**Re: Request for Formal Quasi-Judicial Hearing
Petition DB-11-145 SUB (Design Plat Review – Grace Market Place)**

Dear Mr. Lannon:

As you are aware, I represent Nalbandian Properties, LLC, Mogas Investments, Inc., and Ropen Nalbandian, all of whom own industrial property located directly across the street from the City of Gainesville's proposed One-Stop Homeless Assistance Center on Northwest 53rd Ave. Pursuant to the Notice of Public Meeting sent to my clients (dated January 31, 2012), I hereby request a formal quasi-judicial hearing before the City Commission on the City's latest petition for approval of a design plat for the One-Stop Homeless Assistance Center.

I thank you in advance for your attention to this matter.

Very truly yours,

Karl J. Sanders
