**WITNESSETH:**

**WHEREAS**, the City is engaged in furnishing essential public service which vitally affects the health, safety, comfort and general well-being of the public; and

**WHEREAS**, all parties hereto recognize the need for continuous and reliable service to the public; it is mutually agreed the City's obligation to provide efficient responsive service to the citizens of the City of Gainesville should not be obstructed by disputes between it and its employees; and

**WHEREAS**, all parties hereto agree that the basic intent of this Agreement is to provide a fair day's work in return for a fair day's pay,

**NOW, THEREFORE**, for and in consideration of the premises herein contained, it is mutually agreed that:

1 **ARTICLE 1**

2 **PURPOSE AND INTENT**

3 1.1 The following Agreement between the City and the Union is recorded in  
4 written form to meet the requirements set forth in Chapter 447 of the State  
5 Statutes, specifically Section 447.203(14), which requires the execution of a  
6 written contract with respect to agreements reached.

7 1.2 This Agreement is designed to provide for a fair and equitable procedure for  
8 the resolution of contractual differences in accordance with the grievance  
9 procedure specified herein.

10 1.3 It is the intent and purpose of this Agreement to set forth herein basic and full  
11 agreement between the parties concerning specified terms and conditions of  
12 employment consistent with the availability of public funds.

13  
14 **ARTICLE 2**

15 **UNION RECOGNITION**

16 2.1 The City recognizes the Union as the collective bargaining agent of all  
17 probationary, regular full-time, and regular part-time, supervisory employees  
18 of the City in General Government and Gainesville Regional Utilities as  
19 defined by P.E.R.C.

20 2.2 The Union recognizes the City Manager and the General Manager for Utilities  
21 or their designated representatives as the sole representatives of the General  
22 Government and the Utilities System of the City of Gainesville, respectively,  
23 for the purpose of collective bargaining. There shall be no individual  
24 arrangements or agreements made covering any part or all of this Agreement  
25 contrary to the terms herein provided.

26 2.3 It is further understood and agreed that the President of Local No. 3170 or  
27 his/her designated representative will be the official spokesperson for said  
28 local union in any matter between the Local Union and the Public Employer.

- 3.1 Any and all employees who are eligible for inclusion in the bargaining unit shall have the right to join or not to join the Union as they individually prefer. It is agreed that there shall be no discrimination for or against any employee because of his/her membership in said organization and, likewise, no employee shall be discriminated against for non-membership in the Union and neither the Union nor any employee shall attempt to coerce an employee into joining or continuing in said organization.
- 3.2 Within thirty (30) days from the effective date of this Agreement and upon receipt of a stipulated, lawfully executed, written authorization from an employee covered by this Agreement, the City agrees to deduct on a bi-weekly basis dues as certified to the Public Employer by the Secretary-Treasurer of the Communications Workers of America and to remit the aggregate deductions so authorized together with an itemized statement to the Secretary-Treasurer. Dues deduction authorization submitted after the above date will be remitted within thirty (30) days from the date of the deduction on a monthly basis. Changes in Union membership dues will be similarly certified to the City in writing and shall be done at least thirty (30) days prior to the effective date of such change. This dues authorization may be revoked by the employee upon thirty (30) days written notice to the City and to the Union.
- 3.3 No deduction shall be made from the pay of any employee for any payroll period in which the employee's net earnings for that payroll period, after other deductions, are less than the amount of dues to be checked off.
- 3.4 The Union agrees to indemnify, defend and hold the City harmless against any and all claims, suits, orders, or judgments brought or issued against the City as a result of any action taken or not taken by the City under the provisions of this Article.
- 3.5 It is understood and agreed that the City will furnish the Union a list of employees who are eligible for membership in the Union. This list will be

1 furnished on or about October 1st of each year.

2 3.6 In the event that dues check off for an employee is stopped, the City will  
3 provide the Union with a thirty (30) day notice or a copy of an appropriate  
4 form which has caused check off to cease.

5 3.7 The City shall provide a monthly update on employees' status due to  
6 promotion, retirement, termination, and transfer. Such monthly status shall  
7 be provided to the Union President.

8  
9 **ARTICLE 4**

10 **MANAGEMENT SECURITY**

11 4.1 The Union and its members agree they shall have no right to strike. Strike  
12 means the concerted stoppage of work, the concerted absence of employees  
13 from their positions, the concerted failure to report for duty, the concerted  
14 submission of resignation, the concerted abstinence in whole or in part of any  
15 group of employees from the full and faithful performance of their duties of  
16 employment with the City of Gainesville, the Public Employer, for the purpose  
17 of inducing, influencing, condoning or coercing a change in the obligations,  
18 terms or conditions of their employment. The Union and its members further  
19 agree they shall have no right to participate in a deliberate and concerted  
20 course of conduct which adversely affects the services of the employer,  
21 including the failure to work overtime, the concerted failure to report to work  
22 after the expiration of a collective bargaining agreement and picketing in  
23 furtherance of a work stoppage or refusing to cross a picket line. Any  
24 violation of this Section shall subject the violator(s) to the penalties as  
25 provided by law and to the rules and regulations of the Public Employer.

26 4.2 Any employee covered by this Agreement who participates in, is a party  
27 thereto or promotes any of the above actions as outlined in Section 4.1 or  
28 other similar forms of interference with the operations or functions of the City  
29 shall be subject to disciplinary action up to and including discharge. The only  
30 question that shall be raised in any proceedings, judicial or otherwise,  
31 contesting such action, is whether any provision as outlined in Section 4.1

1 was violated by the employee to be disciplined or discharged. Employees  
 2 shall not be entitled to any benefits or wages whatsoever while they are  
 3 engaged in strike activities, or other interruptions of work. Any employee  
 4 discharged in accordance with this Article or applicable provisions of the  
 5 State of Florida Employees Collective Bargaining Statute shall, if appointed,  
 6 reappointed, employed or re-employed by the City, serve a six (6) month  
 7 probationary period following the reappointment or re-employment, and the  
 8 compensation may in no event exceed that received immediately prior to the  
 9 time of the violation and the compensation may not be increased for one (1)  
 10 year.

11 4.3 In the event of a strike as defined in Section 4.1 the Local President of the  
 12 CWA, after determining such individuals are CWA members, shall  
 13 immediately, within twenty-four (24) hours, verbally where possible, and in  
 14 writing, order such employees to return to work. Copy of such order to be  
 15 provided to the City within twenty-four (24) hours. This Article is not subject  
 16 to the arbitration provisions of the Agreement, but shall be enforced by the  
 17 ordinary processes of law.

## 18 **ARTICLE 5**

### 19 **MANAGEMENT RIGHTS**

20  
 21 5.1 It is the right of the Public Employer to unilaterally determine the purpose of  
 22 each of its constituent agencies, set standards of services to be offered to  
 23 the public and exercise control and discretion over its organization and  
 24 operations.

25 5.2 Except as otherwise provided herein, the Union recognizes the sole and  
 26 exclusive rights, powers and authority of the Public Employer further include,  
 27 but are not limited to, the following: to direct and manage employees of the  
 28 City; to hire, promote, transfer, schedule, assign and retain employees; to  
 29 suspend, demote, discharge or take other disciplinary action against  
 30 employees for just cause; to relieve employees from duty because of lack of  
 31 work, funds or other legitimate reasons to maintain the efficiency of its

1 operations, including the right to contract and subcontract existing and future  
2 work; to determine the duties to be included in job classifications and the  
3 numbers, types and grades of positions or employees assigned to an  
4 organizational unit, department or project; to assign overtime and to  
5 determine the amount of overtime required; to control and regulate the use of  
6 all its equipment and property; to establish and require employees to observe  
7 all its rules and regulations; to conduct performance evaluations and to  
8 determine internal security practices. The employer agrees that, prior to  
9 substantial permanent layoff of bargaining unit members, it will discuss such  
10 with the Union.

11 5.3 If, in the sole discretion of the Public Employer, it is determined that civil  
12 emergency conditions exist, or are imminent including, but not limited to,  
13 riots, civil disorders, severe weather conditions (or similar catastrophes) the  
14 scheduling (Article 14.2) and time limit (Article 8) provisions of this  
15 Agreement may be suspended in writing by the City Manager or the  
16 General Manager for Utilities or those acting directly in their position during  
17 the time of the declared emergency, provided that wage rates and  
18 monetary fringe benefits shall not be suspended. Should an emergency  
19 arise, the Union President shall be advised as soon as possible of the  
20 nature of the emergency. **Both parties recognize that it is in their  
21 mutual best interest to communicate prior to a suspension of the  
22 Agreement.**

## 23 ARTICLE 6

### 24 UNION STEWARDS & UNION ACTIVITY

25 6.1 The Union shall have the right to select employees from those covered by  
26 this Agreement to act as Union stewards. A written list of the Union stewards  
27 and their jurisdictions shall be furnished to the Human Resources Director  
28 when possible at least forty-eight (48) hours prior to the effective date of their  
29 assuming office. The Union shall notify the Human Resources Director  
30 promptly of any change(s) of such Union stewards. No Union steward will  
31 perform any Union work unless the above has been complied with.

- 1 6.2 The CWA representative (non-employee and employee) may, with proper  
2 authorization, which will not be unduly withheld, be admitted to the property  
3 of the Public Employer. The representative, as designated above, shall be  
4 able to talk with employees before or after regular working hours or during  
5 lunch hours of said employees on Public Employer property in areas  
6 designated by the Public Employer.
- 7 6.3 Union stewards and officers (except for the Union President and Secretary-  
8 Treasurer) must be employees in the bargaining unit who have satisfactorily  
9 completed their probationary period.
- 10 6.4 Except as otherwise provided, the Union recognizes that Union stewards and  
11 officers are not entitled to any special benefits or treatment because of their  
12 roles as stewards or officers, nor shall stewards and officers be discriminated  
13 against for proper and legitimate Union activity in which they engage.
- 14 6.5 While on medical leave of absence without pay, sick leave, PCLB,  
15 unscheduled PTO, or while receiving workers' compensation payments,  
16 employees shall not function as Union officers or stewards.
- 17 6.6 The investigation, handling, or adjustment of grievances shall, insofar as is  
18 practical, be conducted by employees and/or Union stewards or a Union  
19 officer during non-working hours. Union officers and Union stewards shall  
20 not exceed twenty-seven (27) in number to cover both the non-supervisory  
21 and supervisory labor agreements. If grievance matters must be attended to  
22 during regular working hours, it will be done so as to cause a minimum of  
23 interference with production or services. Bargaining unit employees who are  
24 stewards or Union officers will be paid for time spent on such grievances up  
25 to a maximum of five (5) non-accumulative, non-transferable hours per  
26 scheduled week per Union officer or steward. It is acknowledged that the  
27 steward or Union officer must advise the appropriate management  
28 representative of the requirement and secure permission before conducting  
29 such investigation. Permission may be given verbally, provided that said  
30 verbal authorization insures adequate control of time spent on grievance  
31 handling; otherwise written permission shall be required. If written

Deleted: or

1 permission becomes necessary, the City will provide a form which will be  
 2 used for this purpose. Upon returning to his/her work assignment, the  
 3 steward or Union officer shall report to the appropriate management  
 4 representative unless prior consent not to do so has been secured. Union  
 5 stewards or Union officers shall not investigate, present, or adjust grievances  
 6 on overtime. The President or his/her designee shall be granted a union  
 7 leave of absence to attend City Commission meetings which directly affect  
 8 the bargaining unit, subject to Article 26, paragraph 26.11.

9 6.7 Union stewards shall investigate and settle grievances only on the job site or  
 10 activity which is within their jurisdictions. The following protocol will be  
 11 adhered to in the investigating/settling of grievances.

12 A. Informal & 1st Step:

13 Employees must use the Union Steward that has jurisdiction over the  
 14 affected employee's area; if one is not available, see Section 6.8.

15 There shall only be one steward of the Union allowed to leave his/her  
 16 work station and/or work site to conduct Union business (e.g.,  
 17 grievances, discipline meetings, meeting with management, etc.)

18 B. 2nd Step and 3rd Step:

19 The steward who handled the informal and 1st Step response may  
 20 attend. In addition, the Union president or designee may be present.

21 6.8 If it becomes necessary for a Union steward to enter an area jurisdiction  
 22 other than his/her own for the purpose of conducting Union business  
 23 authorized by this Agreement, he/she shall notify the affected employee's  
 24 Manager or his/her designee of the general nature of the business, and  
 25 mutually agree upon a scheduled time to meet with the employee.

26 6.9 Solicitation of any and all kinds by the Union, including, but not limited to, the  
 27 solicitation of membership, grievances and the collection of Union monies,  
 28 shall not be engaged in during working hours. It is not the intent of the above  
 29 to restrict or preclude any steward from answering legitimate questions from  
 30 any members of the bargaining unit concerning Union activity.

31 6.10 The Union shall not distribute literature during working hours in areas where

1 the actual work of public employees is performed, such as offices,  
 2 warehouses, schools, police stations, fire stations, and any similar public  
 3 installations. This section shall not be construed to prohibit the distribution of  
 4 literature during the employees' lunch in such areas not exclusively devoted  
 5 to the performance of the employees' official duties.

6 6.11 The Union shall not distribute on City property any materials that reflect on  
 7 the integrity or motives of any individual, agency, or activity of the City  
 8 government or other labor organizations. This shall not restrict the Union  
 9 from having the same privilege as any citizen, nor shall the City distribute any  
 10 material that reflects on the integrity or motive of any individual, agency or  
 11 activity of the Union.

12 6.12 The City will distribute to new employees, during new employee orientation,  
 13 information which has been agreed to by the Union and the City.

## 14 15 16 **ARTICLE 7**

### 17 **DISCHARGE AND DISCIPLINE**

18 7.1 A regular employee may be disciplined or discharged only for just cause and  
 19 in a fair, impartial and consistent manner as established by the City. It is  
 20 understood by the parties that employees are subject to all Rules and  
 21 Regulations of the City.

22 7.2 Any official written reprimand shall be furnished to the employee outlining the  
 23 reason for the reprimand. It is the City's intention to complete the  
 24 investigation in a timely fashion and notify the employee of the potential of  
 25 such disciplinary action within thirty (30) calendar days of the City becoming  
 26 aware of the event giving rise to the discipline. The employee will be  
 27 requested to sign the written reprimand; however, signature does not  
 28 necessarily imply agreement. If the employee refuses to sign, this refusal  
 29 shall be noted and placed in the employee's personnel file. The employee  
 30 shall have the opportunity to respond to the reprimand in writing. Whenever  
 31 possible, the City will make every effort to reprimand an employee (whether

- 1 verbal or written) in a private manner so as to avoid embarrassing the  
2 employee.
- 3 7.3 Disciplinary actions involving discharge, demotion and suspension with loss  
4 of pay are subject to the grievance provisions of this Agreement. Written  
5 instructions and cautionings are subject to the grievance provisions of this  
6 Agreement. Written or verbal warnings are not grievable. Such warnings are  
7 not to be considered a "first offense" under City Personnel Policies and  
8 Procedures, Policy # E-3; however, such warnings may be used as a basis to  
9 substantiate future disciplinary action under Policy #E-3.
- 10 7.4 Any discharged employee who has completed his/her probationary period  
11 shall have the right to appeal said discharge directly to the third step of the  
12 grievance procedure provided such appeal is made within five (5) days from  
13 the effective date of such action, computed in accordance with Section 8.3  
14 (D).
- 15 7.5 The discharge, discipline, demotion, layoff or suspension of probationary  
16 employees on initial hire or rehire shall not be subject to the grievance  
17 procedure of this Agreement.
- 18 7.6 Except as otherwise provided in this paragraph, in imposing disciplinary  
19 measures by incremental steps based on successive deficiencies in  
20 employee performance on a current charge, the Department Head will not  
21 take into consideration prior infractions of the same rule which occurred more  
22 than eighteen (18) months previously, or, in the case of safety infractions,  
23 any prior safety infractions which occurred more than five (5) years  
24 previously. In discharge cases, the overall disciplinary record of the  
25 employee may be taken into consideration.
- 26 7.7 An employee, upon request, shall be entitled to Union representation at  
27 disciplinary interviews or conferences in accordance with law. This shall not  
28 be construed as requiring the CWA to represent a non-member.  
29  
30

**ARTICLE 8****GRIEVANCE PROCEDURE**

1  
2  
3 8.1 The Union, or any employee whose classification is represented by CWA  
4 Local 3170, may file a grievance concerning the meaning, application, and/or  
5 interpretation of the specific Articles of this Agreement and any disciplinary  
6 action as defined in Article 7, Section 7.3 of the Agreement, when a question  
7 of "Just Cause" exists resulting from the application of City or departmental  
8 rules and regulations. Any grievance filed shall adequately set forth the facts  
9 pertaining to the alleged violation and shall be processed in accordance with  
10 the following rules:

11 8.2 Informal Step

12 Prior to filing a written grievance, the affected employee, with or without union  
13 representation, shall, within seven (7) days [see 8.3 (D)], meet with the  
14 appropriate supervisor and manager to discuss his/her complaint or potential  
15 grievance in an effort to resolve the complaint. This informal step is for the  
16 affected employee to fully explain his/her complaint, present the facts, state  
17 his/her contentions and clear up any possible misunderstandings in an effort  
18 to informally resolve the complaint. The informal resolution may be  
19 bypassed, and the affected employee or the Union, at the affected  
20 employee's request, is allowed to file a Step 1 grievance if discipline resulting  
21 in suspension without pay has already been imposed. If the appropriate  
22 supervisor or manager has not responded within seven (7) days from the  
23 date of this initial meeting or the decision reached is not acceptable, the  
24 affected employee has seven (7) days, from receipt of response, or due date  
25 of response if not received, to file a written grievance in accordance with Step  
26 1.

