Dear Pamela – it is with much regret that I make this email to you. With the challenges of my health issues coming up and the need to focus on my business that has slipped over the last three months, I am tendering my resignation from the GHA Board of Commissioners and the Gainesville Housing Development & Management Corporation Board of Directors.

As much as I have thoroughly enjoyed working with you and the other board members, I have to recognize that my time is very limited now and feel as if I have not been able to dedicate the time necessary to properly serve the people of Gainesville.

I do want you and the board to know what my experience has been like since I became a board member:

1. GHA is an amazing organization that does a tremendous amount of good for our community. I doubt that the community at large knows just how much value you and the organization really provide.
2. The board members are GREAT. It has been such an honor to serve with all of them. Art is so dedicated to the cause and passionate about servicing the community. Rebecca really, really knows her stuff, loves her community, stands up for EVERYONE, and is a great hugger. Angela is smart, helpful, dedicated, and passionate, too. Chris is the "young" go getter, always wanting to help, and stays on top of all matters with GHA AND is thirsty for more education and learning.
3. The future is REALLY bright with your current board.
4. I would be remiss if I did not mention Michelle, Pam, Karen, and Vince – wow, they are so impressive. All are professional, respective, knowledgeable, and extremely helpful.
5. Then there is the honorable Mr. Gilmore. Talk about awesome – he is so professional, experienced, knowledgeable, and helpful.
6. I want to mention Larry, too – he has been so helpful to all of us. He is very impressive and has personally looked out for me in many ways during my service to the organization.
7. Finally, YOU. From the moment I met you for the interview about the opportunity to serve Gainesville through the GHA, I was so impressed. Really. You made me feel welcomed and convinced me immediately that I wanted to be a servant with you. I have thoroughly enjoyed all of the time we have shared working for our community, strengthening the GHA staff and team, and building relationships.
8. I consider every member of the GHA organization a true friend.

I wish you, the board, the staff, and entire organization much success moving forward. I will miss you all so much, and you can always count on me for your support.

If you need anything else from me to formally resign, please let me know.

Warm regards,

*Randy*
