3. The projected cost for each project identified in the district facilities work program. For proposed projects for new student stations, a schedule shall be prepared comparing the planned cost and square footage for each new student station, by elementary, middle, and high school levels, to the low, average, and high cost of facilities constructed throughout the state during the most recent fiscal year for which data is available from the Department of Education.

4. A schedule of estimated capital outlay revenues from each currently approved source which is estimated to be available for expenditure on the projects included in the district facilities work program.

5. A schedule indicating which projects included in the district facilities work program will be funded from current revenues projected in subparagraph 4.

6. A schedule of options for the generation of additional revenues by the district for expenditure on projects identified in the district facilities work program which are not funded under subparagraph 5. Additional anticipated revenues may include effort index grants, SIT Program awards, and Classrooms First funds.

Section 72. Rules 9J-5 and 9J-11.023, Florida Administrative Code, are repealed, and the Department of State is directed to remove those rules from the Florida Administrative Code.

Section 73. (1) Any permit or any other authorization that was extended under section 14 of chapter 2009-96, Laws of Florida, as reauthorized by section 47 of chapter 2010-147, Laws of Florida, is extended and renewed for an additional period of 2 years after its previously scheduled expiration date. This extension is in addition to the 2-year permit extension provided under section 14 of chapter 2009-96, Laws of Florida, as reauthorized by section 47 of chapter 2010-147, Laws of Florida. This section does not prohibit conversion from the construction phase to the operation phase upon completion of construction. Permits that were extended by a total of 4 years pursuant to section 14 of chapter 2009-96, Laws of Florida, as reauthorized by section 47 of chapter 2010-147, Laws of Florida, and by section 46 of chapter 2010-147, Laws of Florida, cannot be further extended under this provision.

(2) The commencement and completion dates for any required mitigation associated with a phased construction project shall be extended such that mitigation takes place in the same timeframe relative to the phase as originally permitted.

(3) The holder of a valid permit or other authorization that is eligible for the 2-year extension shall notify the authorizing agency in writing by December 31, 2011, identifying the specific authorization for which the holder intends to use the extension and the anticipated timeframe for acting on the authorization.

(4) The extension provided for in subsection (1) does not apply to:

(a) A permit or other authorization under any programmatic or regional general permit issued by the Army Corps of Engineers.

(b) A permit or other authorization held by an owner or operator determined to be in significant noncompliance with the conditions of the permit or authorization as established through the issuance of a warning letter or notice of violation, the initiation of formal enforcement, or other equivalent action by the authorizing agency.

(c) A permit or other authorization, if granted an extension, that would delay or prevent compliance with a court order.

(5) Permits extended under this section shall continue to be governed by rules in effect at the time the permit was issued, except if it is demonstrated that the rules in effect at the time the permit was issued would create an immediate threat to public safety or health. This subsection applies to any modification of the plans, terms, and conditions of the permit that lessens the environmental impact, except that any such modification may not extend the time limit beyond 2 additional years.

(6) This section does not impair the authority of a county or municipality to require the owner of a property that has notified the county or municipality of the owner's intention to receive the extension of time granted pursuant to this section to maintain and secure the property in a safe and sanitary condition in compliance with applicable laws and ordinances.

Section 74. (1) The state land planning agency, within 60 days after the effective date of this act, shall review any administrative or judicial proceeding filed by the agency and pending on the effective date of this act to determine whether the issues raised by the state land planning agency are consistent with the revised provisions of part II of chapter 163, Florida Statutes. For each proceeding, if the agency determines that issues have been raised that are not consistent with the revised provisions of part II of chapter 163, Florida Statutes, the agency shall dismiss the proceeding. If the state land planning agency determines that one or more issues have been raised that are consistent with the revised provisions of part II of chapter 163, Florida Statutes, the agency shall amend its petition within 30 days after the determination to plead with particularity as to the manner in which the plan or plan amendment fails to meet the revised provisions of part II of chapter 163, Florida Statutes. If the agency fails to timely file such amended petition, the proceeding shall be dismissed.

