HISTORIC PRESERVATION PLANNER _____ DATE _____

THE HISTORIC PRESERVATION BOARD CONSIDERED THE APPLICATION OF HP _____ AT THE _____ MEETING. THERE WERE _____ MEMBERS PRESENT.

THE APPLICATION WAS _____ BY A _____ VOTE, SUBJECT TO THE
FOLLOWING CONDITIONS:

The basis for this decision was:

Chairperson _____ Date _____

It is understood that the approval of this application by the Historic Preservation Board or staff in no way constitutes approval of a Building Permit for construction from the City of Gainesville's Building Department.

After the application approval, the COA is valid for one year.

Please post the CERTIFICATE OF APPROPRIATENESS at or near the front of the building.

Project Description

1. The roof to be altered is part of an owner-occupied ranch house, built in 1948. The existing roof, including the section to be converted, is covered in white electrogalvanized 5V-crimp metal panels. The construction beneath the section for modification is framed roof-support beams and plywood decking, and part of a new addition built in 2006. No historic materials or design are affected.
2. The project proposes to modify an existing section of flat roof, approximately 350 square feet, to deal with a rainwater leak and to correspond with the original 3:12 gable roof that defines the rest of the house. Situated on the front northwest corner of the house, facing NE 3rd St, the flat roof was built in 2006 as part of living-room addition. The flat roof started leaking during the heavy rains this fall. The best fix will be to eliminate the flat roof and convert it to a gable roof. The modification will tie new rafters into existing rafters. This will fix the problem with leaks and give the roof a seamless look from the side (north) and the front (west). The same metal roofing will cover the new section, and I will reconstruct the gable end to conform to the existing gable end (1-x-6, stained tongue-and-groove planking). The new design will not affect the historical integrity of the house. Toward the north (facing NE 13th Ave), the elevation will show a slightly larger peak (which will match an existing second peak not part of the modification) in place of a smaller one with a flat extension and a short hip over the front porch. I am asking for no modification of zoning or building-code requirements. Very little demolition will be required. Waste materials will fit in the back of my pickup for transport to the Waldo Road transfer station. This is a three-day job that will require neither construction dumpster nor portable toilet on site.

PROJECT DESCRIPTION

1. DESCRIBE THE EXISTING CONDITIONS AND MATERIALS

Describe the existing structure(s) on the subject property in terms of the construction materials and site conditions as well as the surrounding context.

2. DESCRIBE THE PROPOSED PROJECT AND MATERIALS Describe the proposed project in terms of size, affected architectural elements, materials, and relationship to the existing structure(s). Attach further description sheets, if needed.

DEMOLITIONS AND RELOCATIONS

Especially important for demolitions, please identify any unique qualities of historic and/or architectural significance, the prevalence of these features within the region, county, or neighborhood, and feasibility of reproducing such a building, structure, or object. For demolitions, discuss measures taken to save the building/structure/object from collapse. Also, address whether it is capable of earning a reasonable economic return on its value. For relocations, address the context of the proposed future site and proposed measures to protect the physical integrity of the building.) Additional criteria for relocations and demolitions: Please describe the future planned use of the subject property once vacated and its effect on the historic context.

MODIFICATION OF EXISTING ZONING REQUIREMENTS.

Any change shall be based on competent demonstration by the petitioner of Section 30-112(d)(4)b.

Please describe the zoning modification and attach completed, required forms.

The Historic Preservation Board (HPB) is an advisory board to the City of Gainesville's Commission composed of citizens who voluntarily, without compensation commit their time and expertise to the stewardship of historic resources in our community.

The HPB approval is a procedure which occurs for alterations, construction, restorations, or other significant changes to the appearance of a structure in Gainesville's Historic Districts which have an impact on the significant historical, architectural, or cultural materials of the structure and/or the district. The City's historic review guidelines are available online at www.cityofgainesville.org/planningdepartment and within the Land Development Code, Section 30-112.

After submission of an application, the Historic Preservation Planner prepares a written recommendation for the board meeting which addresses whether the proposed changes are compatible with the criteria of the SECRETARY OF INTERIOR'S STANDARDS FOR REHABILITATION and the City of Gainesville's HISTORIC PRESERVATION REHABILITATION AND DESIGN GUIDELINES. Once staff has prepared and completed the staff report, an Agenda of the proposed meeting and the staff report will be posted online approximately 5 to 7 days prior to the HPB meeting and can be found at www.cityofgainesville.org/planningdepartment — Citizen Advisory Boards — Historic Preservation Board.

Public notice signage is required to be posted at the property by the applicant no later than 10 days prior to the scheduled Historic Preservation Board meeting. The notarized *Public Notice Signage Affidavit* must be submitted once the sign is posted.

The applicant and/or owner of the property should be present at the Historic Preservation Board meeting and be prepared to address inquiries from the board members and/or the general public. The HPB meeting is a quasi-judicial public hearing with procedural requirements. The review body may approve, approve with conditions, or deny projects. It is not necessary for owners to be present at the HPB meeting if your COA has been staff approved.

In addition to a Certificate of Appropriateness (COA), a building permit may be required for construction from the Building Department. This is a separate process with submittal requirements. Building permits will not be issued without proof of a COA and the Historic Preservation Planner signing the building permit. After the application approval, the COA is valid for one year.

Please post the CERTIFICATE OF APPROPRIATENESS at or near the front of the building.

CERTIFICATION

BY SIGNING BELOW, I CERTIFY THAT THE INFORMATION CONTAINED IN THIS APPLICATION IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE AT THE TIME OF THE APPLICATION. I ACKNOWLEDGE THAT I UNDERSTAND AND HAVE COMPLIED WITH ALL OF THE SUBMITTAL REQUIREMENTS AND PROCEDURES AND THAT THIS APPLICATION IS A COMPLETE SUBMITTAL. I FURTHER UNDERSTAND THAT AN INCOMPLETE APPLICATION SUBMITTAL MAY CAUSE MY APPLICATION TO BE DEFERRED TO THE NEXT POSED DEADLINE DATE.