27 8.3 Rules for Grievance Processing:

28 It is agreed:

29 (A) A grievance must be brought forward to the informal step within seven  
30 (7) days after the occurrence of the event giving rise to the grievance  
31 or within seven (7) days after the employee, through use of

- 1 reasonable diligence, should have obtained knowledge of the  
2 occurrence of the event giving rise to the grievance or within seven (7)  
3 days after the manager's response.
- 4 (B) Time limits at any stage of the grievance procedure may be extended  
5 by written mutual agreement of the parties involved at that step.
- 6 (C) A grievance not advanced to the higher step within the time limit  
7 provided shall be deemed permanently withdrawn and as having been  
8 settled on the basis of the decision most recently given. Failure on the  
9 part of the Public Employer's representative to answer within the time  
10 limit set forth in any step will entitle the employee to proceed to the  
11 next step.
- 12 (D) In computing time limits under this Article, City designated holidays  
13 and weekends (Saturdays and Sundays) shall not be counted except  
14 where it is specified by calendar days.
- 15 (E) In settlement of any grievance resulting in retroactive adjustment,  
16 such adjustment shall be limited to seven (7) days prior to the date of  
17 the informal meeting. Remedies or corrective actions shall not require  
18 the employer to violate this Agreement.
- 19 (F) When a grievance is reduced to writing, there shall be set forth in the  
20 space provided on the grievance form provided by the Public  
21 Employer all of the following:
- 22 1. A complete statement of the grievance and facts upon which it  
23 is based;
  - 24 2. The article, or articles, and the specific section, or sections, of  
25 articles within this Agreement the employee claims to have  
26 been violated and a statement which completely explains the  
27 manner in which the section(s) and/or article(s) have been  
28 violated;
  - 29 3. A clear description of the remedy or corrective action  
30 requested;
  - 31 4. The signature of the grievant or grievants and the date

- 1 submitted; and
- 2 5. The date and time of the alleged events which gave rise to the
- 3 grievance.
- 4 (G) An employee, upon request, shall be entitled to Union representation
- 5 in accordance with the provisions of this Agreement at each and every
- 6 step of the grievance procedure set forth in this Agreement.
- 7 (H) Any grievance may be returned to the grievant for failure to meet the
- 8 technical requirements as outlined in section F of this article. The
- 9 grievant shall have seven (7) days to resubmit the grievance.
- 10 Step 1: An employee who has personally signed a grievance
- 11 may, with or without Union representation, submit it in
- 12 writing to the Division Head. The Division Head, or
- 13 his/her representative, shall hold a meeting within seven
- 14 (7) days after receipt of the written grievance. A written
- 15 response shall be given to the employee and the union
- 16 within seven (7) days of the meeting. The aggrieved
- 17 employee, upon his/her request, may be accompanied
- 18 at this meeting by the appropriate Union representative.
- 19 Step 2: If the grievance is not settled at Step 1, the aggrieved
- 20 employee or the President of Local No. 3170 may
- 21 submit a written appeal to the Department Head within
- 22 seven (7) days after the Step 1 answer was due. This
- 23 written appeal shall be signed by the aggrieved
- 24 employee. The Department Head, or his/her
- 25 representative, shall, within seven (7) days after the
- 26 receipt of the written appeal, answer the appeal in
- 27 writing or request a meeting with the employee and/or a
- 28 Union representative. Such meeting shall be held if
- 29 requested by either party. If such a meeting is held, a
- 30 written response shall be given to the employee and the
- 31 Union within seven (7) days of the meeting.

1                   Step 3:       If the appeal is not settled at Step 2, the aggrieved  
2                                   employee or the President of Local No. 3170 may  
3                                   submit a written appeal to the City Manager, General  
4                                   Manager for Utilities, or his/her respective designees,  
5                                   within seven (7) days after the Step 2 answer was due.  
6                                   This written appeal shall be signed by the aggrieved  
7                                   employee and Union President. Grievances originating  
8                                   in General Government shall be submitted to the City  
9                                   Manager. Grievances originating in Utilities shall be  
10                                  submitted to the General Manager for Utilities. The City  
11                                  Manager, General Manager for Utilities, or his/her  
12                                  respective designees shall, within seven (7) days of  
13                                  receipt of the written grievance, answer the grievance in  
14                                  writing or request a meeting with the employee and/or a  
15                                  Union representative. Such meeting shall be held if  
16                                  requested by the Union President. If such a meeting is  
17                                  held, a written response will be given to the employee  
18                                  and the Union within seven (7) days of the meeting.

19 8.4           If the grievance is not settled in accordance with the foregoing procedure, the  
20                   Union may request arbitration by serving written notice of intent to appeal  
21                   with the Human Resources Director within twenty (20) calendar days after  
22                   receipt of the City's response in Step 3. The written notice shall state the  
23                   facts of the case and list the article(s) and the section(s) of such article(s) of  
24                   this contract alleged to have been violated. If the grievance is not appealed  
25                   to arbitration within said twenty (20) calendar days, the City's Step 3 answer  
26                   shall be final and binding.

27 8.5           Within fifteen (15) calendar days from receipt of the request for arbitration,  
28                   unless a time extension has been requested in writing and approved by the  
29                   Human Resources Director, the Union shall complete a "Request For  
30                   Arbitration Panel Form" and submit it to the Human Resources Director who  
31                   shall sign and submit to the Federal Mediation and Conciliation Service. The

1 panel shall be for seven (7) arbitrators, unless the parties can mutually agree  
2 on an arbitrator to hear the grievance. This panel shall consist of arbitrators  
3 residing in Florida unless the parties agree otherwise. If the Union does not  
4 submit a "Request For Arbitration Panel Form" to the Human Resources  
5 Director within said fifteen (15) calendar days, the answer at the previous  
6 step shall be binding. Both the Human Resources Director and the Union  
7 shall have the right to strike two (2) names from the panel. Within fifteen (15)  
8 calendar days after receipt of the list, the Union shall notify the Human  
9 Resources Director in writing requesting a date and time to meet and  
10 alternately cross out names on the list. Failure of the Union to notify the  
11 Human Resources Director in writing within the fifteen (15) days of receipt of  
12 the list shall result in the City's Step 3 answer being final and binding. In all  
13 cases the party requesting arbitration shall cross out the first name. The  
14 remaining person shall be the arbitrator. The arbitrator shall be notified of  
15 his/her selection within five (5) days by a joint letter from the City and the  
16 Union requesting that he/she set a time and place, subject to the availability  
17 of the City and Union representatives. A copy of this article shall be included.

18 8.6 The arbitration shall be conducted under the rules set forth in this Agreement  
19 and not under the Rules of the FMCS. The arbitrator shall have no authority  
20 to modify, amend, ignore, add to, subtract from or otherwise alter or  
21 supplement this Agreement or any part thereof or any amendment thereto.  
22 The arbitrator shall consider and decide only the specific issue(s) submitted  
23 to him/her in writing by the City and the Union and shall have no authority to  
24 consider or rule upon any matter which is stated in this Agreement not to be  
25 subject to the arbitration, which is not a grievance as defined in Section 8.1,  
26 or which is not specifically covered by this Agreement. The arbitrator may  
27 not issue declaratory or advisory opinions and shall be confined exclusively  
28 to the question which is presented to him/her, which question must be actual  
29 and existing. The arbitrator shall submit in writing his/her decision within  
30 thirty (30) days following the close of the hearing or the submission of briefs  
31 by the parties, whichever is later, provided that the parties may mutually

- 1 agree in writing to extend said limitation. Consistent with this section, the  
 2 decision of the arbitrator shall be final and binding.
- 3 8.7 The expense of arbitration, including the compensation expenses of the  
 4 arbitrator, shall be shared equally by the City and the Union.
- 5 8.8 Each party shall be responsible for the expense or expenses of any witness  
 6 or witnesses it calls.
- 7 8.9 The cost of any transcript shall be borne solely by the party requesting it;  
 8 except when the other party requests a copy, in which case the cost will be  
 9 split.
- 10 8.10 The City shall notify the Union President of all grievances filed by bargaining  
 11 unit employees, and shall be advised as to disposition of the grievances in  
 12 writing. The Union President, or his/her designee, shall be notified as to the  
 13 time and place of grievance meetings.
- 14 8.11 If grievance material is contained in an employee's file, it shall be complete  
 15 and fairly reflect the entire record on the matter or grievance at issue.

## 17 **ARTICLE 9**

### 18 **NON-DISCRIMINATION**

- 19
- 20 9.1 Employees of the City shall have the right to form, join, and participate in, or  
 21 to refrain from forming, joining or participating in any employee organization  
 22 of their own choosing. No employee shall be intimidated, restrained, coerced  
 23 or discriminated against by either the City or the Union because of the  
 24 exercise of these rights.
- 25 9.2 The City and the Union shall apply the provisions of this Agreement equally  
 26 to all employees without discrimination because of age, sex, race, color,  
 27 religion, national origin, political affiliation, disability, marital status, gender  
 28 identity, sexual orientation or membership or non-membership in the Union  
 29 as required by applicable federal or state law, including any obligations to  
 30 reasonably accommodate a disability under the ADA. Any grievances  
 31 concerning this paragraph shall be handled in the grievance procedure only

1 through the third step and shall not be processed through arbitration.

2  
3

4 **ARTICLE 10**

5 **DRUG-FREE WORKPLACE**

6 10.1 The City and the Union recognize that substance abuse in the workplace  
7 exacts staggering costs in both human and economic terms. Substance  
8 abuse can be reasonably expected to produce impaired job performance,  
9 lost productivity, absenteeism, accidents, wasted materials, lowered  
10 morale, rising health care costs, and diminished interpersonal relationship  
11 skills. The City and the Union share a commitment to solve this problem  
12 and to create and maintain a drug-free work place. The parties have  
13 agreed that the procedures outlined in the Federal Department of  
14 Transportation Drug Testing Programs for Pipeline Facilities in accordance  
15 with Pipeline and Hazardous Material Safety Administration (PHMSA) and  
16 employees with Commercial Drivers Licenses (CDL), both of which include  
17 random testing, must be followed. In addition, the CWA 3170 Drug-Free  
18 Workplace Program, which does not include random testing, must also be  
19 followed. (See Addendum A)

20

22 **ARTICLE 11**

23 **DESIGNATED LEAVE SYSTEM (Old System)**

24 VACATIONS

25 11.1 Regular and probationary full-time employees hired prior to 10/01/00, who  
26 are covered by this Agreement and have not elected the Paid Time Off  
27 (PTO) option, shall accrue vacation (annual leave) based on their leave  
28 progression date and shall be limited to the following schedule:

17 Regular part-time employees shall earn annual leave in the proportion that  
 18 their workweek bears to a full-time workweek. A part-time employee whose  
 19 average workweek over a four (4) week period is greater or less than their  
 20 normal scheduled workweek shall have their accrual rate changed to reflect  
 21 the higher or lower average workweek until it returns to normal.

22 11.2 The maximum number of vacation (annual leave) hours that employees  
 23 covered by this Agreement are allowed to have, as of the anniversary of their  
 24 adjusted service date (leave progression date or date of regular employment  
 25 with the City, whichever is later), are as follows:

26	<u>Years of Continuous Service</u>	<u>Maximum Hours</u>

40 Employees with vacation (annual leave) balances above the maximum

- 1 allowed as of the anniversary of their adjusted service date (leave  
2 progression date or date of regular employment with the City, whichever is  
3 later) shall have their balances reduced to the maximum allowed during the  
4 pay period in which the anniversary of their adjusted service date (leave  
5 progression date or date of regular employment, whichever is later) occurs.  
6 Any sick leave incentive time awarded will be added to the vacation (annual  
7 leave) balance after the maximum hours have been adjusted.
- 8 11.3 Vacation (annual leave) shall continue to accrue during periods of absence in  
9 which the employee is in pay status, [except when the absence is covered by](#)  
10 [donated leave \(Leave Bank\)](#).
- 11 11.4 A. In general, the City policy for use of vacation (annual leave) will be in  
12 quantities of not less than one hour, except as otherwise provided in  
13 the Family and Medical Leave Act (FMLA). Vacation (annual leave)  
14 must begin or end at the start or close of the shift or work schedule  
15 unless an emergency arises. Department approval of scheduled  
16 leave will not be unreasonably withheld provided operational needs  
17 can be met, as determined by the City.
- 18 B. Each Department may establish written guidelines, based on job  
19 function, for the minimum increment of leave and the time of leave  
20 use during the shift which are more flexible than those stated in  
21 Section 11.4 (A) if operational needs so permit. The Department may  
22 amend these written guidelines at any time if operational needs so  
23 require, as long as they do not exceed the requirements in Section  
24 11.4(A).
- 25 11.5 Should a holiday occur during an employee's vacation, that day shall be  
26 charged as a holiday.
- 27 11.6 Except for payment for vacation that is sold back at the time of conversion to  
28 the PTO system, or upon termination or entry into the DROP, employees  
29 shall not be paid for vacation (annual leave) accrued in lieu of taking a  
30 vacation.
- 31 11.7 Vacation (annual leave) shall not be granted in advance of being earned. If

- 1 an employee has insufficient vacation (annual leave) credit to cover vacation  
2 (annual leave), the employee shall be in a no pay status.
- 3 11.8 Employees who are transferred from one department to another shall have  
4 their vacation (annual leave) credits transferred with them.
- 5 11.9 Upon termination of employment, the employee shall be entitled to  
6 compensation for any earned but unused vacation (annual leave) to his/her  
7 credit at the time of termination at the employee's current straight time rate of  
8 pay, **except as provided below. Whenever an employee serves in a Special**  
9 **Assignment, Out of Class, or Acting Assignment for less than one year,**  
10 **premium(s) paid for such assignment shall not be included in the rate of pay.**  
11 The employee's official termination date shall be the last day of active  
12 employment, and shall not be extended due to payment for unused vacation  
13 (annual leave) time.
- 14 11.10 If an employee is called back to work during his/her vacation (annual leave)  
15 period, the employee shall be allowed to reschedule with special  
16 consideration any vacation (annual leave) time lost as a result of the call  
17 back.
- 18 11.11 In the event of the death of an employee, all compensation due to the  
19 employee as of the effective date of death shall be paid to the beneficiary,  
20 surviving spouse, or to the estate of the employee as determined by law or  
21 by executed forms in his/her personnel folder.

## 22 SICK LEAVE

- 23 11.12 Regular and probationary full-time employees hired prior to 10/1/00 who are  
24 covered by this Agreement and have not elected the Paid Time Off (PTO)  
25 option shall accrue sick leave based on their leave progression date and  
26 shall be limited to the following schedule:
- 27 A. Employees earn sick leave at the rate of 1 Hr. 51 Mins. per pay  
28 period until their second anniversary. After two (2) years of service,  
29 employees will earn sick leave at the rate of 2 Hrs. 47 Mins. per pay  
30 period and after four (4) years of service at the rate of 3 Hrs. 42  
31 Mins. per pay period.

- 1 B. Regular part-time employees shall earn sick leave in the proportion  
2 that their workweek bears to a full-time workweek. A part-time  
3 employee whose average workweek over a four (4) week period is  
4 greater or less than their normal scheduled workweek shall have  
5 their accrual rate changed to reflect either their higher or lower  
6 average workweek until it returns to normal.
- 7 11.13 Sick leave will be granted upon approval of the Department Head, or  
8 his/her designee, for the following reasons:
- 9 A. For absence due to personal illness, injury or temporary disability.  
10 (Doctor's statement is required for temporary disability indicating  
11 approximate length of absence due to disability.)
- 12 B. For personal medical and dental appointments.
- 13 C. For absence due to a compensable injury arising out of the course of  
14 City employment (employee may request the Department Head, or  
15 his/her designee, to allow him/her to remain on full pay for the period  
16 which can be covered by sick leave balance when prorated with the  
17 amount being paid by Workers' Compensation).
- 18 D. An employee may use up to a maximum of 480 hours of the  
19 employee's accrued sick leave when an employee is needed to care  
20 for a member of the employee's immediate family (defined as  
21 spouse, certified or registered domestic partner dependent  
22 child[ren], mother or father) living in the same domicile, who is ill or  
23 injured, in the year between their leave progression dates. For the  
24 purpose of this article, dependent children are defined as the  
25 employee's unmarried, natural, adopted, or step-child[ren], or a child  
26 for whom the employee has been appointed legal guardian or legal  
27 custodian, or the natural or adopted child[ren] of the employee's  
28 current certified or registered domestic partner, who are under the  
29 age of 19 or who are handicapped children as defined in the City's  
30 health insurance policy. Management may require confirmation of  
31 the relationship or of the illness or injury from the employee by

1                   furnishing a doctor's certificate or birth certificate, or any other  
2                   means deemed appropriate.

3 11.14       All employees are required to notify the designated supervisor on duty as  
4                   early as possible; in the case of non-shift employees, no later than the  
5                   starting of his/her scheduled workday, and in the case of shift employees,  
6                   no later than sixty (60) minutes prior to the starting of his/her scheduled  
7                   workday, when he/she is unable to report for work because of illness or  
8                   injury, giving the reason for absence. Employees failing to comply with this  
9                   provision shall not be allowed to charge their absence to sick leave unless  
10                  waived by the Department Head. All shift employees will notify the  
11                  designated supervisor at least nine (9) hours in advance of their intent to  
12                  return to work following absence due to illness or injury of more than two  
13                  (2) days. Sick leave will not be granted for any sickness, injury or disability  
14                  arising from a felonious act on the part of the employee. Sick leave will be  
15                  charged only against the employee's regular workday and shall not be  
16                  charged for absences on overtime or stand-by time. It shall be the mutual  
17                  obligation of the City and the Union to cooperate with each other to prevent  
18                  abuse of sick leave.

19 11.15       A.     An employee absent for three (3) or more consecutive workdays  
20                  shall be required to report to Employee Health Services prior to  
21                  returning to work to verify that the employee is fit to work. An  
22                  employee shall remain in sick leave status until he/she is released  
23                  by Employee Health Services and reports to his/her work site. This  
24                  provision may be waived temporarily by Management for employees  
25                  returning to work anytime that Employee Health Services is not  
26                  open, **except in cases of injury in which this provision shall**  
27                  **apply.** Such absence shall require a doctor's written statement of  
28                  diagnosis verifying the employee's illness or injury, which will be  
29                  turned in to Employee Health Services, or a similar statement from  
30                  the City's Employee Health Services which will be turned in to the  
31                  appropriate supervisor, or sick leave will not be allowed.

- 1 B. A doctor's written statement of diagnosis verifying illness or injury of  
2 less than three (3) consecutive day(s) shall be required by the City in  
3 cases of frequent use of sick leave or when the pattern of sick leave  
4 usage indicates potential abuse of sick leave privileges. If this  
5 doctor's statement is to be required on a continual basis, the  
6 employee shall be so notified, in writing, prior to the imposition of  
7 such requirement. The duration of each such requirement shall not  
8 exceed one (1) year. A copy of such notice shall be placed in the  
9 employee's master personnel file.
- 10 C. The employee may be required by the appropriate Department  
11 Head, or his/her designee, to obtain a written statement of diagnosis  
12 verifying illness or injury from the City's doctor prior to returning to  
13 work. Expenses of obtaining a statement from the City's doctor shall  
14 be borne by the City. Expenses of a doctor other than the City's  
15 doctor, if any, resulting from verification of illness or injury, shall be  
16 the responsibility of the employee.
- 17 D. When a diagnosis and verification of illness or injury is required, the  
18 following shall apply: The doctor's written statement will be turned in  
19 to Employee Health Services before the employee returns to work,  
20 which statement shall detail the employee's illness, the treatment  
21 made and any restrictions on the employee's ability to perform all the  
22 duties normally assigned to the employee's classification. Failure to  
23 provide such a statement shall preclude the use of sick leave and  
24 the employee returning to work. Excessive absenteeism due to  
25 illness and injury may result in discipline being imposed.
- 26 E. If the appropriate supervisor determines from personal observation  
27 that an employee reporting to duty may be too sick to work, he/she  
28 may be required to report to the City's doctor or nurse to determine  
29 whether the employee is fit to work.
- 30 F. In all cases where an employee is required to report to the City's  
31 doctor to obtain a written statement of diagnosis verifying illness or

- 1                   injury, the failure by the doctor to substantiate the employee's claim  
 2                   of illness or injury will preclude use of sick leave. In all cases where  
 3                   the employee is required to report to Employee Health Services,  
 4                   failure to do so will preclude the use of sick leave.
- 5 11.16           Sick leave may not be charged in increments of less than one (1) hour  
 6                   without prior approval by the Department Head, or his/her designee, unless  
 7                   the absence is due to an FMLA qualifying event. Sick leave shall not be  
 8                   granted in advance of being earned. Vacation (annual leave) may be used  
 9                   in lieu of sick leave; however, the employee shall be considered sick and  
 10                  not on vacation and the time used shall be treated as sick leave for all  
 11                  purposes. When an employee has insufficient sick leave credit to cover a  
 12                  period of absence, vacation (annual leave) will be used and, if none is  
 13                  available, the employee shall be in a "no pay" status.  
 14                  This paragraph pertains to unscheduled absences and is not intended to  
 15                  prevent advance scheduling of vacation (annual leave) as outlined in Article  
 16                  11, paragraph 11.4.
- 17 11.17           Should a holiday occur during the employee's sickness, the day shall be  
 18                  charged as a holiday.
- 19 11.18           Sick leave shall continue to accrue during the periods of absence in which  
 20                  the employee is in pay status, [except when the absence is covered by](#)  
 21                  [donated leave \(Leave Bank\)](#).
- 22 11.19           Employees who are transferred from one department to another shall have  
 23                  their sick leave credits transferred with them.
- 24 11.20           For employees not vested in the General Employees' Pension Plan, all  
 25                  unused sick leave is forfeited upon termination from the City's service.
- 26 11.21           For employees vested in the General Employees' Pension Plan:
- 27                  A.     Any sick leave accrued and unused prior to October 1, 2012 shall be  
 28                  converted to additional service credit for determining pension benefits.
- 29                  B.     Any sick leave accrued and unused on or after October 1, 2012 shall  
 30                  not be converted to additional service credit for determining pension  
 31                  benefits. Only the lesser of the sick leave accrued prior to October 1, 2012,

1 as described above, or at the time of termination or entry into the DROP  
 2 may be converted to pension service credit.

