Jean,
City of Gainesville Bicycle/Pedestrian Advisory Board (BPAB) member - Richard Browning has resigned effectively immediately per the email below. He is planning to leave the area to take a position in another State. His appointment term was set as Start: 2/26/07; End: 12/31/09. We will need to advertise this BPAB position as to complete this term until 12/31/09. Please let me know the advertising cycle for this position so I can update BPAB and send other agency applicants, as BPAB operates under an applicant pool system with the County and MTPO. If there is anything further I need to do, please let me know.

Thanks,

Dear Bill and Dekova,

I regret to inform you that I must resign my position on Gainesville's BPAB. I am leaving Florida to take a position with a large transportation design firm in Seattle. My apologies for creating so much orientation work for you in return for so little attendance and input from me. I certainly appreciate your efforts and the efforts of all the citizen committee members in trying to make Gainesville a better place for bikes and pedestrians. Perhaps there will be some opportunity for us to work together at greater length and more productively in the future.
