Gainesville, Fl 32601

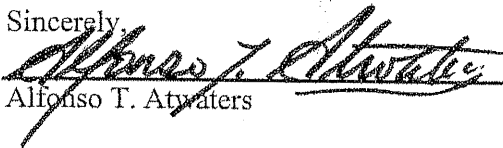

August 6, 2007

To the Board:

It is with deep regret that at this time, that due to circumstances beyond my control, i.e., ministerial duties and the care of my aged mother, I hereby tender my resignation from the Gainesville Code Enforcement Board.

I have enjoyed my short stay and the people that I have met and I wish you continued success in your efforts to keep the city beautiful.

Sincerely,

  
Alfonso T. Atwaters
