Mayor Pegeen Hanrahan
200 East University Avenue
Gainesville, FL 32601

Dear Mayor Hanrahan:

Gainesville, Florida is to be congratulated for becoming the first recognized Butterfly City in the nation. May Gainesville serve as a role model to other cities that care about the protection and promotion of natural beauty in their communities.

It has come to my attention that a local grassroots organization: Butterfly Education Project brought the concept of becoming a Butterfly City to Gainesville. I understand that it is a diverse group of people who work with students in the third through fifth grades at Caring & Sharing Charter School.

Gainesville is to be commended for becoming a Butterfly City and I certainly will look for the blue and green logo not only in Gainesville but also across America in the years to come.

With best regards, I am

Sincerely,

Cliff Stearns
United States Representative
