8. RIGHTS OF LENDER ON EVENT OF DEFAULT. If there is a default under this Agreement, Lender shall be entitled to exercise one or more of the following remedies without notice or demand:

- 8.1 To exercise any of the remedies described in this Agreement or the other Loan Documents;
- 8.2 To declare the Promissory Note to be, and the Promissory Note shall thereafter become, forthwith due and payable without presentment, demand, protest, notice of intent to accelerate, notice of acceleration or other notice of any kind, all of which are hereby expressly waived;
- 8.3 To terminate the agreements of the Lender to extend credit of any kind hereunder; whereupon the commitment and obligation of the Lender to make disbursements or make loans hereunder shall terminate;

Such action shall be taken at the sole risk, cost and expense of Borrower. Lender shall not assume liability to Borrower or any other person

or entity for completing the Improvements or for the manner of quality of construction of the Improvements. Borrower irrevocably appoints Lender as its attorney-in-fact, with full power of substitution, to complete the Improvements, at the option of Lender, in Borrower's name. Lender shall have the right to disburse any portion of the Loan not previously disbursed, and to use any other funds of Borrower, including any funds held in escrow accounts, to the extent necessary or desirable: to complete or finish construction of the Improvements; and to pay, compromise or settle all existing or future bills and claims that are or may be or become liens against the Premises, or may be necessary or desirable for the completion of the Improvements or the clearance of title to the Premises. All sums expended by Lender in completing construction shall be considered to have been disbursed to the Borrower, and Borrower and all Guarantors shall be liable thereto. Such sums shall be secured by the Security Instrument Security Agreement and any other documents securing the Loan. In the event such sums exceed the principal amount of the Promissory Note, the amount of the excess funds shall be considered to be an additional Loan to Borrower bearing interest at the rate provided in the Promissory Note and shall be secured by the Security Instrument, Security Agreement and any other documents securing the Loan; and

8.5 To exercise all other rights available to Lender under any other written agreement or law or in equity.

Lender's rights are cumulative and may be exercised together, separately, and in any order. Lender may, at its option, appoint a receiver without bond without first bringing suit on Borrower's obligations and without meeting any statutory conditions regarding receivers, it being intended that Lender shall have this contractual right to appoint a receiver.

9. ASSIGNMENT OF CONTRACTS TO LENDER. Borrower hereby conditionally assigns to Lender all of its interest in and to the Plans and Specifications along with all studies, data and drawings prepared by or for Borrower and the contracts and agreements relating to the Plans and Specifications or to the construction of the Improvements, including but not limited to both the Contractor's Contract and Engineer's Contract. Lender shall not assume any obligations under such contracts and agreements unless it agrees otherwise in writing. Lender shall have the right to take over and use at any time the labor, materials, supplies and equipment contracted for by or on behalf of Borrower, including such equipment and supplies that have theretofore been delivered to the Premises or stored in any facility for incorporation into the Improvements, all in the sole and absolute discretion of the Lender.

10. ACTIONS. Lender shall have the right, but not the obligation, to commence, appear in and defend any action or proceeding which might affect the Premises or its rights, duties or liabilities under this Agreement or the other Loan Documents. Borrower shall reimburse Lender upon demand for Lender's out-of-pocket costs, expenses and legal fees and disbursements incurred in those actions or proceedings.

11. APPLICATION OF PAYMENTS. Whether or not a default has occurred under this Agreement, all payments made by or on behalf of Borrower and all credits due to Borrower from the disposition of the Premises or otherwise may be applied against the amounts paid by Lender (including attorneys' fees and legal expenses) in connection with the exercise of its rights or remedies described in the Agreement and any interest thereon and then to the payment of the Borrower's Obligations to Lender under the Loan Documents in whatever order Lender chooses.