(2) In all proceedings that were initiated by the state land planning agency before the effective date of this act, and continue after that date, the local government's determination that the comprehensive plan or plan amendment is in compliance is presumed to be correct, and the local government's determination shall be sustained unless it is shown by a

preponderance of the evidence that the comprehensive plan or plan amendment is not in compliance.

Section 75. All local governments shall be governed by the revised provisions of s. 163.3191, Florida Statutes, notwithstanding a local government's previous failure to timely adopt its evaluation and appraisal report or evaluation and appraisal report-based amendments by the due dates previously established by the state land planning agency.

Section 76. A comprehensive plan amendment adopted pursuant to s. 163.32465, Florida Statutes, subject to voter referendum by local charter, and found in compliance before the effective date of this act, may be readopted by ordinance, shall become effective upon approval by the local government, and is not subject to review or challenge pursuant to the provisions of s. 163.32465 or s. 163.3184, Florida Statutes.

Section 77. The Department of Transportation shall develop and submit to the President of the Senate and the Speaker of the House of Representatives, no later than December 15, 2011, a report on recommended changes to or alternatives to the calculation of the proportionate share contribution in s. 163.3180(5)(h)3., Florida Statutes. The department's recommendations, if any, shall be designed to ensure development contributions to mitigate impacts on the transportation system are assessed in predictable, equitable and fair manner and shall be developed in consultation with developers and representatives of local governments.

Section 78. If any provision of this act or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

Section 79. (1) Except as provided in subsection (4), and in recognition of 2011 real estate market conditions, any building permit, and any permit issued by the Department of Environmental Protection or by a water management district pursuant to part IV of chapter 373, Florida Statutes, which has an expiration date from January 1, 2012, through January 1, 2014, is extended and renewed for a period of 2 years after its previously scheduled date of expiration. This extension includes any local government-issued development order or building permit including certificates of levels of service. This section does not prohibit conversion from the construction phase to the operation phase upon completion of construction. This extension is in addition to any existing permit extension. Extensions granted pursuant to this section; section 14 of chapter 2009-96, Laws of Florida, as reauthorized by section 47 of chapter 2010-147, Laws of Florida; section 46 of chapter 2010-147, Laws of Florida; or section 74 of this act shall not exceed 4 years in total. Further, specific development order extensions granted pursuant to s. 380.06(19)(c)2., Florida Statutes, cannot be further extended by this section.

(2) The commencement and completion dates for any required mitigation associated with a phased construction project are extended so that mitigation

takes place in the same timeframe relative to the phase as originally permitted.

(3) The holder of a valid permit or other authorization that is eligible for the 2-year extension must notify the authorizing agency in writing by December 31, 2011, identifying the specific authorization for which the holder intends to use the extension and the anticipated timeframe for acting on the authorization.

(4) The extension provided for in subsection (1) does not apply to:

(a) A permit or other authorization under any programmatic or regional general permit issued by the Army Corps of Engineers.

(b) A permit or other authorization held by an owner or operator determined to be in significant noncompliance with the conditions of the permit or authorization as established through the issuance of a warning letter or notice of violation, the initiation of formal enforcement, or other equivalent action by the authorizing agency.

(c) A permit or other authorization, if granted an extension that would delay or prevent compliance with a court order.

(5) Permits extended under this section shall continue to be governed by the rules in effect at the time the permit was issued, except if it is demonstrated that the rules in effect at the time the permit was issued would create an immediate threat to public safety or health. This provision applies to any modification of the plans, terms, and conditions of the permit which lessens the environmental impact, except that any such modification does not extend the time limit beyond 2 additional years.

(6) This section does not impair the authority of a county or municipality to require the owner of a property that has notified the county or municipality of the owner's intent to receive the extension of time granted pursuant to this section to maintain and secure the property in a safe and sanitary condition in compliance with applicable laws and ordinances.

Section 80. The Division of Statutory Revision is directed to replace the phrase "the effective date of this act" wherever it occurs in this act with the date this act becomes a law.

Section 81. This act shall take effect upon becoming a law.

Approved by the Governor June 2, 2011.

Filed in Office Secretary of State June 2, 2011.
