To the Mayor and the Members of the City Commission:

Please accept this letter of resignation from my appointment to the Art in Public Places Trust effective immediately. I am unable to continue to work with APPT because of a temporary scheduling conflict. I so enjoy serving on the trust and would like to resume my appointment at a later date if at all possible. I believe I will be available again this fall. Please consider resuming my service at this later date.

I appreciate your consideration and the opportunity to have served the citizens of Gainesville.

Sincerely,

*Laura N. NeSmith*
