT

6 **Section 2.** Section 1.03 of the Charter Laws is amended as set forth below. Except as
 7 amended herein, the remainder of Section 1.03 remains in full force and effect.

8 **1.03. – Construction.**

9 (1) The powers of the city shall be construed liberally in favor of the city, limited only by the State
 10 Constitution, general law, and specific limitations contained in this ~~aet~~ charter.

11 (2) If any provision of this ~~aet~~ charter or the application thereof to any person or circumstance is
 12 held invalid by a court of competent jurisdiction, the invalidity shall not affect other provisions or
 13 applications of the ~~aet~~ charter which can be given effect without the invalid provision or
 14 application, and to this end the provisions of this ~~aet~~ charter are declared severable.

15 (3) All powers and authority granted by this ~~aet~~ charter are supplemental and additional to all other
 16 statutory and constitutional authority.

17 (4) For purposes of this ~~aet~~ charter, the term:

18 (a) “City” means the City of Gainesville.

19 (b) “Commission” means the city commission as established in Article II.

20 (c) “State” means the State of Florida.

21 (d) “Board of Directors” means the Board of Directors of Gainesville Regional Utilities as
 22 established in Article IV.

23

24 **Section 3.** Section 3.06 of the Charter Laws is deleted in its entirety.

 18 ~~necessary for operating and maintaining the Utility System subject to policies~~
 19 ~~promulgated by the commission;~~

20 ~~(d) Shall propose ordinances to designate the job titles of subordinates that are to be~~
 21 ~~considered directors of department;~~

22 ~~(e) Shall appoint and, except as otherwise provided in this charter, remove all directors of~~
 23 ~~departments at will;~~

24 ~~(f) Shall recommend to the commission all measures necessary and expedient for the~~
 25 ~~proper governance and management of the Utility System;~~

26 ~~(g) Shall keep the commission fully advised as to the management, governance and needs~~
 27 ~~of the Utility System;~~

28 ~~(h) Shall perform all other duties prescribed by law, this charter, ordinance, or direction of~~
 29 ~~the commission.~~

30
 31 **Section 4.** A new Section 4.04 is hereby created and added to the Charter Laws.

32 **4.04. – Board of Directors of Gainesville Regional Utilities.**

33 (1) Creation. The Board of Directors of Gainesville Regional Utility is hereby created and
 34 made a part of the government of the City of Gainesville, Florida. The Board of Directors
 35 of Gainesville Regional Utility shall be responsible for and have exclusive jurisdiction over
 36 the governance of GRU, subject to the requirements of this charter. The board shall operate
 37 as a separate unit of city government, and except as otherwise provided in this charter, the
 38 board shall be free from the jurisdiction, direction, and control of the city commission.

1
2 (2) Definitions.

3 (a) Customer means the natural person or legal entity that has a utility services account in
4 his/her/its name and is responsible for payment for utility services at that specific
5 location.

6
7 (b) Gainesville Regional Utilities or GRU means the city-owned utility system providing
8 electric, gas, telecommunications, water, and wastewater services to customers.

9
10 (c) General manager of utilities means the chief executive officer of the utility responsible
11 for utility management as more particularly described in this article.

12
13 (d) Transition period means the time between the appointment of the board members and the
14 time the board has an opportunity to evaluate and act on items under its authority.

15
16 (e) Board of Directors or board means the Board of Directors of the Gainesville Regional
17 Utilities created by this article.

18
19 (f) Utility governance means the making and administering of the utility's course of action.
20 Governance decisions are those decisions designed to influence and guide management's
21 decisions, actions and other matters of the utility. The board shall make those
22 governance decisions pursuant to the requirements of this article.

23
24 (g) Utility management means the directing, supervising or carrying on of utility business
25 affairs in a manner as directed by the board. The responsibility for utility management is
26 more specifically described in this article.

27
28 (3) Membership, terms, officers, suspension and removal.

29 (a) Membership. The board shall have seven members appointed by majority vote of the city
30 commission.

31
32 1. All board members shall reside within the GRU electric service territory and receive
33 GRU electric utility service.

