Subject: Board Appointments

Hello, my name is Christopher B. Porter and I have applied for both the Gainesville/Alachua County Cultural Affairs Board and the City Beautification Board. I just wanted to take a minute to write to you and let you know why I am applying for these posts. Essentially, I want to make a difference in the community in a very direct way, and this seems to be a logical extension of that desire. I am also undergoing training to work as a Crisis Counselor at night, but as I grow and mature as an American I have come to realize that one of the best ways to help my people at a local level would be to work on Boards such as these. I would put forth ever effort I can to do an excellent job, and I hope that in your wisdom you will find me fit to be appointed to these Boards.

Thank you for your time,

Rev. Christopher B. Porter