1. I/We hereby attest to the fact that the above supplied parcel number(s) and legal description(s) is (are) the true and proper identification of the area of this petition.
2. I/We authorize staff from the Planning and Development Services Department to enter onto the property in question during regular city business hours in order to take photos which will be placed in the permanent file.+
3. I/We understand that Certificates of Appropriateness are only valid for one year from issuance.
4. It is understood that the approval of this application by the Historic Preservation Board or staff in no way constitutes approval of a Building Permit for construction from the City of Gainesville's Building Department.
5. The COA review time period will not commence until your application is deemed complete by staff and may take up to 10 days to process.
6. Historic Preservation Board meetings are conducted in a quasi-judicial hearing and as such ex parte communications are prohibited (Communication about your project with a Historic Preservation Board member).

A pre-application conference with the Historic Preservation Planner is required before the submission of a Certificate of Appropriateness (COA) application. A concept review with the City of Gainesville's Historic Preservation Board is optional.

For a single-family structure, accessory structures and all other structures which require Historic Preservation Board review, there is an application fee. Fees vary by the type of building and change annually. Please consult with planning staff or online at www.cityofgainesville.org/planningdepartment to determine the amount of the application fees for your project. There is no fee for a staff approved Certificate of Appropriateness. Please consult the FAQ's *Living and Developing in a Historic District* and the *Historic Preservation Rehabilitation and Design Guidelines* for restoration & rehabilitation that is staff approvable. **The COA review time period will not commence until your application is deemed complete by staff.**

The application is due by 11:00 a.m.. on the **application deadline date** as noted on the attached annual meeting and cut-off schedule.

THIS CHECKLIST IS A GUIDE TO BE USED FOR PROPER COA SUBMITTAL. SOME ITEMS MAY NOT APPLY TO YOUR PERMIT APPLICATION.

Please provide all documents in sets of 10 on paper no larger than 11" x 17". One large format set may also be requested if details are not legible.

A completed application may include the following:

TAX SAVINGS FOR HOMEOWNERS OF HISTORIC PROPERTIES

The improvements to your historic property may qualify for a property tax exemption. The City of Gainesville permits an Ad Valorem property tax exemption for renovations, rehabilitations, and restorations to contributing properties within Historic Districts.

The amount of the exemption shall be determined by the Alachua County Property Appraiser based upon its usual process for post-construction inspection and appraisal of property following rehabilitation or renovation. The duration of the exemption shall continue regardless of any change in the authority of the City to grant such exemptions or any change in ownership of the property. In order to retain an exemption, however, the historic character of the property, and improvements which qualified the property for an exemption, must be maintained over the period for which the exemption was granted.

This is an excerpt from the Land Development Code ARTICLE IV. TAX EXEMPTION FOR HISTORIC PROPERTIES Sec. 25-61—66

An Overview of the Application Process:

An applicant (owner of record or authorized agent) seeking an ad valorem tax exemption for historic properties must file with the city manager or designee the two-part Historic Preservation Property Tax Exemption Application with "Part 1: Preconstruction Application" (Part 1) completed. In addition, the applicant shall submit the following:

- A completed application for a Certificate of Appropriateness for the qualifying restoration, renovation, or rehabilitation.
- An application fee of not more than five hundred dollars (\$500.00) to be determined by the city manager or designee based on the estimated cost of the work to be performed and the administrative costs to be incurred by the city in processing the application and monitoring compliance.

The City of Gainesville Historic Preservation Board (HPB) shall review Part 1 applications for exemptions. The HPB shall determine whether the property is an eligible property and whether the Part 1 proposed improvement is consistent with the Secretary of Interior's *Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings* and is therefore an eligible improvement.

Upon completion of work specified in the "Part 1" application, the applicant shall submit a "Part 2: Final Application for Review of Completed Work" (Part 2). The HPB shall conduct an inspection of the subject property to determine whether or not the completed improvements are in compliance with the work described and conditions imposed in the approved Part 1 application. Appropriate documentation may include paid contractor's bills and canceled checks, as well as an inspection request by the applicant within two (2) years following approval of the Part 1 application.

On completion of review of the Part 2 application, the HPB shall recommend that the city commission grant or deny the exemption. The recommendation and reasons therefore, shall be provided in writing to the applicant and to the city commission.

A majority vote of the city commission shall be required to approve a Part 2 application and authorize the ad valorem tax exemption. If the exemption is granted, the city commission shall adopt an ordinance.

The property owner shall have the historic preservation exemption covenant recorded in the official records of Alachua County, and shall provide a certified copy of the recorded historic preservation exemption covenant to the city manager or designee.

The effective date of the ad valorem tax exemption shall be January 1 of the year following the year in which the application is approved by the city commission and a historic preservation exemption covenant has been transmitted to the Alachua County Appraiser.

To qualify for an exemption, the property owner must enter into a covenant with the City of Gainesville for the term for which the exemption is granted. The covenant shall be binding on the current property owner, transferees, and their heirs, successors, or assigns.

Violation of the covenant or agreement will result in the property owner being subject to the payment of the differences between the total amount of taxes which would have been due in March in each of the previous years in which the covenant or agreement was in effect had the property not received the exemption and the total amount of taxes actually paid in those years, plus interest on the difference calculated as provided in F.S. § 212.12(3), as amended.

Please review City of Gainesville's Code of Ordinances Section 25-61 for qualification and process information.

This information is available online at www.municode.com for the City of Gainesville, FL Chapter 25 Section 25-61—25-65.
