I have been a University of Florida Student for the past three years. During that time, I have been the president of my residence hall on campus, worked as both a staff member and an assistant director for Gator Growl, and been an officer and committee member in my sorority. Through all of my involvement on campus, I have experienced many routes of the on-campus bus service. While living on campus I experienced the city service itself, too. I feel I can offer a great deal of insight to the Board as someone who rides the bus every day I go to school.