3 11.22 Employees taking sick leave shall be compensated at their straight time  
 4 hourly rate of pay for the time off work.

5 11.23 The sick leave incentive award will be given by the City to employees who  
 6 use little or no sick leave, or vacation (annual leave) in lieu of sick leave,  
 7 during the period of one (1) year. Eligibility for the incentive award shall be  
 8 based on:

- 9 1. Date of hire or adjusted service date (leave progression date).
- 10 2. The amount of sick leave, or vacation (annual leave) in lieu of sick  
 11 leave, used in the previous year of service that was not directly tied  
 12 to a job related injury, unless said injury is due to an employee's  
 13 failure to comply with established departmental safety standards that  
 14 results in disciplinary action including but not limited to verbal or  
 15 written warnings.

16 .  
 17 11.24 The incentive award will be credited to an employee's accrued vacation  
 18 (annual leave) and may be used as set forth in Article 11. The incentive  
 19 award is computed on the following basis for each year of eligibility:

21 Sick Leave, or Vacation in	22 Work Hours
<u>Lieu of Sick Leave, Used</u>	<u>Awarded</u>
23 2 hrs or less	32
24 More than 2 thru 10	24
25 More than 10 thru 20	16
26 More than 20	None

 29 **ARTICLE 12**

30 **PAID TIME OFF LEAVE (PTO) SYSTEM**

31 12.1 All regular and probationary full-time or part-time employees covered by this  
 32 Agreement hired on or after 10/1/2000 or who enter the Deferred Retirement

1 Option Program (DROP) on or after 1/1/2007, are automatically covered by  
2 this Article. In addition, any regular or probationary full-time and part-time  
3 employee hired prior to 10/1/2000 and any employee currently in the DROP  
4 who make a one-time irrevocable election to select this leave system is also  
5 covered by this Article rather than Article 11.

6 12.2 Paid Time Off (PTO) is a single leave bank system that combines earned  
7 vacation time (annual leave) and earned sick time. This system does not  
8 include City-designated holidays; nor does it include any event-based leave  
9 which may be additionally authorized based on the occurrence of specific  
10 events.

11 12.3 Transition Plan for Employees who elect to move to the PTO System and for  
12 any employee who enters the DROP:

- 13 A. An employee hired prior to October 1, 2000, may elect at any time to  
14 move to the PTO System at the beginning of any pay period.
- 15 B. Any employee who enters the DROP is automatically moved to the  
16 PTO System if he/she is not already enrolled in the PTO System.
- 17 C. If an employee elects to move to the PTO System or enters the DROP  
18 on or after the date of ratification, the following conditions will apply:
  - 19 1. No transfer back to the "old plan" (Sick/Vacation) will be  
20 permitted.
  - 21 2. No loss of accrued leave will occur, meaning that all unused  
22 accrued sick leave will be transferred to the employee's  
23 Personal Critical Leave Bank (PCLB) account; and all unused  
24 accrued vacation (annual leave) will be transferred to the  
25 employee's Paid Time Off (PTO) account.
  - 26 3. At the employee's first anniversary date (leave progression  
27 date) after election/transfer, he/she will be eligible to select any  
28 options available under the PTO System provided the PCLB  
29 requirements are met.
  - 30 4. The PCLB requirements of the PTO system will prevail  
31 beginning the date of election/transfer.

Deleted: a portion or

Deleted: may be sold back at the employee's current rate of pay, or

Deleted: , at the employee's option and subject to limits described below. The amount of vacation (annual leave) to be applied to sell-back, if any, shall be determined by the employee, but shall be limited to no more than that which may be applied to pensionable earnings. Whether sold at the time of conversion, or at the time of separation or entry into the DROP, only payments made for vacation leave that was unused and accrued prior to October 1, 2012 shall be considered earnings for pension purposes. There shall be no option to sell back any portion of vacation leave after December 31, 2015, unless and until there is a new Agreement in effect providing for such sell-back.

## Annual Accrual Rates:

2 A. All employees hired on or after January 1, 2007, shall be granted 24  
3 hours of PTO for personal leave on the first pay period following their  
4 employment with the City. This is the only accrual for the first six months  
5 of employment.

6 B. All employees hired on or after January 1, 2007, shall be granted 58  
7 hours of PTO on the first pay period following completion of their first six  
8 months of employment. Thereafter the following rates shall apply:

9  
10

<b>Years of Continuous Service</b>	<b>Rate of Accrual Per Pay Period</b>
<b>0 to 5 years (1 mo. thru 59 mos.)</b>	<b>6 Hours 10 Minutes</b>
<b>5 to 10 years (60 mos. thru 119 mos.)</b>	<b>7 Hours 42 Minutes</b>
<b>10 to 15 years (120 mos. thru 179 mos.)</b>	<b>8 Hours 37 Minutes</b>
<b>15 to 20 years (180 mos. thru 239 mos.)</b>	<b>9 Hours 14 Minutes</b>
<b>20 to 25 years (240 mos. thru 299 mos.)</b>	<b>10 Hours 28 Minutes</b>
<b>25 years or more (300 mos. or more)</b>	<b>10 Hours 47 Minutes</b>

11  
12  
13  
14

Regular part-time employees shall earn annual leave in the proportion that their workweek bears to a full-time workweek. A part-time employee whose average workweek over a four (4) week period is greater or less than their

- 1 normal scheduled workweek shall have their accrual rate changed to reflect  
2 the higher or lower average workweek until it returns to normal.
- 3 12.5 Scheduled Paid Time Off (PTO) may be used for any purpose an eligible  
4 employee deems necessary. PTO shall be taken in increments of not less  
5 than one (1) hour, except as otherwise provided in the Family and Medical  
6 Leave Act (FMLA). Accrued time can be used as soon as it is accrued, but in  
7 no event can it be taken prior to actual accrual.
- 8 12.6 A. Each Department shall establish and may amend reasonable written  
9 guidelines defining scheduled and unscheduled leave, based on job  
10 function and according to operational needs. In general, the City  
11 policy for use of PTO will be in quantities of not less than one hour,  
12 except as otherwise provided in the Family and Medical Leave Act  
13 (FMLA). PTO must begin or end at the start or close of the shift or  
14 work schedule unless an emergency arises. Department approval of  
15 scheduled leave will not be unreasonably withheld provided  
16 operational needs can be met, as determined by the City.
- 17 B. Each Department may establish written guidelines for the minimum  
18 increment of leave and the time of leave use during the shift which are  
19 more flexible than those stated in Section 12.6(A) if operational needs  
20 so permit. The Department may amend these written guidelines at  
21 any time if operational needs so require, as long as they do not  
22 exceed the requirements in Section 12.6(A).
- 23 12.7 The first sixteen (16) hours of any absence will be deducted from the  
24 employee's PTO leave account except as otherwise provided in Article 19  
25 (Bereavement Leave), Article 25 (Workers' Compensation), or Article 26,  
26 Section 26.9A1 (Leave of Absence With or Without Pay). Absences that do  
27 not meet the advance notice requirements of the department will be  
28 considered unscheduled leave. If an employee does not have sufficient  
29 accrued unused PTO to cover the period of absence, the employee will be  
30 put on leave without pay for the first sixteen (16) hours or that portion thereof.
- 31 12.8 A. Whenever unscheduled leave is taken, employees will be required to

1 notify their supervisor in accordance with departmental written  
 2 guidelines. Generally, an employee will be allowed to take up to five  
 3 (5) occurrences of unscheduled leave in a one-year period. After five  
 4 (5) occurrences, the department head may require certification of  
 5 absence for unexpected illness from a doctor or certified health  
 6 professional.

- 7 B. In the interest of keeping a healthy workforce, the employee's  
 8 supervisor has the right to send an employee, who appears to be ill or  
 9 who may be a health risk to co-workers, to Employee Health Services  
 10 (EHS). If EHS determines that the employee should be sent home  
 11 due to the illness, the time will be considered scheduled PTO leave for  
 12 the first sixteen (16) hours. For after-hours and weekend shifts, the  
 13 supervisor shall have the right to send the employee home due to  
 14 illness as scheduled leave.

15 12.9 For purposes of overtime, scheduled PTO leave will be counted as hours  
 16 worked and PCLB or unscheduled PTO leave will not be counted as hours  
 17 worked.

18 12.10 MAXIMUM ACCRUAL (CARRYOVER CAP):

19 Carryover of accrued PTO is permitted as follows:  
 20

<b>Years of Continuous Service</b>	<b>Carryover Permitted</b>
<b>0 to 5 years</b> <b>(1 mo. thru 59 mos.)</b>	<b>160 Hours</b>
<b>5 to 10 years</b> <b>(60 mos. thru 119 mos.)</b>	<b>200 Hours</b>
<b>10 to 15 years</b> <b>(120 mos. thru 179 mos.)</b>	<b>224 Hours</b>
<b>15 to 20 years</b>	<b>240 Hours</b>

<b>(180 mos. thru 239 mos.)</b>	
<b>20 to 25 years (240 mos. thru 299 mos.)</b>	<b>272 Hours</b>
<b>25 years or more (300 mos. or more)</b>	<b>280 Hours</b>

1

2

The maximum accrual shall be calculated as of the employee's anniversary date (leave progression date). All hours over the PTO accrual cap must be either used or allocated to the options outlined below at the employee's anniversary date (leave progression date) each year.

3

4

5

6 12.11

Upon separation from the City, an employee shall be paid for accrued unused PTO leave credits up to the maximum carryover cap as listed above.

7

8

Unused PTO leave credits paid at termination shall not be included in the calculation of final average earnings for pension purposes.

9

10 12.12

#### PERSONAL CRITICAL LEAVE BANK (PCLB)

11

It is recommended that the employee establish a PCLB, on his/her leave progression date, by depositing some number of hours of his/her PTO into the PCLB. The PCLB is used for the seventeenth (17) consecutive hour and beyond of absence due to any injury/illness of the employee or when an employee is needed to care for a member of the employee's immediate family (defined as spouse, dependent child[ren], mother, father, or certified or registered domestic partner) who is ill or injured or for the birth, placement, adoption of a child, or bonding/well newborn care after such, in the year between their leave progression dates. Documentation by a certified physician, hospital or Employee Health Services may be required as determined by his/her Manager/designee. For the purpose of this Article, dependent children are defined as the employee's unmarried, natural, adopted, or step-child[ren], or a child for whom the employee has been appointed legal guardian, or the natural or adopted child[ren] of the employee's current certified or registered domestic partner who are under the

- 1 age of nineteen (19) or who are handicapped children as defined in the  
2 City's health insurance policy.
- 3 12.13 Employees may use a maximum of 464 hours of PCLB for family-related  
4 illness in the year between their leave progression dates. If an employee  
5 does not have sufficient PCLB to cover the absences, the employee's time  
6 will be charged to PTO prior to entering a "no pay" status.
- 7 12.14 A. Any PCLB that is accrued and unused prior October 1, 2012 shall be  
8 converted to additional service credit for determining pension benefits. No  
9 cash payment for unused PCLB hours will be allowed at retirement,  
10 resignation or termination.
- 11 B. Any PCLB accrued and unused on or after October 1, 2012 shall not  
12 be converted to additional service credit for determining pension benefits.  
13 Only the lesser of the PCLB accrued prior to October 1, 2012, as described  
14 above, or at the time of termination or entry into the DROP may be converted  
15 to pension service credit.
- 16
- 17 12.15 There is unlimited accumulation of time in the PCLB.
- 18 12.16 An employee may transfer any number of PTO leave hours (in one hour  
19 increments) to a PCLB account at any time and may enroll in recurring  
20 contributions (on a bi-weekly basis) during initial benefit enrollment, within  
21 thirty (30) days of completing the initial probationary period, and during Open  
22 Enrollment each year.
- 23 12.17 A. Provided the employee has accumulated a minimum of 40 hours of  
24 PTO and at least 220 hours in PTO and/or a PCLB at their leave  
25 progression date, the employee will be permitted to convert up to forty  
26 (40) hours of PTO to cash on his/her anniversary date (leave  
27 progression date) to be paid via payroll check. Hours converted to  
28 cash will not be included in the pension base nor used for final  
29 average earnings calculations.
- 30
- 31 B. In order to use the conversion to cash option, the employee must

1 submit a written request to the timekeeper on the form provided at  
 2 least fourteen (14) calendar days in advance of his/her leave  
 3 progression date. Failure to do so will result in the revocation of the  
 4 conversion to cash option for that leave progression year.

5 12.18 Should an employee have more than the allowable carryover cap on his/her  
 6 anniversary date (leave progression date) and fail to choose one of the  
 7 above options, the number of hours over the allowable carryover cap will  
 8 automatically default into the employee's PCLB. 12.19

#### 9 LEAVE BANK

##### 10 A. Eligibility

- 11 1. PTO-covered employees who do not maintain a "Minimum Balance"  
 12 total of PTO and PCLB as described below will **ONLY** be eligible to  
 13 receive leave donations from other City employees if:
  - 14 a. The employee is making a bi-weekly contribution to his/her PCLB,  
 15 **and;**
  - 16 b. PCLB contributions remain in effect until the employee's combined  
 17 PCLB and PTO amount reach a "Minimum Balance" based on  
 18 years of service as described below.
  - 19 c. If leave donations are permitted, employees must sign an  
 20 agreement stating that upon return to work, they will continue bi-  
 21 weekly contributions to PCLB until their combined PCLB and PTO  
 22 balance reaches a "Minimum Balance" based on years of service  
 23 as defined below.
  - 24 d. Employees entering the DROP after the effective date of this  
 25 Agreement shall not be eligible to receive leave bank donations.
- 26 2. Once the employee reaches the "Minimum Balance" below, he/she  
 27 may cease voluntary contributions to the PCLB account annually  
 28 during Open Enrollment and remain eligible for Leave Bank donations.  
 29 However, the combined total of PTO and PCLB on the first day of  
 30 extended leave must be equal to or greater than the "Minimum  
 31 Balance" based on years of service as defined below.

- 1                   3. Employees participating in the Paid Time Off Leave System (PTO)  
 2                   and who do not make voluntary contributions to their PCLB accounts  
 3                   or do not maintain a "Minimum Balance" based on years of service as  
 4                   defined below, **will not** be eligible to receive Leave Bank donations.  
 5  
 6

<b>Years of Continuous Service</b>	<b>Minimum Balance</b>
0 to 5 years (1 mo. thru 59 mos.)	160 Hours
5 to 10 years (60 mos. thru 119 mos.)	200 Hours
10 to 15 years (120 mos. thru 179 mos.)	224 Hours

25 years or more (300 mos. or more)	280 Hours

7  
 8                   B. DONATIONS TO OTHER EMPLOYEES

- 9                   1. An employee may donate time from accrued PTO leave credits to  
 10                   another employee for whom a leave donation fund has been  
 11                   established in accordance with City policy and/or terms of this  
 12                   Agreement.  
 13                   2. The option to donate accrued PTO leave to another qualified  
 14                   employee does not necessarily have to occur at the employee's  
 15                   anniversary date (leave progression date), but rather whenever an  
 16                   eligible leave account is established.  
 17                   3. No minimum PTO/PCLB balance is required for donations of PTO  
 18                   to a leave donation bank.

19  
 20   **ARTICLE 13**

21   **HOLIDAYS**

- 22   13.1           The City observes the following paid holidays, but reserves the right to

1 schedule work on these days. Regular and probationary full-time employees  
 2 covered by this Agreement are entitled to ten (10) paid holidays, eighty (80)  
 3 hours, listed below. Regular part-time employees shall earn holiday leave in  
 4 the proportion that their workweek bears to a full-time workweek. A part-time  
 5 employee whose average workweek over a four (4) week period exceeds  
 6 their normal scheduled workweek shall have their accrual rate changed to  
 7 reflect the higher or lower average workweek until it returns to normal.

 30 Holidays shall be observed on the observance date as established by the  
 31 City, except for those employees scheduled to work on a Saturday or Sunday  
 32 on which the actual holiday falls. They shall observe the actual date. In no  
 33 event shall an employee be paid for the same holiday more than once.

34 13.2 During budget preparations, the Human Resources Director and the Local  
 35 President shall confer in an attempt to determine the one (1) additional  
 36 holiday for the next fiscal year. In the event the two parties cannot reach  
 37 agreement, final determination shall be made by the City Manager on or

1 13.3 To be eligible for a paid holiday, an employee must be in pay status for a full  
2 day on his/her assigned workdays immediately before and after the day on  
3 which the holiday is observed.

4 13.4 Whenever an observed holiday occurs, the employee shall

7 employees shall receive four (4) or six (6) hours

10 employee works on a City designated (i.e., observed) holiday, the following  
11 shall apply:

- 12 1. All hours worked shall count towards the computation of overtime.
- 13 2. For each hour worked, up to a maximum of eight hours worked, the  
14 employee shall receive 0.5 hours of additional compensation at the  
15 straight time rate of pay.

17 be paid in addition to the time and one-half already paid to the  
18 employee for unscheduled (Call-Out or Remote Assist) work on a  
19 holiday.

20 13.6 Failure to report for work on a holiday after having been scheduled to work

22 13.7 Should a holiday occur during an employee's sickness, the day shall be

26 **HOURS OF WORK**

27 14.1 The provisions of this Article are intended to provide a basis for determining  
28 the basic workweek and shall not be construed as a guarantee to such  
29 employee of any specified number of hours of work either per day or per  
30 week or as limiting the right of the City to fix the number of hours of work  
31 (including overtime) either per day or per week for such employee.

