

## **General Policy Committee Administrative Session**

The General Policy Committee operates on a quarterly cycle of sessions to discuss specific priorities and initiatives based on the focus areas outlined in the City Commission's Strategic Framework. Each quarter will begin with an administrative meeting to review open items and identify goals. The remainder of the quarter will consist of working sessions to hear updates, discuss content, and collect feedback.

We try to limit each GPC Meeting to three items for better flow of discussion and community engagement.
