ORDINANCE NO. 160679

An ordinance of the City of Gainesville, Florida, amending the Master Signage Plan that regulates signage within the Butler Development, a Planned Development (PD) zoning district that consists of approximately 267 acres generally located north of SW Archer Road, south of SW 24th Avenue, east of SW 40th Boulevard, and west of SW 34th Street; providing for enforcement; providing a severability clause; providing a repealing clause; and providing an immediate effective date.

WHEREAS, the Butler Development is a private development consisting of approximately 267 acres within the City of Gainesville that is generally located north of SW Archer Road, south of SW 24th Avenue, east of SW 40th Boulevard, and west of SW 34th Street; and

WHEREAS, on November 21, 2013, the City Commission adopted Ordinance No. 121108 and rezoned Butler Development to Planned Development District (PD), which is a zoning category that allows for landowners or developers to submit unique proposals that are not addressed or otherwise provided for in the zoning districts and land development regulations established by the City of Gainesville Land Development Code; and

WHEREAS, Section 163.3164(26), Florida Statutes, defines “land development regulations” as ordinances enacted by governing bodies for the regulation of any aspect of the development of land and shall specifically include any local government zoning, rezoning, subdivision, building construction, and sign regulations; and

WHEREAS, Section 163.3202(2), Florida Statutes, requires each municipality to adopt by ordinance and enforce certain land development regulations, which shall include the regulation of signage amongst other land development regulations; and

1 **WHEREAS**, Section 30-214 of the Land Development Code specifies certain land
2 development regulations that a PD zoning ordinance may include, such as a unified signage plan
3 that will regulate signage within the PD in a unique and innovative manner that is not provided
4 for in the sign regulations in the Land Development Code but is nevertheless consistent with and
5 promoted by the City of Gainesville Comprehensive Plan; and

6 **WHEREAS**, PD Ordinance No. 121108 includes a provision that allows Butler
7 Development to submit a Master Signage Plan that will regulate signage within the Butler
8 Development, subject to review and approval by the City Commission (*see* Exhibit “C” to
9 Ordinance No. 121108, page 19 of 47, #7); and

10 **WHEREAS**, on January 15, 2015, the City Commission adopted Ordinance No. 140501
11 to adopt a Master Signage Plan regulating signage within the Butler Development; and

12 **WHEREAS**, by initiation of the owners of Butler Development, this ordinance amends
13 the adopted Master Signage Plan; and

14 **WHEREAS**, the City Plan Board, which acts as the Local Planning Agency pursuant to
15 Section 163.3174, Florida Statutes, held a public hearing on January 26, 2017, and voted to
16 recommend that the City Commission approve this amendment to the Butler Development
17 Master Signage Plan; and

18 **WHEREAS**, at least 10 days’ notice has been given once by publication in a newspaper
19 of general circulation notifying the public of this proposed ordinance and of public hearings in
20 the City Hall Auditorium located on the first floor of City Hall in the City of Gainesville; and

1 **WHEREAS**, public hearings were held pursuant to the notice described above at which
2 hearings the parties in interest and all others had an opportunity to be and were, in fact, heard;
3 and

4 **WHEREAS**, the City Commission recognizes that signs may present a safety hazard by
5 distracting motorists, pedestrians and other members of the public and may affect the aesthetic
6 qualities and economic vitality of the community, and that these concerns are of a substantial
7 interest to the City of Gainesville; and

8 **WHEREAS**, the City Commission finds that the signage regulations provided in the
9 Butler Development Master Signage Plan are consistent with and promote the Comprehensive
10 Plan and that such signage regulations are reasonable and narrowly tailored to directly preserve
11 and protect the health, safety, welfare, and general well-being of citizens by promoting public
12 safety, economic vitality, and aesthetic qualities in the City of Gainesville.

13 **NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE**
14 **CITY OF GAINESVILLE, FLORIDA:**

15 **SECTION 1.** The Butler Development Master Signage Plan, attached to this ordinance
16 as **Exhibit A** and incorporated herein by reference as if set forth in full, is adopted to regulate
17 signage within the Butler Development and shall replace and supersede the signage regulations
18 provided in PD Ordinance No. 121108 (pages 18-19 of 47 in Exhibit C to Ordinance No.
19 121108) and in The Butler Development Master Signage Plan that was adopted in Ordinance No.
20 140501. All signage within the Butler Development shall meet the signage regulations set forth
21 in the City of Gainesville Land Development Code in effect at the time of application for a sign
22 permit, except as expressly provided by the Butler Development Master Signage Plan attached to

1 this ordinance as **Exhibit A**.

2 **SECTION 2.** Any person who violates any provision of this ordinance shall be deemed
3 guilty of a municipal ordinance violation and shall be subject to the enforcement provisions
4 provided in the City of Gainesville Land Development Code.

5 **SECTION 3.** If any word, phrase, clause, paragraph, section or provision of this
6 ordinance or the application hereof to any person or circumstance is held invalid or
7 unconstitutional, such finding shall not affect the other provisions or applications of this
8 ordinance that can be given effect without the invalid or unconstitutional provision or
9 application, and to this end the provisions of this ordinance are declared severable.

10 **SECTION 4.** Ordinance No. 140501 is hereby superseded in its entirety and is hereby
11 repealed on the effective date of this ordinance. Except as expressly modified or superseded
12 herein, Ordinance No. 121108 shall remain in full force and effect. In the event of conflict or
13 inconsistency between the provisions of Ordinance No. 121108 and this ordinance, this ordinance
14 shall govern and prevail. All other ordinances or parts of ordinances in conflict herewith are to
15 the extent of such conflict hereby repealed

16 **SECTION 5.** This ordinance shall become effective immediately upon adoption.
