Subject: Commission Referrals to Boards/Committees

Good Morning Liaisons,

One of our goals to move toward a more efficient process for Boards/Committees is to make the Commissioners aware of your ability to help with research and decision making. Please include on your next agenda an item to discuss five (5) topics that can be referred to your Board/Committee from the Commission.

I am aware that most of you have already met for the month of October and won't meet again until November. Please submit the list as soon as possible after your next meeting.

We appreciate all of your hard work and your dedication to the City!

Enjoy your day!