34
35 2. The membership shall be comprised of individuals with subject matter expertise and
36 qualifications that the commission deems relevant and beneficial to GRU as more
37 specifically identified by ordinance adopted by the city commission.

38
39 3. At all times, a minimum of one board member must be a resident of the
40 unincorporated area of Alachua County or another municipality in Alachua County.
41 The board will annually review the ratio of GRU electric meters installed outside of
42 the city limits to the total number of GRU electric meters installed in GRU's service
43 territory and report that ratio to the city commission. In the event the ratio exceeds 40

1 percent, at the next board member vacancy or term expiration, the city commission
 2 will appoint a second board member who is a resident of the unincorporated area of
 3 Alachua County or another municipality in Alachua County.

4
 5 4. No person who holds any other public office or who is an employee of the city or
 6 who has a current business relationship with GRU other than as a consumer may be
 7 appointed as a board member.

8
 9 5. Until January 1, 2020, no current or previously elected officer or official of the city or
 10 county having held office after January 1, 2000, may be appointed as a board
 11 member.

12
 13 (b) Term.

14
 15 1. Each board member shall be appointed to a four-year term, provided however that for
 16 the first seven appointees, three will serve an initial term of two years and four will
 17 serve an initial term of four years. The city commission will designate which of its
 18 initial appointees will serve the two year terms.

19
 20 2. Board members may be reappointed for consecutive terms and may hold office after
 21 expiration of their term until a successor has been appointed and qualified. Board
 22 members may serve no more than three consecutive terms.

23
 24 3. When a position becomes vacant before the end of the term, the city commission shall
 25 appoint a substitute board member to fill the vacancy for the duration of the vacated
 26 term.

27
 28 (c) Officers. The members of the board shall annually elect a chair and vice-chair from
 29 among their membership.

30
 31 (d) Removal from board. Any board member may be removed or suspended from office by
 32 the city commission for malfeasance, misfeasance or nonfeasance in office, or upon
 33 conviction of a felony or if the board member no longer holds the minimum
 34 qualifications for the position. The city commission shall adopt by ordinance, rules of
 35 procedure for removal or suspension of a board member.

36
 37 (4) Power and duties of the board. The Board of Directors of Gainesville Regional Utilities
 38 shall have the legislative power and exclusive jurisdiction over the governance of GRU, except
 39 as limited by this Charter. The board in the operation of the utility services, both inside and
 40 outside the city limits, shall have the following powers and duties:

41 (a) Provide safe, reliable utility services to customers within the service territory at fair, just
 42 and reasonable rates, including a return on the city's investment, all as more particularly
 43 described in this article.