1 and hours of work best suited to meet the needs of the department,  
2 provided that any change shall be in compliance with other provisions of  
3 this Agreement and shall not be arbitrary and capricious.

4 14.2 BASIC WORKWEEK

5 A. The workweek shall consist of a period of seven (7) consecutive days.

6 The normal workweek may consist of forty (40) hours per week. The  
7 normal workday may consist of eight (8) or ten (10) or twelve (12)  
8 hours of work, exclusive of the lunch period, in a twenty-four (24) hour  
9 period, unless otherwise specified herein. The City and the Union  
10 recognize that certain types of activities require different treatment as  
11 to hours worked, and agree that in those instances, a different shift,  
12 including the lunch period, may be allowed.

13 B. If there is any change in the scheduled workweek of an employee,  
14 such change shall be posted one (1) week in advance. If a new  
15 schedule is not posted, the current schedule shall remain in effect for  
16 an additional week. However, the posted workweek schedule may be  
17 changed without notice when in response to: an unscheduled event,  
18 circumstances described within Article 17, Non-Standard Operating  
19 Procedures, mutual agreement between the employee and his/her  
20 manager, or the absence of an employee. In such cases, the posted  
21 schedule will be reinstated at the start of the workweek following the  
22 end of the event or circumstance that caused the schedule disruption.

23 14.3 EXCHANGE OF HOURS OF WORK

24 Upon prior approval of the Department Head or his/her designee,  
25 employees within the same job classification working regularly scheduled  
26 hours may exchange hours of work (shift for shift) within the same  
27 workweek with one another, provided no overtime expense or  
28 inconvenience is caused to the City.

29 14.4 BREAKS

30 If operations allow, all employees in the bargaining unit shall be entitled to a  
31 ten (10) minute break during the first four (4), five (5) or six (6) hours of

1 their normal workday and a ten (10) minute break during the second four  
 2 (4), five (5) or six (6) hours of their normal workday (depending upon  
 3 whether they work an eight (8), ten (10) or twelve (12) hour workday shift).  
 4 The daily scheduling of such breaks shall be at management's discretion.  
 5

6 **14.5 HOLIDAY WORKWEEK**

7  
 8 Schedules may be modified at the sole discretion of Management based on  
 9 job function and according to operational needs to retain normal daily work  
 10 hours but reduce the days worked during the normal holiday workweek. In  
 11 the event schedules are modified, Management shall develop holiday  
 12 workweek schedules. Holiday workweek schedules, if modified, shall be  
 13 posted in the Department/Division and filed with Human Resources.

14 **ARTICLE 15**

15 **PREMIUM PAY**

16 **15.1** The provisions of this Article are intended to provide a basis for determining  
 17 the number of hours of work for which an employee shall be entitled to be  
 18 paid at premium rates. Any employee covered under this Agreement shall  
 19 be required to work overtime, perform Remote Assist or Call-Out if required  
 20 by management. Management, at its discretion, may excuse an employee  
 21 from overtime. All authorized and approved work performed by an  
 22 employee in a classification eligible for overtime, in excess of forty (40)  
 23 hours in any one workweek, shall be paid at the premium rate of one and  
 24 one-half (1½) times the employee's straight time hourly rate of pay except  
 25 as defined below.

26 There shall be no duplication or pyramiding in the computation of overtime,  
 27 call-out, stand-by pay, or double-time as provided in the "REST  
 28 TIME/DOUBLE TIME" section and nothing in this Agreement shall be  
 29 construed to require the payment of premium pay more than once for the  
 30 same hours worked.

31 Hours compensated at two (2) times the regular straight time rate shall not  
 32 count as hours worked for the purpose of computing overtime.

- 1 15.2 A. The following overtime guidelines shall apply:
- 2 1. Only Vacations, scheduled Paid Time Off (PTO), all hours
- 3 worked or up to 8 hours not worked on a holiday (depending
- 4 upon whether the employee is full-time or part-time), rest time
- 5 and other actual time worked shall count as hours worked for
- 6 the purpose of computing overtime.
- 7 2. However, vacations and scheduled PTO shall not count as
- 8 hours worked for the purpose of computing overtime when the
- 9 entire regularly scheduled workweek is charged as Vacation
- 10 (annual leave) or scheduled Paid Time Off (PTO).
- 11 B. Whenever an employee works on a holiday as defined in Article 13 -
- 12 Holidays, the following shall apply:
- 13 1. For each hour worked, up to a maximum of eight (8) hours
- 14 worked, the employee shall receive 0.5 hours of additional
- 15 compensation at the straight time rate of pay. *For example,*
- 16 *except as provided in 15.2.B.2., if a regular full time employee*
- 17 *works six (6) hours on a holiday, the employee would be paid*
- 18 *eight (8) hours of Holiday Pay, six (6) hours of pay at the*
- 19 *straight time rate of pay, and three (3) hours of Holiday Bonus*
- 20 *(6 x 0.5).*
- 21 2. The 0.5 hours of additional compensation as defined above
- 22 shall not be paid in addition to the time and one-half already
- 23 paid to employees for unscheduled (call out or
- 24 phone/computer assist) work on a holiday.

25 15.3 Where **scheduled** overtime (notification at least eight hours prior to the

26 beginning of overtime) work is frequent, opportunity to work scheduled

27 overtime will be *offered* as equally as is practicable among employees in

28 the same job classification in the same work section and area, provided the

29 employees are qualified to perform the specific overtime work required.

14 21.6 Calculation of Payment.

15 A. Normal Payments - In General.

- 16 1. Such longevity pay shall be paid to each eligible employee in  
 17 January and July of each year and shall normally cover the six  
 18 (6) months preceding the month in which payment is made.
- 19 2. Longevity pay for each eligible employee shall be calculated by  
 20 multiplying the base pay of such employee for the month of  
 21 January or July next preceding the month in which such  
 22 longevity pay is to be paid by the number of months intervening  
 23 from the month preceding the month in which longevity pay  
 24 was last made to and including the month preceding the month  
 25 in which payment of longevity pay is to be made. The results  
 26 thus obtained shall then be multiplied by the applicable  
 27 percentage rate as shown in the schedule in Section 21.1 and  
 28 the result shall be the amount of longevity pay to be paid.

29 B. Proration For Discontinuous Service.

30 In the event an employee's anniversary of his/her adjusted service  
 31 date (leave progression date) for longevity purposes falls within any

1 six (6) months period for which the employee is being paid under the  
 2 provisions hereof, then the number of full months service in such  
 3 period after the said employee's anniversary of his/her adjusted  
 4 service date (leave progression date) shall be computed at the higher  
 5 rate indicated above and the remainder of the months shall be  
 6 calculated at the lower rate indicated above. (Example: If an  
 7 employee hired out as a regular part-time or regular full-time  
 8 employee with the City on January 13, 1981, the employee's 20 year  
 9 anniversary of his/her adjusted service date (leave progression date)  
 10 would be on January 13, 2001. For the payment in July 2001, the  
 11 employee would receive payment for January 2001, calculated at the  
 12 4% rate, and for February, March, April, May and June 2001,  
 13 calculated at the 5% rate.) Except as otherwise provided by FMLA;  
 14 and Section 21.4.

7 follows:

8 (a) Normal or early retirement - Ten dollars x number of years of  
9 credited service and portion thereof:

10 Plus \$5.00 x number of years of age and portion thereof over 65, on the

12  
13 Minus \$5.00 x the number of years of age and portion thereof under 65, on

6           contribute 50 percent of the amount described in subsections 1. and  
7           2. above.

8           The City's amount of contribution toward the monthly premium, calculated  
9           under (a) or (b) above, will be adjusted annually at a rate of 50% of the  
10          annual percentage change in the individual premium of the least costly  
11          option offered the prior plan year. The adjustment will occur at the  
12          beginning of the first Plan Year after the initial City contribution has been  
13          determined. The amount of City contribution the retiree would initially be  
14          eligible for, calculated as of the date of retirement, will be adjusted  
15          annually, whether or not the retiree has chosen to enter the retiree health  
16          insurance program immediately upon retirement.

17          (c) City's Contribution

18          (1) In no event shall the City's contribution toward a premium as  
19          described above, exceed the amount of the premium the City contributes  
20          for active covered employees for the least costly (lowest premium) City  
21          group health plan option being offered at that time, for the applicable tier  
22          of coverage involved. In the event that the eligible retiree has elected to

24          of participating in the City group health plan(s), the City's contribution  
25          shall not exceed the amount of the premium for the Medicare supplement  
26          plan.

27          (2) Retiree and dependents participating in the City group health plan or  
28          Medicare supplement plan will be required to authorize payment of  
29          premiums from RHS accounts or pension annuities, where sufficient

31          to receive contributions from the City.

1           Either party may reopen this Section 22.3 for negotiation with a thirty-(30-)  
2           day written notice.

- 1                   5.     Because of “any qualifying exigency” arising out of the fact  
2                             that the spouse, son, daughter, or parent of the employee is  
3                             on “covered active duty” or has been notified of an impending  
4                             call or order to “covered active duty” in the Armed Forces.
- 5           B.     An eligible employee who is the spouse, son, daughter, parent or  
6                   next of kin of a covered servicemember, as defined by the FMLA,  
7                   who is recovering from a serious illness or injury sustained in the line  
8                   of duty on active is entitled to up to twenty-six (26) weeks of leave in  
9                   a single 12-month period to care for the servicemember. This  
10                   military caregiver leave is available during “a single 12-month period”  
11                   during which an employee is entitled to a combined total of twenty-  
12                   six (26) weeks of all types of FMLA leave.
- 13                   If both the husband and wife are employed by the City, then the  
14                   aggregate number of workweeks of leave to which both husband  
15                   and wife may be entitled under this subsection may be limited to  
16                   twenty-six (26) weeks during the single 12-month period described in  
17                   this subsection B if the leave is
- 18                   1.     leave under subsection B; or  
19                   2.     a combination of leave under subsection A and leave  
20                             described in B.
- 21           C.     Eligibility Requirements  
22                   Employees are generally eligible if they have worked for the City for  
23                   at least one year and for 1,250 hours over the twelve (12) months  
24                   previous to the leave.
- 25
- 26           D.     Definition of Serious Health Condition  
27                   A serious health condition is an illness, injury, impairment, or  
28                   physical or mental condition that involves either an overnight stay in  
29                   a medical care facility, or continuing treatment by a health care  
30                   provider for a condition that either prevents the employee from  
31                   performing the functions of the employee’s job, or prevents the

1 qualified family member from participating in school or other daily  
2 activities. Slightly different requirements apply in the case of  
3 covered servicemembers.

4 Subject to certain conditions, the continuing treatment requirement  
5 may be met by a period of incapacity of more than three (3)  
6 consecutive calendar days combined with at least two (2) visits to a  
7 health care provider or one visit and a regiment of continuing  
8 treatment, or incapacity due to pregnancy, or incapacity due to a  
9 chronic condition. For further information contact Employee Health  
10 Services or the Human Resources Department.

11 E. Use of Leave

12 An employee does not need to use this leave entitlement in one  
13 block. Leave can be taken intermittently or on a reduced leave  
14 schedule when certified as medically necessary. Employees must  
15 make a reasonable effort to schedule leave for planned medical  
16 treatment so as not to unduly disrupt operations. Leave due to  
17 qualifying exigencies may also be taken on an intermittent basis.

18 F. Substitution of Paid Leave for Unpaid Leave

19 The City generally requires use of accrued paid leave while taking  
20 FMLA leave (see Section 26.8). In order to use paid leave for FMLA  
21 leave, employees must comply with the City's normal paid policies.

22 G. Employee Responsibilities

23 Employees must provide thirty (30) days advance notice of the need  
24 to take FMLA leave when the need is foreseeable. When thirty (30)  
25 days notice is not possible, the employee must provide notice as  
26 soon as practicable and comply with call-in procedures applicable to  
27 employee.

28 Employees must provide sufficient information for the City to  
29 determine if the leave may qualify for FMLA protection and the  
30 anticipated timing and duration of the leave. Sufficient information  
31 may include that the employee is unable to perform job functions,

1 the family member is unable to perform daily activities, the need for  
 2 hospitalization or continuing treatment by a health care provider and  
 3 information on symptoms, diagnosis, hospitalization, doctor results,  
 4 whether medication has been prescribed, any referrals for treatment  
 5 (physical therapy, for example) any other regimen of continuing  
 6 treatments, or circumstances supporting the need for military family  
 7 leave. Employees also must inform the City if the requested leave is  
 8 for a reason for which FMLA leave was previously taken or certified.

9 Employees also may be required to provide a certification and  
 10 periodic recertification supporting the need for leave.  
 11 Documentation must be provided in a timely manner, utilizing the  
 12 forms provided by the City, or FMLA leave may be denied, use of  
 13 paid leave may be denied, employees will lose job benefits and  
 14 protections, and may be subject to disciplinary action.

15 Employees with questions about what illnesses/conditions are  
 16 covered by this section of the policy or under the City's leave policies  
 17 are encouraged to consult with Employee Health Services (EHS).

18 H. Reserved:

19 I. Conditions:

- 20 1. Leave without pay for one (1) full pay period or more will not be  
 21 considered time worked for purposes of accruing seniority, longevity,  
 22 vacation, sick or other employee benefits, including PTO for  
 23 employees in the new leave system.  
 24 2. Employees may take Family and Medical Leave in twelve (12)  
 25 consecutive weeks, may use the leave intermittently, or under  
 26 certain circumstances may use the leave to reduce the workweek or  
 27 workday, resulting in a reduced hour schedule. Except for care for a  
 28 covered servicemember, the FMLA-covered leave may not exceed a  
 29 total of twelve (12) weeks in each twelve- (12) month FMLA leave  
 30 year. However, for the birth, placement, adoption of a child, or  
 31  
 32

- 1 bonding/well newborn care after such the City and the employee  
2 must mutually agree to the schedule before the employee may take  
3 leave intermittently or work a reduced hour schedule.
- 4 3. The City may temporarily transfer an employee to an available  
5 alternative position with equivalent pay and benefits if the employee  
6 is qualified for the position and if the alternative position would better  
7 accommodate the intermittent or reduced schedule.
- 8 4. If an employee out on regular paid leave seeks to extend that leave  
9 under the provisions of the Family Medical Leave Act, the City may  
10 classify and apply leave already taken towards the employee's  
11 twelve- (12-) week total upon appropriate information from the  
12 employee.
- 13 5. The employee's position may be filled by a temporary appointment  
14 or assignment of another employee. At the expiration of the leave,  
15 the employee shall be reinstated in the position vacated, if the  
16 position exists and the employee would have otherwise been  
17 employed.
- 18 6. Except as provided herein, the employee, upon returning to work  
19 from a medical leave, must report to Employee Health Services.  
20 The employee may be required to submit a written approval from  
21 his/her health care provider stating the employee is approved to  
22 return to work. The employee may be required to complete a fitness  
23 for duty examination related to the serious health condition for which  
24 the employee was absent on FMLA leave.
- 25 7. While the employee is on medical leave, the City will continue the  
26 employee's health benefits during the leave period at the same level  
27 of benefits and under the same conditions as if the employee had  
28 continued to work. An employee on paid medical leave continues to  
29 pay the contribution rate via payroll deduction as when an active  
30 employee. An employee on unpaid medical leave continues to pay  
31 the contribution as when an active employee. In this case, the

1 employee must continue to make this payment either in person or by  
 2 mail to the City's Risk Management Department. Payment must be  
 3 received by the last day of the month prior to each month of  
 4 coverage. If the payment is more than thirty (30) days late, the  
 5 employee's health care coverage may be dropped. The City will  
 6 notify the employee in writing at least fifteen (15) days before the  
 7 date the health coverage retroactively is cancelled, or at the City's  
 8 option, it may pay the employee's share of the premiums during the  
 9 unpaid medical leave and recover those payments from employee  
 10 upon employee's return to work.

11 If the employee chooses not to return to work for reasons other than  
 12 a continuation, recurrence, or onset of a FMLA qualifying serious  
 13 health condition or for other circumstances beyond the control of the  
 14 employee, the City will require the employee to reimburse the City  
 15 the amount it paid for the employee's health insurance premium  
 16 during the leave period through deducting from any sums due  
 17 employee arising out of the employment relationship, or by initiating  
 18 legal actions against the employee to recover such costs.

19 26.7 How available paid leave is applied to an FMLA qualifying absence:

- 20 A. PTO– for employees hired on or after October 1, 2000, or for  
 21 employees hired prior to October 1, 2000 who elect the Paid Time  
 22 Off (PTO) leave plan, as provided in Article 12 of this contract
- 23 1. For Employee's Own Illness: The first sixteen (16) hours of  
 24 each FMLA qualifying absence for the employee's own  
 25 serious health condition will be charged against the  
 26 employee's Paid Time Off (PTO) bank. If an employee has  
 27 more than one qualifying FMLA absence, or is using FMLA  
 28 leave on an intermittent basis, the maximum number of hours  
 29 charged to PTO will be 96 hours during that leave year. Any  
 30 subsequent FMLA qualifying time off during that leave year  
 31 will be charged against the employee's Personal Critical

1 Leave Bank (PCLB), then leave without pay. In the case of  
2 an FMLA qualifying absence as a result of a compensable  
3 injury, the first 16 hours may be taken as PCLB. If an  
4 absence will extend beyond 480 hours in the leave year, the  
5 employee must apply for a Personal Leave (Section 26.11).

6 2. For FMLA qualified absence for the serious health  
7 condition(s) of the employee's qualifying family member: The  
8 first sixteen (16) hours of each qualifying absence(s) will be  
9 charged to PTO. If an employee has more than one  
10 qualifying FMLA absence, or is using FMLA leave on an  
11 intermittent basis, the maximum number of hours charged to  
12 PTO will be 96 hours during that leave year. Should the  
13 employee have an insufficient PTO balance to cover the first  
14 sixteen (16) hours of absence(s), the remainder such sixteen  
15 (16) hours will be leave without pay; any subsequent hours of  
16 absence shall be charged to the employee's PCLB account,  
17 then leave without pay. The maximum hours of paid leave  
18 shall be 480 hours in the leave year except as may be  
19 allowed pursuant to Section 26.11. If an absence will extend  
20 beyond 480 hours in the leave year, the employee must apply  
21 for a Personal Leave (Section 26.11).

22 3. For the birth, placement, adoption of a child, or bonding/well  
23 newborn care after such: The first sixteen (16) hours of each  
24 qualifying absence will be charged to PTO. If an employee  
25 has more than one qualifying FMLA absence, or is using  
26 FMLA leave on an approved intermittent basis or reduced  
27 schedule basis, the maximum number of hours charged to  
28 PTO will be ninety-six (96) during that leave year. Should the  
29 employee have an insufficient PTO balance to cover the first  
30 sixteen (16) hours of absence(s), such absence will be leave  
31 without pay; any subsequent hours of absence shall be

1                    charged to the employee's PCLB account then PTO, then  
2                    leave without pay. The maximum hours of paid leave shall be  
3                    480 and any approved absence beyond 480 hours in the  
4                    leave year shall be leave without pay.

