

2008 State Legislative Agenda Appropriation Request Summary

Project	Amount of Request	Summary
Sweetwater Branch/Paynes Prairie Sheetflow Restoration	\$2 million	Funding will be used as cost-share funding for the construction of a sheetflow channel with water-control structures and backfilling the Sweetwater Canal.
Little Hatchet/Lake Forest Creek Watershed Management Plans	\$200,000	Funding will be used for developing the updated Watershed Management Plans.
Improvements to Meet TMDL	\$1 million	Funding will assist with improvements to the City of Gainesville's Main Street Water Reclamation Facility in order to meet the nutrient TMDL for the Alachua Sink.
Regional Groundwater Monitoring Network and Protection of Water Supply	\$1.5 million	Funding will be used to establish a Regional Groundwater Monitoring "sentinel" Well Network around the City's wellfield to detect the presence of any contamination moving toward the wellfield from groundwater contamination sites in advance of it reaching the City's water supply wells. Sites of concern include the Cabot/Koppers Superfund site, US Department of Labor Job Corps site, FDOT Fairbanks site, State of Florida Tacachale site and other contamination sources.
Regional Juvenile Crime Prevention Initiative	\$75,000	Funding will be used to complete construction on the Reichert House teen program facility.
Projects are listed in priority order. Total appropriation request – \$4,775,000