- 1 (b) Comply with all applicable federal, state and local statutes, ordinances, and codes.
2
- 3 (c) Acquire, purchase, hire, construct, extend, maintain, own, operate, or lease local public
4 utilities, including: electric, gas, telecommunications, water, and wastewater collection
5 services; wastewater facilities, works for supplying water, wastewater, gas, electric, and
6 telecommunications services; water, electric, telecommunication and gas production,
7 transmission, and distribution systems; sanitary sewage facilities; and wastewater
8 transmission and disposal facilities. In the event the board determines it is necessary or
9 appropriate for it to provide, operate or maintain any other utility system or function
10 other than electric, water, wastewater, gas, or telecommunications, the board shall by
11 resolution identify such additional utility system or systems or function or functions and
12 indicate its desire to provide such utility service or services or function or functions to the
13 city commission. Upon the adoption and approval of this resolution by the board and the
14 city commission, voting as separate entities, the board with respect to the specified
15 system or systems, shall be vested with all powers set forth in this article or general law
16 that would apply to such specified utility system or systems.
17
- 18 (d) Subject to Section 4(j), supply water, electricity, gas, and wastewater service for domestic
19 and other purposes to individuals, businesses, or corporations inside and outside of the
20 city, and to charge and collect reasonable rates, prices and compensation therefor,
21 including the costs for any part thereof for extension of said services as determined by the
22 board, and upon such terms as may be imposed by the board, and the board may charge a
23 different rate but not a lesser rate for customers outside the city limits than to customers
24 within the corporate limits of the city.
25
- 26 (e) To transfer, sell, finance, lease or otherwise provide services or products, or by-products,
27 developed or used by GRU incident to the exercise of the powers conferred by this
28 section, including but not limited to, energy performance contracting, water, wastewater,
29 telecommunications, and natural gas (and any other utility service hereafter provided by
30 GRU) contracting, power marketing services, the testing and maintenance of customer-
31 owned facilities such as transformers, capacitors, lighting, HVAC systems, water cooling
32 and heating systems, energy management systems, etc.; the temporary leasing of GRU
33 facilities such as oil storage tanks; the supply of steam or other thermal energy; the
34 provision of specially conditioned power on the premises of customers and the provision
35 of services or products to build, transfer, lease, finance, operate or sell cogeneration
36 facilities, small power production facilities, specially conditioned power, energy
37 conservation, energy efficiency and dispersed generation to other electric utilities both
38 within and without the state or to any wholesale or retail customers of GRU, upon such
39 terms and conditions as the board shall, by resolution, fix and determine; and to transfer,
40 sell, finance, lease or otherwise provide services, products or by-products developed or
41 used by GRU incident to the exercise of the powers conferred by this section, in the
42 delivery of water, wastewater, and natural gas services, including but not limited to the
43 financing, testing, maintenance and operation of customer owned facilities used in water,
44 wastewater and natural gas functions; provided, however, that GRU will not enter into
45 any activity pursuant to this section in addition to those activities listed herein without

1 first without first obtaining approval of such activities by the city commission no less
 2 than 30 days before the commencement of such activity. Nothing in this article shall
 3 authorize or be construed to authorize GRU or the board to transfer any function or
 4 operation to the utilities system by sale, lease or otherwise to any other utility, public or
 5 private without approval by referendum of the voters.

6
 7 (f) Enter into agreements with other municipalities either within or outside Alachua County,
 8 or with governmental units or private utility companies, for selling or buying utility
 9 services; sell any surplus of water, electricity, gas to persons, firms, and corporations,
 10 public or private, on such terms and conditions as the board considers prudent.

11
 12 (g) Except as set forth in paragraph (c) above, exercise all powers and authority of the city to
 13 acquire by purchase, gift, lease-purchase, or otherwise, real or personal property for use
 14 in providing utility services.

15
 16 (h) Enter upon any land or water for the purpose of making surveys and may exercise the
 17 right of eminent domain on behalf of the city for utility services whenever public
 18 necessity or convenience requires, and may exercise that power inside and outside the
 19 city limits in the manner provided by law.

20
 21 (i) Acquire, build, construct, erect, extend, enlarge, improve, furnish, equip, and operate as a
 22 separate bulk power supply utility or system, electric generating plants, transmission
 23 lines, interconnections, and substations for generating, transmitting, distributing, and
 24 exchanging electric power and energy both within and outside the limits of the city.

25
 26 (j) To fix, pledge to establish or establish, levy, regulate, impose and collect rates,
 27 assessments, fees and charges for the use or benefit of the utilities system and to alter and
 28 amend same from time to time, which rates, assessments, fees and charges shall result in
 29 GRU receiving or possessing an amount which, together with accumulated balances from
 30 prior years available therefore is not less than is required to operate and maintain a self-
 31 liquidating or self-sustaining utility system. When establishing or altering rates,
 32 assessments, fees or charges for retail service (proposed changes), the board shall first
 33 give notice of and hold a public hearing in the city. The notice shall be published not less
 34 than one (1) week in advance in at least one (1) newspaper of general circulation in the
 35 city. Said notice shall be at least one-fourth page in size, inviting the public to be present
 36 and heard.

37
 38 The city commission may adopt an ordinance allowing the city commission to veto rates
 39 upon a super-majority vote. If the commission adopts such an ordinance, the ordinance
 40 must establish a rolled back rate that is no less than the prior year's rates.

