COMMISSION COMMENT

Commissioner Arreola: 1) Wants to take a brief moment to address interest question about GRU's debt posed during citizen comment.

Mayor-Commissioner Pro Tem Hayes-Santos: 1) Audit and Finance is mandated by the charter and all our audits came back clean from the independent; 2) The State Legislature is continuing their attacks on home rule; one concern is to preempt local governments from banning straws/plastics.

Motion by Mayor-Commissioner Pro Tem Hayes-Santos, seconded by Commissioner Ward: 1) Direct state lobbyists to fight the state preemption of bans on plastics/straws; and 2) Draft a resolution to oppose the erosion of home rule. Motion passed 7-0. Donald Shepherd and Nathan Skop spoke to the matter.

Commissioner Warren: 1) Addressed the GRU debt issue – we have staff who review the financials to review our positions and make the best decisions for our future position.

Motion by Commissioner Ward, seconded by Commissioner Warren: Direct City Clerk to prepare the process to advertise applications for the potential city charter review commission so that if the amendment passes on the March 19th ballot a commission can be set to work as soon as possible giving the potential CCRC the maximum time possible for citizen input. Motion by Commissioner Ward, seconded by Commissioner Arreola: Direct City Attorney's office to work with the Alachua County Attorney's office and any other partners the attorney's offices sees fit to support legal action preventing phosphate mining in Bradford and Union County near the Santa Fe River. Commissioner Ward wanted to thank everyone for their patience on getting these out there.

Commissioner Arreola: 1) Received an email from Richard McMaster and Gainesville

was selected as a location for the Mexican Consulate to provide services to Mexican Nationals. They are in search of a location. Would like to see if the City Manager's office could provide a list of location options for June 15-16th; 2) Would like to explore potentials for state appropriations for our Community Paramedic Resource Program. Contact John Wayne Smith to see if funds are available to secure a couple of more years to secure additional data before asking for full funding for the program in the future. Refer to lobbyists for research; and 3) Wants to establish that he has not pre-selected any individuals for the CCRC and will vet all candidates who apply as this is a major part of our City's future if passed.

Mayor-Commissioner Pro Tem Hayes Santos to Nathan Skop: 1) Stop spying on private citizens, and leave City Commissioners families alone because they did not run for office.

Commissioner Warren: 1) Had an incredible week – Gainesville Housing Authority received a \$2.3 million grant award to go towards projects that the GHA has been working on for a couple of years to support residents; 2) Wants the City to consider in this year's budget a landlord trust mitigation to be shared with the Gainesville Housing Authority and the County to work to help keeping people housed and getting those on the streets in homes. Fred Murry spoke to the appropriations bill requesting authorization to move forward if the funds are available, as there may not be time to come back before the body for approval.