5  
6            B.        Old Leave System (Designated Leave System):

7                    Except as provided below, all applicable accrued vacation and sick  
8                    leave must be exhausted before going into unpaid leave status.

9                    An employee may use up to a maximum of 480 hours of the  
10                    employee's accrued sick leave in the leave year, for illness of a  
11                    member of the employee's immediate family (defined as spouse,  
12                    certified or registered domestic partner, dependent child[ren], mother  
13                    or father) living in the same domicile in the employee's leave year,  
14                    as defined in the Designated Leave System (Old System) Policy.

15                    For employees in the sick leave/vacation leave system, employees  
16                    are required to use sick leave, and in the absence of sick leave,  
17                    vacation leave for absences due to their own or family member's  
18                    serious health condition. In the case of the absences due to a  
19                    compensable accident, after wage loss payments start, employees  
20                    may choose whether or not to supplement the wage loss payments  
21                    with sick leave, then vacation. Employees may utilize sick leave or  
22                    vacation in lieu of sick leave for adoption and birth of newborn within  
23                    six (6) weeks after adoption, placement, or bonding/well newborn  
24                    care after such birth, for up to ninety-six (96) hours of such paid  
25                    leave. Upon exhaustion of sick leave prior to utilizing ninety-six (96)  
26                    hours, the employee will be required to use vacation in lieu of sick  
27                    for up to the remainder of that period, after which time unpaid leave,  
28                    or vacation in accordance with departmental notice procedures could  
29                    be taken for the remainder of the FMLA entitlement period.  
30                    Alternatively, the employee may take only unpaid leave for all  
31                    absences due to adoption, placement, birth, or bonding/well

1 newborn care after such, or take vacation leave in accordance with  
2 departmental notice procedures.

 8 exceed a total of one (1) year, for the following reasons:

 30 filled by a temporary appointment, or permanent assignment of another  
 31 employee. At the expiration of the leave, the employee shall be reinstated to

4 qualified. The replacement position shall not be at a higher wage rate than  
5 the position from which the leave was granted. Refusal of a vacant position  
6 offered by the City shall result in the termination of the employee.

7 The employee shall not accept part-time or full-time employment elsewhere  
8 while on leave of absence unless such employment was previously  
9 approved and is not conducted during the employee's normal working  
10 hours.

12 and the employee may be required to submit a written approval from  
13 his/her health care provider releasing the employee for work. The employee  
14 may be required to complete a health examination.

17 Form. The COBRA Notification Form outlines the terms and conditions of  
18 the Consolidated Omnibus Budget Reconciliation Act, COBRA rates, when

 6 leave without pay) and permission for such leave may be withheld if  
 7 operational considerations so require. Such leave shall be considered as  
 8 time worked for the purpose of seniority accrual and other fringe benefits,  
 9 provided that such leave does not exceed ten (10) consecutive work days.

17 **JOB VACANCY AND PROBATION**

18 28.1 A. When vacancies occur they will be posted for City employees  
 19 internally on City bulletin boards for a minimum of seven (7)  
 20 consecutive days. They may also be advertised to the public.

21 B. Employees in initial probationary status may apply for promotion only

23 28.2 The following factors may be considered in selecting persons to fill vacant  
 24 positions.

25 A. Ability and qualifications to perform their work.  
 26 In the review of qualifications, City employees will be reviewed first.  
 27 If tests are given, they may be given to all qualified applicants and  
 28 selection methods will be explained to the candidates at the time of  
 29 the test. If an eligibility list is established, it will be valid for a period  
 30 of time determined by the department at the time the list is  
 31 established, not to exceed two years. This shall not be construed as  
 32 a guarantee that an employee on an eligibility list will be hired in a

Deleted: up to one (1) year

1 position for which the list was established or that selections will be  
2 made in any particular order.

- 3 B. Prior work record and any other pertinent job related information.

 11 its discretion, extend any probationary period up to an additional three

15 B. Promotional:  
 16 Upon promotion, an employee shall be on probation for six (6)  
 17 months. In the sole discretion of management, if an employee is  
 18 removed during the probationary period for failure to perform  
 19 satisfactorily the duties of the position, then the employee, may be  
 20 returned to the classification held prior to the promotion or to a similar  
 21 classification unless otherwise provided in their Progression through  
 22 Training Program (PTTP). ~~In such cases, the department shall have~~  
 23 ~~the discretion to have that employee serve a new probationary period.~~

24 28.4 Interim Appointments/Assignments:

25 Vacancies sometimes require the appointment of employees to positions on  
 26 an interim basis. When such bargaining unit vacancies are likely to extend  
 27 beyond thirty days, hiring managers and supervisors are strongly encouraged  
 28 to solicit interest from all parties in the department who may possibly have  
 29 the basic skills necessary to perform the interim assignment. This solicitation  
 30 is meant to be an informal and quick process with the objective of helping the  
 31 manager or supervisor become aware of all those employees who may have

1 interest in the interim assignment and would benefit from the skills and  
 2 knowledge afforded by the interim position. This provision is not covered by  
 3 Article 8 of the current Labor Agreement.

 13 of, but not limited to, the following: shortage of funds or work, or other  
 14 material changes in the duties or organization, or for related reasons.  
 15 Every effort will be made to provide employees with a minimum of ten  
 16 (10) working days notification prior to layoff.
- 17 B. The duties performed by an employee who is laid off may be  
 18 reassigned to other employees already working who hold positions in  
 19 appropriate classes.
- 20 C. The affected Charter Officer or his/her designee shall determine the  
 21 extent of layoffs necessary and identify:
- 22 1. The class or classes of positions from which layoffs are to be  
 23 made.
  - 24 2. The number of positions in each class to be abolished resulting  
 25 in layoffs.
- 26 D. Should it become necessary to reduce the number of employees  
 27 within a division in a department, or if there are no divisions in the  
 28 department, then within the department, among employees of the  
 29 same classification, the order of layoff shall be as follows:  
 30 Appointment Status
- 31 1. Temporary employees.

- 1                   2.     Initial probationary employees.
- 2                   3.     Promotional probationary employees. (Reverts to prior
- 3                         classification without loss of seniority accrued while in such
- 4                         promotional probationary status.)
- 5                   4.     Regular employees.
- 6     E.     When the need arises for laying off an employee serving a
- 7             promotional probationary period, such employee shall be returned to a
- 8             position of the classification from which he/she was promoted or
- 9             advanced.
- 10    F.     Layoffs:
- 11             If it is necessary to effect a layoff, employees will be laid off in
- 12             accordance with Paragraph D of this Section. Among employees of
- 13             the same appointment status in a classification, the order of layoffs
- 14             shall be based on seniority with the least senior employees in the
- 15             classification in the division being laid off first provided that:
- 16                 1. the employees are of equal ability and qualifications to
- 17                 perform the work, and
- 18                 2. the employees have comparable work records inclusive of all
- 19                 other pertinent job related documentation.
- 20             However, for employees within specific "job families" (as listed in
- 21             Exhibit 2) the order of layoff will be further defined by Paragraph G
- 22             below.
- 23    G.     If it is necessary to effect a layoff of employees within a job family, the
- 24             layoff provisions in Paragraphs D, E, and F above will be in force and
- 25             to the extent possible, employees at the entry level of a job family
- 26             (typically a trainee or apprentice) will be first subject to layoff in favor
- 27             of employees at the advanced level of the job family (typically a lead
- 28             worker or journey level worker). The retained employees may be
- 29             reassigned downward within that job family as required (for example:
- 30             lead worker to journey level worker).
- 31    H.     Employees on layoff shall not accrue any employee benefits

1                   whatsoever.

- 2           I.        Provided, however, and in any event, any action taken under this  
3           entire article shall not detract from the City's Affirmative Action Plan.

4    29.2       Recall:

- 5           A.       Employees laid off under the provisions of either paragraph D or E in  
6           Section 29.1 shall be recalled in the reverse order in which they were  
7           laid off.
- 8           B.       Regular employees laid off shall have precedence for recall to their  
9           former classification and department over other applicants for a period  
10          of three hundred ninety-five (395) days.
- 11          C.       Laid off employees recalled within one hundred eighty (180) days shall  
12          have their tenure of service restored. If re-employed after three  
13          hundred ninety-five (395) days, the employee shall be treated as a  
14          new employee.
- 15          D.       The City will offer recall to laid-off employees by certified mail to the  
16          last known address on file with the Human Resources Department. If  
17          the laid off employee fails to report to the Human Resources  
18          Department his/her intentions of returning to work within fourteen (14)  
19          calendar days after mailing of said certified notice, tenure of service  
20          shall be broken. Any extenuating circumstances may receive  
21          consideration by Management and the Human Resources Director.
- 22          E.       A laid off employee, when offered recall, who is temporarily unable to  
23          accept due to documented medical reasons may request a leave of  
24          absence without pay not to exceed thirty (30) calendar days.
- 25          F.       Laid-off employees may apply for any equivalent or lower or higher  
26          classification with the City and, if selected within the three hundred  
27          ninety-five (395) day recall period, shall have their tenure of service  
28          restored.
- 29

- 9 C. The employee who has been laid off fails to report to work within  
10 fourteen (14) calendar days after being recalled by certified letter sent

19 five (395) days.
- 20 G. The employee is absent without leave for three (3) consecutive

22 Resources Department. Such absence shall constitute a voluntary  
23 resignation. Any extenuating circumstances shall receive  
24 consideration by the Human Resources Director.

28

29 31.1 The City will defend any actions in tort brought against any employee(s)  
30 covered by this Agreement as a result of any alleged negligence of said

3 31.2 Whenever a City employee is sued for actions taken in the course of duty,  
4 the City will provide legal defense through the lawyer supplied by the City or  
5 its insurance carrier.

6 In exceptional cases when a claim for punitive damages has been made, the  
7 City will pay reasonable fees for additional counsel selected by the employee  
8 and the City when the City Commission has approved the hiring of additional  
9 counsel before the contract for hire is made. In no case will the cost of  
10 additional legal counsel be paid by the City unless prior approval is given as  
11 stated above, and in no case will the City pay punitive damages, if levied.

34.4 Classification Changes

A. Promotion  
When an employee is promoted, his/her salary shall be advanced to a rate in the new pay range which would provide at least a five percent (5%) increase, except as provided in paragraph 34.5.

Deleted: Effective the first full pay period in January 2013, for the 2013 contract year only, employees participating in the DROP who are not eligible for the General Increases described in paragraph 34.1, shall receive a one-time, lump sum payment, equal to one-half percent (½%) of their annualized individual rate of pay.

Deleted: .0

B. Transfer  
There shall be no immediate change in the salary rate of an employee who is transferred. A transfer shall be defined as a move from one position to another with no change in classification. ~~If an employee competes for and is hired into~~ a position in a class having the same or a lower salary range, ~~the rate of pay shall be set in accordance with~~

Deleted: If an employee is transferred to a position in a class having a higher salary range, such change is deemed a promotion (see 34.4A).

Deleted: is transferred to

1 HR Policy C-3: Changes in Employee Status Affecting Compensation.

Deleted: such change is deemed a demotion  
(see 34.4D)

2 C. Temporary Assignments

3 When an employee is assigned to perform work for a position in a job  
4 classification with a lower pay grade on a temporary basis, the  
5 employee shall not suffer a decrease in pay.

6 D. Demotion

7 When an employee is demoted to a position in a job classification with  
8 a lower pay grade, the employee shall be paid within the approved  
9 range for the lower paid job classification. The rate of pay shall be set  
10 by the Human Resources Director.

11 E. Audits and Re-allocations

12 When a position(s) is reallocated to a lower paid classification as a  
13 result of a job audit or re-organization, and the affected employee's  
14 rate of pay is above the lower classification's range maximum, the  
15 affected employee's rate of pay shall be frozen. The employee's pay  
16 shall continue at the present rate during the period of incumbency  
17 (except in event of general service wide reductions). The employee  
18 shall not be entitled to a pay increase until such time as the  
19 employee's pay is within the appropriate pay grade for the lower pay  
20 classification.

21 F. Lump Sum Payments for "Hot" Market Jobs

22 Under certain conditions some skill sets become "hot" in the  
23 marketplace. This becomes an issue of concern for the City when  
24 either turnover increases in these position classes, or the City has a  
25 difficult time recruiting. The several years leading up to Y2K for  
26 COBOL programmers are a good example. Under these  
27 circumstances, CWA and the City have an interest in maintaining  
28 compensation at market levels without permanently changing the pay  
29 structure and distorting internal hierarchy relationships. Therefore,  
30 discretionary one-time lump sums may be made at different intervals  
31 depending on market conditions. Each payment of a lump sum will be

1 approved by the IBBT. The review will include, but not be limited to  
2 the following:

- 3 • There are demonstrated recruitment or retention problems in a  
4 position class or potential recruitment or retention problems due to  
5 projected retirements or turnover and there is actual evidence that  
6 the City of Gainesville compensation is materially below market,  
7 based on bona fide data for the appropriate recruitment market,  
8 taking into account the total compensation for the position class.  
9 The lump sum for “hot” market jobs will be applied to each  
10 individual in the class who has the requisite skills.
- 11 • The IBBT will approve any market adjustments, but the final  
12 decision as to the initiation and withdrawal of the adjustment will  
13 rest solely with management using the CCRP process.
- 14 • These “hot” market job lump sum payments will not be included  
15 in determining final average earnings (FAE) for the calculation of  
16 pension benefits.

17 34.5 Progression through Training

- 18
- 19 A. Employees participating in the Supervisory Progression Through  
20 Training Program (SPTTP) shall be given information regarding how  
21 the progression works and the penalty, if any, for not progressing in  
22 the program. In addition, the employee shall be required to sign a  
23 statement of receipt and understanding which states he/she has been  
24 given this information prior to participating in the program.
- 25 B. Employees participating in the SPTTP shall receive wage increases  
26 solely in accordance with the terms of the SPTTP.
- 27 C. All newly appointed Supervisors of employees participating in IBBT  
28 approved PTPs shall be participants in the SPTTP.
- 29 D. All existing Supervisors of employees participating in an IBBT  
30 approved PTP may elect to voluntarily participate in the SPTTP at  
31 any time. Once an existing Supervisor has entered the program,

Deleted: For SPTTP ranges, the value of the range movement provided in 34.1 above shall only modify the final module of the progression (75<sup>th</sup> percentile) and the range maximum.

1 he/she may elect to end their participation within the first six (6)  
 2 months but in doing so, forfeits the opportunity to opt into the program  
 3 at a later date.

- 4 E. An evaluation tool was developed specifically for use by Supervisors  
 5 participating in the SPTTP. The intention was to use this tool to pilot  
 6 an extension of the PTTP philosophy (a direct link between  
 7 performance and pay) beyond the acquisition of Knowledge, Skills  
 8 and Abilities (KSA) into the use and application of those KSAs. The  
 9 terms and conditions necessary for implementation of this evaluation  
 10 tool will be jointly developed by a work group comprised of  
 11 representatives from the CWA and Management, appointed by the  
 12 IBBT. Their work product must be approved by the PTTP Board, and  
 13 finally by the IBBT prior to inclusion in the SPTTP.  
 14

15 34.6 If the City proposes removal of a classification(s) from the bargaining unit,  
 16 and where the union disagrees, PERC will decide the issue.

17 34.7 Direct Deposit

18 All employees covered by this Agreement will be required to have and  
 19 maintain a direct deposit account for the purpose of receiving their  
 20 employment compensation.  
 21

## 22 **ARTICLE 35**

### 23 **SEVERABILITY**

24 35.1 Should any provision of this Agreement be found to be inoperative, void or  
 25 invalid by a court of competent jurisdiction, all other provisions of this  
 26 Agreement shall remain in full force and effect for the duration of this  
 27 Agreement, it being the intention of the parties that no portion of this  
 28 Agreement or provision herein shall become inoperative or fail by reason of  
 29 the invalidity of any other portion or provision.  
 30

1 **ARTICLE 36**

2 **PENSIONS**

3 36.1 Employees covered by this Agreement shall be covered by the City's General  
 4 Pension Plan and Disability Plan as set forth by the City of Gainesville's Code  
 5 of Ordinances, as amended. Minor changes may be made by the City.  
 6 Minor changes are defined as changes the net effect of which would not  
 7 require a current or potential increase in the contribution rate or a benefit  
 8 decrease.

9 36.2 The City will give the Union a copy of such minor change(s) at least thirty (30)  
 10 days prior to the adoption of such change(s).

11 36.3 A change, or changes, in the Plan, the net effect of which would require a  
 12 current or potential increase in the contribution rate or a benefit decrease,  
 13 may be made by the City subject to the Union's right to demand impact  
 14 bargaining prior to the effective date of such change.

15 36.4 In the event there is, during the term of this Agreement, issuance of guidance  
 16 from the State of Florida Division of Retirement, a decision by a court of  
 17 competent jurisdiction, or action by the Florida Legislature that contradicts,  
 18 modifies, or overturns those parts of the General Employees' Pension Plan  
 19 intended to comply with statutory limits on the use of overtime, sick leave, or  
 20 vacation leave in the calculation of retirement benefits, the union may, upon  
 21 thirty (30) days written notice, reopen pension negotiations to discuss these  
 22 issues only.

23  
 24  
 25 **ARTICLE 37**

26 **ENTIRE AGREEMENT**

27 37.1 The parties acknowledge that during negotiations which resulted in this  
 28 Agreement, each had the unlimited right and opportunity to make proposals  
 29 with respect to subjects or matters not removed by law from the area of  
 30 collective bargaining. The understandings and agreements arrived at by the  
 31 parties after the exercise of such right and opportunity are set forth in this

- 1 Agreement.
- 2 37.2 The City and the Union, for the duration of this Agreement, agree that the  
3 other shall not be obligated to bargain collectively with respect to any subject  
4 or matter referred to or covered in this Agreement, but may, upon mutual  
5 agreement of both, bargain collectively on any subject or matter not known or  
6 contemplated by either or both parties at the time that they negotiated this  
7 Agreement.
- 8 37.3 This Agreement shall be effective on January 1, 2016, after ratification by the  
9 bargaining unit members of Local No. 3170 and the City Commission and  
10 shall remain in full force and effect up to and including December 31, 2018.
- 11 37.4 A. The parties recognize that it may be in their mutual interest to  
12 negotiate modifications to the Agreement during the life of said  
13 Agreement. Accordingly, the parties concur that, should the City and  
14 the Union agree to negotiate changes to existing Articles, or to include  
15 the addition of new Articles(s), the Interest Based Bargaining (IBB)  
16 process will continue to be utilized to the extent practicable. When the  
17 IBB process is utilized, the intent of the parties shall be to negotiate  
18 modifications, (e.g., additions and/or deletions) to the Agreement  
19 which achieve mutual gains for the City and the Union. The IBB Team  
20 will consist of 5 Union representatives and 5 management  
21 representatives, to be trained in the IBB process. Union IBB Team  
22 designees who are city employees, shall suffer no lost wages for time  
23 to attend IBB meetings. Agreements reached under the IBB process  
24 must be reduced to writing and signed off by the IBB Team members  
25 and shall be ratified by both parties, except as authorized elsewhere in  
26 the Agreement.
- 27 B. Should either party determine the IBB process would not be  
28 practicable, Article 37, Entire Agreement, Section 37.2 shall then be  
29 the process utilized. Any modifications resulting from utilizing Section  
30 37.2 shall be ratified by both parties.
- 31 37.5 Should either party desire to terminate, change or modify this Agreement or

## DRUG-FREE WORKPLACE PROGRAM

### I. PURPOSE

As a part of its commitment to safeguard the health of its employees, to provide a safe place for its employees to work, and to promote a drug-free working environment, the City of Gainesville, Florida (City) has established this program relating to the use or abuse of alcohol and drugs by its employees. Supplemental programs required by federal regulations will be described in addenda hereto. Substance abuse, while at work or otherwise, seriously endangers the safety of employees, as well as the general public, and creates a variety of workplace problems including increased injuries on the job, increased absenteeism, increased health care and benefit costs, increased theft, decreased morale, decreased productivity, and a decline in the quality of products and services provided. This program is established in part to detect users and remove abusers of drugs and alcohol from the workplace, to prevent the use and/or presence of these substances in the workplace, and to assist employees in overcoming any dependence on drugs and/or alcohol in accordance with the following guidelines.