41
 42 The city and other public bodies shall be required to pay for any utility services provided
 43 by GRU upon the same basis as other users.

44
 45 (k) Adopt such rules and regulations regarding the management and operation of, or the sale

1 or use of any utility service provided by GRU from the utility system.

2
3 (l) Impose sanctions to enforce compliance with any rule or regulation which the board may
4 adopt in the management and operation of, or the sale or use of any utility service
5 provided by GRU from the utilities system including, without limitation, electricity,
6 water, wastewater, gas, and telecommunications services.

7
8 (m) Use the ground, over, under or along any road, railroad, highway, street, sidewalk,
9 thoroughfare, alley, waterway, or other public way, in the operations of the utilities but
10 shall, in all cases and subject to the applicable general regulations of the city, cause the
11 surface of the public way to be restored to its usual condition.

12
13 (n) Upon approval of both the city commission and the board, the city commission will issue
14 and sell revenue bonds or certificates in such amounts as shall be deemed necessary to
15 finance all or part of the costs of acquisition, construction, repairs, replacements,
16 improvements, additions and extensions of the utilities and equipment required therefor.
17 All of such revenue bonds or certificates issued by the city commission shall be
18 obligations of the City of Gainesville. The board shall have no power to pledge the full
19 faith and credit of the city and nothing set forth herein shall be so construed. No
20 referendum or freeholders' election shall be required as a condition precedent to the
21 issuance of such revenue bonds or certificates.

22
23 (o) Borrow money for periods not to exceed two (2) years and may issue negotiable notes,
24 payable from the revenues of the utilities or a division thereof, as evidence of the loans.
25 The action of the board may be by resolutions which may be adopted at the same
26 meetings at which introduced and shall take effect immediately upon adoption and public
27 sale shall not be required.

28
29 Alternate language suggested by GRU's Chief Financial Officer:

30
31 (n) Upon approval of both the city commission and the board, the city commission may
32 borrow money, issue negotiable notes, payable from the revenues of the utilities or a
33 division thereof as evidence of the loans, issue and sell revenue bonds or certificates in
34 such amounts as shall be deemed necessary to finance all or part of the costs of
35 acquisition, construction, repairs, replacements, improvements, additions and extensions
36 of the utilities and equipment required therefor. All of such revenue bonds or certificates
37 issued by the city commission shall be obligations of the City of Gainesville. The board
38 shall have no power to pledge the full faith and credit of the city and nothing set forth
39 herein shall be so construed. No referendum or freeholders' election shall be required as
40 a condition precedent to the issuance of such revenue bonds or certificates.

41
42 (o) Enter into short term lease agreements for vehicles or small equipment, not to exceed a
43 cumulative total of \$3,000,000.00.

44
45 (p) Authorize reasonable expenditures to promote the use of the utility services and to

1 acquaint and educate the public with the operations, programs, and planned expansions of
 2 the utilities.

- 3
 4 (q) Invest idle funds in banks or savings institutions when qualified as city depositories,
 5 provided such investments are secured by direct obligations of the United States
 6 Treasury, or may invest idle funds in direct obligations of the United States Treasury.
 7 The board may also invest such idle funds in investments secured by indirect obligations
 8 of the United States of America.

9
 10 *Alternate language suggested by GRU's Chief Financial Officer:*

- 11
 12 (q) Invest funds in accordance with the bond indentures and current investment policy.

- 13
 14 (r) Make annual payment to the city commission in accordance with the provisions of this
 15 article.

- 16
 17 (s) to adopt and use a corporate seal, to apply for, hold and own patents and copyrights, to
 18 sell or license patents, copyrights, patented or copyrighted materials to other public or
 19 private entities to sue and be sued, implead and be impleaded, complain and defend in all
 20 courts, Prices or fees for such sales or licensing may be based upon market
 21 considerations. GRU may designate how proceeds from such sales or licensing shall be
 22 used. Prices or fees for such sales of copyrighted data processing software, as defined in
 23 section 119.083, Florida Statutes, shall be established pursuant to said statute.

