 Gainesville, FL 32601

Re: Stormwater Utility Fees

Dear Mr. Radson:

The School Board of Alachua County considered your request for a second joint meeting with the City of Gainesville over the issue of storm water utility fees at the regular meeting on March 2, 2010. The Board voted to deny your request.

I have previously forwarded the names of three potential mediators for this case. Please advise as to your preferences. However, if the City wishes to waive mediation, I will advise my clients to agree to a waiver.

Very truly yours,

Susan M. Seigle
