## ARTICLE I

### PURPOSE

It is the purpose and intent of this Agreement to define the terms and conditions of the COUNTY's construction of a Judicial Complex in "downtown Gainesville". For purposes of this Agreement, the term "downtown Gainesville" means all property within the City of Gainesville with the zoning classification of "Central City District". The County's preference is to construct the Judicial Complex on a six (6) block area bounded on the east by South Main Street, on the north by S.W. 2<sup>nd</sup> Avenue, on the south by S.W. 4<sup>th</sup> Avenue, and on the west by S.W. 2<sup>nd</sup> Street (hereinafter the "County's preferred property"). This Agreement is intended to:

1. Provide the CITY with the certainty that the COUNTY will construct the Judicial Complex in the downtown area of Gainesville so as to support the redevelopment of downtown Gainesville.
2. Identify the COUNTY's obligations relating to the construction and use of the Judicial Complex.
3. Identify the contributions that the CITY will provide to facilitate the construction of the Judicial Complex.

All terms and conditions of this Agreement shall be interpreted in a manner consistent with, and in furtherance of, the purpose of this Agreement.

## ARTICLE II

### COUNTY OBLIGATIONS

1. The COUNTY shall acquire the real property identified in Article I, above, and construct thereon a Judicial Complex. The COUNTY will pay for the cost of site preparation, construction and operation of the Judicial Complex.
2. The COUNTY will provide funding for a 20 year lease agreement with the City and lease at a rate of \$5.00 per juror parking space per day or \$69,888 per year, whichever is greater, parking spaces for jurors in a parking facility or facilities constructed by the CITY on property located in close proximity to the Judicial Complex. Provided, however, if the local government infrastructure surtax referred to in Article III, Section 5, is approved by electors, the CITY shall provide juror parking spaces at no costs to jurors or the County for a period of 20 years.
3. The COUNTY agrees to provide the City the right to ongoing review and input pertaining to the site and master plan, the exterior architectural features, and exterior appearance of the Judicial Complex in addition to the normal development review requirements of the City's Land Development Code.
4. The COUNTY agrees to develop the Judicial Complex as a planned development under the City's Land Development Code, and will submit an application for rezoning to planned development on or before January 1, 2002.
5. The COUNTY agrees to pursue any cleanup or mitigation of environmental contamination of the property identified in Article I, above, as appropriate.
6. As part of the development of the Judicial Complex, the County may construct and operate its own stormwater treatment facilities to handle the surface water runoff as provided by the City's Land Development Code. The County acknowledges that the City is planning to

construct and operate a Master Stormwater Park (the "Park") that will be designed to accommodate the surface water runoff from the judicial complex. The County has the option of using the Park for such purposes provided the County pays its proportional share of the operating and construction costs on the same basis and in the same manner as other properties using the Park in the downtown areas. In the event the Park is not available when the judicial complex, or any phase, is completed, then the County may construct interim basins until the Park is completed. The judicial complex is subject to the service fees charged by the City for stormwater management services as otherwise provided in the City's Code of Ordinances.

### ARTICLE III

#### CITY OBLIGATIONS

1. The CITY shall use its best efforts to vacate and close the portion of S.W. 1<sup>st</sup> Street from S.W. 2<sup>nd</sup> Avenue to S.W. 4<sup>th</sup> Avenue and both S.W. 3<sup>rd</sup> Avenue and S.W. 2<sup>nd</sup> Place from South Main Street to S.W. 2<sup>nd</sup> Street on a phased schedule coordinated with the development of the Judicial Complex, and to the extent required for the Complex. The CITY shall retain utility and drainage easements over, under, across, and through the vacated right-of-way. The exact location of the easements shall be determined at the time of site plan approval of the Judicial Complex.

2. If the County constructs the Judicial Complex on the County's preferred property as described in Article I, then the CITY shall convey to the County for one dollar (\$1.00) that parcel identified by the following legal description:

Block Number Two (2), in Range Number One (1), according to the original survey of the Town (now City) of Gainesville, Florida, as per map thereof recorded upon the public records of Alachua County Florida, at page 383 of Deed Book "H".

The conveyance will be by special warranty deed. The deed will contain a restrictive covenant limiting the use of the property as a part of the Judicial Complex, and a reverter clause that provides that the property will automatically revert to the City if construction of the Judicial Complex is not commenced on or before January 1, 2005, and if the property is not used as a judicial complex.

3. The CITY will construct a parking facility or facilities with a minimum of 375 parking spaces at a location in close proximity to the Judicial Complex and make available on a daily basis from 7:00 a.m. to 6:00 p.m., excluding Saturdays, Sundays and holidays, 112 spaces for use by jurors, under the terms provided in Article II, paragraph 2. The remaining 263 spaces will be made available by the CITY to the general public for rental on terms and rates as determined by the City. The CITY agrees to negotiate a reduction in the number of juror-provided spaces if data documents that a portion of the jurors are using the Regional Transit System to travel to the judicial complex as long as the amount due the City in Article II, paragraph 2, is not reduced or changed.

4. The CITY and COUNTY acknowledge that the City may vary the City of Gainesville Special Area Plan for the Traditional City to allow the County to set back from perimeter streets the distance required by the standards to ensure that the Judicial Complex is secure, as may be recommended by an architect retained by the COUNTY who is an expert on courthouse security measures, provided the COUNTY submits a petition to rezone the property to planned development as provided in Article II Paragraph 4 of this Agreement.

5. The CITY agrees to approve an interlocal agreement with the County on or before November 1, 2000, pursuant to Section 212.055, Florida Statutes, to provide for the distribution of the proceeds of the levy of a one-cent (1¢) for one (1) year local government infrastructure surtax if the levy of the surtax is approved by a majority of the electors in the County voting on a

referendum on the surtax. The Interlocal Agreement will be substantially in the form attached hereto as Exhibit "A" and shall provide that the proceeds will be used to acquire and construct a Judicial Complex and parking facility or facilities in downtown Gainesville. The County agrees to pay the City from the proceeds of the surtax \$458,333.33 per month commencing no later than 30 days after the date Alachua County receives the first payment from the Florida Department of Revenue, and continuing each month thereafter until the amount reaches the sum of 5.5 million dollars. In the event any monthly payment due the City is more than 30 days late, the County agrees to pay the City interest on any amount then owing the statutory rate of interest as provided in § 55.03, F.S. (2000). This paragraph shall survive the termination of this agreement.

6. The CITY agrees to pursue any cleanup or mitigation of environmental contamination of the property on which the City's parking facility or facilities is constructed, as appropriate.

#### ARTICLE IV

##### TERM OF AGREEMENT

1. This Agreement shall become effective on the date signed by the last party to sign and shall remain in effect until terminated by completion of construction of the Judicial Complex by the County and completion of construction of the parking facility or facilities by the City and execution of a lease agreement between the City and County for the juror parking spaces, or as otherwise provided in this Agreement.

2. Any provision to the contrary notwithstanding, the County may terminate this agreement on or before January 31, 2001, if the total acquisition costs for the County's preferred property identified in Article I exceed the County's planned budget allocated for acquisition expenses. In the event the County terminates the agreement on this basis, the parties will be relieved of its obligations under this agreement. Thereupon, the County agrees to immediately

negotiate a substitute agreement with the City for locating the judicial complex in another location of adequate size in downtown Gainesville.
