I received a phone call from Maxine stating that she wanted to resign from the board. I know that she had a request in to be reinstated and I need to have it pulled. By the way, when do you anticipate any action on the other candidates.

Also, could you go ahead and please cancel the RTS Citizens Advisory Board meeting scheduled for 23 Feb 05. Thanks

Stache...

I tried calling you back, but missed you. You didn't say what about Maxine. I'm working on the backup for Legistar--and will be working straight through 2:30 when I leave for an appointment. Call me, or zap me an e-mail. //Jean