An employee who is injured in the course and scope of his/her employment and tests positive on a drug or alcohol test may be terminated. Refusal to take a drug (urine) or alcohol (breath) test will result in the employee being subject to dismissal.

Certain components of this program involve utilization of additional techniques and procedures. These additional techniques and procedures, are both justified by, and based upon, federal and state statutes, case law, and regulatory findings. At such time as the regulations implemented pursuant to the Omnibus Transportation Employee Testing Act of 1991 or other regulatory requirements become applicable to City employees, this program will be altered as and if necessary to conform to the specific requirements of the final regulations. Until such time, any additional techniques and procedures shall utilize mechanisms already in use and/or proposed for use by state or federal law and regulation. Prior to making any amendments to this Program, the City shall engage in collective bargaining to the extent required by law.

To the extent that Section 440.101-.102, or the implementing rules issued by the Department of Labor and Employment Security or those issued by the Agency for Health Care Administration are amended, or other statutes and rules requiring drug testing determined to be applicable to City employees are adopted or amended, this Program will be modified without the necessity of further general notice as required by §440.102 (3).

The City's Drug-Free Workplace Program has been prepared so as not to conflict with public policy and, further, not to be discriminatory or abusive. A drug-free workplace should be the goal of every employer in America. Drug and alcohol

Deleted: December 2006

testing is only one of the several steps that must be taken to achieve this objective. When incorporated into a comprehensive anti-drug effort, testing can go a long way in combating drug and alcohol abuse in the workplace.

## II. SCOPE

All employees covered by this program and, as a condition of employment, are required to abide by the terms of this program and, as applicable, supplemental programs described in addenda to the City of Gainesville's Drug-Free Workplace Program. Any employee in doubt as to the requirements or procedures applicable to their situations may contact the City's Risk Management Department for information. Consistent with policy determinations and legal requirements, the City shall limit testing to that which is considered necessary to meet the Purpose of this Program.

## III. DRUG-FREE WORKPLACE PROGRAM DISSEMINATION

- A. The City has given a general one-time notice to all employees that the City prohibits its employees from illegally or improperly using, possessing, selling, manufacturing, or distributing drugs on its property, or while its employees are at work; that it is against City policy to report to work or to work under the influence of drugs; and that it is a condition of employment to refrain from using illegal drugs or alcohol on the job, or abusing legal drugs on or off the job such that it affects their job, and that a drug testing program is being implemented.
- B. Prior to testing, all employees or applicants for employment will have been given a summary of the Drug-Free Workplace Program, a summary of the drugs which may alter or affect a drug test, a list of local employee assistance programs and a list of local alcohol and drug rehabilitation programs.
- C. A notice of drug testing will be included with all job vacancy announcements for which drug testing is required. A notice of the City's drug testing program will also be posted in appropriate and conspicuous locations on the City's premises and copies of the program will be made available for inspection during regular business hours in the Human Resources Department.

## IV. DEFINITIONS

The definitions of words and terms as set forth in § 440.02(1) and § 440.102(1), Fla. Stat., the Florida Workers' Compensation Drug Testing Rules and the Agency for Health Care Administration, Drug-Free Workplace Standards (Fla. Admin. Code R. 59-A24) as may be amended shall apply to the words and phrases used in this program unless the context clearly indicates otherwise. When the phrase "drug and alcohol" testing, use, etc., is used in connection with different testing mechanisms, prohibitions or causes for testing "drug" includes all of the below

Deleted: December 2006

listed substances except alcohol. "Drug" otherwise has the same meaning as in §440.102(1)(a), Fla. Stat., which defines "drug" as follows:

(a) "Drug" means alcohol, including distilled spirits, wine, malt beverages, and intoxicating liquors; amphetamines; cannabinoids; cocaine; phencyclidine (PCP); hallucinogens; methaqualone; opiates; barbiturates; benzodiazepines; synthetic narcotics; designer drugs; or a metabolite of any of the substances listed herein.

(b) The words fail, failed or failure when used in this policy are based upon a confirmed positive test result reported by the Medical Review Officer (MRO).

## V. ALCOHOL USE PROHIBITIONS

- A. The consumption of alcohol on City property or while on duty (during working hours, while at work, etc.) is prohibited and will result in disciplinary action, up to and including dismissal.
- B. Off-duty use of alcohol may adversely affect an employee's job performance or adversely affect or threaten to adversely affect other interests of the City, including but not limited to the employee's relationship to his/her job, fellow workers' reputations, or goodwill in the community. Disciplinary action up to and including dismissal may be imposed on this basis.
- C. Except as provided herein, the personal possession (i.e., on the person, or in a desk, locker) of alcohol on City property or during working hours will result in disciplinary action, up to and including dismissal.
- D. It is against the City's program and a violation of City policy to report to work or to work under the influence of alcohol.
- E. For purposes of implementing § 440.101-.102, Fla. Stat., an employee is presumed to be under the influence of alcohol if a breath test shows alcohol usage as set forth in Section VIII(L) or as otherwise provided by law (see Section I - Purpose).
- F. An employee whom Management has reason to suspect is under the influence of alcohol will be removed immediately from the workplace and will be tested and evaluated by authorized personnel selected in accordance with this program. The City will take further action (i.e., further testing, referral to counseling, and/or disciplinary action) based on medical information, work history, and other relevant factors. The determination of appropriate action in each case rests solely with the City.

Deleted: December 2006

- G. Failure to pass an alcohol test will result in further testing or disciplinary action, up to and including dismissal.
- H. Efforts to tamper with, or refusal to submit to an alcohol test will subject the employee to dismissal.

Refusal is defined as follows:

Refuse to submit (to an alcohol or controlled substances test) means that an employee

- (a) fails to provide adequate breath for testing without a valid medical explanation after he or she has received notice of the requirement for alcohol testing;
  - (b) fails to provide adequate urine for controlled substances testing without a valid medical explanation after he or she has received notice of the requirement for urine testing;
  - (c) engages in conduct that clearly obstructs the testing process; or
- I. Employees arrested for an alcohol-related incident, as indicated on the arrest report, shall notify, as soon as feasible, but in any event no later than 24 hours after the arrest, the City management representative having direct administrative responsibility for the arrested employee of the arrest if the incident occurs:
    1. During working hours, or
    2. While operating a City vehicle, or
    3. While operating a personal vehicle on City business.

Failure to comply with this subsection will result in disciplinary action up to and including dismissal.

- J. Violations of alcohol use prohibitions can subject an employee to disciplinary action up to and including dismissal. Dismissal for a first offense will be considered an appropriate penalty absent mitigating circumstances.

## VI. DRUG USE PROHIBITIONS

- A. The use, sale, purchase, possession, manufacture, distribution, or dispensation of drugs or their metabolites on City property or while at work

Deleted: December 2006

(while on duty, during working hours, etc.) is a violation of the City's Program and is Just Cause for immediate dismissal.

- B. Reporting to work, or working, under the influence of illegal drugs is a violation of the City's Program and is Just Cause for immediate dismissal.
- C. For purposes of this program, an employee is presumed to be under the influence of drugs if a urine test or other authorized testing procedure shows drug usage as set forth in Section VIII (L) or as otherwise provided by law (see Article I - Purpose).
- D. Participation in a treatment program, will not excuse violations of this policy, work rule violations, improper conduct, or poor performance and an employee may be disciplined or dismissed for such offenses or failure to perform.
- E. Legal medications (over-the-counter) or prescription drugs may also affect the safety of the employee, fellow employees or members of the public. Therefore, any employee who is taking any over-the-counter medications or prescription drugs which might impair safety, performance, or any motor functions shall advise his/her direct management representative of the possible impairment before reporting to work under the influence of such medication or drug. A failure to do so may result in disciplinary action. If Management determines that the impairment does not pose a safety risk, the employee will be permitted to work. Otherwise, management may offer a change in work schedule, temporarily reassign the employee or place the employee in an appropriate leave status during the period of impairment. Improper use of "prescription drugs" is prohibited and may result in disciplinary action. Improper use of prescription drugs includes, but is not limited to, use of multiple prescriptions of identical or interchangeable drugs, and/or consumption of excessive quantities of and individual or therapeutically interchangeable drugs, and/or inappropriately prolonged duration of consumption of drugs, and/or consumption of prohibited drugs for other than valid medical purposes. For the purpose of this Program, consumption of any drug by the employee of more than the manufacturer's maximum recommended daily dosage, or for a longer period of time than recommended (unless otherwise prescribed by employee's physician), or of any prohibited drug prescribed for or intended for another individual, or for other than a valid medical purpose shall be construed to constitute improper use. Prescription medication shall be kept in its original container (unless approved in advance by management) if such medication is taken during working hours or on City property.
- F. Refusal to submit to, or efforts to tamper with, a drug test will subject the employee to dismissal.

Deleted: December 2006

Refusal is defined as follows:

Refuse to submit (to an alcohol or controlled substances test) means that an employee

- (a) fails to provide adequate breath for testing without a valid medical explanation after he or she has received notice of the requirement for alcohol testing;
- (b) fails to provide adequate urine for controlled substances testing without a valid medical explanation after he or she has received notice of the requirement for urine testing;
- (c) engages in conduct that clearly obstructs the testing process; or

- G. Violations of drug prohibitions can subject an employee to disciplinary action up to and including dismissal. Dismissal for a first offense will be considered an appropriate penalty absent mitigating circumstances. Employees whose positive result was related to the random drug testing program described in Section VII subsection C below may be given the opportunity for a "last chance agreement" subject to the procedures outlined in Section X paragraph D of this program. Any such "last chance agreement" shall be developed by and is subject to modification at management's sole discretion.

## VII. TESTING

### A. *Testing of Applicants*

1. Prior to employment, applicants for designated positions, whether for temporary or permanent positions, will be tested for the presence of drugs.
2. Any job applicant who refuses to submit to drug testing, fails to appear for testing, tampers with the test, or fails to pass the pre-employment confirmatory drug test will not be hired and, unless otherwise required by law, will be ineligible for hire for a period of at least two (2) years.

### B. *Reasonable Suspicion Testing*

1. "Reasonable suspicion testing" means drug testing based on a belief that an employee is using, or has used drugs in violation of the City's program, on the basis of specific, contemporaneous, physical, behavioral or performance indicators of probable drug use. It is a

Deleted: December 2006

belief based on objective facts which could reasonably lead an observer to further investigation.

Two management representatives shall substantiate and concur in the decision to test said employee, if feasible. Only one management representative need personally investigate or witness the conduct. The management representative(s) and witness(es) shall have received training in the identification of actions, appearance, conduct or odors which are indicative of the use of drugs or alcohol. If a management representative believes reasonable suspicion exists, the management representative shall report his or her findings and observations to the next higher management representative having administrative responsibility for the affected employee. Upon approval by the next higher management representative, the employee will be asked to immediately submit to a drug test(s) and sign a form acknowledging his or her consent. When chemical breath testing for alcohol testing is used, the test may be conducted immediately at the work site or later at the collection site. Factors which substantiate cause to test for drugs shall be documented by the management representative on the Substance Abuse Investigation Report Form which must be completed as soon as practicable, but no later than four (4) days after the employee has been tested for drugs. A copy of this report will be given to the employee upon request.

2. Each supervisor shall be responsible to determine if reasonable suspicion exists to warrant drug testing and required to document in writing the specific facts, symptoms, or observations which form the basis for such reasonable suspicion. The documentation shall be forwarded to the Department Head or designee to authorize the drug test of an employee.

The Department Head or designee shall require an employee to undergo drug testing if there is reasonable suspicion that the employee is in violation of the City of Gainesville Drug-Free Workplace Program. Circumstances which constitute a basis for determining "reasonable suspicion", individually (except as provided in g. below) or in combination, may include but are not limited to:

- a. A Pattern of Abnormal or Erratic Behavior - This includes but is not limited to a single, unexplainable incident of serious abnormal behavior or a pattern of behavior which is radically different from what is normally displayed by the employee or grossly differing from acceptable behavior in the workplace.

Deleted: December 2006

- b. Information Provided by a Reliable and Credible Source - The first line supervisor or another supervisor/manager receives information from a reliable and credible source as determined by the Department Head that an employee is violating the City's Drug-Free Workplace Program.
- c. Direct Observation of Drug Use - The first line or another supervisor/manager directly observes an employee using drugs while the employee is on duty. Under these circumstances, a request for drug testing is MANDATORY.
- d. Presence of the Physical Symptoms of Drug Use - The supervisor observes physical symptoms that could include but are not limited to glassy or bloodshot eyes, slurred speech, poor motor coordination, or slow or poor reflex responses different from what is usually displayed by the employee or what is generally associated with common ailments such as colds, sinus, hay fever, diabetes, etc.

The following will be deemed reasonable suspicion and may provide a sufficient basis for requesting a drug test at the direction of the Department Head or designee:

- e. Violent or Threatening Behavior - First Incident: If an employee engages in unprovoked, unexplained, aggressive, violent and/or threatening behavior against a fellow employee or a citizen, the Department may request that the employee submit to drug testing;
- f. Violent or Threatening Behavior - Subsequent Incident: Whether or not an employee has previously received formal counseling or disciplinary action for unprovoked, unexplained, aggressive, violent and or threatening behavior against a fellow employee or a citizen, upon a second or subsequent episode of similar behavior/conduct (within eighteen months), the Department shall request that the employee undergo drug testing.
- g. Absenteeism and/or Tardiness: If an employee has previously received a suspension action for absenteeism and/or tardiness, a continued poor record (within eighteen months) that warrants a second or subsequent suspension action may result in a request for a drug test. This factor alone will not be cause for testing.
- h. Odor: Odor of cannabis or alcohol upon the person.

Deleted: December 2006

- i. Performance Related Accidents: Each employee whose performance either contributed to the accident or whose performance cannot be discounted as a contributing factor to the accident shall be drug tested. The management representative having administrative responsibility for the employee involved in the accident shall ensure that a drug test is performed as soon as possible after the accident. Any necessary emergency medical care should be provided prior to initiating testing. No drug test should be administered after 32 hours.

Should evidence of alcohol be present, i.e., an odor of alcohol, open containers, or a statement from witness confirming alcohol consumption, the management representative must ensure alcohol testing is done immediately after the accident unless emergency medical care is required. An employee should be tested within 2 hours after the accident if at all possible. No alcohol testing will be conducted after eight (8) hours have passed from the time of the accident. If alcohol testing is not initiated within eight (8) hours, the management representative shall document the reason testing was not completed within eight (8) hours and submit it to Employee Health Services.

The following are examples of conditions that require accident related testing:

- (1) City employee operating a City vehicle at any time, or a non-City vehicle on City business, and involved in an accident resulting in a citation for a moving violation, or in any of the consequences described in 2(a) - (d) below.
- (2) Non-vehicular work related accident resulting in:
  - (a) death or injury to another person; or
  - (b) death of an employee; or
  - (c) injury to the employee requiring medical treatment at an off-site (away from the scene of the accident) medical facility other than Employee Health Services, unless the employee can be absolved of all fault in the accident. If the injury is of such character as would have been treated at Employee Health Services, but for the unavailability of Employee Health Services, management may waive this requirement.

Deleted: December 2006

"Unavailability" means occurring at a time other than the hours of operation of Employee Health Service or at such distance from Employee Health Services as to render their use impractical; or

- (d) property damage estimated to be greater than \$2500, unless the employee can be absolved of all blame in the accident.

### **C. *Random Testing***

- 1. (a) A random testing program shall be established for the following covered positions:

Police Property/Evidence Specialist Supervisor

- (b) The minimum annual percentage rate for random controlled substances testing shall be 50 percent of the average number of individuals holding the above positions.
- 2. Any new minimum annual percentage rate for random alcohol testing will be applicable starting January 1 of the calendar year following a new agreement.
- 3. The selection of individuals for random controlled substances testing shall be made by a scientifically valid method, such as random number table of computer-based random number generator that is matched with drivers' Social Security numbers, payroll identification numbers, or other comparable identifying numbers. Under the selection process used, each individual shall have an equal chance of being tested each time selections are made.
- 4. Random controlled substances tests conducted under this Addendum shall be unannounced and that the dates for administering random alcohol and controlled substances tests are spread reasonably throughout the calendar year.
- 5. Each individual who is notified of selection for random controlled substances testing shall make himself available at the test site immediately.
- 6. An individual shall only be randomly while the employee is holding the positions identified in paragraph 1 (a) of this section.

**E. Follow-up Testing**

If an employee in the course of employment enters an employee assistance program for drug related problems or a drug rehabilitation program, the employee must submit to a drug test as a follow-up to such program unless such requirement is waived by the City. Follow-up testing shall be prescribed by the Substance Abuse Professional (SAP) and be conducted at least once a year for at least a two-year period after completion of the program. Advance notice of such follow-up testing must not be given to the employee to be tested. In the case of drivers subject to the commercial motor vehicle addendum, follow-up alcohol testing shall be conducted only when the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver ceased performing safety-sensitive functions.

**F. Routine Fitness for Duty**

An employee shall submit to a drug test if the test is conducted as part of a routinely scheduled employee fitness-for-duty medical examination that is required for all members of an employment classification or group. When a routinely scheduled employee fitness-for-duty medical exam is to be included, it shall be subject to collective bargaining, unless such is determined to be applicable to city employees by virtue of statutory or regulatory requirements.

**G. Additional Testing**

Additional testing may also be conducted as required by applicable state or federal laws, rules, or regulations, subject to Section I (Purpose).

**H. Refusal to Test**

Employees who refuse to submit to a breath alcohol or urine drug test administered in accordance with this program will be subject to dismissal.

