Northeast Residential Historic District. Request to Amend Window Details for an Approved Certificate of Appropriateness (B)

Petition HP-18-39. Amelia Tanner, Straight Line Construction, agent for Richard Pusateri. Request to amend the window details that were part of the work proposed in Petition HP-18-39, that was approved at the May 1, 2018 HPB meeting. Located at 636 NE 7th Street. This building is contributing to the Northeast Residential Historic District.

RECOMMENDATION

Staff recommends the board hear the request for a hardship due to the cost difference between wood windows and vinyl windows.

Jason Simmons, Planner, gave the staff presentation. Daniel Eckhard and Ben Stone of Straight Line Construction, spoke to the matter and asked and answered questions from the board. Mr. Eckhard indicated that the plans had changed since the board last saw the petition in May of 2018. The board indicated that the vinyl windows were not appropriate for this contributing structure but since much of the plan had changed, they should see the new changes and how it affects the scale of the project and the window placement within the new parameters of the project. Motion made to continue to the next meeting. Motion Made by Bill Warinner, seconded by Michelle Hazen. Motion passes following a 6-0 vote.

NEXT MEETING DATE - MAY 7, 2019

INFORMATION ITEM: NONE

The board reviewed and discussed the revised drawings that architect Ricardo Cavallino submitted for Petition HP-19-00019, concerning the new construction of a duplex to replace a small contributing accessory structure in University Heights Historic District – North. The board indicated they appreciated the improvement in the design.

Staff indicated to the board that it was time for the annual Florida Trust membership renewal.

Motion to Approve the continued membership in the Florida Trust for Historic Preservation. Motion made by Bill Warinner, seconded by Kyra Lucas. Motion passes following a 6-0 vote.

BOARD MEMBER COMMENTS

There was some discussion concerning the need for a full-time historic preservation planner and about making a motion to express this desire to the City Commission. The board indicated that this topic can be addressed at the scheduled joint meeting between the City Commission and the Historic Preservation Board on Monday, April 8, 2019.

Bill Warinner gave the board an update on a comment he heard from the state historic preservation office about the Florida Master Site File and how it may not be the best idea to tie it to the demolition delay process automatically as it may make some people reluctant to provide information about the property for the site file. There could be a method to provide the board the option to look at a property with a site file and determine if it really needs to have a 90-day demolition delay placed on it for a demolition.

Kyra Lucas mentioned that she would be working with the University of Florida to survey the downtown area of Gainesville for possible designation as a Florida Main Street Community.