12. REIMBURSEMENT OF AMOUNTS EXPENDED BY LENDER. Borrower shall reimburse Lender for all amounts (including attorneys' fees and legal expenses) expended by Lender in the performance of any action required to be taken by Borrower or the exercise of any right or remedy belonging to Lender under this Agreement, together with interest thereon at the lower of the highest rate described in any promissory note

or credit agreement executed by Borrower or the highest rate allowed by law from the date of payment until the date of reimbursement. These sums shall be payable upon demand and shall be secured by the liens and security interests described in the Agreement and the other Loan Documents.

13. TERMINATION. This Agreement shall survive the making of the Loan and shall remain in full force and effect until Lender provides Borrower with written notice of the termination hereof.

14. ASSIGNMENT. Borrower shall not be entitled to assign any of its rights, remedies or obligations described in this Agreement without the prior written consent of Lender which may be withheld by Lender in its sole discretion. Lender shall be entitled to assign some or all of its rights and remedies described in this Agreement without notice to or the prior consent of Borrower or any third party in any manner.

15. MODIFICATION AND WAIVER. The modification or waiver of any of Borrower's obligations or Lender's rights under this Agreement or the other Loan Documents must be contained in a writing signed by Lender. Lender may perform any of Borrower's obligations or delay or fail to exercise any of its rights without causing a waiver of these obligations or rights. A waiver on one occasion shall not constitute a waiver on any other occasion. Borrower's obligations under this Agreement and the other Loan Documents shall not be affected if Lender amends, compromises, exchanges, fails to exercise, impairs or releases any of the obligations belonging to any Borrower or Guarantor or any of its rights against any Borrower, Guarantor, Collateral, or any other property securing any of Borrower's indebtedness or obligations.

16. SUCCESSORS AND ASSIGNS. This Agreement shall be binding upon and inure to the benefit of Borrower and Lender and their respective successors, assigns, trustees, receivers, administrators, personal representatives, legatees, and devisees.

17. NOTICE. Any notice or other communication to be provided under this Agreement shall be in writing and sent to the parties at the addresses described in this Agreement or such other address as the parties may designate in writing from time to time.

18. SEVERABILITY. If any provision of this Agreement violates the law or is unenforceable, the rest of the Agreement shall remain valid.

19. APPLICABLE LAW. This Agreement shall be governed by the laws of the State of Florida. Unless applicable law provides otherwise, Borrower consents to the jurisdiction of any court selected by Lender in its discretion located in that state.

20. COLLECTION COSTS. If Lender hires an attorney to assist in collecting any amount due or enforcing any right or remedy under this Agreement, Owner agrees to pay Lender's reasonable attorney's fees and collection costs, including, but not limited to, all fees and costs incurred on appeal, in bankruptcy, and for post-judgment collection actions to the extent permitted by law.

21. MISCELLANEOUS. Borrower and Lender agree that time is of the essence. Borrower waives presentment demand for payment notice of dishonor and protest except as required by law. All references to Borrower in the Agreement shall include all persons signing herein. If there is more than one Borrower, their obligations shall be joint and several. This Agreement represents the complete and integrated understanding between Borrower and Lender regarding the terms hereof.

22. RIGHTS OF THIRD PARTIES. BUT FOR THE LIMITED EXCEPTIONS OF THE RIGHTS AND

PRIVILEGES GRANTED TO THE CITY OF GAINESVILLE PURSUANT TO THE SECURITY AGREEMENT FOR PUBLIC IMPROVEMENTS, THE SECURITY AGREEMENT FOR CONSTRUCTION OF SIDEWALKS, AND MAINTENANCE SECURITY AGREEMENT FOR PUBLIC IMPROVEMENTS, all conditions of the obligations of Lender hereunder, including the obligation to make advances are imposed solely and exclusively for the benefit of Lender and its successors and assigns, and no other person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make advances in the absence of strict compliance with any or all thereof. No other person shall, under any circumstance, be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender at any time in Lender's sole discretion. Lender makes no representations and assumes no obligations to Borrower or to any third party concerning the quality of the construction by Borrower of the Improvements or the absence thereof of defects. In this connection Borrower agrees to indemnify Lender from any liability, claim or loss resulting from the disbursement of the loan proceeds or from the condition of the Premises, whether related to the quality of construction or otherwise and whether arising during or after the term of the Loan. This provision shall survive the repayment of the Loan and shall continue in full force and effect so long as the possibility of such liability, claim or loss exists.