**VIII. TESTING PROCEDURE****A. Tested Substances**

The City may test for any or all of the following drugs:

- Alcohol
- Amphetamines (Binhetamine, Desoxyn, Dexedrine)
- Cannabinoids (i.e., marijuana, hashish)
- Cocaine
- Phencyclidine (PCP)
- Methaqualone (Quaalude, Parest, Sopor)
- Opiates

Deleted: December 2006

Barbiturates (Phenobarbital, Tuinal, Amytal)  
 Benzodiazophines (Ativan, Azene, Clonopin, Dalmane, Diazepam, Halcion,  
 Librium, Poxipam, Restoril, Serax, Tranxene, Valium, Vertron, Xanax)  
 Methadone (Dolophine, Methadose)  
 Propoxyphene (Darvocet, Darvon N, Dolene)

**B. Designated Laboratory**

Because of the potential adverse consequences of test results on employees, the City will employ a very accurate testing program. Specimen samples will be analyzed by a highly qualified, independent laboratory which has been selected by the City and certified by the appropriate regulatory agency. The name and address of the certified laboratory currently used by the City is on file with Employee Health Services.

**C. Notification of Prescription Drug Use**

Applicants and employees will be given an opportunity after testing to, on a confidential basis, provide any information they consider relevant to the test including listing all drugs they have taken within the immediately preceding 30-day period, including prescribed drugs and to explain the circumstances of the use of those drugs or other relevant medical information to the Medical Review Officer (MRO) in the event of a positive confirmed result.

**D. Testing of Injured Employees**

An employee injured at work and required to be tested will be taken to a medical facility for immediate treatment of injury if treatment is required. If the injured employee is not at a designated collection site, the employee will be transported to one as soon as it is medically feasible and specimens will be obtained. If it is not medically feasible to move the injured employee, specimens will be obtained at the treating facility under the procedures set forth in this program and transported to an approved testing laboratory. No specimen will be taken prior to the administration of emergency medical care. An injured employee must authorize release to the City the result of any tests conducted for the purpose of showing the presence of alcohol or drugs.

**E. Body Specimens**

Urine will be used for the initial test for all drugs except alcohol and for the confirmation of all drugs except alcohol. Breath will be used for the initial and confirmation tests for alcohol. Sufficient volume of specimens shall be obtained so as to provide for the necessary number of samples as may be required, depending upon the number of required procedures. Chemical breath testing methods may be utilized in connection with justifying further alcohol breath tests in instances involving reasonable suspicion testing under this program. Under these circumstances discipline for violation of

Deleted: December 2006

the Program may be taken based upon observable conduct or conditions and/or the result of other tests, if any.

**F. Cost of Testing**

The City will pay the cost of initial and confirmation drug tests, which it requires of employees and job applicants. An employee or job applicant will pay the cost of any additional drug tests not required by the City. In the event that the City requires the employee's presence at the collection site outside normal working hours as part of the testing process and the employee passes the drug/alcohol test, such required time outside after normal working hours shall be considered actual time worked for the purpose of the CWA labor agreement (Premium Pay), if applicable.

**G. Collection Site, Work Site**

1. The City will utilize a collection site designated by an approved laboratory which has all necessary personnel, materials, equipment, facilities, and supervision to provide for the collections, security, chain of custody procedures, temporary storage and shipping or transportation of urine specimens to an approved drug testing laboratory. The City may also utilize a medical facility (designated by the contract laboratory) as a collection site which meets the applicable requirements.
2. The City may require that an employee take a chemical breath test at the Work Site or other City facility.
3. Security of the collection site, chain of custody procedures, privacy of the individual, collection control, integrity and identity of the specimen and transportation of the specimen to the laboratory as applicable will meet state or federal rules and guidelines as amended from time to time, and will be used for each employee or job applicant whose urine is tested.

**H. Collection Site, Work Site, Personnel**

A specimen for a drug test will be taken or collected by:

1. A physician, a physician's assistant, a registered professional nurse, a licensed practical nurse, a nurse practitioner, or a certified paramedic who is present at the scene of the accident for the purpose of rendering emergency service or treatment and/or qualified breath alcohol technician as defined in CFR Part 40; or
2. A qualified person employed by a licensed laboratory who has the necessary training and skills for the assigned tasks.

Deleted: December 2006

In the case of a chemical breath test, utilizing evidential breath test devices, a technician licensed pursuant to Fla. Admin. Code R. 11D-8, and/or qualified breath alcohol technician as defined in 49 CFR Part 40.

**I. Testing Laboratory**

1. The laboratory used to analyze initial or confirmation drug specimens will be licensed or certified by the appropriate regulatory agencies to perform such tests. The Agency for Health Care Administration has published Drug-Free Workplace Standards (Florida Administrative Code, R 59A-24) which shall be followed by laboratories and employers for testing procedures required under §440.101-.102, Fla. Stat.
2. All laboratory security, chain of custody, transporting and receiving of specimens, specimen processing, retesting, storage of specimens, instrument calibration and reporting of results will be in accordance with applicable state or federal laws and rules established by HCA or the U.S. Department of Transportation; to the extent the above information is readily reproducible by the lab and not confidential, such will be forwarded to the appropriate certified bargaining unit representative upon their request and their payment for reproduction cost.
3. The Medical Review Officer will provide assistance to the employee or job applicant for the purpose of interpreting any positive confirmed test results.

**J. Initial Tests Used for Implementing § 440.101-.102, Fla. Stat. \***

Initial tests will use an immunoassay except that the test for alcohol will be an enzyme oxidation methodology. The following cutoff levels will be used when screening specimens to determine whether they are positive or negative for these drugs or metabolites. All levels equal to or exceeding the following will be reported as positive:

Alcohol	0.04% concentration
Amphetamines	1000 ng/ml
Cannabinoids	50 ng/ml
Cocaine	300 ng/ml
Phencyclidine	25 ng/ml
Methaqualone	300 ng/ml
Opiates	300 ng/ml
Barbiturates	300 ng/ml
Benzodiazepines	300 ng/ml
Synthetic Narcotics:	
Methadone	300 ng/ml
Propoxyphene	300 ng/ml

Deleted: December 2006

\* Chemical breath testing procedures as described in Fla. Admin. Code R. 11D-8 or U.S. Department of Transportation rules, will be used for all alcohol testing.

\*\*D.O.T. cutoff per 49 CFR, 40.29(e).

#### **K. Confirmation Tests Used**

All urine specimens identified as positive on the initial test will be confirmed using gas chromatography/mass spectrometry (GC/MS) or an equivalent or more accurate scientifically accepted method approved by the HCA. Alcohol will be confirmed using gas chromatography. All confirmation will be done by quantitative analysis. Concentrations which exceed the linear region of the standard curve will be documented in the laboratory and recorded as "greater than highest standard curve value." The following confirmation cutoff levels will be used when analyzing specimens to determine whether they are positive or negative for these drug metabolites. All levels equal to or exceeding the following will be reported as positive:

Alcohol	0.04% concentration
Amphetamines	500 ng/ml
Cannabinoids	15 ng/ml
Cocaine	150 ng/ml
Phencyclidine	25 ng/ml
Methaqualone	150 ng/ml

Barbiturates	150 ng/ml
Benzodiazepines	150 ng/ml
Synthetic Narcotics:	
Methadone	150 ng/ml
Propoxyphene	150 ng/ml

#### **L. Comparable Procedures**

To the extent allowed by law and regulation, the City shall utilize 49 CFR, Part 40 procedures for workplace drug testing programs in lieu of the comparable procedures described herein, or incorporated by reference, when such comparable procedures are based upon the requirements of Fla. Admin. Code R. 59A-24.

### **IX. TEST RESULTS**

#### **A. Reporting Results**

1. The laboratory shall disclose to the Medical Review Officer (MRO) a written positive confirmed test result report within seven (7) working days after receipt of the sample. The laboratory should report all test results (both positive and negative) to the MRO within seven (7)

Deleted: December 2006

working days after receipt of the specimen at the laboratory. The name and address of the current MRO is on file with Employee Health Services. The MRO is employed by the City and is not an employee of the drug testing laboratory.

2. The laboratory will report as negative all specimens which are negative on the initial test or negative on the confirmation test. Only specimens confirmed positive on the confirmation test will be reported positive for a specific drug.
3. The laboratory will transmit results in a manner designed to ensure confidentiality of the information. The laboratory and MRO will ensure the security of the data transmission and restrict access to any data transmission, storage and retrieval system.
4. As provided in Fla. Admin. Code R. 59A-24, the MRO will verify that positive and negative test results were properly analyzed and handled according to HCA rules. The MRO may require a re-test. The MRO will have knowledge of substance abuse disorders and shall also be knowledgeable in the medical use of prescription drugs and in the pharmacology and toxicology of illicit drugs. The MRO shall evaluate the drug test result(s) reported by the lab, verify by checking the chain of custody form that the specimen was collected, transported and analyzed under proper procedures and, determine if any alternative medical explanations caused a positive test result. This determination by the MRO may include conducting a medical interview with the tested individual, review of the individual(s) medical history or the review of any other relevant bio-medical factors. The MRO shall also review all medical records made available by the tested individual. The MRO may request the laboratory to provide quantification of test results.
5. The MRO will (1) notify the Designated Employer Representative (DER) or his/her designee of negative results, or (2) contact the employee or job applicant regarding a confirmed positive test result and make such inquiry as to enable the MRO to determine whether prescription or over-the-counter medication could have caused the positive test results. In this latter case, the MRO will follow the applicable procedure set forth in either the HCA or D.O.T. rules for providing the employee or job applicant the opportunity to present relevant information regarding the test results. After following the appropriate procedures, the MRO will notify the City in writing of any verified test results. If the MRO, after making and documenting all reasonable efforts, is unable to contact the employee or job applicant to discuss positive test results, the MRO will contact a DER management official to arrange for the employee or applicant to

Deleted: December 2006

contact the MRO. The MRO may verify a positive test without having communicated to the employee or applicant about the results of the test, if (1) the employee or applicant declines the opportunity, or (2) within two (2) days after contacting the designated management official the employee or applicant has not contacted the MRO. Further, employees or applicants must cooperate fully with the MRO. Failure to meet with the MRO upon his or her request or failure to promptly provide requested information will result in an applicant not being hired and an employee immediately being placed upon suspension without pay and may result in discharge.

6. Within five (5) calendar days after the City receives a positive, confirmed verified test result from the MRO, the City will notify the employee or job applicant in writing of such test results, the consequences of such results, and the options available to the employee or job applicant, including the right to file an administrative or legal challenge. Notification shall be mailed certified or hand delivered. Hand delivery is the preferred method of providing notice to employees. Mailed notification shall be deemed received by the employee or applicant when signed for, or seven (7) calendar days after mailing, whichever occurs first.
7. The City will upon request provide to the employee or job applicant a copy of the test results.
8. Unless otherwise instructed by the City in writing, all written records pertaining to a given specimen will be retained by the drug testing laboratory for a minimum of five (5) years. The drug testing laboratory shall retain (in properly secured refrigerated or frozen storage) for a minimum period of 1 year, all confirmed positive specimens. Within this one (1) year period the City, employee, job applicant, MRO or HCA may request in writing that the laboratory retain the specimen for an additional period of time. If no such request or notice of challenge (See B.3.) is received, the laboratory may discard the specimen after one (1) year of storage.

**B. Challenges to Test Results**

1. Within five (5) working days (Monday thru Friday, 0800 - 1700, except observed/designated holidays) after receiving notice of a positive, confirmed and verified test result from the City, the employee or job applicant may submit information to the City explaining or contesting the test results and why the results do not constitute a violation of this program. The employee or job applicant will be notified in writing if the explanation or challenge is unsatisfactory to the City. This written explanation will be given to the employee or job applicant within 15 days of receipt of the

Deleted: December 2006

explanation or challenge, and will include why the employee's or job applicant's explanation is unsatisfactory, along with the report of positive results. All such documentation will be kept confidential and will be retained for at least one (1) year.

2. Employees may challenge employment decisions made pursuant to this program as may be authorized by the City personnel policy or collective bargaining agreements.
3. When an employee or job applicant undertakes an administrative or legal challenge to the test results, it shall be the employee's or job applicant's responsibility to notify the City through its Human Resources Director and the laboratory, in writing, of such challenge and such notice shall include reference to the chain of custody specimen identification number. After such notification, the sample shall be retained by the laboratory until final disposition of the case or administrative appeal.
4. Agency for Health Care Administration, employer or MRO detecting a false positive error shall immediately notify the laboratory and the employee's management representative to whom the false positive test result was reported.

**C. *Employee/Applicant Protection***

1. During the 180-day period after the employee's or applicant's receipt of the City's written notification of a positive test result, the employee or applicant may request that the City have a portion of the specimen retested, at the employee's or applicant's expense. The re-testing must be done at another HCA licensed laboratory. The second laboratory must test at equal or greater sensitivity for the drug in question as the first laboratory. The first laboratory which performed the test for the City will be responsible for the transfer of the portion of the specimen to be re-tested, and for the integrity of the chain of custody for such transfer.
2. The drug testing laboratory will not disclose any information concerning the health or mental condition of the tested employee or job applicant.
3. The City will not request or receive from the testing facility any information concerning the personal health, habit or condition of the employee or job applicant including, but not limited to, the presence or absence of HIV antibodies in a worker's body fluids.
4. The City will not dismiss, discipline, refuse to hire, discriminate against, or request or require rehabilitation of an employee or job

Deleted: December 2006

applicant on the sole basis of a positive test result that has not been verified by a confirmation test and by a MRO.

5. The City will not dismiss, discipline or discriminate against an employee solely upon the employee's voluntarily seeking treatment, while in the employ of the City, for a drug-related problem, if the employee has not previously tested positive for drug use, entered an employee assistance program for drug-related problems, or entered an alcohol or drug rehabilitation program. This shall not prevent follow-up testing as required by this program (Section VII (E)).

**D. Comparable Procedure**

To the extent allowed by law and regulation, the City shall utilize 49 CFR, Part 40 procedures for workplace drug testing programs in lieu of the comparable procedures described herein, or incorporated by reference, when such comparable procedures are based upon the requirements of Fla. Admin. Code R. 59A-24.

**X. EMPLOYEE ASSISTANCE PROGRAM (EAP)**

- A. The City regards its employees as its most important asset. Accordingly, the City maintains an EAP which provides help to employees who suffer from alcohol or drug abuse and other personal or emotional problems. Employees with such problems should seek confidential assistance from the EAP or other community resources before drug or alcohol problems lead to disciplinary action. Employees may contact Employee Health Services for the name of the City's EAP.
- B. Information about a self-referred employee's contact with the EAP is confidential and will not be disseminated without the employee's permission. Further, an employee is not subject to discipline solely as a result of a self referral for treatment.
- C. However, use of the EAP or other community resources will not shield the employee from appropriate disciplinary action for violations of the City's Drug-Free Workplace Program if such violations come to the City's attention through other means, including, but not limited to, reports from employees or outsiders, direct observation, or drug testing.
- D. Follow-up testing shall be monitored by the Substance Abuse Professional (SAP) and shall provide that the employee:
  1. Contact the SAP and strictly adhere to all the terms of treatment and counseling;
  2. Immediately cease any and all abuse/use of alcohol/drugs; and

Deleted: December 2006

3. Consent in writing to periodic unannounced testing for a period of up to 60 months after returning to work or completion of any rehabilitation program, whichever is later.
  4. Pass all drug test(s) administered under this program.
  5. The employee and the certified bargaining representative, if any, executes and abides by an agreement, if appropriate, describing the required conditions.
- E. Participation in an employee assistance program or a drug rehabilitation program shall be paid for to the extent authorized under the City's Health insurance plan, whether the particular program is selected by the employee or the City.

## **XI. INVESTIGATION**

- A. To ensure that illegal drugs and alcohol do not enter or affect the workplace, the City reserves the right to undertake reasonable searches of all vehicles, containers, lockers, or other items on City property in furtherance of this program. Individuals may be requested to display personal property for visual inspection.
- B. Searches for the purpose described herein will be conducted only where the City has reasonable suspicion that the employee has violated the City's Drug-Free Workplace Program, and that evidence of such misconduct may be found during the search. A substance abuse investigation report shall be completed within twenty-four (24) hours after any search conducted pursuant to this sub-section.
- C. Preventing a premises/vehicle search or refusing to display personal property for visual inspection pursuant to this section will be grounds for disciplinary action up to and including dismissal and/or denial of access to City premises.
- D. Searches of an employee's personal property will take place only in the employee's presence. All searches under this program will occur with the utmost discretion and consideration for the employee involved.
- E. Individuals may be required to empty their pockets, but under no circumstances will an employee be required to remove articles of clothing or be physically searched except by law enforcement personnel having lawful authority to do so.

In most cases, the arrest for a drug-related crime, except off-duty alcohol use, will constitute reasonable suspicion of drug use under this program. However, information on drug test results shall not be released or used in any criminal proceeding against the employee. Information released contrary to this section shall be inadmissible as evidence in any such criminal proceeding. In conducting its own investigation the City shall use the following procedures:

## II. PROHIBITIONS AND CONSEQUENCES

### A. Drug Use Prohibitions

1. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if the driver:
  - a. Uses any controlled substances; or
  - b. Tests positive for use of a drug; or
  - c. Refuses to be tested for use of drugs.
2. No driver shall be on duty and possess, be under the influence of, or use, any of the following drugs or other substances:
  - a. Any Schedule 1 controlled substance;
  - b. An amphetamine or any formulation thereof (including, but not limited, to "pep pills", and "bennies");
  - c. A narcotic drug or any derivative thereof; or
  - d. Any other substance, to a degree which renders the driver incapable of safely operating a motor vehicle.
3. Paragraphs (1)(a)(b) and (2)(b)(c) and (d) above do not apply to the possession or use of a substance administered to a driver by or under the instructions of a physician who has advised the driver that the substance will not affect the driver's ability to safely operate a motor vehicle.

B. Alcohol Prohibitions

- (a) No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater.
- (b) No driver shall be on duty or operate a commercial motor vehicle while the driver possesses alcohol.
- (c) No driver shall use alcohol while on duty.
- (d) No driver shall perform safety-sensitive functions within four hours after using alcohol.
- (e) No driver required to take a post-accident alcohol test shall use alcohol for eight hours following the accident, or until he/she undergoes a post-accident alcohol test, whichever occurs first.

C. Refuse to Submit

No driver shall refuse to submit to a post-accident alcohol or controlled substance test required under this Addendum, a random alcohol or controlled substances test required under this Addendum, a reasonable suspicion alcohol or controlled substances test required under this Addendum, or a follow-up alcohol or controlled substances test required under this Addendum.

