SUBJECT: Interlocal agreement on airport zoning

RECOMMENDATION: The City Commission authorize the Mayor to sign an interlocal agreement with Alachua County concerning airport zoning regulations.

On May 10, 1999 the City Commission adopted Airport Hazard Zoning Regulations to meet the requirements of Chapter 333, Florida Statutes. The regulations established an Airport Height Notification Zone, Airport Runway Clear Zone and Airport Noise Zone around the Gainesville Regional Airport. The City Commission also authorized staff to negotiate an interlocal agreement with Alachua County to have the county enforce its similar regulations in the unincorporated area near the Gainesville Regional Airport, also to meet requirements of section 333.03(1)(b), Florida Statutes.

The County Commission approved the interlocal agreement on January 25. It provides that the City shall administer and enforce its airport zoning regulations on affected property within the City, and the County shall do the same on all affected property in the unincorporated area.
