Dear Ms. Howard:

Pursuant to our conversation on Wednesday, February 18, 2009 I have prepared the following breakdown of charges for your Public Record Request.

A) Number of Prostitution Arrests for 2005- 66
2006- 33
2007- 40
2008- 56
Total of Arrests 195

B) Each report consists of either 3 to 4 pages. For your request I have used the equation of 3.5 pages.

$$195 \times 3.5 = 682 \text{ pages}$$

C) The statutory fee per Fl. Statute 119.07 (4) (a) 1 authorizes the custodian to charge a fee of up to fifteen (.15) per one sided copy. First ten pages are free.

$$672 \times .15 = \$100.80$$

D) Since undercover personnel were utilized, their names will have to be redacted, per F.S. 119.07 (4) (d), the cost incurred by the agency for extensive redaction, using the hourly rate of \$13.31 for a clerk fee, that total would be \$26.62. Thus, the total amount due without postage would be \$127.50.

Please feel free to call me with any questions you may have, or you may contact my supervisor, Lt. Schibuola at 352-393-7550.

Mike
