- Target\_Cluster\_F
- Target\_Cluster\_E
- Target\_Cluster\_D
- Target\_Cluster\_C
- AllOtherBlueDots

Potential Customer locations shown are based on existing residential GRU electric accounts within the city limits that are not being billed for water service.

GIS Data Source:  
If shown, the following GIS layers were obtained from the City of Gainesville Dept. of Community Development, directly from their GIS server. May also be available online at the following URL : [http://cityofgainesville.org/comdev/plan/gis/gis\\_data.shtml](http://cityofgainesville.org/comdev/plan/gis/gis_data.shtml)  
CDBG feature class: cgcgbd\_home  
City Limits feature class: cgbound\_ply

Note that additional area is shown as probable future addition to the CDBG for the purposes of this project.