- 24
 25 (t) To enter into all contracts, leases, and agreements in the name of the city in furtherance
 26 of this article.

- 27
 28 (u) To allocate costs between the electric, water, wastewater, gas, telecommunications and
 29 any other utility system operated now or in the future by GRU on an accrual basis.

- 30
 31 (v) employ and fix the compensation of the general manager for utilities, who shall manage
 32 the affairs of the utilities as set forth in this article under the supervision of the board.

- 33
 34 (w) To do all acts and deeds necessary, convenient or desirable, incidental to the exercise and
 35 performance of the powers and duties granted to the board in this charter.

36
 37
 38
 39 (5) Fiscal and budgetary functions.

- 40
 41 (a) The board shall, in addition to the reports and accounting it may otherwise be required by
 42 law to make, promptly after the close of the fiscal year, furnish the city commission its
 43 annual report which shall include the following statements as of the end of the preceding
 44 fiscal year: A balance sheet showing the financial condition of the utilities and each
 45 separate division, prepared as nearly as practical according to generally accepted public

1 utility accounting principles; a statement of operations for each division of the utilities;
 2 and any additional supporting statements or schedules deemed necessary and desirable by
 3 the city commission to make a clear and informative presentation of the financial position
 4 of the utilities. The reports shall be kept on file in the city clerk's office and shall be
 5 open to public inspection. The funds and accounts of the utilities shall be audited
 6 annually by a certified public accountant appointed by the city commission.

7
 8 (b) The board shall prepare and adopt a budget for the ensuing fiscal year and furnish a copy
 9 to the city commission on or before July 1 of each year. The budget shall set forth
 10 GRU's estimated gross revenues and other available funds, and estimated requirements
 11 for operations and maintenance expenses, capital outlay, debt service, and depreciation
 12 and reserve account. The board shall hold budget hearings and approve the budget in the
 13 manner provided by law.

14
 15 (c) The board shall, except as specifically provided in this article, have the exclusive power
 16 and authority to manage and conduct its financial affairs in accordance with generally
 17 accepted accounting principles applied to municipal utilities systems and the provisions
 18 of resolutions authorizing its revenue bonds and other obligations.

19
 20 (d) All revenues derived from the utilities after paying the necessary costs and expenses shall
 21 be applied to the payment of interest on and principal of bonds, revenue certificates,
 22 loans, and other obligations from monies borrowed, both senior and subordinate lien and
 23 to the sinking fund for the redemption thereof as required by law and ordinances under
 24 which said bonds were issued.

25
 26 (e) ~~The board shall pay to the city commission each year a sum equal to nine (9) percent of~~
 27 ~~the gross revenues as hereafter defined, derived from the operation of the utilities for the~~
 28 ~~preceding fiscal year, unless the city commission, by majority vote, agrees to accept a~~
 29 ~~lesser percentage. This sum shall be paid on or before sixty days after approval and~~
 30 ~~acceptance of the audit for such fiscal year by the city commission.~~

31
 32 As a return on the City's investment in the utility system, GRU will annually compensate
 33 Gainesville's general revenue fund a base amount (referred to as the general fund transfer
 34 or (GFT) less the actual amount of ad valorem revenue received that for the GREC
 35 Biomass facility. The base amount shall be increased annually by 1.5%. For Fiscal Year
 36 2016, the GFT shall be \$36,670,154.00 less \$1,437,721.00 for the biomass ad valorem
 37 taxes received for a total amount of \$35,232,433.00.

38
 39 The GFT assessment established above will be in effect until September 30, 2019, at
 40 which time the city commission may reconsider the formula, and change the formula by
 41 ordinance. The city commission may reconsider the assessment calculations every fifth
 42 year thereafter. Should the commission not reconsider the assessment calculations, the
 43 assessments shall be calculated using the formula set forth above.

44
 45 If either federal or state laws are enacted or regulatory actions are taken that adversely

1 impact GRU's financial position for the utility systems, the commission shall promptly
 2 consider enacting such changes to this section as may be negotiated by the board and the
 3 commission to mitigate such adverse impact.

