

I believe the projected dollar amount for the project to be around \$3000.00. If the Code Enforcement Department has any recommendations for the proposed project or if any part of the proposed plan for improvement does/would cause the property to not be in compliance with any codes or ordinances please inform me and I can make any necessary adjustments/changes to the proposal.

POND

**REQUEST FOR REDUCTION/RESCISSION OF FINE & COSTS**Date: 06-30-2021Case Number: 18-00592Property Address: 2325 SE 9TH PL, Gainesville, Florida

1. I, MUSA BLOWNT (property owner/interested party) hereby request to be placed on the July Agenda for a request for reduction or rescission of the fine and costs against property that I own or have interest in.
2. I hereby release the City of Gainesville and the Code Enforcement Special Magistrate from any liability regarding this matter.
3. I understand that the property is in compliance as of 6/17/21.
4. The reason that the property was not in compliance was \_\_\_\_\_

How will the  
property be  
improved?

The property in question is now in compliance and I plan to henceforward ensure that the property stays within compliance. During this period of time I was in the process of moving, I was unaware of the correspondence from the code enforcement dept.

I plan to improve the property by planting a mixture of edible plants and Florida Native plants (drawn/selected from the list of UF/IFAS recommended plant species). The improvement to outside yard area will not require additional watering. It is my hope that such improvements will contribute to the neighborhood and also help to showcase native plant - low water intensive yard-scaping. (use back if necessary)