23. JURY TRIAL WAIVER. BORROWER HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY CIVIL ACTION ARISING OUT OF, OR BASED UPON, THIS AGREEMENT.

2.2 Borrower agrees to pay to Lender a loan fee in the amount of \$12,1100.00 on the date of closing of the Loan.

3. COLLATERAL.

3.1 To secure the performance of Borrower's obligations to Lender under the Loan, Borrower agrees promptly to execute and deliver to Lender the Security Instrument, Security Agreements, consent of contractor, consent of Engineer, financing statements, and other appropriate documents deemed necessary or desirable by Lender to provide Lender with the first lien and security interest on the Premises. The Security Instrument, Security Agreements, financing statements, and other documents, shall be in a form and content satisfactory to Lender in its sole discretion.

3.2 Borrower agrees to execute and deliver to Lender an Assignment of Leases in form and content satisfactory to Lender in its sole discretion.

3.3 As additional collateral for the Loan, Borrower hereby grants to Lender a security interest and hereby assigns all of Borrower's right, title and interest in all monies, instruments and deposit accounts of Borrower maintained with Lender.

3.4 In the event partial releases are to be executed by Lender from time to time, Lender shall execute and deliver such partial releases upon the conditions and under the terms described in the Security Instrument. However, no partial release will be executed by Lender if it would otherwise interfere

with the development of the Property which remains encumbered by the Security Instrument or if Borrower is in default of any obligation under this Agreement or the Loan Documents.

3.5 Borrower shall deposit an equity contribution in the amount of Two Million and 00/100 Dollars (\$2,000,000.00) into an account held by Lender (hereafter, "Equity Account") and execute and deliver to Lender a collateral assignment of said account granting Lender a first-lien security interest for additional collateral to the Loan.

4. DISBURSEMENT PROCEDURES.

4.1 Disbursement of the Loan shall be made by Lender for construction and development costs in accordance with the approved Construction Budget (covering both hard and soft costs) and the approved schedule of estimated monthly disbursements.

4.1.1 Initial disbursements for construction and development costs towards the Improvements shall be made from the existing balance of the Borrower's Equity Account until the balance is zero (\$0.00), at which time the proceeds of the Loan shall be used for further disbursements until the Improvements are completed.

4.2 No extra work or changes in the Plans and Specifications or the Construction Budget shall be ordered or authorized by Borrower without the written consent of Lender. If Lender approves of any extra work or changes, Lender shall have the right to withhold any pending or future disbursement and shall require that Borrower pay the cost of these items from its own funds and not from the Loan proceeds.

4.3 At the time of any disbursement request, Borrower shall complete, execute and deliver to Lender a request for an advance on Lender's standard form draw request, attached hereto as Exhibit 1, or in the standard A1A draw request as directed by Lender. Each request for an advance must be accompanied by evidence in form and content satisfactory to Lender, which may include, but may not necessarily be limited to, invoices and statements, certificates, affidavits and other declarations as Lender may deem necessary of Borrower, Engineer or Contractor, and City, all of which shall show:

4.3.1 The value of the portion of the Improvements completed at that time;

4.3.2 That all outstanding claims for labor, services and materials through the previous draw request have been paid;

4.3.3 That there are no liens outstanding against the Premises except the lien belonging to Lender and inchoate liens for property taxes not yet due; and

4.3.4 That copies of all bills or statements for expenses for which the advance is requested are attached to such request for advance.

4.4 Subject to Paragraph 4.5 below, all disbursements shall be made directly to the Borrower. All Loan funds shall be considered to be advanced to and received by Borrower, and interest on such funds shall be payable by Borrower from and after, their deposit in any disbursement account or direct advance by Lender to the Borrower or charge against Loan funds as provided in Paragraph 4.5 below.