4
 5 The GFT shall be paid from any system or combination of systems (electric, gas, water,
 6 wastewater or telecommunications) from which the board feels is in the best interest of
 7 GRU.

8
 9
 10 This sum The GFT shall be paid on or before sixty days after approval and acceptance of
 11 the audit for such fiscal year by the city commission.

12
 13 *Alternate language suggested by GRU's chief Financial Officer:*

14
 15 *(e) As a return on the City's investment in the utility system, GRU will annually compensate*
 16 *Gainesville's general revenue fund based on and in accordance with the bond indentures.*

17
 18 (6) City commission authority. The city commission retains the following authority:

19
 20 (a) To appoint, suspend, and remove members of the board of directors as specified in
 21 Section 3.

22
 23 (b) To adopt by ordinance, the qualifications required of board members; the payment for
 24 training expenses and for reimbursement of travel and out-of-pocket expenses for training
 25 and professional meetings associated with board duties the attendance requirements of
 26 board members; and the procedures for suspension and removal of board members, as
 27 specified in Section 3.

28
 29 (c) To borrow money and issue bonds for GRU as specified in Section 4(n).

30
 31 (d) To approve, upon request of board, the provision, operation, or maintenance of other
 32 utility systems or functions as specified in Section 4(c).

33
 34 (e) To authorize additional income producing activities not provided for in Section 4(e).

35
 36 (f) To receive annual payments from GRU as specified in Sections 4(r) and 5(e).

37
 38 (g) To review the annual reports of the board as specified in Section 5(a).

39
 40 (h) To annually audit the utilities' funds and accounts as specified by Section 5(a).

41
 42 (i) To annually review the utility budget as specified by Section 5(b).

43
 44 (j) To establish personnel policies and benefits and Equal Opportunity policies as specified
 45 in Section 8; and in Article V of the Charter.

1
2 (k) To adopt an ordinance authorizing the city commission to disapprove proposed changes
3 to fees, charges, and rates, by five sevenths (5/7) vote of the commission, as set forth in
4 Section 4(j).

5
6 (l) To cause the internal auditor to audit GRU accounts.

7
8 (7) General manager for utilities.

9
10 (a) The board shall appoint a general manager for utilities ("general manager") who, as a
11 charter officer, shall be the chief executive officer of GRU. The general manager shall be
12 responsible for the efficient administration of Gainesville Regional Utilities. The general
13 manager shall be responsible to the board. ~~The general manager for utilities shall serve at~~
14 the will of the board. The general manager for utilities shall serve at the will of the board.

15 (b) Powers and duties generally. The general manager:

16 1. Shall be responsible for and have exclusive management control over operating and
17 financial affairs of GRU including, but not limited to, the planning, development,
18 production, purchase, sale, exchange, interchange, transmission and distribution of
19 all electricity; the planning, development, purchase, sale, exchange, interchange,
20 transmission and distribution of all natural gas; the planning, development, supply,
21 treatment, transmission, distribution and sale of all potable water; and the planning,
22 development, collection, treatment, disposal and billing of all wastewater now or
23 hereafter provided by the city;

24 2. Shall submit to the board for its consideration a yearly budget for the operation of
25 GRU;

26 3. Shall be the purchasing agent for all equipment, materials, supplies and services
27 necessary for operating and maintaining GRU subject to policies promulgated by
28 the board;

29 4. Shall propose to the board the job titles of subordinates that are to be considered
30 directors of department;

31 5. Shall appoint and, except as otherwise provided in this charter, remove all directors
32 of departments at will;

33 6. Shall recommend to the board all measures necessary and expedient for the proper
34 governance and management of GRU;

35 7. Shall keep the board fully advised as to the management and needs of GRU;

36 8. Shall perform all other duties prescribed by law, this charter, or direction of the
37 board, and

1 9. Is vested with authority to administer the assigned duties of his offices including the
 2 employment and removal of all subordinate employees of his offices. The general
 3 manager must make all appointments based on merit and fitness alone and, except
 4 as otherwise provided in this section, may remove nonprobationary personnel only
 5 for cause, obsolescence of position, budgetary restriction, or for other legitimate
 6 reasons. The general manager may purchase and contract for supplies, materials,
 7 equipment, and services required to perform his assigned duties under procedures
 8 and limitations prescribed by the board.