D. Consequences

Any driver/employee or driver applicant who is presently employed by the City who violates any of the provisions of Subsections A through C of this Section or whose positive test for alcohol is at a result of 0.04 or greater or who otherwise violates the provisions of this Addendum will be removed immediately from safety sensitive functions and is subject to disciplinary action up to and including dismissal. Each driver and each driver applicant already employed by the City who engages in conduct prohibited by Section II A-C or who tests positive for alcohol at 0.04 or greater shall be evaluate by a substance abuse professional who shall determine what assistance, if any, the employee needs in resolving problems associated with alcohol misuse and controlled substances use. Except as provided below, dismissals for a first offense will be considered an appropriate penalty absent mitigating circumstances. Driver applicants who are not already employed by the City will not be hired if they test positive for controlled substances or have any measured alcohol concentration or any detected presence of alcohol. In the event a driver submits to a random alcohol or controlled substances test, which tests positive (in the case of alcohol a concentration greater than 0.04) the driver may be allowed a one-time

opportunity to participate in an alcohol/drug rehabilitation program in accordance with the procedures described in 49 CFR 382.605, copy attached (which may include the City's EAP) approved by the City in lieu of being immediately dismissed based upon such test result. However, allowing the driver to participate in such program in lieu of being dismissed is conditioned upon the driver meeting the requirements set forth in paragraph XD of the City's Drug Free Workplace Program. Furthermore, such an opportunity will not be available to an employee who has previously participated in an alcohol/drug rehabilitation program as an alternative to dismissal. Drivers allowed the rehabilitation opportunity described herein may still receive disciplinary action short of dismissal in addition to required participation in the rehabilitation program. Participation in the treatment program, be it entirely voluntary, or pursuant to this subsection will not excuse additional violations of this Addendum, the City's Drug Free Workplace Program, work rules violations, improper conduct, or poor performance and the driver employee may be disciplined or dismissed for such offenses or failure to perform. Drivers who test positive for alcohol with a concentration of 0.02 or greater but less than 0.04 shall be immediately removed from performance of safety sensitive functions for the remainder of their shift and that of the entire next scheduled shift if the next scheduled shift would begin in less than twenty four (24) hours after the test. If the driver is suspended, vacation or sick leave may be used in lieu of being in a no pay status. Use of vacation with respect to this section {II (D)} will be granted on a one time basis; up to a maximum of two (2) shifts. The driver may be subject to additional disciplinary action. In the event that the City requires the employee's presence at the collection site outside normal working hours as part of the testing process and the employee passes the drug/alcohol test, such required time outside after normal working hours shall be considered actual time worked for the purpose of Section 13.4 of the CWA labor agreement, of applicable.

### **III. TESTS REQUIRED**

#### **A. Pre-employment Testing**

All driver applicants the CITY intends to employ must be tested for the use of controlled substances.

#### **B. Post-accident Testing**

1. All drivers who were performing safety sensitive functions at the time of an accident involving loss of human life or who are involved in an accident as defined in 1.(c).(5) and who receive a citation for a moving traffic violation arising from the accident shall submit to breath alcohol test within (2) hours following the accident but no longer than eight (8) hours following the accident and shall provide a urine sample to be tested for the presence of controlled substances as soon as possible, but no later than 32 hours, after such accident.

2. All drivers involved in an accident shall inform their management representative or other appropriate CITY official as soon as possible following such accident unless medically unable to do so. A driver who is subject to post-accident testing shall remain readily available for such testing or may be deemed by the City to have refused to submit to testing. Nothing in this section shall be construed to require the delay of necessary medical attention of injured people following an accident or to prohibit a driver from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident, or to obtain necessary emergency medical care. Through this Addendum the CITY is providing drivers with necessary information and procedures regarding their obligation to provide specimens under this section.
3. The results of a breath or blood test for the use of alcohol or a urine test for the use of controlled substances, conducted by Federal, State, or local officials having independent authority for the test, shall be considered to meet the requirements of this section, provided such tests conform to applicable Federal, State, or local requirements, and that the result of the tests are obtained by the City.

C. Random Testing

1. (a) Except as provided in paragraph 2 of this section, the minimum annual percentage rate for random alcohol testing shall be 25 percent of the average number of driver positions.
- (b) The minimum annual percentage rate for random controlled substances testing shall be 50 percent of the average number of driver positions.
2. Any new minimum annual percentage rate for random alcohol testing will be applicable starting January 1 of the calendar year following publication of such in the Federal Register by the FHWA.
3. The selection of drivers for random alcohol and controlled substances testing shall be made by a scientifically valid method, such as random number table or computer-based random number generator that is matched with drivers' Social Security numbers, payroll identification numbers, or other comparable identifying numbers. Under the selection process used, each driver shall have an equal chance of being tested each time selections are made.
4. Random alcohol and controlled substances tests conducted under this Addendum shall be unannounced and that the dates for administering

random alcohol and controlled substances tests are spread reasonably throughout the calendar year.

5. Each driver who is notified of selection for random alcohol and/or controlled substances testing shall make himself available at the test site immediately; provided, however, that if the driver is performing a safety-sensitive function at the time of notification, the driver shall cease to perform the safety-sensitive function and make himself available at the testing site as soon as possible.
6. A driver shall only be randomly tested for alcohol while the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing such functions.

D. Reasonable Suspicion Testing

1. A driver is required to submit to an alcohol test when the City has reasonable suspicion to believe that the driver has violated the prohibitions of Section II concerning alcohol, except in the case of mere possession. The City's determination that reasonable suspicion exists to require the driver to undergo an alcohol test must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the driver.
2. A driver is required to submit to a controlled substances test when the City has reasonable suspicion to believe that the driver has violated the prohibitions of Section II concerning controlled substances. The City's determination that reasonable suspicion exists to require the driver to undergo a controlled substances test must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odor of the driver. The observations may include indications of the chronic and withdrawal effects of controlled substances. For a more detailed description of observations and indicators, see Section VII B2 of the City's Drug Free Workplace Program.
3. The required observations for alcohol and/or controlled substances reasonable suspicion testing shall be made by a supervisor or management official who is appropriately trained. The person who makes the determination that reasonable suspicion exists to conduct an alcohol test shall not conduct the alcohol test of the driver.
4. Alcohol testing is authorized by this section only if the observations required by paragraph 1 of this section are made during, just preceding, or just after the period of the work day that the driver is required to be in compliance with this Addendum. A driver may be directed by the City to only undergo reasonable suspicion alcohol testing while the driver is

performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing such functions.

5. Notwithstanding the absence of a reasonable suspicion alcohol test under this section, no driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol, as shown by the behavioral, speech, and performance indicators of alcohol misuse, not shall the driver perform or continue to perform safety-sensitive functions, until:
  - (a) An alcohol test is administered and the driver's alcohol concentration measures less than 0.02; or
  - (b) Twenty-four hours have elapsed following the determination under paragraph 1 of this section that there is reasonable suspicion to believe that the driver has violated the prohibitions of this Addendum concerning the use of alcohol.
6. A written record shall be made of the observations leading to a controlled substance reasonable suspicion test, and signed by the supervisory management official who made the observations, within 24 hours of the observed behavior or before the results of the controlled substances test are released, whichever is earlier.

E. Return to Duty and Follow-up Testing

1. Before a driver returns to duty requiring the performance of a safety-sensitive function after engaging in conduct prohibited by Section II of this Addendum concerning alcohol, the driver shall undergo a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02.
2. Before a driver returns to duty requiring the performance of a safety-sensitive function after engaging in conduct prohibited by subpart II of this Addendum concerning controlled substances, the driver shall undergo a return-to-duty controlled substances test with a result indicating a verified negative result for controlled substances.
3. In the event that a driver is allowed to return to duty/work after engaging in conduct prohibited by Section II of this Addendum and has been determined to be in need of assistance in resolving problems associated with alcohol misuse and/or the use of controlled substances, the driver will be subject to unannounced follow-up alcohol and/or controlled substances testing as directed by a substance abuse professional consisting of at least six tests in the first twelve months following the driver's return to

duty/work, but shall not exceed sixty months from the date of the driver's return to duty/work. Follow-up alcohol testing conducted pursuant to this Addendum shall be conducted only when the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing safety-sensitive functions.

#### **IV. TESTING PROCEDURES**

Testing procedures for alcohol and drug tests required by this Addendum shall be in conformance with 49 CFR Part 40, a copy of which is attached hereto, except as modified by this Addendum. A summary of 49 CFR Part 40, prepared by J.J. Keller and Associates is available for review (but not copying since this is copyrighted material) at the Human Resources Department. The list of the drivers/classifications covered by this Addendum is attached hereto and on file at the Human Resources Department. ## PHMSA DRUG AND ALCOHOL TESTING PROGRAM

### SUBPART A - ANTI-DRUG PROGRAM

#### POLICY STATEMENT

The purpose of this subpart is to establish procedures for the administration of the Department of Transportation (DOT) anti-drug program pursuant to the Pipeline Safety Regulations, Code of Federal Regulations, Title 49 (49 CFR), Part 199, as amended or superseded, which, in turn, incorporates DOT Procedures for Transportation Workplace Drug Testing Programs, 49 CFR Part 40. Part 199 requires operators of gas systems to have an anti-drug program for persons who perform on these facilities operating, maintenance, or emergency-response functions covered by the DOT Pipeline Safety Standards in 49 CFR Part 192.

Any job applicant applying for a position covered in this policy who refuses or fails a pre-employment drug test will not be hired for the covered position. Any employee covered by this policy who refuses or fails a drug test will immediately be removed from duty. Any employee covered by this policy who refuses or fails a drug test may receive disciplinary action, up to and including termination.

#### INTRODUCTION

Unless the context clearly indicates otherwise, words and phrases utilized in this policy shall be defined and utilized as similar phrases are used in 49 CFR Part 40 and 49 CFR Part 191 and 199, as may be amended from time to time. In particular, the anti-drug program described herein shall utilize the concepts set forth in 49 CFR 191.3, 199.3, dealing with "accident," "DOT procedures," "fail a drug test," and "prohibited drug."

#### PROCEDURE

##### 1. Employee Categories

- (a) Testing Program--Covered employee means a person who performs on a pipeline or at an LNG facility an operation, maintenance, or emergency-response function regulated by 49 CFR Parts 192, 193 or 195.
- (b) Drug Free Workplace Training (DFWP) —Individuals supervising or managing covered employees as described above shall receive DFWP training for detecting symptoms of drug use.:

##### 2. Types of Drug Testing

Employees/applicants subject to this drug testing program are required to be tested under the following circumstances:

(a) Pre-employment Testing

- (1) A pre-employment drug test will be conducted when an individual is offered employment in a position covered in this policy.
- (2) A pre-employment drug test will be conducted when a current employee transfers from a position not covered by this policy into a covered position.
- (3) Only applicants who are offered a position covered by this policy will be drug tested before being employed in a covered position. Pre-employment job applicants who test positive will not be hired. A valid negative test must be obtained. Employees transferring into a position requiring drug testing who test positive do have the right to have their split sample tested. Employees who fail a drug test will not be hired for the position requiring drug testing and are subject to disciplinary action up to and including dismissal.
- (4) An employee who transfers from one position covered by this policy to another covered by this policy does not require pre-employment drug testing.

(b) Random Testing

- (1) All employees working in a position covered by this policy are subject to unannounced drug testing based on random selection. This includes temporary employees performing work in a covered position.
- (2) The City will test at minimum the rate established by the Department of Transportation (DOT) or any other agency having jurisdiction over employees covered by this policy and the comparable CWA PHMSA Anti-Drug policy every twelve (12) months, divided on the basis set forth in paragraph six (6) below. All covered employees will be subject to be randomly picked for drug testing at each random testing date. A person may be randomly picked more than once or not picked at all during the annual period.
- (3) To assure that the selection process is random, all employees covered by this policy and the comparable CWA PHMSA Anti-Drug policy will be placed in a common pool. All permanent and temporary covered employees will be in this pool.
- (4) The random selection of employees will be determined using either a random number table or a computer-based number generator that is matched with the employee number.
- (5) The selection procedure will select sufficient additional numbers to be used to reach the appropriate testing level during the year.

- (6) Each month the department will drug test approximately 1/24 of the total number of employees in the pool at that time. The testing schedule will be determined each month by either Employee Health Services or the MRO.
  - (7) An employee who fails a random drug test will be allowed a one-time opportunity for rehabilitation using a Substance Abuse Professional.
- (c) Post-accident Testing
- (1) An "accident" on a gas pipeline or LNG facility is defined as an "incident" in 49 CFR, Section 191.3.
  - (2) Employees working in positions covered by this policy whose performance either contributed to an accident or cannot be completely discounted as a contributing factor to the accident will be drug tested.
  - (3) The employee will be tested as soon as possible, but no later than 32 hours after the accident. Because certain drugs or drug metabolites do not remain in the body for extended periods of time, testing should be as soon as possible.
  - (4) All reasonable steps will be taken to obtain a urine sample from an employee after an accident. In case of a conscious but hospitalized employee, the hospital or medical facility will be requested to obtain a sample and, if necessary, reference will be made to the DOT drug testing requirements.
  - (5) If an employee who is subject to post-accident testing is conscious, able to urinate normally (in the opinion of a medical professional) and refuses to be tested, that employee will be terminated.
- (d) Reasonable Cause Testing
- (1) When there is reasonable cause to believe that an employee covered by this policy is using a prohibited drug, the employee will be required to take a drug test.
  - (2) Two supervisors/managers from the department must agree to test an employee for reasonable cause. The supervisors/managers must be EAP trained in the symptoms of drug use.
  - (3) A decision to test must be based on specific contemporaneous physical, behavioral, or performance indicators of probable drug use. Examples of this are evidence of repeated errors on the job; regulatory, City, or department rule violations; or unsatisfactory time and attendance patterns; coupled with a specific contemporaneous event that indicates probable drug use.

- (4) Employees whose test results are negative will be allowed to return to work without loss of pay or benefits.
- (e) Return to Duty and Follow-up Testing
  - (1) Return to duty testing. An employee who refuses to take or does not pass a drug test may not return to duty until the employee has been referred to a Substance Abuse Professional who shall determine the necessary treatment program and the return to duty and follow up testing requirement. The requirement is for a negative test prior to returning to work and at least 6 follow up tests in the first 12 months following the employees return to duty. In addition, follow-up testing may include testing for up to 60 months as prescribed by the SAP.
  - (2) The time period for follow-up testing will not be more than 60 months. A reasonable minimum is 12 months. This period will be determined by the MRO/SAP.
  - (3) Follow-up testing will be conducted at daily, weekly, monthly or other basis at the discretion of the MRO/SAP.

### 3. Testing Procedures

- (a) Drug testing will be performed utilizing urine samples.
- (b) Tests for marijuana, cocaine, opiates, amphetamines, and phencyclidine will be performed.
- (c) An applicant who is offered a position covered by this policy will be required to report to the drug testing collection site specified in Section 6 of this policy within 24 hours of the job offer and provide a specimen of his/her urine.
- (d) Upon notification that a drug test is required, an employee will report within a reasonable amount of time after notification to the drug collection site and provide a specimen of his/her urine.
- (e) Refusal to take or submit to a DOT drug test means: As an employee/applicant, you have refused a drug test if you:

- (3) Fail to provide a urine specimen for any drug test required by this part of PHMSA regulations; provided that an applicant who does not provide a urine specimen because he or she left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;
- (4) In the case of a directly observed or monitored collection in a drug test, fail to permit the observation or monitoring of your provision of a specimen;
- (5) Fail to provide a sufficient amount of urine when directed, and has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure;
- (6) Fail or decline to take a second test the employer or collector has directed you to take;
- (7) Fail to undergo a medical examination or evaluation, as directed by the MRO as part of the verification process, or as directed by the DER under 40.1930(d). In the case of a pre-employment test, the applicant is deemed to have refused to test on the basis only if the pre-employment test is conducted following a contingent offer of employment; or
- (8) Fail to cooperate with any part of the testing process (e.g. refuse to empty pockets when so directed by the collector, behaves in a confrontational way that disrupts the collection process).
- (9) As an employee, if you refuse to take a drug test you incur the same consequences specified under PHMSA regulations for a violation of those regulations.
  - a. As an employee when you refuse to take a non-DOT test or sign a non-DOT form, you have not refused to take a DOT test there are no consequences under PHMSA regulations for refusing to take a non DOT test.

who leaves the testing site before the pre-employment testing process commences for a pre-employment test is not deemed to have refused to test;

  - (1) Drug information will be periodically distributed and displayed in the work areas.
  - (2) A copy of this policy will be given to each employee and displayed in the work area.
  - (3) The hot-line telephone number for employee assistance will be given to each employee and displayed in the work area.
- (b) Training--Every supervisor covered by this policy who will determine whether an employee must be drug tested based on reasonable cause, will receive the following drug use training:
  - (1) A 1-hour (minimum) training period on the specific, contemporaneous physical, behavioral, and performance indicators of probable drug use.
- (c) The City regards its employees as its most important asset. Accordingly, the City maintains an EAP which provides help to employees who suffer from alcohol or drug abuse and other personal or emotional problems. Employees with such problems should seek confidential assistance from the EAP or other community resources before drug or alcohol problems lead to disciplinary action. Employees may contact Employee Health Services for the name of the City's EAP. Information about a self-referred employee's contact with the EAP is confidential and will not be disseminated without the employee's permission. Further, an employee is not subject to discipline solely as a result of a self-referral for

treatment. However, use of the EAP or other community resources will not shield the employee from appropriate disciplinary action for violations of the City's Drug-Free Workplace Program if such violations come to the City's attention through other means, including but not limited to, reports from employees or outsiders, direct observation, or drug testing.

8. Discipline, Discharge, Return to Duty

- (a) Upon the City's receipt of a positive test result, an employee in a covered position shall be suspended with pay for five (5) working days or until the MRO determines whether or not a legitimate medical explanation exists for the confirmed positive test result. Employees must cooperate fully with the MRO. Failure to meet with the MRO upon his/her request, or to promptly provide requested information will result in the Employee immediately being placed upon suspension without pay, and may result in termination and discharge.
- (b) An employee who fails a random drug test will be allowed a one-time opportunity to participate in an Alcohol/Drug Rehabilitation Program or the City of Gainesville Employee Assistance Program (EAP) or other approved program as determined by the SAP, in lieu of being immediately discharged based upon such failure. Provided further, however, that allowing the Employee to participate in such program in lieu of being discharged is conditioned upon the Employee's execution of a written agreement describing his/her obligations under the program. Furthermore, such an opportunity will not be available to an employee who has previously participated in an Alcohol/Drug rehabilitation program, the City's EAP, or other approved similar program, as an alternative to discharge. Finally, employees allowed the rehabilitation opportunity described herein may still receive disciplinary action short of discharge in conjunction with the rehabilitation program.
- (c) Except as provided above, a covered employee's refusal to take or failure to pass a drug test is JUST CAUSE for dismissal.
- (d) Participation in a treatment program, be it entirely voluntary or pursuant to Section b, above, will not excuse work rule violations or poor performance and an employee may be disciplined or discharged for such offenses or failure to perform.

9. Record Keeping

- (a) The City will keep the following records for the period specified. The records described in subsections (1), (3), (4), and (5) below will be maintained in Employee Health Services. The records described in subsection (2) shall be maintained by the MRO.

With the exception of the testing laboratory, MRO, designated manager, and the Employee Health Services representative, and, if necessary, as part of a judicial or administrative proceeding, or upon request of PHMSA or State agency officials as part of an accident investigation, the results of individual drug tests will not be released to anyone without the expressed written authorization of the individual tested. Prior to testing, the individual will be informed about who will receive test data (e.g., testing laboratory, MRO, Human Resources Director).