4.5 Notwithstanding the provisions of Paragraph 4.4 above, Lender may elect, without further notice to or authorization by Borrower, to use the Loan funds to pay, as and when due, any Loan fees owing to Lender, accrued, unpaid interest on the Loan, amounts secured by prior liens on the Property, legal fees and expenses of Lender's attorneys which are payable by Borrower, and such other sums as may be owing from time to time by Borrower to Lender with respect to the Loan. On or before each interest payment date, Lender shall invoice Borrower for the amount of the required interest payment. Borrower shall promptly make such payments to Lender as and when due. Notwithstanding any of the provisions of this Paragraph, Lender's agreement to make such advances for interest or loan fees shall be subject to compliance with the conditions precedent set forth in Paragraph 4.9 below.

4.6 If Lender at any time determines in good faith that the amount of the undisbursed Loan proceeds shall not be sufficient to pay fully for all costs required to complete the Improvements in accordance with the Plans and Specifications as well as all financing and development costs to be incurred by the Borrower, whether such deficiency is attributable to changes in the work or construction or in the Plans and Specifications or to any cause, Lender may make written demand on Borrower to deposit with Lender funds equal to the amount of the projected shortage. Borrower shall deposit the required funds with Lender within ten days after the date of Lender's written demand. No further disbursements need to be made by Lender until those funds are deposited by Borrower with Lender. Whenever Lender has any such funds on deposit, all disbursements shall be made by Lender first from those funds until they are exhausted.

4.7 At no time and in no event shall Lender be obligated to disburse funds:

4.7.1 In excess of the amount recommended by Lender's architectural or engineering representative, who, at the option of Lender, shall make periodic inspections of the Premises at Borrower's expense;

4.7.2 If any event of default under this Agreement, the Security Instrument, or any other Loan Documents has occurred and has not been cured;

4.7.3 If the Improvements have been damaged by fire or other casualty and Lender has not received insurance proceeds sufficient in the sole judgment of Lender to effect the restoration of the Improvements in accordance with Plans and Specifications and to permit the completion of the Improvements on or before the Completion Date described in this Agreement;

4.7.4 For stored materials until they are actually incorporated into the improvements, except on such conditions and such occasions as may be approved by Lender in its sole discretion;

4.7.5 If Lender believes in good faith that the priority of Lender's lien may be adversely affected; or

4.7.6 If the Lender concludes that the construction of the Improvements has fallen behind any construction schedule approved by Lender or the cost of completing construction of the Improvements at any time exceeds the amount remaining to be drawn under the Loan by a factor of more than five percent (5.0%) or \$5,000.00, whichever is less.

4.8 Lender shall not be required to make the first disbursement of the Loan until Borrower has fulfilled to Lender's satisfaction all conditions of Lender's written loan commitment to Borrower and all of Lender's customary and reasonable loan closing and post-loan closing conditions for construction loans have been met, which include, but are not limited to, the following:

4.8.1 Lender has received the executed Loan Documents (including without limitation the Promissory Note and Security Instrument), and the Security Instrument, Security Agreement, Assignment of Leases and financing statements have been duly recorded or filed, as applicable;

4.8.2 After recordation of the Security Instrument, a title insurance company acceptable to Lender must have issued, at the expense of Borrower, an ALTA (or equivalent) Lender's extended coverage policy of title insurance in an amount and form satisfactory to Lender subject only to exceptions approved by Lender in writing, together with any endorsements required by Lender;

4.8.3 Lender's security interest in all personal property and fixtures upon the Premises as described in the Security Agreement must have been duly perfected and has a lien priority in all respects satisfactory to Lender;

4.8.4 If Lender so requests, an environmental questionnaire or assessment has been delivered to Lender and Borrower agrees to indemnify Lender for any violation of any environmental laws which concern the Premises;