9 (c) Interference with general manager.

10
 11 Neither the board, city commission, board member, city commissioner, mayor nor board
 12 chair, may dictate the appointment of any person to office or employment by the general
 13 manager nor in any manner interfere with the independence of the general manager in the
 14 performance of his duties. Except for the purpose of an inquiry, the commission, board
 15 and each of the members thereof, including the mayor or board chairman, must deal with
 16 employees of GRU solely through the general manager, and neither the commission,
 17 board, nor any member thereof, may give orders to any subordinates of the general
 18 manager either publicly or privately. Any commissioner or board member who violates
 19 this section is guilty of a misdemeanor of the second degree, punishable as provided in
 20 Florida Statutes.

21
 22 (8) Employees, legal services, auditing services.

23 (a) To maximize efficiencies, reduce costs, and provide consistency among city employees,
 24 GRU may/shall utilize the city's human resources, risk management, city attorney,
 25 internal auditor, and Equal Opportunity Officer. By mutual agreement of the board and
 26 the city additional services may be provided from one party to the other but only on a
 27 cost-accounted basis.

28
 29 (b) All current and future employees of GRU shall be employees of the city, whose pay and
 30 benefits shall be an operating expense of GRU. All employees of GRU shall continue
 31 without loss of right or benefits as city employees. As city employees, all rights and
 32 benefits shall be informed by the city's human resources and equal opportunity policies.

33
 34 (c) The board and GRU may/shall use the legal services of the city on a cost-accounted basis
 35 except in those cases when the city attorney or general manager determines that the city
 36 legal staff cannot or should not provide legal services in the required legal area. The
 37 board shall appropriate the funds necessary to meet the obligations for outside legal
 38 services as determined by the city attorney. The city attorney shall consult with the board
 39 before he or she selects outside counsel.

40
 41 In the event the city attorney or general manager determines that it is no longer feasible to
 42 provide services from the city's legal staff, the city attorney shall notify the commission
 43 and the board. Upon receiving notice, the board shall be authorized to retain its own
 44 legal counsel and shall appropriate the funds necessary to meet the obligations for legal

counsel.

(d) The board and GRU may/shall use the internal auditing services of the city on a cost-accounted basis except in those cases when the city auditor determines that the internal auditing staff cannot or should not provide auditing services. The board shall appropriate the funds necessary to meet the obligations for outside auditors.

(e) The board and GRU may/shall use the services and follow the policies established by the city’s Equal Opportunity Officer.

(9) Pre-existing obligations. The board shall have the same rights, obligations and remedies under pre-existing contracts and obligations as the city commission does. The board may sue and be sued on behalf of the City pursuant to those pre-existing obligations.

(10) Transitional period. All ordinances currently in effect regarding utility services shall be repealed by the city commission and re-adopted by the board by resolution. The resolution shall remain in effect until the board takes action to modify or repeal the resolution, or other actions.

Section 5. Section 5.04 of the Charter is hereby amended as follows.

5.04. Disposal of utilities.

The commission or board of directors, may not in any manner, dispose of or agree to dispose of the city’s electrical or water production or distribution facilities or any part thereof so as to materially reduce the capacity of the city to produce or distribute electrical energy or water, unless the commission does so by ordinance with the prior approval of a majority vote of the qualified electors of the city voting at an election for the purpose of approving the ordinance.

Section 6. The following ballot title and question is approved for submission to the electors of the City of Gainesville, Florida, for approval or rejection at the municipal election set for _____:

CITY OF GAINESVILLE CHARTER AMENDMENT

Should the City’s Charter be amended to remove governing authority over Gainesville Regional Utilities from the elected City Commission and place such authority in a board of directors appointed by the City Commission?
